Chapter 4406

“Everyone, we are just passing by and have no intention of taking action!”

Tiansha knew that he could not easily provoke other forces, after all, the sect master had told him to do so!

Tiansha didn't take action, and the monks with swords wouldn't take action either!

But Elder Zuo Xia followed Tianluo and started fighting!

Both of them had hot tempers and collided with each other in an instant! Boom

boom...

Accompanied by a deafening sound, countless sword lights collided with each other, and Tianluo was beaten back again and again!

After being forced back, Tianluo looked at Elder Zuo Xia in shock, frowning slightly and said, “You old thing, you really have some skills...”

It was obvious that Tianluo was not the opponent of Elder Zuo Xia!

But Tianluo was not afraid, because he knew that Tiansha was still there. If the two of them joined forces, Elder Zuo Xia would definitely not be the opponent. Tiansha would not watch himself lose!

As for the monks who wanted to hold the knife, Tianluo didn't take them seriously at all. After all, these monks were only in the realm of transcending tribulation!

However, Tianluo's idea was completely wrong. These monks holding the knife were the most terrifying!

Because they were not afraid of life and death at all, had no emotions, and only loyalty!

“You dog of the Demon Sealing League, I will break your dog legs today!”

After that, Elder Zuo Xia attacked Tianluo again!

While Tianluo was parrying, he shouted to Tiansha: “Tiansha, if you don’t do it, are you going to watch me get killed?” Tiansha

frowned slightly, glanced at the monks holding the knife around him, and finally gritted his teeth and jumped up!

If he didn’t help Tianluo, Tianluo would definitely lose!

But when Tiansha jumped up, several monks holding the knife all followed suit!

“Don’t worry about it, I’m going to fight these two dogs of the Demon Sealing League alone today!”

Elder Zuo Xia actually stopped the monks holding the knife from helping!

Following Elder Zuo Xia’s order, the monks holding knives stopped instantly and watched quietly from the side!

Chapter 4407

In the battlefield of gods and demons!

David brought Ji Yun and Zhu Qingxiu to a desolate land!

Zhu Qingxiu looked at the scene in front of her and showed a very shocked expression!

After all, it was the first time she saw such a place. She had traveled throughout the Eastern Region, but this place obviously did not belong to any place in the Eastern Region!

David and Ji Yun were much calmer. After all, they had entered the battlefield of gods and demons and knew about it, so they were not surprised!

“The battlefield of gods and demons looks extremely desolate, even more desolate than the Eastern Region. Will there be treasures in such a place?”

Zhu Qingxiu asked in confusion!

“Whether there is a treasure or not, no one knows. It depends on luck. Maybe the treasure is not found and the life is left here!”

David said indifferently!

“Ah?” Zhu Qingxiu was startled: “Is there still danger here?”

“You don’t have to be too scared, most of the time there is no danger.”

David said, and walked straight forward!

Ji Yun and Zhu Qingxiu followed behind, stepping on the barren land, leaving a string of footprints!

Obviously no one has been here, and those who began to enter the cave entrance were probably sent to other places in the battlefield of gods and demons!

After all, this kind of transmission from the entrance to the battlefield of gods and demons is random!

David burst out his consciousness and wanted to explore the surroundings to see if there was anyone who came in first!

But just when David’s consciousness burst out, suddenly a mysterious force directly defeated David’s consciousness and made David dizzy!

David’s face changed drastically, his face was full of incredible!

He knew the power of his consciousness, but he was defeated so easily!

“What a powerful forbidden power, this battlefield of gods and demons doesn’t look simple!”

The Red Cloud Demon Lord spoke!

He also felt the huge power of that force in David’s sea of consciousness!

After a while, David’s mind gradually came to his senses. Looking at the barren land, he didn’t know if it was right for him to rashly enter the battlefield of gods and demons!

At this time, not far from them, there was a sound of footsteps, followed by Lin Keting and the right blind elder slowly coming!

Seeing David like that, Lin Keting smiled slightly and said, “Did you emit divine consciousness and get attacked?”

David was stunned, but didn’t speak!

“There are restrictions here. There is no way to explore with divine consciousness, and spiritual power can’t be burst out at all. Flying in the air is even more impossible!”

Lin Keting said to David!

When David heard it, he immediately operated the spiritual power in his body and found that it was really suppressed!

Seeing this, David hurriedly operated other powers, the power of dragon, the power of origin, and even the power of the three tribes, but it was still suppressed and couldn't burst out half a bit of power!

David's face became extremely ugly. If he encountered danger at this time, wouldn't he become a lamb to be slaughtered?

"How could this happen? Why do you know that this battlefield of gods and demons has such a ban?"

David didn't understand. This was also the first time that Lin Keting entered the battlefield of gods and demons. Why did she know so much?

"I just heard about it."

Lin Keting smiled slightly, but David didn't believe it!

It's just that Lin Keting didn't want to say it. Since she didn't want to say it, David didn't ask any more questions!

"When you arrive at this battlefield of gods and demons, everyone will become ordinary people and must use the most primitive power, so it's very cruel here."

"When you are outside, no matter how awesome you are, you are just an ordinary person here. Don't get into danger."

Lin Keting reminded with a smile!

David took a deep breath and slowly calmed down his mentality. After all, his physical body is very expressive. Even with the purest physical strength, David is not afraid of anyone!

What's more, David also has the Holy Light Fist, which can be performed with physical strength without any mana!

For David, this kind of ban may still be a good thing!

Chapter 4408

Rustle...

As he was talking, there was a sudden rustling sound, and then a sand scorpion several meters long came flying at him!

The sand scorpion's tail was raised high, and the poisonous needle on it emitted a cold light!

Seeing this, Ji Yun and Zhu Qingxiu hurriedly took up their positions, especially Zhu Qingxiu, who had a long sword in her hand and was ready to stab it!

But when she swung her sword, she remembered that she had no spiritual power at all, and it was impossible for her to kill the sand scorpion in front of her!

At this moment, both of them were a little panicked, and their faces were very ugly! Chen

Ping frowned slightly, clenched his fists tightly, and prepared to use the Holy Light Fist to hit the sand scorpion!

And Lin Keting and the right blind elder faced the rapidly approaching sand scorpion, and they didn't seem to be afraid at all!

Just when the sand scorpion was in front of him, the right blind elder suddenly drew his sword and then swung it hard!

Swish!

With a sword, the sand scorpion was instantly cut in half, and even the ground was left with a deep gully by the sword energy!

Seeing this scene, David and the others were stunned!

"Why can he use the spiritual power in his body?"

David looked at the right blind elder and asked in confusion!

"He is a sword cultivator, and he didn't use spiritual power just now, but sword intent!"

"This little girl is from the Wanjian Sect. She should also be a sword cultivator and have sword intent, right?"

Lin Keting looked at Zhu Qingxiu and said!

Zhu Qingxiu's face became very embarrassed and she lowered her head slightly!

She is indeed a disciple of the Wanjian Sect and a sword cultivator, but she does not have sword intent, because sword intent can only be used by several high-level members of the Wanjian Sect!

“Sword intent?” David thought in a low voice!

Seeing David like that, Lin Keting smiled and said, “In order to make up for my men’s recklessness towards you, I told you some restrictions on this battlefield of gods and demons. Whether you can survive and find treasures later depends on your own luck.” After Lin Keting finished speaking

, she turned around and left with the right blind elder!

David didn’t speak, his eyes seemed to be fixed, he had been thinking about the two words “sword meaning”!

Shashasha...

Suddenly, there was another rustling sound on the barren land, but this time it was obviously more noisy!

Soon, dozens of sand scorpions were seen rushing over quickly!

Ji Yun and Zhu Qingxiu were almost scared silly when they saw this scene! Even

Lin Keting and the right blind elder who turned around and prepared to leave changed color instantly. The relaxed demeanor just now had disappeared and became extremely solemn!

The right blind elder held the long sword in his right hand, and he trembled unconsciously!

Lin Keting also pinched a jade pendant, as if it was her life-saving thing!

So many sand scorpions, for those who have lost their spiritual power, there is no way to deal with it!

Seeing dozens of sand scorpions in front of them, when the poison needles were about to poke down, David suddenly moved!

“Sword meaning...”

David spit out two words, and then the dragon-slaying sword in his hand slashed!

Countless sword lights shot out from the Dragon Slaying Sword, and these sword lights instantly penetrated the bodies of the sand scorpions!

Those sand scorpions that were originally going to attack, all fell down one after another!

After penetrating the bodies of the sand scorpions, countless sword lights actually went far away, and finally burst into explosions in the distance!

Everyone looked at David in disbelief.

Even Lin Keting, who was about to leave, widened her eyes, full of shock!

The right blind elder opened his mouth wide, and his expression was also extremely shocked!

“You...is this also sword intent?”

The right blind elder said in shock!

“It should be, I just slashed it casually...”

David was also a little confused. He was actually not sure whether what he had just displayed was sword intent. After all, he didn't understand sword intent!

Chapter 4409

David's words almost made the Right Blind Elder vomit blood!

He practiced sword for a lifetime and finally cultivated some sword intent, but now David's casual slash actually displayed so much sword intent!

And it seems that David himself doesn't know that this gap is really huge for the Right Blind Elder!

Lin Keting re-examined David at this time, with doubts and confusion in her eyes!

She didn't understand that David, a seventh-grade cultivator in the Tribulation Realm, could kill so many sand scorpions with one sword when his spiritual power was suppressed!

Obviously, David also displayed sword intent, otherwise it would be impossible to have such power!

But David himself didn't understand what sword intent was, which was too strange!

Lin Keting developed a strong interest in David! She

originally planned to leave, but she turned around and looked at David and said, "I didn't expect you to have this ability. Let's go together, and we can have someone to look after

us!" Lin Keting took the initiative to invite David and the others to join her, which obviously showed her

appreciation for David's strength! David nodded. He was unfamiliar with the battlefield of gods and demons, but it seemed that Lin Keting was very familiar with it, so it would be good for David to go together!

Now Ji Yun and Zhu Qingxiu are just ordinary people. If they really encounter danger, David may not have the energy to take care of them!

If they go together, they can still have someone to look after them, especially the right blind elder, who is also very powerful. In this way, they can be said to be invincible in the battlefield of gods and demons!

Seeing that David agreed to go together, Lin Keting smiled slightly, then turned and walked forward!

David and the others followed behind, and the right blind elder was behind, always keeping vigilant!

Since there are so many sand scorpions here, there may be other monsters!

After walking for a distance, several people found that there were more than ten huge stones standing in front of them!

These stones were strangely shaped without any rules, as if they were formed by nature!

However, David could tell at a glance that these stones were definitely not natural, but were placed by someone on purpose, because the location where these huge stones were placed turned out to be a small maze!

If you walk into these boulders rashly, you will definitely get lost in them, but David knows the art of formation, and this little formation is certainly not difficult for David! Lin

Keting just took a look at the boulders, and then walked straight over, as if she didn't realize that the boulders in front of her were placed in a formation!

David didn't say it, but followed behind, so that he wouldn't get lost in it!

When everyone came to the boulders and looked up, these boulders were tens of meters high! They

didn't look big from a distance, but when you get closer, you find that these boulders are all like hills!

Standing in front of these boulders, there is an invisible sense of oppression!

"Mr. Chen, look, there seem to be a lot of special words on these boulders."

Ji Yun said to David excitedly!

David looked carefully, and sure enough, he found a lot of incomprehensible words on the boulders, like some kind of runes!

This discovery made David a little excited. If these are all immortal methods, or ancient secret methods, then wouldn't he make a fortune!

It's just that David didn't recognize the words on it at all, so he didn't know what they were!

Lin Keting just took a look and then said, "This is just a record engraved by someone, not a martial arts method..."

David was stunned and asked quickly, "Miss Lin, do you recognize these words?"

"No..." Lin Keting shook her head!

When David heard this, he opened his mouth to curse, but he still held back!

He didn't recognize it, but he said it as if it were true!

"You don't recognize these words, but you say it's not a martial arts method. Who are you fooling? You don't want to fool us, and then secretly learn the martial arts method yourself?"

Zhu Qingxiu looked at Lin Keting dissatisfiedly and said!

Chapter 4410

When Lin Keting heard this, she sneered and said, "Don't say these are not exercises. Even if they are exercises, I don't look down on them. Don't use your own thoughts to guess other people's minds!"

"You..." Zhu Qingxiu was speechless after being confronted by Lin Keting!

David could see that Lin Keting didn't seem to be lying, and the other party's identity was definitely not simple. It was not comparable to a Wanjian Sect disciple like Zhu Qingxiu!

Just looking at the strength of the two blind elders, even if Zhujia Town took out all its strength, it would not be a match! The

Wanjian Sect may not be as powerful as the people brought by Lin Keting!

"Miss Lin, I wonder if you can tell me how you know what the text on it is?"

David asked Lin Keting in a very calm tone!

Lin Keting smiled slightly and opened her right hand. There were many runes on her right hand. It was these runes that allowed Lin Keting to easily open the formation of the entrance to the battlefield of gods and demons!

"Because I have these runes, I can transform the words on the boulder." After

Lin Keting finished speaking, she gently stroked the boulder with her palm!

As the runes on Lin Keting's palm radiated light, the words on the boulder seemed to be alive and began to hover in the air!

Soon, those obscure words turned into scrolls and appeared in front of everyone!

In those scrolls, the scenes of the battle between gods and demons were vivid, and the blood of soldiers and horses was spilled on the long river...

Everyone was shocked, because it was the first time they saw the scene of the battle between gods and demons in this way! In the

past, David could only understand it through the white bones and the narration of some people, and he had never witnessed it so truly!

Seeing that scene now, David's heart was surging, and he felt like vomiting!

The immortals of their dreams, the realm that these monks desperately want to reach, are now like lambs, falling one after another, like ants, and their value is completely invisible!

David dared not imagine how cruel the catastrophe of the war between gods and demons was, and he didn't know what the world had become because of this catastrophe! You

must know that the world of heaven and man is just a small battlefield in the war between gods and demons. There are countless small worlds like the world of heaven and man in the entire universe and galaxies!

But even a small battlefield is so cruel. It is conceivable that the catastrophe of the war between gods and demons has caused the fall of many immortals and demons!

David was a little dazed for a while. He didn't know if he had the ability to figure out the cause of the war between gods and demons, and whether he had a way to know the identity of his biological father!

He felt that those were too far away from him, as far away as a dream...

"These are all records of the war between gods and demons, so they are not some kind of practice..."

Lin Keting took her hand back, and the words instantly returned to the boulder and returned to calm!

Everyone was still immersed in the scene just now, even the right blind elder was shocked, only Lin Keting didn't seem surprised!

"Miss Lin, there should be records on other boulders. Are they all records of this battle between gods and demons?"

David finally regained his concentration and asked Lin Keting!

"That's not the case. There should be some exercises recorded on other boulders. Although these exercises are very old, they are all immortal methods or magic inherited from the heavens. For the heavenly world, they are also top exercises."

"If any of you want to learn, I can help you collect them so that you can understand them!"

Lin Keting said!

After hearing Lin Keting's words, Zhu Qingxiu felt very embarrassed. Just now she said that Lin Keting deliberately lied to them in order to secretly learn the exercises on the boulders. Now it seems that people really don't care!
