

A Man Like None Other Novel Chapter 4411

Chapter 4411 of the novel A Man Like None Other

Chapter 4411

Lin Keting's words made David look at her twice more, wondering what her identity was. She was not interested in immortal techniques.

However, David was not very interested either. You know, all the techniques he learned were taught by people in the heavens!

Needless to say, the Condensation Technique is the top technique in the heavens!

The Holy Light Fist, various divine patterns, and the Eye of the Underworld, which one is not a very powerful technique in the heavens!

David didn't need to learn any techniques according to the records on the boulder. If he really wanted to learn, the Red Cloud Demon Lord was much better than those immortals! After all, the Red Cloud Demon Lord

was also a figure in the ninth heaven of the heavens, and he was not comparable to an ordinary immortal!

"It's just some ordinary immortal-level techniques. I'm not interested. Let's find out if there are any other treasures!"

David said with a smile!

David's words made Lin Keting slightly stunned. She couldn't help but look at David with curiosity in her eyes. This time, she was even more curious about David's identity.

At this time, David and Lin Keting were both very curious about each other's identities, but no one had made it clear!

The two of them had just met, and they hadn't reached the kind of friendship where they could confide in each other!

Ji Yun, Zhu Qingxiu and the right blind elder were almost angry to death after hearing what David and Lin Keting said!

These two people are not interested in the fairy-level exercises, but it doesn't mean that others are not interested!

But now that David has said it, Ji Yun and Zhu Qingxiu can't say anything!

"Since you are not interested, don't waste more time here..."

Lin Keting finished speaking and began to walk forward!

David followed behind him. Although the others were reluctant, they could only follow!

David stared at Lin Keting. Because there was a maze here, it was very likely that Lin Keting would not be able to get out!

But who would have thought that Lin Keting would shuttle through the huge rocks and finally walk out of the Stonehenge!

David had a look of surprise on his face. Could it be that Lin Keting was also a formation master?

Did she see the formation in the huge rocks?

David quickly caught up with Lin Keting and opened his mouth to ask, but he didn't know how to start for a while!

If he opened his mouth, David would expose the fact that he found a maze in the boulder. If Lin Keting asked why David didn't tell him in advance, David would be embarrassed!

But if he didn't open his mouth, David was very curious and wanted to know whether Lin Keting was a formation master!

Just when David was in a dilemma and didn't know how to start, Lin Keting suddenly stopped and looked at David with a playful face and said, "Did you find that there was a maze in the boulder?"

"Ah..." David was stunned, and then nodded!

"I have seen that you have found the maze in the boulder. Why don't you tell me? Do you want to wait for me to fall into the formation, and then you can solve it in front of me?"

Lin Keting asked David so bluntly!

This time, David's face was flushed, and he didn't know what to do!

David did have that idea. By then, Lin Keting and the others would pay attention to him, and he could also show off!

But now, he failed to show off, but was slapped in the face...

embarrassing...

“Miss Lin, are you also a formation master?”

David asked very embarrassedly!

“Of course I’m not a formation master, I know nothing about formations...”

Lin Keting shook her head!

“Ah?” David was stunned: “Then you...”

David really wanted to know, how did Lin Keting walk out of the giant stone maze without knowing the formation?

How did she open the formation at the entrance of the battlefield of gods and demons without knowing the formation?

Lin Keting smiled, then spread out her right hand, just let David look at the rune on her palm, and then continued to move forward with a smile!

David also understood instantly that it was all caused by the rune on Lin Keting’s palm!

But who exactly drew the rune on Lin Keting’s palm, and this rune seemed to be omnipotent, it was simply amazing

Chapter 4412 of the novel A Man Like None Other

Chapter 4412

After walking for a while, the surrounding scenery began to change. The originally barren land was now green!

Mountains began to appear on both sides, as if they suddenly appeared!

Waves of fresh air came to my face, making me feel much more relaxed!

In the middle of the mountains, there was a deep canyon.

At this time, many people were already standing at the entrance of the canyon. These people seemed to be looking at the things in the valley, but no one approached.

When David and his team approached, everyone made way.

Now in this battlefield of gods and demons, everyone has become ordinary people, so they have become restrained. If there is a conflict, a stone may kill them.

These monks have been practicing for many years. If they don't have spiritual power, their real physical strength is probably not as good as that of ordinary people. After

everyone made way, David and his companions saw that there were three stone statues in the middle of the valley. The stone statues were not big, only the size of ordinary people. However, around the stone statues, there were actually several people lying, motionless, and no one knew whether they were alive or dead.

These three stone statues looked very ordinary, but their faces were hideous and their expressions were different, which made people shudder.

“What's going on?”

Lin Keting looked at the people on the side and asked.

This is an old man who said, “These three stone statues are weird. When you get close to them, you will feel uneasy, hallucinations will emerge, and finally faint. I just fought to the death to retreat.”

After listening to the old man's words, David and his companions realized that the people around the stone statues had fainted!

“Do you see anything wrong?”

Lin Keting looked at David and asked!

Since David knows the art of formation, maybe these three stone statues, like the giant stone just now, also have a bewitching formation.

But David shook his head: “I can't see it, but I can be sure that there is no formation around these three stone statues. I wonder if there is something else.”

“But now we are all ordinary people. Even if these three stone statues can make people faint, it is estimated that their power is not great...”

This is David's analysis. David himself does not know what it is like. He needs to investigate it.

Now there is no way to use divine sense to investigate, and the Tianming Eye cannot be used. The only way is to get closer to see what is going on.

Hearing David say this, Lin Keting walked towards the three stone statues.

“Miss Lin, be careful, or I will go...”

David saw Lin Keting approaching the three stone statues, so he reminded her.

“Don’t worry, you forgot that I have a secret method of self-defense.”

Lin Keting waved at David and then walked over.

Everyone looked at Lin Keting, and the Right Blind Elder took a step forward and stood in front of Lin Keting: “Miss, you can’t take risks. If anything goes wrong, we have no way to explain.”

“I’ll try to see what’s so special about the three statues...”

“Right Blind Elder, although you have the sword intent now, you are still an ordinary person and can’t resist that kind of spiritual attack at all.”

“I have a secret method of self-defense in my hand, nothing will happen...”

Lin Keting called the Right Blind Elder and walked away without stopping!

Soon, Lin Keting arrived in front of the three statues, but just as she walked in front of them, Lin Keting suddenly felt dizzy, and the space in front of her began to distort and deform!

Then in Lin Keting’s mind, countless illusions passed by, impacting Lin Keting’s sea of consciousness!

Suddenly, Lin Keting felt a black shadow blocking her in front of her, and then hugged her in her arms!

“Miss Lin, are you okay?”

David’s voice rang out!

Chapter 4413 of the novel A Man Like None Other

Chapter 4413

When Lin Keting saw David, she was in a trance. Feeling the warmth of David’s chest and his affectionate eyes, Lin Keting felt that she was about to fall.

She didn't understand why David cared so much about her when they just met.

"I'm fine..." Lin Keting looked at David and smiled slightly.

David looked at Lin Keting and slowly approached her.

Lin Keting's heartbeat began to accelerate. She knew what David was going to do. He was going to kiss her.

Lin Keting wanted to dodge, but found that she couldn't move at all. She had no strength in her body.

In the end, Lin Keting could only close her eyes and wait for David's kiss. At this time, Lin Keting was actually looking forward to it deep in her heart. Buzz

...

Suddenly, a golden light emerged from Lin Keting's palm, accompanied by a buzzing sound in the sea of consciousness, and Lin Keting regained consciousness.

She found that David didn't hug her at all, let alone kiss her.

It was just an illusion, and David was still watching her from a distance.

Lin Keting didn't understand why she had such an illusion. Fortunately, others didn't know, otherwise she would be so embarrassed.

"Damn it, it almost made me look bad..."

Lin Keting stared at the three statues angrily, and then slapped one of them with one hand.

Bang!

Lin Keting slapped it, but the statue didn't move at all.

Lin Keting remembered that she had no spiritual power at all, and she didn't have any sword intent. She was able to get rid of the illusion only by relying on the runes on her palm.

However, everyone was very surprised to see that Lin Keting didn't faint and was knocked down by the illusion, but no one dared to get close.

"Miss, I'll do it..."

Seeing this, the right blind elder waved the long sword in his hand, and a sword intent rose up.

Boom!

The sword intent fiercely slashed at the stone statue, and the stone statue instantly collapsed.

After the stone statue collapsed, a dagger was hidden in the stone statue. The dagger looked blood red all over, and there was even a bloody smell coming out of the dagger.

“What is this?”

Lin Keting reached out to take the dagger, but was stopped by David with a brisk step.

“Miss Lin, don’t touch this thing. There is too much Yin Sha Qi on this dagger. Your current body can’t bear it at all.”

David noticed the Yin Sha Qi on it the moment the dagger appeared.

If everyone’s strength was not suppressed, the Yin Sha Qi on the dagger might not cause any harm.

But now they are all ordinary people, even if a little Yin Sha Qi enters the body, they can’t bear it.

Lin Keting looked at David, then took her hand back. Now she has trust in David.

“Demon dagger, this is a divine weapon from heaven...”

A middle-aged man in a black robe suddenly shouted excitedly, and then rushed over desperately, trying to get the dagger in his hand.

Seeing this, Elder You Xia stretched out his long sword and directly stopped the middle-aged man in black robe, saying coldly: “Damn, this is something our eldest lady found, and you dare to touch it?”

The middle-aged man in black robe was stunned, and then took two steps back. They all saw with their own eyes that Elder You Xia had just broken the stone statue with a sword!

In this place where spiritual power is sealed, Elder You Xia still has such strength, of course he is afraid.

“Although you broke this stone statue, we found it first. If you say that this thing is yours, we will not accept it.”

The old man who just spoke said.

He retreated back at the risk of his life, and now there is a divine weapon in the stone statue, but they can't get it. Who will accept it!

"That's right, we found the stone statue first..."

"You opened the entrance magic circle, we paid the spirit stones to get in, it can't be that everything in here is yours?"

"At worst we can buy it with spirit stones, right?"

Everyone was a little dissatisfied and shouted!

Chapter 4414 of the novel A Man Like None Other

Chapter 4414

If all the treasures encountered along the way were possessed by Lin Keting, wouldn't they have come here in vain?

Now everyone's strength is restricted, but the sword intent of the Right Blind Elder is not restricted. In this way, no one can be the opponent of the Right Blind Elder, and they can only serve as a foil in vain.

"Shut up, everyone. If you want to get the treasure, ask the sword in my hand first."

The Right Blind Elder waved his long sword, and everyone shut their mouths instantly.

Although everyone dared not speak due to the pressure, their eyes were full of dissatisfaction!

"Right Blind Elder, how come you have become so reckless!" Lin

Keting glared at the Right Blind Elder, and the Right Blind Elder had no choice but to retreat!

"Everyone, you are right. This thing does not belong to me, and I cannot bully the weak."

"I think this is the way. If anyone wants this dagger, then use spirit stones to exchange it."

“Of course, we will share the spirit stones equally, so that everyone can get the benefits and not enter here in vain.”

Lin Keting said!

Lin Keting’s words instantly made everyone agree with both hands. After all, this is the best solution!

Everyone who sees it will have a share, and no one will have any objections!

But the middle-aged man in black robe frowned and said, “Miss, if we compare spirit stones, I am afraid that none of us can beat you. By then, it will fall into your hands. We can only get some spirit stones.” It can be seen

that the middle-aged man in black robe likes the magic dagger very much, but if he wants to exchange it with spirit stones, I am afraid that only Lin Keting has the most spirit stones here! After all,

at the entrance, Lin Keting has already collected a lot of spirit stones.

“Don’t worry about this, I won’t participate. I don’t want this magic dagger...”

Lin Keting shook her head and said!

When he heard that Lin Keting would not participate, the eyes of the middle-aged man in black robe lit up!

“David, do you want it?” Lin Keting looked at David and asked!

“I don’t want it. I don’t want this kind of magic weapon. The weapon in my hand is much stronger than this magic dagger.”

David also shook his head.

Whether it is the Dragon Slaying Sword, the Dragon Pattern Bell, or even the God King Bow, the power that really bursts out is greater than this magic dagger!

Seeing that someone else gave up, the eyes of the middle-aged man in black robe became brighter!

“Everyone, this magic dagger is very important to me, and it has a strong Yin Sha Qi. Now everyone is an ordinary person, I am afraid that I can’t withstand this Yin Sha Qi.”

“But I’m not afraid, so I hope everyone will give this magic dagger to me. I am willing to pay 100,000 spirit stones...”

The middle-aged man in black robe said politely to everyone!

He was very afraid that someone would snatch this magic dagger from him. When the time comes, he will not have enough spirit stones on him, which will be troublesome.

“One hundred thousand spirit stones? Are you fooling a child here? I will pay 150,000 spirit stones!”

Someone immediately refuted. After all, the higher the price, the more spirit stones everyone will get, so it is impossible for this middle-aged man in black robe to take the dagger away so easily!

“You...” The middle-aged man in black robe frowned. Although he was angry, he had no choice but to say, “I will offer 200,000 spirit stones. I hope you...”

“300,000 spirit stones...” The old man who spoke first spoke.

“350,000...”

“400,000...”

“500,000...”

Before the middle-aged man in black robe could speak, others began to shout for a price increase! The

middle-aged man in black robe was so angry that he was about to die. His expression froze. Many people here were obviously just joking. They didn't really want the magic dagger, but just wanted to raise the price!

“One million...”

The middle-aged man in black robe knew that if he continued like this, the price would continue to rise endlessly, so he gritted his teeth and shouted out a sky-high price of one million spirit stones!

Sure enough, the shouting out of one million shocked everyone. They looked at the middle-aged man in black robe one by one. No one raised the price! Seeing that

no one was raising the price, the middle-aged man in black screen finally breathed a sigh of relief!

Lin Keting glanced at him and said, “If no one raises the price, then this magic dagger belongs to this Taoist friend!”
