Chapter 4415

“Give it to him. He has already offered one million. No one is competing with him for it.”

“It seems that this guy really likes it. But we can also pick up a lot of spirit stones for free. We are also satisfied.” “

This method is really good. Even if I don’t get any treasure, I am happy. Anyway, I can get spirit stones.”

Everyone was very happy, and no one raised the price!

“Daoyou, this magic dagger is yours...”

Lin Keting looked at the middle-aged man in black robe and said!

The middle-aged man in black robe rushed over with excitement, and then grabbed the magic dagger. Feeling the trace of evil spirit in the magic dagger, the middle-aged man in black robe was trembling with excitement!

“Daoyou, now that you have the things, is it time to get the spirit stones? Everyone is waiting!”

Lin Keting asked.

“I...”

The middle-aged man in black robe was embarrassed and stunned, and his expression became unnatural!

Seeing the look on the face of the middle-aged man in black robe, Lin Keting immediately thought that this guy probably didn’t have that many spirit stones, and he was just bidding randomly.

Others also saw this situation, and someone immediately stood up and said, “Brother, if you can’t take out the spirit stones, put the things back, otherwise don’t blame us for being rude.”

“That’s right, you don’t have spirit stones, why are you still shouting so happily? Are you making fun of us? Even if our strength is sealed, one kick per person is enough to kill you.”

“Take out the spirit stones, if you don’t, we will kill you immediately...”

Everyone was filled with righteous indignation and prepared to attack the middle-aged man in black robe.

After all, this is related to the interests of everyone. If the middle-aged man in black robe doesn’t take out the spirit stones, Lin Keting agrees, and others don’t agree either.

This is the bondage of interests, which shows that Lin Keting also has some means.

“No, don’t worry, I didn’t say I won’t take the spirit stones.”

The middle-aged man in black robe was also scared when he saw the angry look of the crowd. If he was beaten up by these people, he might lose his life.

“Everyone, I only have 500,000 spirit stones on me, but I can lend them.”

After the middle-aged man in black robe finished speaking, he looked at Lin Keting and said, “This girl, I will borrow 500,000 spirit stones from you. I will return them to you immediately after I leave here.”

“You and I are not related, and I don’t know you. Why should I lend you spirit stones? If you run away, who can I find?”

Lin Keting looked at the middle-aged man in black robe and said with a very funny feeling.

“No, I will never run away. I can hand over a wisp of soul to you. If I run away without returning the spirit stones, you can completely destroy my soul.”

The middle-aged man in black robe actually proposed to borrow spirit stones with soul.

This decision shocked many people. You must know that soul is life in the eyes of all cultivators. If you hand over soul to others, it is equivalent to letting others control your life.

Now this middle-aged man in black robe is actually going to borrow spirit stones with soul, and it seems that he really intends to return the spirit stones.

Lin Keting looked at the black-robed middle-aged man, so she nodded and said, “Okay, I’ll lend you 500,000 spirit stones.”

After that, Lin Keting threw out a storage bag with 500,000 spirit stones in it.

The black-robed middle-aged man put his own spirit stones and the spirit stones given by Lin Keting together, and then put them directly on the ground.

Lin Keting distributed the one million spirit stones according to the number of people on the scene.

These people took the spirit stones they picked up for free, and laughed and laughed.

The black-robed middle-aged man stretched out his palm and slowly approached his sea of consciousness, intending to extract a wisp of life soul for Lin Keting.

“No need to mortgage the life soul, I believe you, you will return these 500,000 spirit stones.”

Lin Keting stopped the black-robed middle-aged man.

The black-robed middle-aged man was slightly stunned, then looked at Lin Keting gratefully and said, “Thank you, young lady, I will definitely return it double every day.” After the black-robed middle

-aged man finished speaking, he stood up and walked back, leaving the battlefield of gods and demons.

After getting the magic weapon I wanted, there is no point in staying in the battlefield of gods and demons. If I lose the magic weapon, it will be a loss.

Chapter 4416

“Girl, do you trust him so much? You should know that he is a demon cultivator, and you just met by chance, and you don’t even know his identity.”

“If he doesn’t return your spirit stones, where can you find him?”

The old man asked Lin Keting in confusion.

But Lin Keting smiled and said, “If he dares not to return the spirit stones, there will be no place for him in the entire world of heaven and man. Even if it’s on the sky and on the sea, I have a way to catch him.”

Lin Keting is extremely confident. Her confidence is definitely not pretended, but innate. From

this, we can also infer the identity and power behind Lin Keting, which is absolutely terrifying!

“Everyone, since this first stone statue has a magic weapon, it is estimated that there must be good things in other stone statues. Now let’s open it and take a look. No one is allowed to fight for it. The rules are still the same.”

Lin Keting said to everyone!

Everyone nodded. Who dared to fight for it? Elder Youxia held a sword and watched intently. If anyone made any unusual moves, he would cut them with a sword!

Seeing that everyone agreed, Lin Keting looked at Elder Youxia and said, “Elder Youxia, you...”

“Let me do it this time...”

David stood out without waiting for Lin Keting to finish!

He also wanted to try his sword intent to see if he could cut the stone statue in front of him.

Lin Keting nodded, then waved her hand to let Elder Youxia retreat!

David held the Dragon Slashing Sword, but he didn’t know how to burst out the sword intent. When he killed those sand scorpions, he also made moves based on his feelings!

If he deliberately used the sword intent now, David might not be able to use it.

David stared at the stone statue and suddenly cut it with a sword!

“Cut...”

With a roar from David, the Dragon Slashing Sword slashed fiercely on the stone statue!

The head of the stone statue was directly shattered, but the body of the stone statue was not damaged at all.

Just now, David just used brute force and hit the stone statue directly.

did not display the sword intent.

However, it was also amazing that the head of the stone statue could be smashed with brute force alone.

“Boy, you can’t display the sword intent?”

Seeing this, the right blind elder asked with a hint of sarcasm.

David did not speak, but chopped at the stone statue again with the Dragon Slashing Sword.

Clang clang clang...

David chopped several swords in a row. Although the stone statue was finally chopped into pieces, it was not with the sword intent, but with a sword. David used brute force to smash it open!

If the Dragon Slashing Sword was not a magic weapon, the sword in his hand would be damaged if the stone statue was smashed in this way.

The stone statue was broken, and there was a battle axe inside, shining with a cold light.

Lin Keting sold the battle axe in the same way, and of course everyone shared the spirit stones equally!

David was not very excited when he held the Dragon Slashing Sword. He didn’t understand why he suddenly couldn’t display the sword intent?

“Senior, what exactly is that sword intent?”

David could only ask the Red Cloud Demon Lord to see if he really understood it.

“Don’t ask me, how can I understand that thing? I can’t use it either. Who can seal my strength?”

The Red Cloud Demon Lord hurriedly shook his head!

But what he said was true. If the strength was all there and not sealed, there would be no need for the sword intent.

Things like sword intent are probably used the most in the secular world. After all, they are ordinary people. They don’t have spiritual power to assist them. They can only rely on practicing sword intent to improve their strength.

It should be a state similar to the unity of man and sword.

When David was pondering the sword intent, the third stone statue was also opened by the right blind elder, and the things inside were also sold.

David did nothing. When he reacted, he had already earned hundreds of thousands of spirit stones for nothing.

But David didn't seem happy either. After all, his few moves just now were a bit embarrassing.

Chapter 4417

"Still thinking about the sword intent?"

Lin Keting saw David's thoughts and asked.

David nodded: "What exactly is the sword intent?"

"I don't know, I haven't cultivated the sword intent." Lin Keting waved her hand hurriedly. And

the Right Blind Elder smiled and said: "Boy, the sword intent can only be understood but not explained. I will cut you with a sword again to see if you can understand the mystery. That's your own business." As

the Right Blind Elder said, he raised the long sword in his hand and was about to cut it out!

But before he could make a move, the long sword in the Right Blind Elder's hand shook violently, which made the Right Blind Elder's face change suddenly.

"Right Blind Elder, what's wrong?"

Lin Keting asked hurriedly.

"Miss, the left blind man must be in danger outside."

The Right Blind Elder said.

"Danger?" Lin Keting frowned slightly: "Has he gotten into trouble again? Go out and have a look immediately, try to stop him, don't get into trouble again."

"Miss, what are you going to do?" asked the blind elder.

“Don’t worry, he is still here, and I have something to save my life, nothing will happen.”

Lin Keting pointed at David and said.

The blind elder glanced at David, and then said: “Boy, you protect our young lady. If our young lady has any mishap, there will be no place for you in the whole world of heaven and man.” After that

, the blind elder quickly ran towards the entrance of the battlefield of gods and demons!

David was speechless. Who did he offend? Why did he suddenly start to take responsibility?

Seeing David’s look, Lin Keting smiled slightly and said: “Don’t worry, he is just scaring you, nothing will happen, even if something happens to me, it has nothing to do with you.”

“With me here, none of you will be in trouble.”

David patted his chest and began to brag.

When everyone heard what David said, they all expressed their desire to follow him. They had all seen how David had just used his sword to smash the stone statue into pieces!

Without spiritual power, David still has such a strong physical strength. If there is any danger at that time, David can still block it.

So everyone chose to follow. The main reason is that if they can’t get the treasure, they can get the spiritual stone. It’s not a loss at all. These people are still very good at calculating.

Lin Keting accepted everyone who came, and then led everyone on the road.

.....

Outside the battlefield

of gods and demons! Elder Zuo Xia followed Tiansha and Tianluo and fought hard.

Several monks with knives, four of whom were seriously injured and fell to the ground, not knowing whether they were dead or alive, but even so, none of the monks with knives retreated!

Elder Zuo Xia also got angry, and the long sword in his hand kept attacking like thunder!

But with the cooperation of Tiansha and Tianluo, Elder Zuo Xia still fell into a disadvantage!

Blood had begun to flow from his left arm, and Elder Zuo Xia was injured!

“Damn it, I don’t know if the right blind man has received my message. If he doesn’t come to help, I will probably run away, or I will really die in the hands of these two little bas***s.”

Elder Zuo Xia prayed in his heart, hoping that Elder You Xia had received his message!

Although he thought so in his heart, Elder Zuo Xia did not show any fear on his face, and he still yelled and cursed stubbornly! He

was timid in his heart, but he couldn’t be timid in his momentum!

“Old man, you are so damn stubborn. We will tear your mouth apart in a while, and see how you can still yell and curse.”

Tianluo was already mad to death!

Fighting is fighting, and after fighting for a long time, his eight generations of ancestors have been scolded by Elder Zuo Xia, which is too infuriating.

“Little bas***, you still want to tear Grandpa’s mouth apart, don’t you look at your own virtue.”

“I scold your eight generations of ancestors, because your ancestors have accumulated virtues, do you think I scold everyone?”

Elder Zuo Xia held a sword and floated in the air, sneering at Tianluo.

“fu** you...”

Tianluo was going crazy. He rushed towards Elder Zuo with a sword in hand. His speed was extremely fast. He was furious.

Chapter 4418

Seeing this, Tiansha also rushed forward with his sword, and the two of them went straight to the blind left elder.

The blind left elder frowned slightly. If he continued to fight, he would definitely lose.

But turning around and running away now would be embarrassing.

Just when the blind left elder didn't know whether to fight or flee, a figure suddenly appeared.

"Who are you? How dare you attack the blind left?"

The blind right elder waved his palm, forcing Tianluo and Tiansha to retreat and asked.

Tianluo and Tiansha saw that the blind left elder had come to help, and they also hurriedly retreated, looking at the blind right elder.

When Elder Zuo Xia saw Elder You Xia coming, he gave up the idea of running away. He pointed at Tian Luo and said arrogantly, "Grandson, aren't you going to tear my mouth apart?"

"Grandpa is standing here, come over if you have the guts, come on..."

Elder Zuo Xia hooked his finger at Tian Luo, provoking him.

"Blind Zuo, don't always mess around with cats and dogs. The eldest lady has told me not to cause trouble."

Elder You Xia was also very angry when he saw Elder Zuo Xia's look. This guy is too good at causing trouble.

"Blind Right, I didn't cause any trouble. These two grandsons are from the Demon Sealing League and they hurt the eldest lady's guards. Can we spare them?"

Elder Zuo Xia said.

"What? People from the Demon Sealing League?"

"fu** him..."

Elder You Xia jumped up, grabbed out of thin air, and a magic sword was in his hand, attacking Tian Sha and Tian Luo.

Elder Zuo Xia smiled and rushed up directly.

Tiansha and Tianluo were confused. They didn't understand why these two guys hated the Demon Sealing Alliance so much.

They originally wanted to use the Demon Sealing Alliance to scare the other party, but now they have directly angered the other party!

Seeing this, Tiansha hurriedly took out the sound transmission jade slip and began to call for help.

He knew that the two of them were definitely no match.

Tianluo and Tiansha retreated while fighting, not wanting to fight anymore.

But the left blind elder and the right blind elder were like dog-skin plasters, tightly wrapping around the two people.

The melee continued.

.....

In

the battlefield of gods and demons!

David followed Lin Keting and led everyone to continue moving forward in the battlefield of gods and demons!

After passing through the valley, everyone saw a vast expanse of white in front of them, and an endless snowfield appeared.

Seeing this scene, everyone frowned!

It has not been long since they came in, and they have experienced several regional landscapes.

“Are these illusions? Our strength is sealed now. Even if it is a small illusion, we are afraid that we can’t break free and are trapped inside.”

“How is it possible that there are several regional landscapes in a small relic?”

The old man in the crowd said in confusion.

“This is not an illusion!” David shook his head.

“How do you know it’s not an illusion?”

The old man looked at David in surprise.

“Because I am a formation master, even if there is no spiritual power, ordinary formations can’t escape my eyes at all.”

David said truthfully.

“Formation master?”

Hearing that David was a formation master, everyone was very surprised.

After all, in the Heavenly World, array masters are also very rare.

“Look, there are footprints on the snow. Has someone been here before?”

At this time, someone shouted.

Everyone hurried over and found a row of footprints on the snow, but the footprints were very shallow. It was estimated that they had been here for a long time and were partially buried by the snow.

“The footprints are no longer clear. It seems that someone has been here for a long time. I’m afraid it will be difficult for us to find the treasure now.”

The old man sighed, his face full of disappointment!

If someone had entered in advance, the treasures would have been taken away by the other party.

When the others heard this, they were also very disappointed.

“That’s not necessarily true. Didn’t we just get three magic weapons from the stone statue? Even if someone came in, it would be impossible to find all the treasures.”

Lin Keting hurriedly comforted.

Chapter 4419

“Miss Lin is right. Even if someone enters, it is impossible to find all the treasures. Let’s not lose heart.”

David also encouraged everyone!

“Yes, let’s not be discouraged. We have come here, so we must search again!”

Someone echoed David and Lin Keting!

Soon everyone's fighting spirit was restored, and a group of people stepped on the snow and stepped into the vast snowfield!

Because there was no spiritual power, everyone walked very slowly in the snow, and it was very strenuous!

But for David, it had no effect at all.

The biting cold wind made many people shiver all over. A dignified cultivator in the Tribulation Realm could not resist the severe cold. No one would believe it if they said it out, but it was like this here.

They all became ordinary people. It was really strenuous to resist the cold wind relying solely on the heat of the body and clothes.

Even Zhu Qingxiu, a cultivator in the Mahayana Realm, was hugging his arms in front of his chest at this moment, and his body was trembling slightly.

"Put it on..."

David took off his coat and handed it to Zhu Qingxiu.

Even if he was naked, David's body could withstand the severe cold.

Zhu Qingxiu glanced at David and did not refuse. Instead, he took the clothes and put them on.

"I didn't expect you to be so kind to women. I'm also a girl, why don't you put them on for me?"

Lin Keting walked to David and asked jokingly.

David glanced at Lin Keting and smiled slightly, "You're not cold. If you are, I can give you my pants."

David said, and he actually wanted to take off his pants.

"Stop, who wears your pants? It's shameless to take off your pants in front of girls!"

Lin Keting rolled her eyes at David, turned around and sped up!

David smiled faintly. Of course, he couldn't really take off his pants. He was just teasing Lin Keting.

Lin Keting is very powerful, and the power behind her is terrifying, but she is like a blank sheet of paper and obviously has very little experience in society.

After

walking for a distance, several harsh sounds rang out from above.

David looked up and found two big birds circling in the sky. Both birds had white feathers and their heads were indeed blood red.

The calls sounded a little scary, a little harsh, and hard to hear.

Seeing these two birds, many people became nervous.

If these two birds attack them, it will be dangerous. Now they are all ordinary people. Who can deal with these two big birds?

“Don’t be too nervous, everyone. This is the white-feathered crow. If we don’t provoke them, they won’t attack us actively.”

“And this white-feathered crow is very close to people. Just give them some food.”

Lin Keting said.

David looked at Lin Keting with a puzzled look on his face. He didn’t understand how Lin Keting knew so many things about the battlefield of gods and demons?

Thinking of the footprints just now, someone had entered before. Could it be that Lin Keting had been here?

But if she had come once, why would she come again?

David was a little puzzled, but at this time Lin Keting took out a spiritual stone and threw it hard. The two white-feathered crows screamed and fought for it, and then one of the white-feathered crows swallowed the spiritual stone in one gulp.

“This kind of bird actually eats spiritual stones?”

David was very surprised!

Lin Keting ignored David and continued to throw spiritual stones into the air.

The two white-feathered crows circled above Lin Keting’s head and screamed excitedly.

Soon, Lin Keting stopped throwing spiritual stones into the air and threw them directly on the snow.

The two white-feathered crows also fluttered their wings and fell down, then pecked at the ground.

Lin Keting walked forward slowly, and then gently stroked the feathers of the white-feathered crow. The white-feathered crow did not dodge, and was indeed very close to humans.

Seeing this, David also wanted to touch the white-feathered crow.

“Don’t touch it. You have to feed them spiritual stones before touching them, otherwise they will think you are an attacker.”

Lin Keting reminded David.

Chapter 4420

David paused slightly, but did not feed the White Feather Crow the spirit stone, but continued to approach the White Feather Crow.

Seeing that David did not listen to her, Lin Keting said angrily: “You guy, I reminded you but you didn’t listen. The White Feather Crow will attack you in a while, don’t cry...”

David just smiled, and then continued to approach the White Feather Crow.

When they were only a few meters away from the White Feather Crow, the two White Feather Crows became alert, staring at David intently. If David approached, they would attack.

Lin Keting watched from the side. She wanted to see how David looked when he was attacked by the White Feather Crow. Who made this guy disobey! But just

as David was getting closer and closer to the White Feather Crow, the aura of the dragon bloodline on his body began to slowly emanate.

Although the various powers in David’s body were suppressed, he could not suppress his own blood aura!

As the dragon blood breath was released, the two white-feathered crows went from vigilance to fear, and their bodies were trembling slightly!

David approached the white-feathered crow, then reached out and began to stroke it. The white-feathered king was as docile as a little lamb, and didn't dare to move! No matter

which of the two white-feathered crows David stroked, they didn't dare to move!

This time, Lin Keting was a little confused. She didn't understand how David did it!

Seeing that David didn't feed the spirit stone, the white-feathered crow also let him stroke it, so they also wanted to try it!

But just as they approached, the white-feathered crow chirped and attacked, scaring the monk to run away!

"Come back..."

David shouted, and the white-feathered crow that launched the attack was actually very obedient, stopped the attack, turned around and walked back.

This time, everyone else was also confused, and didn't understand why the two white-feathered crows would listen to David?

David rode on a white-feathered crow in the confusion of the crowd, and then gently called it, and the white-feathered crow instantly took off!

Sitting on the White Feather Crow, David could see higher and farther.

Lin Keting was shocked to see the White Feather Crow carrying David flying, and her desire to win was aroused in her heart, so she went to another White Feather Crow.

She also wanted to ride on the White Feather Crow and let the White Feather Crow take her to the sky.

But Lin Keting tried several times, and was thrown off by the White Feather Crow.

"You big bird, I feed you so many spirit stones, why do you only let me touch it and not let me ride it?"

Lin Keting stared at the white-feathered crow and roared angrily.

"Let her ride it..."

David shouted to the white-feathered crow on the ground in mid-air.

Hearing David's shout, the white-feathered crow slowly lay down and let Lin Keting ride on it!

The two white-feathered crows took David and Lin Keting and flew in mid-air!

Everyone was watching with envy below.

If their strength was not suppressed, they would all be able to fly in the air, and there was nothing to envy.

But in this battlefield of gods and demons, everyone's strength was suppressed. Not to mention flying, even walking for a long time would make them tired.

Lin Keting sat on the white-feathered crow, looked at David and asked, "What's wrong with you? Why does this white-feathered crow listen to you?"

"How should I know? Maybe it's because I'm closer to it."

David replied afterwards!

He couldn't tell Lin Keting about his dragon bloodline.

"Nonsense." Lin Keting rolled her eyes at David.

"Then tell me, why do you seem to know everything about the battlefield of gods and demons? You even know the personalities of these white-feathered crows."

"Have you entered this battlefield of gods and demons before? Who are you?"

David looked at Lin Keting and questioned.

He was really curious about Lin Keting's identity.

"I won't tell you..."

Lin Keting smiled, and then rushed forward on the white-feathered crow!
