Chapter 4446

Seeing people of the same clan, Cen Biqing seemed a little happy!

When Lao Hei heard this, he was also full of joy and said, "I didn't expect to meet people of the same clan in this tower."

"Are all the people imprisoned in this tower dragons?"

David asked in surprise!

Lao Hei was about to speak, but he heard the voice of the child on the fifth floor: "I am also a dragon, I am a pseudo-dragon..."

"Don't lie to me, don't think that you say that, when I get to the fifth floor, I won't beat you..."

Lao Hei saw that the guy on the fifth floor also said that he was a dragon, and he said angrily!

"I am really a pseudo-dragon!" After the child's voice finished speaking, it suddenly changed to an old man's voice and said, "I can disguise everything, and voice is the easiest to disguise."

"You break the forbidden formation and see me to know if it is true!"

"Holy Son, I hope..." Lao Hei looked at David!

"Just call me Mr. Chen like Miss Xiaoqing. I'll go see if the forbidden formation can be opened!"

David said, and walked towards the stairs!

This time, he didn't let Lao Hei test the formation, but directly opened the Tianming Eye, and the forbidden formation appeared in David's eyes!

Looking at the complicated formation and countless runes, David frowned slightly!

The forbidden formations on each layer are actually different!

And there is no problem with the stairs this time. If you want to break the formation, you need to start from the eye of the formation!

David tried many times, but failed!

In the end, David used the Dragon Slaying Sword to forcefully break the forbidden formation again and again, but was also repelled!

“The formations on each layer are different. This layer of formation is obviously much stronger. I can’t break it.”

After trying many times, David could only say helplessly!

Seeing this, Lao Hei looked very disappointed, but he still managed a smile and said, “It’s okay. This forbidden formation is very strong. It’s normal that it can’t be broken.”

“I’ll go to the fifth floor to see what’s going on. Maybe I can think of other solutions upstairs!”

David plans to go to the fifth floor to see who the guy who claims to be a pseudo-dragon is!

“Mr. Chen, people’s hearts are unpredictable, you must be careful...”

Cen Biqing reminded David!

“I’ll go with you...”

Lin Keting walked to David and decided to go up with David to see!

In fact, they all know that the strength of the suppressed people upstairs will become stronger and stronger. No one can say whether this guy on the fifth floor is a dragon clan, and whether he is a good person, so it is risky to go up rashly!

However, Lin Keting is willing to go up with David, and David did not refuse!

He always feels that there are many unknown secrets in this little girl Lin Keting!

“Ji Yun, Miss Zhu, you wait here for a while, I’ll go up to see the situation!”

David went to see the situation. If the situation is not right, he will not continue to climb the tower later!

But not every time, you can be so lucky and meet the dragon clan!

If the old black just now was not a dragon clan, David would have been in danger at this moment!

After giving the instructions, David followed Lin Keting to the fifth floor!

After the two of them reached the fifth floor, a hunchbacked old man with a hunchbacked figure and a beard seemed to be waiting for them!

Seeing David and the others coming up, the old man grinned, revealing a mouthful of big yellow teeth!

This made Lin Keting sick!

David took a look at the old man, and when he thought of the child's voice just now, the contrast was really too great!

Who would have thought that the child's voice just now was actually spoken by a hunchbacked old man!

As expected of a pseudo-dragon lineage, this image is probably also a disguise!

Before David could speak, the hunchbacked old man suddenly slapped out his palms!

The palms were like eagle claws, grabbing towards David and Lin Keting!

Chapter 4447

Because it was too sudden, David didn't expect that the old guy would suddenly attack, and he didn't react for a while!

But the jade pendant worn by Lin Keting suddenly burst into a red light, which made the old man stunned!

David and Lin Keting reacted at this time, and their bodies retreated rapidly and returned to the fourth floor!

"Mr. Chen, what's wrong?"

Seeing that David and Lin Keting had just gone up and ran down, and their faces were not right, Cen Biqing hurriedly asked!

"There is a hunchbacked old man upstairs. We just went up and suddenly attacked us!"

Lin Keting said angrily!

“Hunchbacked old man?” Lao Hei was confused!

“That guy is indeed a pseudo-dragon lineage, and he can really disguise himself. I guess that appearance is also disguised.”

David said!

“Mr. Chen, can you be sure that guy is also a dragon?” Cen Biqing asked.

“It’s the Dragon Clan. I went to the fifth floor and investigated, but I didn’t expect this guy to suddenly attack.”

David nodded and said!

“Poor my life-saving jade pendant...”

Lin Keting held her cracked jade pendant with a very sad expression!

If the life-saving jade pendant hadn’t suddenly started, the two of them would have been killed by the old man!

“Miss Lin, I’m sorry...”

David said a little embarrassed!

After all, it was Lin Keting’s jade pendant that saved him just now!

“Forget it, it’s not just to save you, this jade pendant was supposed to save my life.”

“At worst, let my master give me another one after I go back.”

“What should we do next? I guess there’s no way to go up.”

Lin Keting asked!

“I can only go back. I’ll try to take Miss Qing and Lao Hei out.”

David said!

“Thank you, Mr. Chen...”

Lao Hei and Cen Biqing were immediately excited when they heard it!

If they leave this tower, they will be free and no longer trapped here!

“Old Black, Mr. Chen has helped us so much, why don’t you share your treasures with Mr. Chen and the others!”

Cen Biqing said to Old Black!

David was probably embarrassed to ask for it directly, after all, they were all dragons, so Cen Biqing had to speak up!

Old Black was stunned, and then said with a bitter face: “Those treasures are not mine at all, and I can’t get them. These treasures have existed since I was suppressed here. Maybe they are the treasures of the previous person who was suppressed?”

“Not yours?”

David and the others looked at Old Black at the same time!

They always thought that those glittering treasures belonged to Old Black, but they didn’t expect this guy to say that they were not his!

In this way, David was curious about these treasures. Since they were ownerless, it would be okay for him to take them all!

“Mr. Chen, you have to be careful. The thunder beast just went to get the treasure and was beaten to death.”

Ji Yun reminded hurriedly!

“That’s none of my business. I didn’t do it. These treasures look like they are in front of you, but they are actually in another space, so you can only get them by entering. It’s impossible to get them directly like this.”

Lao Hei hurriedly clarified!

The person who just beat the thunder beast to death was not him!

“Who was the last person imprisoned here?”

Cen Biqing asked curiously!

“I don’t know either. Anyway, I haven’t touched these things...”

Lao Hei shook his head!

David slowly walked to the treasures and then opened the Tianming Eye!

Under the Tianming Eye, these treasures all became dim and dull. They were not treasures at all!

“These are all lies?”

David frowned slightly, and then grabbed a treasure!

“Don’t grab...”

Seeing this, Lin Keting on the side stepped forward and grabbed David, trying to stop David!

But when she grabbed David, David had already grabbed the treasure!

Chapter 4448

There was no terrifying force bombarding, but accompanied by a tremor in the void, David and Lin Keting disappeared!

“Mr. Chen, Mr. Chen...”

Seeing this, Ji Yun panicked and shouted loudly!

Cen Biqing also frowned and said, “What’s the matter? Could it be that Mr. Chen and the others were taken into a foreign space?”

“Don’t worry, they can’t leave here. The restrictions of this tower can’t leave even with the use of space magic.”

“Now they are still in this tower, but they are no longer in the same space with us!”

“But they will be able to come back soon...”

Lao Hei comforted Cen Biqing!

Hearing what Lao Hei said, Cen Biqing was relieved!

At this time, David and Lin Keting were taken into a space!

But looking around, it was obvious that this was also the fourth floor of the tower, but the difference was that Ji Yun and the others were gone!

Moreover, there were some messy things on the ground inside the tower, which was very messy.

“What’s going on? Why does this tower seem to have changed? Where are the others?”

Lin Keting looked around and asked in confusion!

David frowned slightly and said, “We may have entered another space. Although we are still in this tower, we are no longer in the same dimension with the others, so we can’t see them.”

David noticed it in the shaking of the void just now. They may have been sucked into another space!

“What should we do? How can we go back?”

Lin Keting said with some fear!

“It’s okay. As long as we break this space, we can go back. Let’s see if there are any good things here first.”

“I think these things should be left by the last person who was suppressed on this floor!”

Looking at the messy things on the ground, David said!

David followed Lin Keting to look at the debris on the ground. Many things have been damaged. I don’t know if someone did it on purpose or because of the long years!

At this moment, a golden light suddenly flashed, and David went towards the golden light!

Along with the golden light, a scroll slowly opened in mid-air!

In the scroll, there was a vague shadow!

“What is this?” Lin Keting looked at the scroll with surprise on her face.

David did not speak, but stared at the shadow. He felt that the shadow might be the last person who was suppressed?

This left a shadow in the scroll, waiting for the destined person?

Just as David was thinking, the shadow suddenly began to change slowly, and finally turned into a sword, and the sword was across the scroll!

It didn’t look like it was painted, but like a real sword!

David looked at the sword, then reached out to touch it, but at this moment, the sword trembled violently, and then a huge suction force made David's body rush towards the sword like a tide!

David was shocked and retreated quickly, but the suction force in the sword was still absorbing the power in David's body!

Seeing this, David hurriedly sacrificed the Dragon Slaying Sword, intending to use it to destroy the scroll!

He couldn't let all his power be sucked away!

But just as the Dragon Slaying Sword was sacrificed, it suddenly flew into the scroll!

Only a humming sound from the Dragon Slaying Sword was heard, and the two swords actually started to argue in the scroll!

Along with the argument of the two swords, the sudden suction force also disappeared!

David took the opportunity to grab the sword!

This time, David grabbed the sword tightly, and a huge spiritual consciousness enveloped the sword!

He wanted to see what this sword was and why it suddenly absorbed his power!

Chapter 4449

But at this moment, David grabbed the sword and actually entered the scroll directly!

In an instant, the sword that David grabbed instantly turned into a sword light and entered David's brow!

Boom!

David felt countless sword beams appearing around him, and these sword beams were dense and kept pouring into his body!

But with so many sword beams, David could not feel any danger at all, nor did he feel anything!

It was just that in his body, an inexplicable force was growing rapidly!

“Sword intent, is this sword intent?”

David was shocked!

Although David had also displayed sword intent, he could not control it, and David's understanding of sword intent was only half-understood! But

at this moment, David suddenly realized the inexplicable power in his body. It was sword intent!

Countless sword intents were still pouring into David's body!

David closed his eyes slightly, enjoying the growth of sword intent!

Lin Keting was terrified at this time!

“David, David...”

She looked at the scroll and kept shouting!

But David didn't move, as if he couldn't hear.

Lin Keting was about to cry. If David entered the scroll and couldn't get out, what would she do?

How could she leave this foreign space?

Lin Keting tried to enter the scroll, but she failed after several attempts!

After an unknown amount of time, David slowly opened his eyes. There was a black color all around him, just like in the water, and the surrounding space was fluctuating!

David reached out and grabbed the Dragon Slaying Sword. With just a slight wave, a huge sword intent burst out and directly enveloped the surrounding space!

With just this slight wave, the space around David changed, like a big bubble wrapping David!

“What is this?”

David's face was full of disbelief, watching the changes in the surrounding space!

“Is this the Sword Domain? Although I am not a sword cultivator, I have heard of the Sword Domain.”

At this time, the Red Cloud Demon Lord said!

“Sword Domain? What does it mean?” David was surprised!

“The Sword Domain is space, a domain opened up by a sword. In this domain, you are the master!”

“It’s just that you are not strong enough now, and this Sword Domain is a little small...” “

But being able to open up a Sword Domain means you are also a dragon and phoenix among people.”

The Red Cloud Demon Lord said!

“This...”

David looked at the changes in the surrounding space in disbelief!

He had never thought that he could open up his own domain, thousands of worlds, and the vast universe. Although there are many space worlds, they are all created by some powerful people with a casual wave of their hands!

But those are all people in the heavens, and they are still very powerful masters!

I am just a small cultivator in the Tribulation Realm, but I can also open up my own domain in this universe and galaxy?

Although this domain is small, this beginning is indeed good!

David’s hand holding the Dragon Slaying Sword was trembling slightly, and this excitement was beyond words!

David, who had the sword intent, was holding the Dragon Slaying Sword at this moment, and the feeling of the sword intent was even more obvious!

David swung the Dragon Slaying Sword in his hand again!

Boom!

In an instant, a terrifying sword intent broke out, directly breaking the sword domain he created, causing the entire tower to tremble violently!

The scroll also disappeared under David’s attack, and David’s figure appeared in front of Lin Keting!

At this moment, David finally understood that the scroll should be the sword domain opened up by the previous person who suppressed it, and then the other party deliberately left the sword to find the destined person!

“You just entered the scroll, but you scared me...”

Lin Keting saw David coming out and hurriedly said!

“There is no danger in the scroll, it’s okay.”

David smiled slightly and put away the Dragon Slaying Sword!

Chapter 4450

He did not tell Lin Keting about the Sword Domain. After all, Lin Keting’s identity was still a mystery to him. David could not follow Lin Keting’s words for everything!

“Then let’s leave here quickly. I always feel a little uncomfortable here!”

Lin Keting was a little scared. She felt weird here!

But David didn’t want to leave in a hurry. Maybe there were treasures among these messy items!

“No hurry, let’s look for it. Maybe we can find other treasures. Since we have come here on an adventure, we must gain more!” After Chen

Ping finished speaking, he began to search among those items!

“Don’t look for it. Instead of looking for it like this, it’s better to take it all away!”

After Lin Keting finished speaking, she took out the storage bag, and then waved her hand, and all the items in the field entered the storage bag!

Whether it was treasures or garbage, they were all collected!

Instead of looking for it here slowly, it is better

to go out and look for it! Lin Keting didn’t want to stay here for a moment!

Seeing this, David could only smile helplessly: “Okay, let’s go out, I guess others are anxious too.”

After David finished speaking, he looked around. This is the fourth floor of the tower, but the spatial dimension is different, so they can’t see Ji Yun and others!

However, this dimension can be broken. Since the previous suppressed person can use treasures in other dimensions to lure others into here!

There is definitely a way to get out. After all, the space they are in is the same, and no matter how to change the dimension, it is also in this tower!

So if you want to go back, it is easy to find Ji Yun and others!

David took out the Dragon Slashing Sword, and a sword intent poured into the Dragon Slashing Sword, and the Dragon Slashing Sword made waves of dragon roars!

“Let me break this spatial dimension and see...”

After David said this, he was about to swing a sword. He wanted to use brute force to break the space here!

But just when David was about to draw his sword, there was a sudden spatial fluctuation around him, and the figures of Ji Yun and others appeared!

Seeing this, David hurriedly withdrew his hand. If he swung the sword, he might hurt someone!

“Mr. Chen...”

Seeing David and Lin Keting appear, Ji Yun hurriedly shouted!

“How is it, did you gain anything?”

“I feel that the previous suppressed person is also a very powerful person...”

Lao Hei said!

“There are no treasures, just a pile of rubbish.”

David smiled slightly!

“Let’s go out, I always have a bad feeling!”

Lin Keting’s face was a little bad, urging David to leave the tower!

“Okay, let’s go!”

David nodded!

“Mr. Chen, can you take us out too?”

Cen Biqing asked hurriedly!

“Of course, we are all of the same clan, I can’t watch you being suppressed here.”

David said!

Cen Biqing and Lao Hei are both dragons. Although they are not of the same lineage, David can’t stand idly by when people of the same clan are trapped!

“Thank you, Mr. Chen...”

Cen Biqing and Lao Hei all bowed happily to David!

Walking down from the fourth floor, it was very smooth all the way!

The restriction from the third floor to the second floor was easily broken by David!

The same is true for the restriction from the second floor to the first floor!

However, Cen Biqing and Lao Hei were also very shocked when they saw the scenes on the first and second floors. They never knew that there would be such a cruel scene under their feet! They

also couldn’t figure out who would do such a thing!

What are the rotten corpses on the first floor and the corpses on the second floor used for?

Is there really someone in this tower who practices with corpse qi?

Which floor is he from? There are

so many floors between them. It is impossible to do this without anyone noticing, right?

After all, the people suppressed on each floor are not ordinary cultivators, they are all powerful people!
