Chapter 4436

“Let’s go in!”

The Thunder Beast also expressed his intention to go in, so David had no choice but to take everyone with him!

Everyone walked to the front of the tower gate, and on the tower gate, there was a yellow talisman pasted on it, which was obviously sealing the tower gate!

Seeing this, David pinched his fingers, and a white light flashed through his fingers, and he instantly went straight to the talisman!

Boom! In

an instant, a burst of flames rose from the talisman, and then the tower gate slowly opened by itself!

David, who had recovered his strength, could not be stumped by ordinary seals at all!

Lin Keting looked at David like that, and her eyes flashed with admiration!

She was a cultivator in the Mahayana realm, and at this moment she began to worship David, a cultivator of the seventh rank in the Tribulation Realm!

If it were in the past, she would never worship a little cultivator in the Tribulation Realm even if she was beaten to death!

But now, Lin Keting admired David very much.

She suddenly felt that David, a cultivator in the Tribulation Realm, could bring her enough sense of security!

“Let’s go...”

David took the lead and stepped in!

Others followed David and walked into the tower!

No one knew what was inside the tower, whether there would be any danger, everything was unknown!

It was this unknown existence that made everyone extremely nervous!

David's face was also solemn and his expression was very nervous!

Everyone stared with bated breath, their hearts beating.

After entering the tower, a disgusting smell of decay came to her face, and the whole tower looked very empty, with bones all over the ground!

It seems that this tower has also experienced battles, and many people have died here!

David snapped his fingers, and a ball of fire came out of thin air!

At this moment, the tower was instantly illuminated, and everyone looked at the bones on the ground, and they were a little stunned for a while!

Because some of these bones have not been completely decayed, and there is still flesh and blood on them, so there is a smell of decay!

Seeing this scene, Lin Keting and Zhu Qingxiu were both startled, and they instinctively hid behind David!

This scene is really scary. If it is a dead person, they are not afraid, after all, who has not killed someone!

If it is a skeleton, they are not afraid either, after all, they have seen a lot of dry bones!

But this kind of half-rotten corpse is the first time they have seen it, it is really terrible!

"Mr. Chen, how can there be a fresh corpse here? Logically speaking, the battlefield of gods and demons has existed for thousands of years, and the dry bones have become powder. How can there be such a thing?"

Ji Yun was very confused!

"I haven't seen anyone come to this place either. How can there be such a corpse?"

Thunder Beast was also very curious!

"Everyone be careful and walk forward slowly!"

David exhorted, and then waved his hand gently, and a shield appeared around the crowd, surrounding them, which also isolated the disgusting smell!

“David, look at what that is?”

After walking a few steps, Lin Keting hurriedly patted David!

David looked in the direction of Lin Keting's finger and found that a corpse was holding a jade slip in his hand.

David walked over and picked up the jade slip. There was still spiritual energy lingering on the jade slip, which was obviously not very old!

A divine consciousness entered the jade slip, and David was a little confused!

Because he found that he didn't recognize the things recorded in the jade slip at all!

“What is recorded in this thing? I don't recognize the words in it at all.”

David said in surprise!

“Daoyou, let me take a look...”

Thunder Beast said to David!

David handed the jade slip to Thunder Beast. After Thunder Beast took a look, the whole person was stunned, frowned slightly and said: “It's really strange, this doesn't seem to be the civilization of the heavenly world.”

“Let me take a look...”

Lin Keting was immediately interested when she heard it, and took the jade slip over!

Chapter 4437

After reading it, Lin Keting was also stunned, and then said affirmatively: “Don't worry, this jade slip is definitely not something from the heavenly world.”

“If it's not from the heavenly world, could it be from the heaven? After all, this is the battlefield of gods and demons, and many people come from the heaven.”

Ji Yun asked curiously!

Lin Keting did not answer, after all, she didn't know what the things in the heaven were!

“This jade slip is definitely not something from the heaven!” David said!

If it was something from the heaven, David could feel it. Although David is only in the Tribulation Realm now, he has come into contact with heavenly treasures and people, which is not a small number!

“This is strange, it’s not from the heavenly world, nor from the heaven. Could there be other worlds?”

Ji Yun asked!

Ji Yun only knew the heavenly world, and then ascended to the heaven. As for whether there were other worlds, he didn’t know at all. He didn’t even know the secular world!

If Ji Yun knew that David was from the secular world and was just an ordinary mortal at the beginning, he would have been shocked!

“In addition to the world of heaven and man, there are countless other worlds, and even the heaven is not what you imagine.”

“The thirty-six heavens in the heaven, each heaven is a world...”

David told Ji Yun what he knew!

Hearing David say this, several people looked at David in shock!

“David, you are just a cultivator in the Tribulation Realm, how do you know so much? How do you know the thirty-six heavens in the heaven?”

Lin Ke Ting asked puzzled!

“Don’t worry about it, I know more than you think.”

After David finished speaking, he took the jade slip from Lin Ke Ting’s hand. He wanted to let the Red Cloud Demon Lord see if he knew where the jade slip was!

After taking the jade slip, David immediately entered his sea of consciousness and found the Red Cloud Demon Lord!

But before David could speak, the Red Cloud Demon Lord said, “This is a jade slip from the Bibo Realm, and it also contains text records from the Bibo Realm. I have been to the Bibo Realm...”

“Then do you know what is recorded on this jade slip? Is it a technique?”

“And what kind of world is the Bibo Realm? Is it the same as the Heaven Realm?”

David asked curiously!

“This is not a technique, it’s just a record. These fresh corpses are all from the Bibo Realm.”

“The Bibo Realm does not have such good resources and environment as the Heaven Realm. There is no land in the Bibo Realm, it’s all ocean.”

“So the people of the Bibo Realm have always wanted to tear the void and find a place to live.”

The Red Cloud Demon Lord said!

“Could it be that these people from the Bibo Realm appeared here, tearing the void and accidentally came here?”

Looking at the corpses all over the ground, David asked!

“The people of the Bibo Realm don’t have the ability to tear the void. It’s obvious that someone deliberately tore the void to let the people of the Bibo Realm come here.”

“The record on this jade slip is also like this. A void black hole suddenly appeared in the Bibo Realm. Some people entered the black hole and disappeared. These people also tried to enter, and ended up here.”

The Red Cloud Demon Lord explained!

David understood it instantly after hearing it, and said with some horror: “Could it be that the people who were suppressed in this tower deliberately tore the void of the Bibo Realm, led the people of the Bibo Realm here, and then killed them?”

The Red Cloud Demon Lord did not speak this time, but nodded!

David was a little confused. Being suppressed in the tower, he could actually tear the void and lead people from other planes of the world. How awesome is this guy?

“Why is he doing this? Just to kill people?”

David couldn’t figure it out. These cultivators from the Bibo Realm should not be strong. What was the point of luring them here?

Chapter 4438

Just for the fun of killing?

“Don’t you see that someone wants to use the breath emitted by the decaying corpse to restore himself.”

“This is called corpse qi, and corpse qi can also be used for cultivation.”

The Red Cloud Demon Lord followed David to explain!

David’s scalp was numb at this moment, and goose bumps all came up. It was to use corpse qi to practice, and then lure people to kill, and let the corpse slowly rot!

In this way, people become cultivation resources, and the cultivators of the entire Bibo Star have become captive animals, and they can be slaughtered at any time when they want to eat!

It’s too scary...

David didn’t dare to think about it anymore!

“David, what’s wrong, you’ve been stunned for a long time?”

At this time, Lin Keting saw that David’s expression was wrong, so she pushed him and asked!

“Oh, it’s okay.” David shook his head quickly!

“Then let’s go up, it looks too scary here...”

Seeing that David was fine, Lin Keting wanted to go up the tower!

Seeing this, David wanted to stop him, but he didn’t say it. At this moment, David was very entangled in his heart!

He didn’t know what the guy who practiced with corpse qi was!

If he killed them all and then used their corpse qi to practice, he would be finished!

But seeing that Lin Keting was already walking towards the stairs, David could only follow up with his scalp!

Several people stepped on the wooden stairs on the second floor, making a creaking sound!

David's face was a little pale and his expression was tense!

He couldn't tell others what he knew, otherwise he would scare these people!

After coming to the second floor, he found that the second floor was full of corpses, both men and women, but these corpses were complete, and their expressions were vivid, as if they were alive!

It's just that these corpses were all naked, and there were also some corpses of monsters among them!

Hundreds of naked corpses standing in various postures. If you don't look carefully, you might think they are sculptures!

Seeing this, Zhu Qingxiu and Lin Keting's faces instantly turned red, and they turned around directly!

Too shy, what's going on?

Leishou and Ji Yun both stared straight, their eyes widened, and they couldn't move!

David had no choice but to wave his hand gently, and a mist instantly covered all the corpses!

Otherwise, they couldn't pass through these corpses.

"What the hell is this perverted guy?"

David cursed in his heart. He didn't know what kind of perverted guy was in the tower!

"Let's go, go upstairs, don't look!"

David said, then took Zhu Qingxiu and Lin Keting's hands and walked upstairs!

The two girls closed their eyes the whole time, too shy to look!

"Open your eyes, you can't see anything anymore, don't pretend, you two just opened your eyes secretly, don't think I didn't notice."

David saw Zhu Qingxiu and Lin Keting like that, and couldn't help but laugh!

Although the two people closed their eyes, there was still a little gap!

The contradictory psychology made them want to see but dare not see, so they did this, secretly taking a look!

“You are talking nonsense, who peeked...”

Lin Keting opened her eyes and found that there was fog all around, and she could no longer see the naked bodies, so she glared at David and said!

“That’s right, who peeked, I didn’t peek.”

Zhu Qingxiu also stubbornly denied it.

David didn’t dare to admit it or not, and directly dragged them upstairs!

David didn’t want to see what was on the second floor. Even if there was a treasure hidden, David didn’t want to look for it!

It was so hot...

Soon several people came to the third floor. The third floor was very bright, and there was no trace of rotten smell, and there was even a faint fragrance!

This contrast made several people a little confused!

Chapter 4439

“I don’t know how many years it has been since a living person came here!”

A woman’s voice sounded, and the fragrance became stronger!

Then a woman appeared. It was estimated that the woman was 1.7 meters tall. The slim red dress showed off her natural figure. Her exquisite body was graceful, her skin was smooth and warm, and her skin was white and crystal clear, without any flaws!

The towering chest, a pair of slender legs, and the red lips exuded a mature charm!

The woman’s facial features were very delicate, her eyes were like silk, her lips were like fire, and every look and movement touched people’s heartstrings!

Even Zhu Qingxiu and Lin Keting felt a little ashamed when they saw this woman!

Leishou and Ji Yun were stunned when they saw the woman who appeared, and their saliva flowed all over the floor!In

just a moment, the consciousness of the two people seemed to have been controlled by the woman!

Only David tried to stay awake. Although his eyes were fixed on the woman, there was no trace of emotion or lust in his eyes!

The woman couldn't help but look at David twice more, with shock in her eyes!

"Who are you?"

"Did you kill all those people below?"

David asked the woman!

"Brother, do you think I can kill people? I didn't kill those people."

The woman said to David with a bit of grievance on her face!

That voice, that expression, really controlled the man's heart!

"It wasn't her who killed it. How could a female Bodhisattva like this kill people!"

Ji Yun started to speak for the woman.

You know, in front of David, Ji Yun never dared to do this, but now Ji Yun actually took the initiative to speak for the woman!

"Yes, it was definitely not killed by this little beauty, I'll testify!"

The thunder beast jumped on one leg and drooled!

David didn't listen to the two guys. It was obvious that the two people's consciousness was controlled the moment the woman appeared!

Zhu Qingxiu and Lin Keting were fine, they were both women, so they were not controlled by the beauty of women, but they were also shocked and said nothing!

The appearance of such a beautiful woman had a psychological impact and blow to the two of them!

"If you didn't kill him, then who would have killed him? Who are you? Why are you in this tower?"

David tried to adjust his breathing and asked the woman!

After all, facing the woman in front of him, David was also very painful!

He is also a man, and facing a nearly perfect woman, it is difficult for him to restrain himself!

However, the last trace of reason in the sea of consciousness is still reminding him!

The woman in front of him is definitely not simple!

“I was framed, so I am trapped here. I hope my brother can rescue me.”

“If my brother rescues me, I am willing to serve my brother every day!”

The woman approached David step by step!

Every step was accompanied by a fragrant fragrance, which made David’s heart restless!

David was very impulsive at this time. He wanted to rush up and hug the woman tightly, and then...

But this impulse was still controlled by that trace of reason!

But as the woman continued to approach, David’s trace of reason became less and less!

When the woman came in front of David, David’s last trace of reason was finally gone!

All were overwhelmed by impulse!

“Boy, don’t be impulsive, wake up...”

In the sea of consciousness, the Red Cloud Demon Lord tried his best to remind David, but it was of no avail!

David pounced on her and hugged the woman tightly, his body was as hot as burning!

His eyes also turned scarlet, like a hungry wolf!

Seeing David like this, the woman was not afraid, but laughed!

Then she kissed David with her red lips!

Ji Yun and Lei Shou looked at him with envy, almost envious to death!

When Zhu Qingxiu and Lin Keting saw this scene, their expressions suddenly moved, their brows slightly frowned, and there was a bit of jealousy in their eyes.

Chapter 4440

But just when the woman was about to kiss David, suddenly the woman's eyes were filled with fear, and she pushed David away!

At this moment, David suddenly woke up, looking at the woman in front of him, feeling a wave of fear!

He seemed to be controlled just now!

"Senior, why didn't you stop me?" David was a little angry. The Red Cloud Demon Lord was actually controlled in his sea of consciousness, and didn't remind himself! "Damn , I called you for a long time, but you couldn't hear it at all. You guys, you're done when you see a woman, let alone such a beautiful woman."

"This is your weakness, I can't help it..."

The Red Cloud Demon Lord said angrily!

When David heard it, he was embarrassed and said, "Senior, I'm sorry, maybe I couldn't help it."

"Fortunately, the woman pushed you away at the critical moment, otherwise you guys would have to be done."

The Red Cloud Demon Lord said! Chen

Ping was very puzzled. Why did this woman seduce him and finally push him away?

"You...how come you have dragon blood, and the most noble golden dragon blood."

The woman looked at David in disbelief and asked!

"I am the son of the golden dragon. Isn't it normal to have golden dragon blood?" "

Who are you? Why do you know that my blood is golden dragon blood?"

David was very curious!

Even if someone could see that he had dragon blood and knew that he was the son of the dragon, there were not many people who could see the true form of the golden dragon!

But this woman knew her blood as soon as she got close to him!

Hearing David say this, the woman's face was excited, and she quickly knelt down to David and said: "The minister is Cen Biqing of the Qinglong clan..."

"You are also a dragon?" David's eyes widened, overjoyed!

He didn't expect that the woman in front of him was actually a dragon. When he saw the woman, David was attracted by her beauty and did not investigate, so he didn't know that Cen Biqing was a dragon!

David exuded a trace of dragon breath from the dragon crystal on his chest, and enveloped Cen Biqing!

Cen Biqing also exuded a trace of dragon breath, and merged with David's breath!

The two breaths merged, and they were both dragons, and they noticed it instantly!

Just when David wanted to take his breath back, he suddenly frowned and said, "Where is your strength? It seems to be sealed?"

David found that Cen Biqing's strength was actually sealed by some kind of power.

"Master, I..."

"Don't call me master, my name is David, you can call me by my name directly, or you can call me Mr. Chen!"

David hurriedly waved his hand to stop Cen Biqing from calling him like that!

Although the Golden Dragon lineage is indeed much more noble than the Azure Dragon lineage in the Dragon Clan, David doesn't want to be called master by Cen Biqing because of this!

"Mr. Chen, my strength is indeed sealed, and then I am trapped in this tower. There is a ban in this tower."

Cen Biqing said!

"Who trapped you in the tower? And those rotten corpses on the first floor, and the corpses on the second floor, did you kill them all?"

David asked!

“It’s not me. I don’t have the ability to kill people at all. I don’t know who it is. After all, there is more than just me suppressed in this tower.”

Cen Biqing explained!

“What? There are others?” David was confused. He didn’t expect that there were other people suppressed in the tower!

“Yes, there are others. This tower has a total of nine floors, and one person is suppressed on each floor.”

“I don’t know who suppressed us here. I only know that the person on the upper floor is an old guy who has practiced for ten thousand years. Although we can’t leave our place, we can communicate.”

“I don’t know much about the other situations. I don’t even know how many years I have been locked up now.”

At this point, Cen Biqing’s expression became heavy. The aggrieved look made David feel pity!
