Chapter 4451

But at this moment, they no longer had time to think about these things. The exit was right in front of them. Cen Biqing and Lao Hei were already impatient!

As long as they walked out of here, they would be free!

David and the others walked out of the tower first, and then looked at Cen Biqing and Lao Hei and said, "You two try to come out slowly. If you can't come out, I will help you break the formation..."

David knew that in addition to the restrictions on each layer, there must be a restricted formation around the tower, but he wanted to let Cen Biqing and Lao Hei try first!

The two nodded and walked slowly towards the exit!

But just as they approached the exit, a strange white light suddenly flashed, and Cen Biqing and Lao Hei were immediately knocked out!

In an instant, countless mysterious runes appeared around the tower. These runes exuded strange power and wrapped the entire tower!

The four stone lions around the tower seemed to come alive in the light at this moment, and roared wildly!

David, who saw this scene, was directly stunned. He didn't expect that the restricted formation outside the tower was so powerful! He

didn't even have the courage to try to break the formation!

With the roar of the four stone lions, the entire tower was wrapped in light, and it gradually became blurred, as if it was about to disappear!

At the same time, a terrifying and huge force enveloped David and his men, making David and his men unable to move at all!

This time, David and his men were all panicked!

Several rays of light suddenly shot out from the mouths of the four stone lions and rushed straight towards David and his men!

The few people who couldn't move at all were stunned by the sudden light. They had no ability to resist at all!

David wanted to break the suppression of this force desperately, but it was useless!

Seeing that David and his men were about to die under this light, a figure slowly appeared!

This figure was dressed in a Taoist robe, with a gray beard, and holding a whisk in his hand!

With a light wave of the whisk in his hand, the rays of light instantly dissipated!

“Master.....”

Lin Keting originally thought that she was doomed to die, but after seeing this old Taoist, she immediately shouted excitedly!

David and others were also surprised to look at the old Taoist in front of them!

The light that just burst out from the four stone lions was very terrifying!

But I didn't expect that the old Taoist in front of me would block it with a light wave of the whisk!

And looking at the other party's expression, it was not the original body at all!

“Ting'er, are you okay?” The old Taoist asked Lin Keting with concern!

“Master, I'm fine!” Lin Keting shook his head!

“The master miscalculated. I calculated everything, but I didn't expect that this demon-suppressing tower would appear here.”

“Fortunately, the master came in time, otherwise you would be dead. Don't show up and break into unknown places in the future.”

The old Taoist scolded Lin Keting!

“Got it!” Lin Keting nodded!

“Senior, what is this demon-suppressing tower? Who are the people suppressed inside?”

“Can you help me rescue the two people inside? They are at the exit of the tower!”

David knew that Lin Keting's master must be very powerful, so he asked!

The old Taoist just glanced at David, then smiled slightly and said, "The people suppressed in this demon-suppressing tower are all dragons. I don't have any friendship with the dragons, so why should I save them?"

David was stunned. He didn't expect that the people suppressed in this demon-suppressing tower were all dragons?

"Why, why are these dragons suppressed?"

David asked in confusion!

"You talk too much. Why should I tell you who you are?"

"You are not my apprentice's man. Why should I tell you? Why should I help you?"

The old Taoist looked at David and said this deliberately!

"Master..." Lin Keting's face turned red all of a sudden!

Chapter 4452

"I..." David was also speechless. What the other person said was right. We were not related. Why should he tell me?

Why should he help me save people?

"Then...then I will be your apprentice's man. Can you help me?"

David glanced at Cen Biqing and Lao Hei in the tower and said with gritted teeth!

will sacrifice myself to rescue Cen Biqing and Lao Hei!

What's more, Lin Keting is also very good-looking, so I am not at a disadvantage!

"Boy, this is what you said, you are not allowed to regret it..." The old Taoist laughed when he heard it!

"Master, what are you talking about? I..."

Lin Keting was a little anxious when she heard it!

What's the connection? Find a man for yourself as soon as you come!

In front of other people, this is too embarrassing!

“Ting'er, shut up, just be obedient...”

The old Taoist asked Lin Keting to shut up!

“Senior, I will never regret it. Please rescue those two people!” David said!

“I can't save them. They have this disaster in their lives. No one can save them from the tower except the arrival of the real dragon.”

“Only you can save them, but you don't have this ability now.”

The old Taoist looked at David and said!

David was slightly stunned. He didn't expect that the old Taoist would see his identity at a glance!

“Senior, when can I save them? This tower looks like it's going to disappear. Where can I find this demon-suppressing tower?”

David looked at the demon-suppressing tower in front of him, which was becoming fainter and fainter, as if it was going to disappear at any time!

“This demon-suppressing tower is not in a fixed place, but is traveling in the world. If you leave here, who knows which world you will go to.”

“How to find the demon-suppressing tower and how to save them is your own ability. I can't control it!”

“Don't forget what you promised, be my apprentice's man!”

After the old Taoist finished speaking, his figure became fainter and fainter!

When David heard it, he immediately wanted to curse. This was equivalent to doing nothing and being sold!

What the hell?

The old Taoist seemed to see David's dissatisfaction, so he smiled and said, “Boy, we are old acquaintances...”

After that, a soft white light emanated from the old Taoist, and the white light shone on several people, and they felt comfortable all over!

David was still wondering, he didn't know this old Taoist at all, how could he be an old acquaintance?

But when the white light shone on him, David suddenly remembered something!

This soft white light, he felt very familiar!

When he was in Dashi Village, he seemed to be wrapped in this white light...

"Mr. Chen..."

At this time, Cen Biqing's shouting woke David from his memories!

"Miss Qing, I'll find a way to save you..."

David took out the Dragon Slaying Sword and planned to try it by force!

"Mr. Chen, don't worry about us, and don't take any risks. I'll give you my dragon crystal."

"You can use the dragon crystal to know where we are at that time."

Cen Biqing spit out a red dragon crystal from his mouth, and then threw it to David with force!

"Mr. Chen, I believe in you, you will definitely be able to rescue us in the future."

"The future of our dragon clan depends on you..."

Cen Biqing said loudly to David!

David caught Cen Biqing's dragon crystal. When he wanted to say something, the demon-suppressing tower had slowly disappeared. I don't know which world it went to!

Holding Cen Biqing's dragon crystal, David felt very uncomfortable!

He felt that he was too incompetent. If he was strong enough, he might have rescued Cen Biqing and the others!

Now that the demon-suppressing tower has disappeared, David hasn't even figured out the demon-suppressing tower yet!

A sense of powerlessness emerged from David's heart!

"Don't worry, I will definitely be able to rescue you!"

David's eyes flashed with a firm look, and the sense of powerlessness was instantly suppressed!

Chapter 4453

David knew that the responsibility on his shoulders was getting bigger and bigger!

He had to work hard!

“David, don't believe what my master said just now, just take it as a joke.”

Lin Keting said to David!

“Miss Lin, I, David, speak with my word. Since I have said it, I must do it.”

“I am your man now. If you need it, you can find me at any time, and I will definitely satisfy you.”

David said with a righteous face!

Ji Yun and Zhu Qingxiu on the side looked at David's righteous look and couldn't help feeling very funny!

This kind of thing can still be said so righteously, David is really thick-skinned! Let the girl take the initiative to find him?

Lin Keting was also amused by David's appearance. After rolling her eyes at David, she turned and walked out!

However, after this period of contact, Lin Keting did have a good impression of David!

Otherwise, based on David's words “satisfy you”, Lin Keting would have scolded him to death!

Being said like this by a man you don't like is called teasing! Being said like this by a man you like is called flirting!

Now David belongs to the latter!

Lin Keting likes David a little in her heart!

.....
Outside the battlefield of gods and demons!

The left blind elder and the right blind elder are still fighting with Tianluo Tiansha!

Tianluo Tiansha is fighting and running, and the left blind elder is desperately chasing him. He has to let out his evil spirit!

Although the right blind elder tried his best to stop him, it was of no avail!

Unknowingly, they had already moved away from Gelu Mountain!

After Lin Keting and the others came out of the battlefield of gods and demons, they did not find the figures of the left blind elder and the right blind elder!

There were only the bodies of the guards with knives, lying coldly around!

Lin Keting's face became very ugly!

She knew the strength of the left blind elder and the right blind elder! There

are also these guards with swords. Although they are only at the level of Crossing the Tribulation Realm, they are extremely loyal. The strength of these guards working together should not be underestimated!

“Who is it? How dare you kill my people?”

Lin Keting's face has reached the extreme!

“Let's go and find your people. Your men are too hot-tempered. They might suffer.”

David said to Lin Keting!

Lin Keting's figure jumped up in an instant and went in the direction of the left blind elder and the right blind elder!

David and the others followed closely behind!

“Stop...”

Lin Keting quickly caught up with the left blind elder and the right blind elder, and saw that the two were fighting with others, so he shouted loudly!

Seeing Lin Keting coming out, both of them stopped!

And Tianluo Tiansha was sweating profusely, and took the opportunity to take a breath!

They have sent out a signal for help. I believe it won't be long before their clan leader brings people here!

Now all we have to do is delay the time a little!

"What's going on?" Lin Keting looked at Elder Zuo Xia and asked!

After all, it was Elder Zuo Xia who was guarding outside at the beginning, and he must know the cause of the incident!

"Miss, these two guys didn't give the spirit stones, and they wanted to go in. I didn't let them, so they fought."

Elder Zuo Xia said!

Lin Keting knew that Elder Zuo Xia's temper was probably caused by this mouth again!

"Two Taoist friends, why did you conflict with my people and kill the guards around me?"

Lin Keting asked Tianluo Tiansha!

"I have never had a reason to kill people in the Demon Sealing League. I tell you, our leader will be here soon."

"Kneel down and apologize now, and I can still let you go, otherwise you will die ugly in a while!"

Tianluo said to Lin Keting!

Lin Keting's face turned cold: "People from the Demon Sealing League?"

"Yes, we are people from the Demon Sealing League. Since you know the Demon Sealing League, you should also know how powerful our Demon Sealing League is."

Tianluo said arrogantly!

"Kill them both, I hate people from the Demon Sealing League the most!" Lin Keting said with a flash of murderous intent in his eyes!

Chapter 4454

Tianluo and Tiansha were stunned. They didn't understand who these people were and why they were not afraid of the Demon Sealing League.

Moreover, these people got angry when the Demon Sealing League was mentioned!

Why?

At this time, the two found David and others following Lin Keting, and they realized instantly that these people were with David!

No wonder they got angry when they heard about the Demon Sealing League. After all, the Demon Sealing League used a hundred years of offerings to hunt down David!

These people were with David, so of course they hated the Demon Sealing League!

After realizing this, Tianluo and Tiansha set up their positions. This place was not far from Qijia Town, and their leader should be here with people soon!

When the blind left elder heard Lin Keting's order, he immediately jumped up and pointed at Tianluo and said, "Damn it, I must kill you, little ba***, today..." The

blind left elder roared and rushed towards Tianluo!

Tianluo was also scolded with a hideous face, and he also punched the blind left elder!

The blind right elder and Tiansha also started at the same time, and several people fought together again!

Lin Keting watched quietly, as if she had no intention of taking action!

"Miss Lin, these guys from the Demon Sealing League probably have helpers. Do we want to help and make a quick decision?"

David asked Lin Keting!

"It's best to have helpers, just in time to catch them all. These guys from the Demon Sealing League deserve to die!"

Lin Keting said with cold eyes!

Seeing this, David stopped talking. He didn't know why Lin Keting hated the Demon Sealing Alliance so much.

But just when several people were fighting fiercely, suddenly a terrifying breath came from far away!

Feeling this breath, David and Lin Keting's faces changed slightly!

At the same time, the left blind elder and the right blind elder retreated again and again, retreating hundreds of meters before stopping!

"Sect Master..."

Tianluo and Tiansha saw this and shouted hurriedly!

Lin Keting and David looked in the direction of the terrifying breath, only to see a hunchbacked old man slowly appear!

Seeing this hunchbacked old man who suddenly appeared, David and Lin Keting's faces became very heavy!

Lin Keting said in disbelief: "The fourth rank of the Mahayana realm? There are still such powerful people in this Eastern Region?"

David's face was also gloomy. He didn't expect that the Demon Sealing Alliance would actually send such a master!

The fourth rank master of the Mahayana realm, this must kill him to the death!

The left blind elder and the right blind elder also looked slightly cold when they saw the hunchbacked old man in front of them!

"Are you David?"

The hunchbacked old man didn't even look at the others, but walked up to David and asked!

"Yes!" David nodded fearlessly! "

You are really brave. You dare to admit your identity. Do you know that I am here to catch you?"

The hunchbacked old man narrowed his eyes and smiled faintly!

"I know!" David still nodded!

"Since you know, why don't you run or hide your identity?"

The hunchbacked old man asked with some doubts!

Since David knew that he was from the Demon Sealing League and was here to catch him, he was not afraid at all and didn't run!

"Because I don't put you in my eyes at all!"

David said with disdain!

"Insolent..."

The hunchbacked old man was angry and stomped his feet lightly. In an instant, a terrifying breath spread directly from under his feet!

David's eyes condensed, and all kinds of power in his body burst out instantly. The indestructible golden body was also activated at the first time, and golden scales covered David's whole body!

Seeing this, Lin Keting also spread her palms, and golden runes appeared one after another, followed by a golden barrier, protecting everyone inside!

Boom!

The breath bombarded the golden barrier, instantly smashing it to pieces!

The hunchbacked old man looked at Lin Keting: "Who are you to Wuji Laodao?"

Chapter 4455

"None of your business!" Lin Keting snorted coldly!

"Hmph, you can talk to me like this, that's because I'm giving face to Wuji Laodao. Do you know what the consequences of going against the Demon Sealing League are?"

"Get out now, I'll pretend nothing happened, but this David must stay."

The hunchbacked old man snorted at Lin Keting! Lin

Keting smiled coldly and said, "Impossible, I'll protect David..."

"You protect him? Who is he to you? You protect him. Do you know that he is the person that our Demon Sealing League has been chasing for a hundred years?"

The hunchbacked old man said!

“He is my man, so of course I have to protect him.”

Lin Keting said lightly!

David looked at Lin Keting with some surprise. He didn't expect Lin Keting to say that!

The left blind elder and the right blind elder were also surprised. Before entering the battlefield of gods and demons, David and Lin Keting didn't know each other!

But now, how come they became boyfriend and girlfriend in just a short while?

This is too fast, isn't it?

“Hahaha, are you sure you want to protect him?” The hunchbacked old man laughed!

“Of course, if I don't protect my man, I will protect you, the hunchbacked old man?”

Lin Keting raised the corner of her mouth and cursed at the hunchbacked old man!

The hunchbacked old man's eyes condensed, and his voice was cold: “Don't think that you have something to do with Wuji Laodao, so you dare to talk to me like this.”

“You are going against our entire Demon Sealing League. Do you know how terrifying our Demon Sealing League is?”

“In my eyes, the Demon Sealing League is shit. I just like to kill people from the Demon Sealing League.” Lin Keting said nonchalantly!

David looked at Lin Keting. He didn't expect that Lin Keting was so tough!

Now David became more and more curious about Lin Keting's identity. Who on earth could be so indifferent to the Demon Sealing Alliance?

And that Wuji Taoist should be Lin Keting's master, the old Taoist he had seen!

The strength of this Wuji Taoist is also unfathomable, otherwise the hunchbacked old man would not speak like this!

“You little girl, dare to say this about our Fengmo League, I don't care who you are to the Wuji Taoist, today I will strip you naked and let my two disciples enjoy it.” The

hunchbacked old man glared at Lin Keting fiercely and said!

Tianluo and Tiansha were immediately excited when they heard it, and shouted loudly: “Thank you, Sect Master, we haven't touched a woman for a long time.”

“You ba***...”

Lin Keting was furious, and slapped the hunchbacked old man with one palm!

But the hunchbacked old man stepped lightly, and the area of dozens of miles was instantly enveloped by a force that destroyed the world!

Seeing this, David’s face changed drastically. Facing the fourth-grade cultivator of the Mahayana realm, David knew that he could not bear it!

Feeling the terrifying power, David had no choice but to rely on the power of the Red Cloud Demon Lord!

“Senior, help me...”

David began to ask for help from the Red Cloud Demon Lord!

Regardless of whether his body can bear it or not, he can only rely on the Red Cloud Demon Lord to resist this terrifying power!

But David shouted several times in a row, and the Red Cloud Demon Lord did not respond at all, and did not even answer, as if he had lost contact with David!

Seeing that the hunchbacked old man was about to rush over, David was anxious!

Lin Keting was not so panicked, but shouted loudly: “Master, I know you are here...”

Boom!

As Lin Keting’s voice fell, a ray of light suddenly came from the void, and then dispersed all the terrifying power!

The hunchbacked old man was also shocked and flew backwards!

As the light slowly dissipated, a phantom appeared, still the old Taoist holding the whisk!

“Master...”

Lin Keting saw the Wuji Taoist and shouted hurriedly!
