Chapter 4476

Many princes and ministers saw this scene, and all of them seemed a little incredible!

In the past, the Xiao Dynasty would also establish a crown prince, but it was just to make a reserve for the future king. How could

the crown prince have such great power as soon as he came to power? Isn't the Xiao Emperor afraid that his son will have his own troops and directly rebel and ascend the throne?

At this moment, even Xiao Feng himself was a little confused. He didn't understand why his father suddenly gave him so much power?

It would be fine to establish himself as the crown prince. After all, he is Xiao Yuanshan's only son, and the Xiao Dynasty will eventually belong to him in the future!

But now Xiao Yuanshan is so anxious to give him the power, Xiao Feng doesn't know why!

As an outsider, David didn't feel anything about these. He just accepted the hospitality of Emperor Xiao. He would leave for the Refining Sect in a few days. The sword spirit Zhongli had no news for such a long time, and David couldn't detect Zhongli's existence.

So he wanted to take the Dragon Slaying Sword to the Weapon Refining Sect, and then let the Weapon Refining Sect take a good rest, and it would be best if the sword spirit Zhongli recovered!

However, after Xiao Yuanshan announced that Xiao Feng was the crown prince, Xiao Jian was standing in front of the window in the border town of Canglong City, thousands of miles away, looking in the direction of the imperial city!

Xiao Jian was wearing a light yellow robe. Although he had stayed in this remote town for so many years, he still couldn't hide his nobleness!

Behind Xiao Jian stood an old monk in a green cloth monk's robe. The old monk held a Buddhist bead in his left hand, his eyes slightly closed, and his mouth moved slightly, as if he was chanting a sutra!

Suddenly, the old monk opened his eyes and said slowly: "Here I come..."

As soon as the voice fell, an armored soldier ran in and said: "Prince, Elder Chu of the Demon Sealing League is here!"

Xiao Jian nodded, and then took the old monk out of the room!

In the hall, Elder Chu was waiting with two monks from the Demon Sealing League. After seeing Xiao Jian, Elder Chu smiled and said, "Prince Xiao, I came here to congratulate you..."

"Congratulations to me?" Xiao Jian was stunned, a little confused!

"Emperor Xiao has decreed that your elder brother Xiao Feng will take over as the crown prince, and has also handed over the tiger talisman. Your elder brother can lead the entire Xiao Dynasty's army, including Canglang City where you are now."

"Your father is obviously guarding against you by doing this. In this case, there is no need for you to endure it, Prince Xiao. You can cooperate with our Sealing Demon League and overthrow your father in one fell swoop, and you can sit on the throne of the Xiao Dynasty."

Elder Chu said directly!

"You come to provoke the relationship between our father and son. Aren't you afraid that I will arrest you and hand you over to my father to punish you?"

Xiao Jian looked at Elder Chu and asked!

"Hahaha, of course I'm not afraid, because I know you won't do that. If you are finally against your father, why do you secretly cultivate Deadpool?"

"If I'm not mistaken, Prince Xiao is afraid that there are hundreds of Deadpools under his command, right? There are many Mahayana masters among them."

Elder Chu laughed and said!

Xiao Jian frowned and asked with an ugly face: "How do you know this?"

"Prince Xiao, there is no need to ask anymore. I naturally have my own channels to get information."

"You just need to consider whether to cooperate with our Sealing Demon League..."

Elder Chu said lightly!

“Let me think about it!” Xiao Jian frowned, and couldn’t make up his mind for a while!

“Okay, I’ll give Prince Xiao a day to think about it. This is your last chance. I hope you know how precious it is!”

After Elder Chu finished speaking, he led his men away!

Xiao Jian turned to look at the old monk beside him and said, “Master, what do you think I should do?”

The old monk smiled slightly and said, “Prince, you already have the answer in your heart, why bother asking me again?”

After hearing this, Xiao Jian smiled slightly and turned around and walked out of the hall!

Chapter 4477

Xiao Dynasty!

In the palace hall, Sect Master Zhou had arrived with Tianluo and Tiansha!

However, it was Xiao Feng who received them, and Xiao Yuanshan did not show up!

Xiao Feng sat on the dragon throne, looking directly at Sect Master Zhou and others below! As

the crown prince, Xiao Feng also had an extra sense of pressure!

Although Xiao Feng already knew the identities of Zhou Zongzhu and others from the Demon Sealing League, he still asked in a cold voice: “Who are you? What are you doing in my Xiao Dynasty?”

Zhou Zongzhu was stunned, but still answered obediently: “Prince Xiao, we are from the Demon Sealing League. We came to the Xiao Dynasty because we heard that David is here, so we want to take him away.”

“I think Prince Xiao should know that our Demon Sealing League is using a hundred years of offerings to hunt down David. I hope Prince Xiao can hand over David!”

“Okay!” Xiao Feng nodded, and then winked at the people around him!

Seeing Xiao Feng agreed so readily, Zhou Zongzhu didn't react for a while.

Not long after, David was called!

David strode towards the hall. After looking at Zhou Zongzhu, David didn't show any fear!

"Boy, you are really here. Let's see who can help you this time!"

Tianluo snorted excitedly after seeing David!

David ignored Tianluo, but walked to a chair and sat down openly!

"Mr. Chen is here, you can try to take him away!"

Xiao Feng said to the Zhou clan leader!

Zhou clan leader was slightly stunned. He seemed to hear something wrong in Xiao Feng's tone, so he asked: "Prince Xiao, we take David away, you Xiao Dynasty will not stop us, right?"

"Of course not..."

"That's good!" Zhou clan leader breathed

a sigh of relief. "But I will kill you..." Xiao Feng said with a cold smile!

Zhou clan leader and Tianluo Tiansha all looked cold, and those who wanted to attack David stopped at this moment!

"You can try to move Mr. Chen and see if you can walk out of this hall!"

Xiao Feng said!

"Prince Xiao, this David is the enemy of my Demon Sealing League. If you, the Xiao Dynasty, protect him like this, it will cause trouble."

"Besides, with your current identity, I'm afraid you can't make the decision. Let Emperor Xiao come out!"

After Zhou Zongzhu finished speaking, the aura on his body suddenly burst out!

The aura of the fourth-grade cultivator in the Mahayana realm is very terrifying!

With the whole hall shaking, terrible demonic energy spread all around!

The whole imperial city was shocked!

Xiao Feng's face changed. His current strength is definitely not the opponent of this Zhou Zongzhu. The other party is also a fourth-grade cultivator in the Mahayana realm!

This Zhou Zongzhu's sudden outbreak really caught Xiao Feng off guard.

He didn't expect this Zhou Zongzhu to be so strong.

But just when the demonic energy was about to wrap up the entire imperial city, a white light suddenly exploded from the center, instantly dispelling all the demonic energy!

Sect Master Zhou and Tian Luo Tian Sha all frowned, especially Sect Master Zhou's face became extremely solemn!

Because he knew that the person who just made a move was very powerful!

"You are just a vanguard of the Demon Sealing Alliance, and you dare to act wildly in my Xiao Dynasty. You are really rebellious..."

Along with the voice, Xiao Yuanshan walked in slowly!

When he saw Xiao Yuanshan, Sect Master Zhou's face became even uglier, but he still squeezed out a smile and said, "Emperor Xiao, I also came here on the orders of the Alliance Master."

"Are you here to declare war on my Xiao Dynasty? I can tell you that Mr. Chen is a distinguished guest of our Xiao Dynasty, so I won't let anyone hurt him. If you have the ability in the Demon Sealing Alliance, just come."

"However, you acted wild in my imperial palace. You must give me an explanation for this matter."

Xiao Yuanshan said coldly!

Seeing this, Sect Master Zhou hurriedly said, "Emperor Xiao, I am just here to convey the Alliance Master's instructions. As the saying goes, when two countries are at war, they don't kill envoys."

"Will Emperor Xiao rely on being on his own territory to attack us?"

Chapter 4478

“What order do you want to convey?” Xiao Yuanshan asked!

“Hand over David, and the Demon Sealing League and the Xiao Dynasty

will live in peace. If Emperor Xiao refuses to hand him over and insists on protecting David, the Demon Sealing League can only declare war on the Xiao Dynasty.” “Emperor Xiao should understand that if the two sides declare war, there will be a great loss of lives, and the Xiao Dynasty’s thousands of years of foundation may be destroyed by you.”

Sect Master Zhou said to Xiao Yuanshan!

But as soon as he finished speaking, Xiao Yuanshan suddenly attacked Sect Master Zhou!

Pah!

A slap hit

Sect Master Zhou’s face! Xiao Yuanshan did not use his spiritual power, so this slap only made Sect Master Zhou’s face red and swollen!

“You...” Sect Master Zhou glared, but did not dare to fight back!

He still understood the principle that people have to bow their heads under the eaves!

“Declare war if you want to. Go back and tell Zuo Tianzheng that I will never allow any forces of the Demon Sealing League in the entire Western Region.”

After Xiao Yuanshan finished speaking, he said loudly: “Prime Minister Yu...”

“Your Majesty...”

Prime Minister Yu Wenqiang hurried forward!

“Orders are given to eradicate all forces of the Demon Sealing League in the Western Region. If you meet people from the Demon Sealing League, kill them without mercy...”

Xiao Yuanshan’s attitude was very tough!

“Yes, sir!” Yu Wenqiang went to give the order!

Seeing this, Sect Master Zhou was a little confused. He didn't understand whether Xiao Yuanshan was crazy. For David, it was worth it to fight against the entire Demon Sealing League?

"Emperor Xiao, since you mean to declare war, I won't bother you."

After Sect Master Zhou finished speaking, he took Tianluo and Tiansha and ran away!

He was afraid that he would be left in the Xiao Dynasty!

Although he is a fourth-grade Mahayana, he dare not be too presumptuous in a place like the Xiao Dynasty! After leaving the territory of the Xiao Dynasty,

Sect

Master Zhou stared at the entire Xiao Dynasty continent in mid-air, sighed and said, "The war is about to begin, and I'm afraid our good days are coming to an end."

"Sect Master, what should we do next?"

Tiansha asked!

"What else can I do? I'll pass the message back and wait here to see how the leader of the alliance handles it."

"This time, it's obvious that we are being treated as cannon fodder. Fortunately, the Xiao Emperor didn't kill us, otherwise none of us would be able to escape." After Sect

Master Zhou finished speaking, he took out the sound transmission jade slip and reported the situation of the Xiao Dynasty to Zuo Tianzheng, and then stayed in the Western Regions waiting for the next instruction!

In the main hall of the Xiao Dynasty, David said to Xiao Yuanshan with some apology: "Xiao Huang, I appreciate your kindness, but it is not worth it to let the Xiao Dynasty fall into trouble for my sake."

"I'd better leave here. After all, I am not from the Xiao Dynasty. As long as I leave, the Demon Sealing League will not trouble the Xiao Dynasty."

"Mr. Chen, just stay in my Xiao Dynasty and don't consider other things. I declare war with the Demon Sealing League for you and for myself."

Xiao Yuanshan said with a faint smile!

"Why is this?" David didn't understand. Did Xiao Yuanshan have a grudge against the Demon Sealing League?

“Mr. Chen, I know you are not an ordinary person, and your future achievements are by no means bound by this small world of heaven and man.”

“I’m helping you now, just hoping that you can bless my Xiao Dynasty to prosper forever in the future, so I’m also doing it for myself.”

Xiao Yuanshan said without hesitation!

David was slightly stunned, and then he said awkwardly: “Emperor Xiao, you are so optimistic about me?”

“Of course, I have always been very accurate in judging people...”

Xiao Yuanshan smiled faintly!

David didn’t say anything else. Xiao Yuanshan thought so highly of him, what else could David say?

If one day he really ascended to become an immortal and became the master of one side, he would definitely protect the Xiao Dynasty!

“Feng’er, take Mr. Chen for a walk, and also ask someone to send some resources to Mr. Chen’s room!”

Xiao Yuanshan said to Xiao Feng!
