## Chapter 4466

“You are talking nonsense, you two just slept together.”

Zhu Qingxiu said angrily!

“Miss Zhu, I don’t sleep with men...” David said speechlessly!

Zhu Qingxiu suddenly realized that she had said the wrong thing, and looked at David with embarrassment on her face, then glared at Fan Xianbo and said: “Don’t use your dirty thoughts to look at others, the two of us are innocent...”

When the words “innocent” came out, Zhu Qingxiu blushed a little, after all, this innocent didn’t seem right!

David has seen her naked body, can this still be considered innocent?

“Haha, you see that you are red from practicing, who would believe what you said, when you were in the Wanjian Sect, you pretended to be a saint, but who knew you were a slutty woman.”

Fan Xianbo mocked Zhu Qingxiu!

“I didn’t expect my junior sister to be this kind of person. If I had known, I would have tried it in Wanjian Sect.”

“Junior sister has fair skin, beautiful face and long legs. I peeked at her when she was taking a bath.”

Other brothers and sisters also attacked Zhu Qingxiu personally!

This made Zhu Qingxiu’s body tremble.

“Junior sister, if you hand over the jade slip secret book, I will leave immediately. If you still want to be in Wanjian Sect, I can also give you an elder position.” “

If you don’t hand it over, don’t blame me for being rude. By then, not only will you two die, but I will also let these junior brothers taste your beauty.”

“But many junior brothers are greedy for your body. Think about it carefully.”

Fan Xianbo began to threaten Zhu Qingxiu with this kind of thing. It was so shameless!

“Fan Xianbo, you are not a human...”

Zhu Qingxiu couldn't help listening to Fan Xianbo's words, and pointed the long sword in his hand directly at Fan Xianbo!

But Fan Xianbo was not afraid at all, and said with disdain: “Junior sister, do you still want to fight with me? Believe it or not, I will take off all your clothes within three moves?”

“You...”

Zhu Qingxiu's face was full of anger, but she knew that Fan Xianbo was right!

Her strength was not the opponent of Fan Xianbo at all. If she really took action, Fan Xianbo might really take off her clothes!

But if she didn't take action and let Fan Xianbo insult her, Zhu Qingxiu would still be angry!

At this moment, Zhu Qingxiu felt very helpless!

She couldn't beat him, and she couldn't scold him...

“Miss Zhu, leave these shameless brothers to me!”

David stood in front of Zhu Qingxiu, and the Dragon Slaying Sword in his hand trembled slightly!

These people were simply too shameless, and David couldn't bear it. He had never seen such shameless people!

Seeing that David was about to make a move, Fan Xianbo said with disdain: “You are a seventh-rank cultivator in the Tribulation Realm, and you still want to be a hero to save the beauty. Don't you look at your own virtue?”

“What kind of virtue I am, you will know if you try.”

The aura of David began to spread!

“You, this guy, since you are looking for death, then you can't blame me, but I never kill nameless people, tell me your name!”

Fan Xianbo was quite particular and asked David to introduce himself!

“David...”

David uttered two words lightly!

Bang... When

the two words David came out, the long swords in the hands of several junior brothers behind Fan Xianbo instantly fell to the ground, making a crisp sound.

And Fan Xianbo himself staggered and almost fell to the ground, looking at David with disbelief!

“You...you are the David who was hunted down by the Sealed Demon League with a hundred years of offerings?”

Fan Xianbo’s face became a little ugly!

“Yes, it is your grandfather...”

David nodded!

When Fan Xianbo saw David scolding him, he was not angry this time, but took two steps back!

A seventh-grade cultivator in the Tribulation Realm was hunted down by the Demon Sealing League with a hundred years of offerings. After such a long time, the Demon Sealing League suffered heavy casualties, but David was fine. There must be a reason for this!

## **Chapter 4467**

Although Fan Xianbo is bad, he is not stupid...

“My fellow disciples, this David is priceless. If we catch him and hand him over to the Demon Sealing League, we will make a fortune.”

“Let’s do it together. This guy is only at the seventh level of the Tribulation Realm. With so many of us, there will definitely be no problem!”

Fan Xianbo said to several fellow disciples behind him!

“Big Brother, the Demon Sealing League sent people here, and they are fourth-level cultivators in the Mahayana Realm. In the end, they all retreated. Can we do it?”

One of the fellow disciples asked softly When

David heard this, he knew that these guys were talking about Tianluo Tiansha and others. How long has it been since these people knew the news that Tianluo Tiansha and others had retreated? It seems that they have also been in contact with the Demon Sealing League!

This time, it can further confirm the name of these people as traitors. Maybe when the Demon Sealing League attacked the Wanjian Sect, these guys were the traitors who closed the sect protection formation!

“This guy must have someone helping him, otherwise, how could he, a seventh-grade cultivator in the Tribulation Realm, defeat a fourth-grade cultivator in the Mahayana Realm? It’s definitely impossible.”

“We just took advantage of the fact that this guy’s helper is not here to catch him. This is a good opportunity!”

“Hurry up, otherwise when his helper comes, we will be in trouble.”

Fan Xianbo urged!

Several brothers looked at each other and felt that what Fan Xianbo said was reasonable, so several people picked up the fallen swords and instantly went towards David!

Fan Xianbo did not do it, but hid aside and watched. He wanted these brothers to test David! It is

true that David is in the seventh-grade realm of the Tribulation Realm, but if he hides his cultivation and deliberately pretends to be a pig to eat a tiger, then it will be troublesome!

So Fan Xianbo, this guy, fooled several brothers to take action, but he watched the battle from the side!

These brothers also burst out with aura all over their bodies, and they killed them as soon as they made a move!

After all, David is a century-old worshiper of the Demon Sealing League.

Facing several people, David smiled calmly and actually put away the Dragon Slaying Sword!

These people are all in the Tribulation Realm, and the most powerful one is no more than the peak of the ninth level of the Tribulation Realm! To

deal with these guys, if you use the Dragon Slaying Sword, it would be disrespectful to the Dragon Slaying Sword!

David's body jumped up, and then lightly tapped his toes. In an instant, a stream of spiritual breath shot out from David's toes!

These spiritual breaths instantly tore through the air and shook the void!

David's dragonfly-like appearance, in the eyes of Fan Xianbo, felt like a show!

In any case, David was facing cultivators of the eighth and ninth grades of the Tribulation Realm. Even if he was a first-grade cultivator in the Mahayana Realm, it would be impossible for him to act so calmly in the face of the attacks of several cultivators of the eighth and ninth grades of the Tribulation Realm!

Now he can conclude that David is not pretending, that is, he has real skills, and it depends on the result!

"What does this mean?"

The cultivators who rushed over were a little confused for a while when facing David's dragonfly-like spiritual breath!

It's okay for David to put away his sword, but this is looking down on them!

But with a light tap of the toes, a stream of spiritual energy burst out. Did he want to defeat them with this?

Wasn't this a bit too much of a look down on them?

The few people who were despised instantly burst out with a more powerful aura, and went towards David without dodging or evading!

Boom!

But just when these people looked down on David's lightly tapped spiritual energy, suddenly these streams of spiritual energy exploded near them!

The terrifying air wave swept like a tsunami!

These people were like being blown away by a cannonball, screaming and flying backwards, and then fell awkwardly hundreds of meters away, smashing deep pits on the ground!

The ground stirred up smoke and dust, and these people were all motionless and couldn't get up!

The smoke and dust slowly dissipated, and the scene was quiet!

Fan Xianbo's pupils suddenly shrank, and the whole person was a little stupid!

## **Chapter 4468**

He found that those junior brothers had no power to resist, and they couldn't tell whether they were dead or alive!

You have to know that David is only the seventh level of the Tribulation Realm, and none of these people have a higher realm than David, but now they are knocked down by David like a dragonfly touching the water!

In this situation, it feels like they are not on the same level at all.

In this way, David must have hidden his true realm strength. Now David's true strength must be the Mahayana Realm, and it is very likely that he has reached the second level of the Mahayana Realm!

"Didn't you want to test me? Is it out now?"

David said with a sneer at Fan Xianbo!

"I didn't expect you to really hide your strength, but I think you are only the second level of the Mahayana Realm, and you are just on par with me, so you don't have to be arrogant!"

Fan Xianbo snorted coldly, flipped his hand, and a red long sword was in his hand!

After Fan Xianbo took out the long sword, his aura suddenly changed. The aura of the whole person was like a gloomy black hole, giving people an unfathomable feeling!

"This is not my Wanjian Sect's sword. Where did you get this evil sword?"

Zhu Qingxiu saw the long sword in Fan Xianbo's hand and immediately asked loudly!

The long swords worn by their Wanjian Sect could not be like this at all. There was an evil aura on this red long sword!

David also narrowed his eyes and looked at the red long sword in Fan Xianbo's hand. He felt that the aura of this red long sword was similar to the aura of the blood-colored long sword in Tianluo's hand!

You must know that Tianluo is a demon cultivator, and Fan Xianbo is the eldest brother of Wanjian Sect, a genuine and famous sect. How could the long swords they use be similar?

"This sword of his is very likely a gift from the Demon Sealing League. You know, there are too many things of demon cultivators in the Demon Sealing League."

"It seems that you, the eldest brother, have become a dog of the Demon Sealing League. If so, it is not surprising that your Wanjian Sect was destroyed by the Demon Sealing League."

David said to Zhu Qingxiu!

Zhu Qingxiu looked at Fan Xianbo with anger and asked, "Fan Xianbo, is this true? Did you really betray the sect? Did you really become a dog of the Demon Sealing League?"

"Did you harm Master and our entire sect?"

Zhu Qingxiu was very excited, holding a long sword in his hand, with anger in his eyes!

"Junior sister, don't talk nonsense, and don't listen to other people's rumors."

"Everything I did was just to revitalize the Wanjian Sect. Since you don't want to hand over the jade slip secret book, then I will..."

Fan Xianbo swung the red long sword in his hand!

A bloody aura instantly filled the area of hundreds of meters!

"Be careful..." David pulled Zhu Qingxiu back and slashed with the dragon sword in hand!

However, David's sword was slashed into the air, and the blood dissipated. David didn't even find the shadow of Fan Xianbo!

This guy actually ran away, and he ran so resolutely that he didn't even care about his brothers whose lives and deaths were unknown!

"Damn, this guy is a talent, he deceived me..."

David couldn't help cursing!

Looking at Fan Xianbo's appearance, it was obvious that he was going to fight with David, but who knew that this guy had already planned to escape in his heart!

David saw that Fan Xianbo wanted to fight him, so he didn't prepare for this guy to escape.

No one expected that Fan Xianbo, who was full of murderous intent at the beginning, turned around and ran away!

David couldn't react, otherwise he would never let this guy escape!

"Damn it, let him escape, otherwise I must kill him and avenge those dead brothers of Wanjian Sect."

Seeing Fan Xianbo running away, Zhu Qingxiu gritted his teeth and said!

"Escape, I think he will find you sooner or later, after all, the jade slip secret book is still on you. He has no way to control Wanjian Sect without the jade slip secret book."

"I have found the Shenji Grass, I will contact Ji Yun now, and we can go back..."

David said to Zhu Qingxiu!

## **Chapter 4469**

Zhu Qingxiu nodded, and David called Ji Yun back with the sound transmission jade slip, and then the three of them took the airship to Zhujia Town!

After arriving in Zhujia Town, David did not rest, but used the Shenji Grass to practice the elixir!

It only took one day for the elixir to be made, and after Zhu Qingxiu took it, the burns on his face disappeared miraculously!

This made Zhu Qingxiu grateful to David. Appearance is the same as life for women!

Zhu Yuanji took the two sisters Zhu Qingxiu and Zhu Qingyue to entertain David!

"Mr. Chen, both of my women were saved by you. I really don't know how to thank you."

“We don’t have any precious resources in Zhujia Town, but our ancestors have passed down a bottle of spiritual blood, saying that it contains the blood of a dragon. I am willing to give this thing to Mr. Chen.”

Zhu Yuanji said, taking out a white spiritual bottle and handing it to David!

David took the bottle in his hand and instantly felt a fierce breath coming! This

breath is extremely fierce, but it makes David feel a little familiar!

When his spiritual consciousness entered the Lingjing bottle, David actually found that there was a phantom of a dragon constantly swimming in the blood in the bottle!

David narrowed his eyes slightly, looking a little surprised!

“Director Zhu, is this dragon blood really passed down from our ancestors?”

David asked curiously!

“Of course, if it is now, with the strength of my Zhujia Town, let alone collecting dragon blood, even ordinary monsters are afraid that it will be difficult to deal with.”

“Mr. Chen, is this dragon blood fake?”

Zhu Yuanji didn’t understand either. He only knew that it was passed down from his ancestors, and he didn’t know whether it was true or not!

“That’s not the case. I just think that this dragon must be very strong. With the strength of Zhujia Town...”

David didn’t continue. After all, Zhujia Town is very weak now!

There is not a single Mahayana master in the entire Zhujia Town. If Zhu Qingxiu had not been sent to the Wanjian Sect, he would not have been able to reach the Mahayana realm!

“Alas, in fact, our Zhujia Town also had its glorious moments thousands of years ago, but after the war between gods and demons, our Zhujia Town declined, and now it is getting worse and worse.”

Zhu Yuanji said with a sigh!

Seeing this, David hurriedly followed Zhu Yuanji to apologize, and the two of them started drinking!

Only until late at night did David return to the room prepared for himself!

Just when David was about to lie down, the door suddenly opened, and Zhu Qingxiu in a white dress walked in!

Zhu Qingxiu's face was healed, and her delicate face, graceful figure, and fair skin made her a great beauty!

The moonlight shone into the room and hit Zhu Qingxiu's body!

Zhu Qingxiu's white dress, under the moonlight, was actually very transparent!

David just took a look and was stunned!

Because from the transparent white dress, David found that Zhu Qingxiu had nothing inside!

Even though he had seen Zhu Qingxiu without clothes, the hazy feeling at this moment made David's blood surge!

"Mr. Chen, you have helped me so much, I have no way to repay you, I hope I can satisfy you tonight!"

Zhu Qingxiu said, and actually took the initiative to walk towards David!

Then he threw David hard and pressed him under him!

"Miss Zhu, no, I'm not that kind of person, and I won't ask you to do anything to compensate me just because I'm doing you a favor."

David pushed Zhu Qingxiu away!

"Mr. Chen, I volunteered, you don't have to feel any pressure."

Zhu Qingxiu continued to approach David!

"Miss Zhu, really not..."

David kept backing away!

But he had nowhere to retreat, and was thrown down by Zhu Qingxiu again, and then hugged David tightly, intending to communicate further!

David smelled the feminine scent on Zhu Qingxiu's body, and he was a little dazed. Which man could resist such temptation?

But just when David was about to charge, a voice suddenly rang out!

## Chapter 4470

“David, you scumbag, you promised to be my man, but now you are fooling around with other women.”

“I was punished by my father for you and was confined for ten years. You made me so sad.”

Lin Keting’s voice rang in David’s ears!

David’s body trembled, and he quickly pushed Zhu Qingxiu away, and then rushed out of the room: “Miss Zhu, I really can’t, I don’t want you to misunderstand, I saved you just to sleep with you.”

“You should rest early, I want to find a place to restore my spiritual power, helping you to make pills has cost me a lot!”

After that, David’s figure disappeared!

Looking at the place where David disappeared, Zhu Qingxiu was stunned. She didn’t understand how David could resist such a request?

Is it because she is not beautiful enough?

Or is her figure not good?

Why is it?

Zhu Qingxiu couldn’t figure it out, but she still left with an embarrassed look!

David didn’t want to. No matter how proactive Zhu Qingxiu was, it would still be in vain in the end!

And in the end, she made herself look like a slut!

David went to a forest dozens of miles away from Zhujia Town!

He didn’t dare to live in Zhujia Town anymore. Zhu Qingxiu was afraid that he would eat him!

“Miss Lin, what’s the matter with you? Why are you locked up for reflection?”

After stopping, David asked Lin Keting!

David really didn't understand why Lin Keting was punished?

"Don't worry about it. Even if I tell you, it's useless. You just have to stop playing with women everywhere."

"It's only ten years. It will be over in the blink of an eye. I'll find you then!"

Lin Keting didn't tell David that she was willing. After all, it was useless to say it!

David couldn't come to Sun Moon City. He couldn't get to Sun Moon City at all!

"Ten years? I..."

David wanted to say something, but found that he could not contact Lin Keting.

David himself did not know where he would be in ten years, although ten years was nothing for a cultivator!

But for David, it was too long!

Maybe in ten years, he would already have many wives and concubines, and children and grandchildren around him...

If Lin Keting came to find him, she would have to be his mistress.

Unconsciously, David thought of the women around him!

"Yuqi, I wonder where you are?"

"Ruxue, Mei'er, Qing'er, Jiayi, Yuhan..."

"Are you all okay? I don't know when I can see you again!"

David remembered the scene of playing among many women, which was really beautiful.

"Don't think about it, let's practice..." David shook his head and dispelled the distracting thoughts in his mind!

Taking out the Lingjing bottle, David directly took out the dragon blood inside!

A ball of blood was suspended in the air, and around the blood, there seemed to be a spiritual dragon constantly flowing, exuding a majestic aura!

It was just the blood of a dragon, and the noble bloodline contained in it, the majesty it exuded, was completely different from that of ordinary monsters!

David shot out a ball of fire, and then the blood turned into mist on the fire!

And these mists gradually condensed and turned into the appearance of a dragon!

Obviously, this dragon was just transformed, and it couldn't be considered a real dragon!

David looked at the dragon transformed by the breath in front of him, but for a moment he couldn't bear to absorb it to help him practice.

Although this dragon was a million miles away from David's golden dragon true body, it was not easy for this dragon to practice hard and transform from a python!

Now it has turned into a dragon and already has a part of the dragon bloodline!

But just when David was hesitating, a red light suddenly flashed, and instantly absorbed the dragon condensed by the mist!

David was stunned and looked quickly, only to find that the red light was actually Cen Biqing's dragon crystal. The aura transformed from the dragon's blood was absorbed by Cen Biqing's dragon crystal!
