Chapter 4471

Although David didn't know that this dragon crystal was in his hands and had some connection with Cen Biqing, since this dragon crystal was actively absorbed, David didn't stop it!

In the future, David will rely on this dragon crystal to find Cen Biqing and the others, and find the demon-suppressing tower. The dragons are suppressed in this demon-suppressing tower!

David also wants to find the owner of this demon-suppressing tower and ask this guy what deep hatred he has with the dragons!

The next morning!

David found Zhu Yuanji. He wanted to bring Zhu Qingyue back to the Xiao Dynasty. Since he promised Xiao Feng, David must do it.

Zhu Yuanji didn't stop him, but he still had a concern, that is Qi Yuankun from Qijia Town.

Although Qi Heng died and Qijia Town was not strong, after all, Qijia Town had hooked up with the Demon Sealing Alliance behind the scenes! If

Qi Yuankun still makes trouble for Zhujia Town, it will be difficult to deal with!

"In that case, I will destroy Qijia Town, so that Director Zhu will have no worries." After

David finished speaking, his figure flashed away!

It only took half a day for David to return, and the news of the destruction of Qijia Town also spread to Zhujia Town!

Since Qijia Town chose to go along with the Demon Sealing League, David's murderous aura would not have any psychological pressure or concerns!

The people of the Demon Sealing League should all die...

David took Zhu Qingyue to leave, and Zhu Qingxiu looked at David and said, "I will go with you too..."

"Where are you going with me?" David was slightly stunned!

"I'm going to the Dead Sea and just find an island to practice. In this way, Fan Xianbo can't find me."

"Otherwise, I have the jade slip secret book on me, and Fan Xianbo will definitely not give up, which will bring disaster to Zhujia Town."

Zhu Qingxiu said!

She decided to continue to practice on the islands of the Dead Sea, and when she is strong enough one day, she will revive the Wanjian Sect!

Seeing that what Zhu Qingxiu said made sense, David could only nod and agree!

Poor Zhu Yuanji, he had just spent a few days with his daughters, and the two daughters were leaving again!

However, Zhu Yuanji was still very happy to know that his two daughters were fine!

"Father, after I go to Xiao Dynasty, I will definitely come to see you often, don't worry."

"When the time comes, I will take you to Xiao Dynasty to live for a while, and you can also feel the majesty of the imperial city!"

Zhu Qingyue said while holding Zhu Yuanji's hand!

"Okay, okay... my daughters are promising."

Zhu Yuanji smiled, then waved his hand and said, "Let's go, don't waste time."

Zhu Qingyue and Zhu Qingxiu both got on the airship, and then the airship slowly took off!

Zhu Yuanji looked at the airship taking off, and tears could no longer be suppressed!

In an instant, Zhu Yuanji seemed to have aged a lot!

The airship flew towards the Dead Sea, and when it reached the edge of the Dead Sea, the sky had darkened.

David was not in the airship, but stood directly on the top of the airship, looking at the vast Dead Sea and the setting sun!

Zhu Qingxiu also went to the top of the airship. She knew that it was time for her to leave!

I don't know if I will have the chance to see David again after this departure!

Maybe this is the last time they meet!

When Zhu Qingxiu came to the top of the airship, she saw David standing in the front, with his hands behind his back. The afterglow of the setting sun scattered on David, which actually gave people a dreamy feeling!

Zhu Qingxiu stared at David's back, and suddenly frowned slightly!

She found that a wisp of strange breath was coming towards David from all directions, and David stood in the front of the airship, motionless, reflecting the sunset, and behind him, he actually condensed into a series of phantoms!

Those phantoms looked like giant dragons, each of which was entrenched behind David!

Real dragon spirit?

Zhu Qingxiu was deeply shocked!

At this moment, she was actually a little ashamed. How could she be worthy of David with her identity? She even took the initiative to show up last night!

Chapter 4472

"Why did you come out?"

Although David did not look back, he knew that Zhu Qingxiu was already behind him.

"I'm saying goodbye to you. I'm leaving and going to a deserted island to practice!"

Zhu Qingxiu seemed a little flustered when she saw David found her!

"It's too close to the land here. Don't you want to go deeper into the Dead Sea?"

David turned around!

Zhu Qingxiu didn't dare to look into David's eyes, and her eyes were a little evasive!  
After

all, she offered herself on her own initiative last night and hasn't offered herself yet. As a woman, she is indeed a little embarrassed!

"No, this place is close to the mainland, and I can go home more often to see my father."

Zhu Qingxiu smiled slightly!

"Okay, I respect your opinion. If you need any help, you can always find me!"

After David finished speaking, he actually took out a handful of sound transmission jade slips and gave them to Zhu Qingxiu!

Zhu Qingxiu did not refuse. After taking the sound transmission jade slips, she looked at David, then jumped up and jumped directly from the airship!

"Aren't you going to say goodbye to your sister?"

David was a little puzzled. Why did Zhu Qingxiu leave without saying goodbye to Zhu Qingyue?

"No, so as not to make each other sad, just tell my sister."

After Zhu Qingxiu finished speaking, his figure disappeared completely!

David looked at Zhu Qingxiu's back as she left, and he felt sad!

In fact, it's not easy for Zhu Qingxiu, a woman!

A woman, but shouldering the mission of the Wanjian Sect, and being hunted by the Demon Sealing League and Fan Xianbo, it's really not easy!

Did I go too far last night?

Zhu Qingxiu is a woman, and she must have made a great decision last night. I should give her some comfort!

"Boy, do you regret it?" At this time, the voice of the Red Cloud Demon Lord sounded!

"What do you regret?"

David asked pretending not to know!

“Of course I regret not playing with that woman. If you don’t eat the meat that is sent to your mouth, are you still a man?”

The Demon Lord Chiyun teased David.

“I am a gentleman. How can I play with a pure girl?”

David said with a decent look!

“Will you die if you don’t pretend? How many women have you played with? You still have the face to say this!”

The Demon Lord Chiyun changed David’s eyes!

“Mr. Chen, where is my sister?”

At this time, Zhu Qingyue also came to the top of the airship!

She didn’t see Zhu Qingxiu in the airship, so she came out to see!

“Your sister left, she asked me to tell you...”

David said!

“Left?” Zhu Qingyue was stunned, and then looked at the vast Dead Sea, tears streaming down: “Sister...”

David couldn’t see the sadness of this parting, so he returned to the airship!

After the airship arrived at a sea area, David asked Ji Yun to suspend the airship, and he plunged into the Dead Sea!

He wanted to rescue Zi’er, one of the seven fairies, from the Dead Sea, and then take her to the Soul Demon Sect, asking Sect Master Jiang to help rebuild her body!

Zi’er, who had been possessed by a tree, was very happy to see that David was really back!

After all, so many days had passed, and she didn’t know how David was doing. She thought David had forgotten her!

David took Zi’er straight to the Soul Demon Sect of Tianmo Mountain!

However, before arriving at the Soul Demon Sect, David went to Guanghan Palace and visited the Palace Master of Guanghan Palace and others!

By the way, he asked about the Mu family. He killed two sons of the Mu family, so the head of the Mu family would definitely not let it go!

Fortunately, the head of the Mu family did not come out of retreat. The last large-scale fight attracted the Lord of the Southern Territory, which injured the head of the Mu family, so the retreat time was extended!

After leaving Guanghan Palace, David and others arrived at the Soul Demon Sect. Then David handed Zi'er to Sect Master Jiang, and left two Heavenly Demon Stones, which were used to rebuild Zi'er's body!

After leaving the Soul Demon Sect, David and his companions headed straight for the Western Regions!

Although the airship was fast, the journey was too far, so David simply closed his eyes and practiced!
