## Chapter 441

David also has dragon blood in his body, so he feels very pitiful when he sees Cen Biqing like this!

“How can I restore your strength and take you out of here?”

David asked!

He decided to rescue Cen Biqing first. As for the other suppressed people, David had no time to care!

“It’s not difficult for me to restore my strength. I just need to merge with the man.”

“But it’s hard to leave here. There are formations and seals of the barrier here. It’s impossible to walk out.”

Cen Biqing said!

“Need to merge with a man?” David was a little embarrassed!After

all, so many people are watching, what should I do!

Seeing David’s embarrassment, Cen Biqing hurriedly said: “Mr. Chen, you are also a dragon, or a golden dragon, so you just need to let our dragon aura merge with each other, and you don’t need to do anything.”

“That’s good, that’s good...”

David nodded hurriedly when he heard it!

But the expression on his face was a bit disappointed. After all, Cen Biqing was too beautiful...

Who wouldn’t want to...

Cen Biqing also saw what David meant and just smiled slightly!

At this time, Ji Yun and Lei Shou were still immersed in Cen Biqing’s beauty and couldn’t extricate themselves at all!

Cen Biqing's strength was sealed, and she could control people like Ji Yun and Lei Shou with her beauty and body fragrance. It was considered a skill.

Even Zhu Qingxiu and Lin Keting were in a trance!

Who doesn't like beautiful women...

David exuded his own dragon aura, and then merged with Cen Biqing's dragon aura!

But when the aura merged, David's body trembled slightly, and an unprecedented comfort came!

Cen Biqing smiled, and then slowly closed her eyes!

David felt that he had come to an alien space!

There was no one else in front of him, only Cen Biqing...

David smiled, and his smile was very bright...

I don't know how long it took, David took a deep breath and opened his eyes!

Cen Biqing also opened her eyes, and the charming color on her body disappeared, and a layer of faint white light surrounded her body!

Cen Biqing's strength was restored, and the bright red dress turned into cyan!

Without that charm, Ji Yun and the others slowly woke up!

"I'm really sorry, my strength was banned, and I can only rely on my looks to charm everyone. Now that my strength has been restored, I don't need it anymore."

Cen Biqing said apologetically!

Although Cen Biqing's appearance did not change, the bright red dress turned into cyan, and the fiery lips disappeared. After the charm was gone, men saw less impulse!

Ji Yun and Leishou wiped their saliva, and their faces were full of embarrassment!

"David, David, are you stupid?"

Lin Keting saw David's intoxicated look and hurriedly shouted twice!

David quickly came back to his senses and asked, "What's wrong?"

"Are we still going up?"

Lin Keting asked.

“I advise you not to go up. I don’t know whether you can get treasures up there, but there must be a very powerful guy on each floor.”

Cen Biqing persuaded David!

“I’ll take a look at the situation on the upper floor. Didn’t you say that there is an old guy who has been practicing for ten thousand years up there? I’ll go and take a look.”

David knew that this tower was suppressing people on each floor, so he wanted to see who was suppressing the upper floor!

“Mr. Chen, since you want to see, I’ll try to see if I can break the restriction on this floor. If I can, I’ll go up with you.” After

Cen Biqing finished speaking, she slowly walked to the stairs!

When she stepped on the stairs with one foot, suddenly a burst of blood swept around, and Cen Biqing’s body was instantly knocked out!

Cen Biqing stood up, and then the breath around her body surged, forming a rapidly rotating whirlwind!

Stepping towards the stairs again, she was still knocked away by the blood light!

After trying twice in a row, she failed to break through the restriction, so Cen Biqing had no choice but to give up!

## **Chapter 4442**

“Let me try...”

David, holding the Dragon Slaying Sword, slowly walked up the stairs!

“Mr. Chen, you’re afraid it won’t work. I can’t break this restriction.”

Cen Biqing said worriedly!

“Don’t worry, even if I can’t break this restriction, I won’t be hurt.”

David smiled slightly and walked up the stairs!

Because David is not a suppressor, even if he goes up the stairs, he can't trigger the restriction!

"You guys go up first, don't move around after you go up, wait for me to break this restriction!"

David asked Ji Yun and the others to go up to the fourth floor first, and he wanted to break the restrictions on the third and fourth floors!

In this way, Cen Biqing can go up to the fourth floor

As for how to leave the tower, David is thinking of a way!

Ji Yun and the others nodded, and then went up to the fourth floor, while David said to Cen Biqing: "Miss Qing, you trigger the restriction, I will break it!"

"Okay!" Cen Biqing nodded, and then slowly went up the stairs!

Just after Cen Biqing stepped on the stairs, there was a hum, and a white light appeared, followed by countless tiny mysterious runes in the surrounding void. These mysterious runes exuded strange power, and directly knocked Cen Biqing out!

Seeing this, David suddenly swung his palm, and at the same time, a series of formation runes also appeared in his palm!

In an instant, David's palm slapped on the forbidden formation, and the two runes began to produce a fierce confrontation!

The void trembled...

Cen Biqing looked at it blankly. She couldn't believe that David, a cultivator in the Tribulation Realm, could actually fight against the forbidden formation in this tower!

But when David broke the forbidden formation, Ji Yun and others who had already gone up to the fourth floor were stunned by the scene in front of them!

I saw treasures placed on the fourth floor. These treasures all exuded divine light. At a glance, they were obviously not ordinary things!

"There are so many treasures..."

Lin Keting said with a gleam in her eyes!

"Mr. Chen said that we can't move them casually."

Ji Yun reminded Lin Keting. He was afraid that Lin Keting would run over to take the treasures privately!

“Don’t worry, I won’t take it. Although these treasures are good, they are not worth my risk.”

Lin Keting said!

Lin Keting is not stupid. She knows that there are many dangers in this tower. If she loses her life for this treasure, it is not worth it!

Her life is much more valuable than these treasures!

“That’s good...”

Ji Yun nodded!

But as soon as Ji Yun finished speaking, a figure suddenly rushed towards the treasures!

It turned out to be the thunder beast. This guy couldn’t bear to see these treasures!

He followed David and a few others in to find the treasures!

Now the opportunity is right in front of him. David is not here yet. He can take the treasure and run away!

Ji Yun and the others wanted to stop it, but it was too late!

The Thunder Beast grabbed a treasure, but the moment it touched the treasure, the Thunder Beast seemed to feel something, and its face instantly became extremely ugly, and the whole person was wrapped in a force!

“Save me, save me...”

The Thunder Beast called for help in fear towards Ji Yun and the others, but no one moved!

After all, they didn’t have any friendship with the Thunder Beast, and this guy wanted to take the opportunity to seize the treasure. Ji Yun and the others certainly wouldn’t help!

A beam of light hit the Thunder Beast, and the Thunder Beast’s body actually shattered inch by inch!

It only took a moment for the Thunder Beast to disappear directly, and its body and soul were destroyed!

Ji Yun and the others were also shocked when they saw this scene!

If someone of them had gone to take the treasure just now, maybe this would have been the result! It

was simply too terrible...

That kind of power, none of them had ever seen, could instantly make a Mahayana cultivator like the Thunder Beast turn into ashes!

## **Chapter 4443**

Ji Yun and the others didn't dare to move, they could only wait for David!

At this time, David was desperately trying to break the forbidden formation, and sweat could be seen on his forehead.

"Mr. Chen, if it doesn't work, don't try it again. Anyway, I have been here for many years and I have already gotten used to it."

Seeing David struggling so hard, Cen Biqing said!

"Don't worry, I can break it..." After

David finished speaking, an eye instantly appeared on his forehead!

Then the Tianming Eye opened, and the forbidden formation appeared in front of David in its entirety!

David had never seen some of the formation runes on the formation, and they looked a little more complicated than the divine patterns he had learned!

However, David knew that all methods returned to their roots. Even in the complex formation runes, they would eventually remain unchanged, and there would be a formation eye to control them!

And there must be a way to provide energy for the formation, otherwise the formation would not be able to operate and start by itself!

Thinking of this, David looked around!

When David's eyes fell on the stairs, his eyes suddenly lit up!

I saw that the stairs turned brown-red under David's Tianming Eye!

This proves that the stairs have energy!

David's Tianming Eye looked at the void and it was all gray. The sudden appearance of brown-red means that this ladder is not an ordinary thing!

The long-distance rotation of the forbidden formation depends on the energy transmitted by this ladder!

"Miss Qing, you dodge a little..."

David said to Cen Biqing!

Cen Biqing nodded, and then took a few steps back. She didn't know what David was going to do!

I saw David took out the Dragon Slaying Sword, and then a golden light burst out!

The sword light slashed out and instantly cut off the stairs. The stairs that looked very ordinary collapsed at this moment!

David's body also fell from the stairs!At

this moment, there is no staircase connecting the third and fourth floors!

Cen Biqing didn't understand why David cut off the stairs, so he asked in confusion: "Mr. Chen, what are you doing by cutting off the stairs?"

"Cut off this staircase, and the formation will naturally be broken. If you don't believe me, follow me to the fourth floor to have a look..."

After David finished speaking, he jumped up and went directly to the fourth floor!

Cen Biqing's face was full of doubts, but she still jumped up. Under her worry, she actually reached the fourth floor, and there was no obstruction of the formation!

This time, Cen Biqing's face was full of excitement. She didn't know how many years she hadn't left the third floor!

Seeing David and Cen Biqing coming up, Ji Yun and the others hurried to meet them!

"Where is the thunder beast?"

David didn't see the figure of the thunder beast, so he asked curiously!

“The thunder beast wanted to grab the treasure, but was beaten to ashes by a powerful force...”

Ji Yun said truthfully!

“What?” David was shocked!

You have to know that the thunder beast is in the Mahayana realm. What kind of terrifying power can make a Mahayana cultivator disappear into ashes with one blow?

At this time, David’s eyes were also attracted by the treasures in the fourth floor. These treasures were emitting light, and they were not ordinary items at a glance!

“Miss Qing, what is this situation?”

David asked!

Cen Biqing also shook his head: “I don’t know, I haven’t been up here, let me ask for you!”

After that, Cen Biqing took two steps forward, and then shouted to the empty four-story hall: “Old Black, Old Black...”

After shouting twice, a dark-skinned strong man like an iron tower appeared. The strong man was wearing a black armor like scales!

After seeing Cen Biqing, the strong man frowned slightly and said: “You...are you Xiaoqing on the third floor?”

“Yes, it’s me!” Cen Biqing nodded!

Although the two sides have never met, the voices of both sides can still be heard!

## **Chapter 4444**

“You...how did you get up here? How is this possible?”

Old Black asked in shock!

“The forbidden formation was broken, so I came up!”

Cen Biqing said truthfully!

Upon hearing that the forbidden formation was broken, Old Black instantly became extremely excited, and his aura suddenly surged!

Boom!

Old Black burst out with a devastating aura, making the entire tower seem to be shaking, and then a black light went straight to the fifth floor!

But the next moment, accompanied by a blood-colored formation sweeping across, the black light was instantly suppressed back!

Old Black shouted angrily and rushed to the fifth floor again, and then was suppressed again, falling heavily to the ground!

In this way, after several consecutive attacks, Old Black was suppressed and could not reach the fifth floor at all!

“Mr. Chen, what is this guy doing?”

Ji Yun asked in confusion!

David shook his head: “I don’t know, is he crazy?”

Cen Biqing looked at Lao Hei in confusion, not knowing what he was going to do!

“Xiao Qing, you dare to lie to me, where is the formation broken?”

Lao Hei glared at Cen Biqing, he felt that he was deceived!

Hearing Lao Hei say this, everyone was speechless in an instant. This guy thought that if the formation was broken, he could go to the tower!

Cen Biqing said speechlessly: “Lao Hei, I said that the formation on my level was broken, and I didn’t say that your level was broken. You didn’t ask clearly and rushed. Is your brain fed to the dog?”

“You...” Lao Hei was speechless in an instant.

David and others looked at Lao Hei, and they didn’t know whether to laugh or cry. I really don’t know how this guy practiced for ten thousand years!

With this IQ, it seems that it doesn’t match the strength at all!

“You break my level too, I want to go to the tower...”

Lao Hei said to Cen Biqing!

“I can’t break it...” Cen Biqing replied!

“Damn, you are still fooling me, you are not...”

“I didn’t break the forbidden formation, Mr. Chen helped to break it.” Cen Biqing pointed at David and said without waiting for Lao Hei to finish!

She knew that Lao Hei didn’t have much brains, so she had to make it clear!

At this time, Lao Hei realized the existence of David and others, and ignored David and them at the beginning!

After taking a look at David and others, Lao Hei sneered and said, “Xiao Qing, are you lying to me? You are just a little kid in the Tribulation Realm. How could you break the forbidden formation in this tower?”

“I can crush him to death with one finger. I can’t break it, how can he break it?”

Lao Hei obviously didn’t believe it. He thought Cen Biqing was lying to him!

“Believe it or not, anyway, I told you, if you beg Mr. Chen now, he may be able to help you break the forbidden formation.”

Cen Biqing said indifferently!

Seeing Cen Biqing’s tone, Lao Hei looked at David, then hooked his hand and said, “Boy, help me break this formation, I can spare your life, if you can’t break it, I will destroy your soul!”

David was stunned, a little unbelievable, is this the attitude of begging for help?

After hearing this, Cen Biqing also wanted to curse, what was this guy thinking, begging for help like this?

“Hahaha, Lao Hei, you pig brain, with your attitude of begging for help, even your father will not help you.”

At this time, a child’s voice came from the fifth floor!

The voice was full of sarcasm, and Lao Hei’s face turned red!

This time, Lao Hei’s face was black and red!

“Little bas\*\*\*, when I get to the fifth floor, I must peel off your skin, pull out your tendons, and then tear your stinky mouth.”

Lao Hei ran to the bottom of the stairs, raised his head and yelled at the fifth floor!

“Hahaha, you can’t get up, you can’t get up, you stinky idiot...”

“Lulululu...”

The child’s voice provoked Lao Hei.

## **Chapter 4445**

Lao Hei was so angry that his hair was about to burn!

Only then did David and the others understand why Lao Hei rushed to the fifth floor desperately after hearing that the forbidden formation had been broken!

It seemed that the two had been bickering for who knows how long!

It was obvious that Lao Hei was not good at talking and was often humiliated by the other party!

“Boy, break the forbidden formation for me immediately, or I will kill you...”

Lao Hei was so angry that he came towards David! He

was full of anger and wanted to vent it on David!

“Lao Hei, you dare...” Cen Biqing stood in front of David!

“Get out of my way, don’t stop me, otherwise I will kill you too...”

Lao Hei said very angrily!

“I said, I will never let you hurt Mr. Chen...” Cen Biqing didn’t move at all!

As they are both members of the dragon clan, and David is also from the golden dragon clan, how could Cen Biqing let Lao Hei attack David!

“Then don’t blame me...”

The black armor on Lao Hei’s body burst out with a breath, and attacked Cen Biqing directly!

Cen Biqing was instantly knocked out. She was no match for Lao Hei!

Seeing this scene, David was a little dumbfounded. This Lao Hei was too awesome!

“Senior, can you beat this Lao Hei?”

David asked the Red Cloud Demon Lord helplessly!

Now, he can only ask for help from the Red Cloud Demon Lord. At that time, he will control his body and subdue this Lao Hei, otherwise they are really afraid of dying here!

“Being able to beat it is just one thing. To deal with this big old black, the power of the explosion, I am afraid that your flesh can’t bear it at all!”

said the Red Cloud Demon Lord!

When David heard it, he was speechless. Although his flesh was very strong, it was not enough for the Red Cloud Demon Lord to burst out with all his strength!

This is a bit troublesome. It seems that he can only agree to this old black temporarily!

“Boy, do you want to die or break this forbidden formation? It’s your choice.”

Lao Hei walked towards David and asked!

“I want to die...”

David said to the arrogant Lao Hei without admitting his weakness!

Lao Hei was stunned. He didn’t expect David to answer like this. He thought that David was just a small cultivator in the Tribulation Realm. Seeing his strength, he must be trembling with fear and kneeling down to beg for mercy!

But now David actually wants to die?

It’s easy for him to kill David, but if he kills David, who will help him break the forbidden formation?

“Boy, what did you say? I’ll give you another chance. Do you want to die or help me break this forbidden formation?”

Lao Hei asked again!

“Want to die...”

David still gave the same answer!

David's answer also made Ji Yun and the others sweat!

Especially Lin Keting, she didn't expect that David was quite courageous!

Cen Biqing also looked at David blankly, and couldn't believe that David was not afraid of Lao Hei at all!

"Boy, you...are you really not afraid of death?"

Lao Hei's body burst out with waves of terrifying aura, covering David!

At the moment when Lao Hei's aura enveloped David, the dragon crystal on David's chest began to flicker, and golden light emanated from the dragon crystal!

The golden dragon's aura spread out and resisted with Lao Hei's aura!

"Golden Dragon lineage? Are you the son of the golden dragon?"

Lao Hei's eyes widened and he hurriedly retracted his aura!

"Are you also a dragon?" David frowned slightly, because he also sensed the aura of the dragon clan from Lao Hei's aura just now!

Although this aura was different from Cen Biqing's, it was also the aura of the dragon clan!

"I am the Black Whirlwind of the Black Dragon lineage. I'm sorry for offending you. Please forgive me, Son of the Golden Dragon!"

Lao Hei lost his arrogance just now, and knelt down in front of David with a panicked look on his face!

Seeing this, Cen Biqing hurriedly asked in surprise: "Lao Hei, you are also a dragon clan, from the Black Dragon lineage, and I am from the Green Dragon lineage!"
