### **Chapter 4496**

The Demon Sealing Alliance Headquarters!

Zuo Tianzheng was completely dumbfounded when he saw the scene in front of him, his face full of disbelief!

“This...this...how could this happen?”

Zuo Tianzheng never thought that Elder Chu, who has always been known for his divine calculations, was actually calculated by the second prince of the Xiao Dynasty!

It seems that the second prince never intended to betray his father at all, and he was just deceiving the Demon Sealing Alliance from the beginning!

“These damn people, I will personally lead people to attack the Xiao Dynasty!”

Zuo Tianzheng roared!

The Tenth Prince rolled his eyes at Zuo Tianzheng and said, “Idiot...”

After that, the Tenth Prince’s figure suddenly disappeared without leaving a trace, as if he had never been there!

“The Tenth Prince, the Tenth Prince...”

Zuo Tianzheng shouted for a long time, but there was no response at all!

At this moment in the imperial city of the Xiao Dynasty, many monks of the Demon Sealing League had already suffered heavy casualties, some ran away, some fled!

Sect Master Zhou ran hundreds of miles in one breath, and Tianluo and Tiansha followed closely behind! At

this moment, they suddenly felt that their sect master was pretty good!

At least when there was danger, he could react and run away in the first time!

Following him, at least you can save your life!

Xiao Jian took the old monk towards Xiao Feng and Yu Wenqiang!

“Prime Minister Yu, I apologize for the offense just now!”

The old monk saluted Yu Wenqiang!

“Master, this is serious!” Yu Wenqiang waved his hand hurriedly!

“Brother, Prime Minister Yu, the Demon Sealing League had already found me in advance, and I didn’t report it to my father, just to catch the Demon Sealing League off guard!” “

This time the Demon Sealing League suffered a loss, and the damage was terrible. It is estimated that it will not pose a threat to our Xiao Dynasty in the short term!”

Xiao Jian said truthfully!

“Second Prince, I misunderstood you just now, and I really deserve to die!”

Yu Wenqiang was about to kneel down when he said this!

Seeing this, Xiao Jian hurriedly supported Yu Wenqiang and said, “Prime Minister Yu, you are also for the Xiao Dynasty and the people of the dynasty, what crime have you committed!”

“Please ask Prime Minister Yu to take me to see my father. After I make things clear, I will return to Canglang City!”

Xiao Jian knew that although he helped to drive away the Demon Sealing League, in order not to cause misunderstandings, he must take people back to Canglang City as soon as possible!

“Brother, since you are back, then stay in the imperial city. It is much more comfortable here than the border town of Canglang City, and there are more resources.”

“I will go to my father to make it clear. As princes, my father must not treat them differently!”

After Xiao Feng knew about Xiao Jian’s experience, he felt very guilty and unfair!

He felt that this was not fair to Xiao Jian at all! He

was not afraid that Xiao Jian would compete with him for the throne. Even if he gave the current crown prince position to Xiao Jian, Xiao Feng would not hesitate!

Xiao Feng was not interested in the crown prince, but he always thought that he was the only prince of the Xiao Dynasty, so he had to take on this responsibility!

Now that Xiao Jian is here, Xiao Feng wants to live with Zhu Qingyue and become a double cultivation partner. Wouldn’t it be great to practice together?

“Brother, you...”

Xiao Jian hadn’t finished speaking when there was a loud noise!

Rumble...

As soon as the sound fell, a terrifying breath broke through the air and rushed straight to everyone!

Seeing this scene, everyone was shocked because the breath was too terrifying!

“Could it be that there are still masters in the Demon Sealing League?”

Yu Wenqiang frowned and said!

“Master Wuliang, it’s up to you!”

Xiao Jian felt the terrifying breath, so he said to the old monk beside him!

“Amitabha, I’m sorry...”

Master Wuliang nodded!

He put his hands together, blocked in front of everyone, and then muttered something!

## **Chapter 4497**

“Namo Amitabha, Wuliang Tianzun...”

After saying that, a golden light emanated from the Wuliang Master, and turned directly into a golden barrier, covering everyone!

At this moment, the terrifying aura was already in front of everyone!

Boom!

With a loud bang, the golden barrier was actually useless, and it shattered, and everyone was blown away by this terrifying force!

flew dozens of miles in a row before falling heavily to the ground!

The buildings of these dozens of miles were also turned into ashes in an instant, and some of the people in the imperial city who were hiding also turned into dust under this terrifying aura!

Everyone was very shocked, with incredible faces!

At this moment, even the room where Ji Yun was protecting David was turned into ashes, and the bodies of the two were thrown far away!

David also woke up from his coma, but the feeling of exhaustion was still there!

“Mr. Chen...”

Seeing this, Xiao Feng hurried forward to protect David!

Yu Wenqiang also frowned and stood in front of Xiao Feng and David!

As the void trembled, everyone found that a figure suddenly appeared from the void, and this figure gradually became clear!

A child with a childish face and a lollipop in his mouth, who was only in his teens, stood in front of everyone!

This person was the Tenth Prince who suddenly disappeared from the Demon Sealing League.

Could it be that the terrifying aura just now was emitted from this child?

Everyone was puzzled!

As the child slowly walked towards the crowd, a sense of oppression like a mountain and a sea made everyone begin to suffocate!

At this moment, they finally understood that the terrifying aura just now was erupted from the child in front of them!

“Who is this person? He can tear the void and appear suddenly. Could it be that there is a master of the Immortal Realm in the Demon Sealing League?”

Yu Wenqiang said when he saw the Tenth Prince who suddenly appeared!

David looked at the child in front of him, and red light emanated from his eyebrows!

“This person is not the real body, but just a condensed soul!”

David saw the other party with the Tianming Eye.

If it is not the real body, it can be explained if it suddenly appears from the void!

But there is another point, that is, a soul bursts out with such a powerful aura that all of them can't resist. Then the strength of the other party's body, isn't it even more terrifying?

“Tianming Eye? A small monk in the realm of crossing the calamity actually has this kind of magical power?”

The Tenth Prince put his eyes on David!

David observed him with the Tianming Eye, and the Tenth Prince noticed it at the first time!

And he also recognized that this was the Tianming Eye!

“Who are you? Are you from the Demon Sealing League?”

Master Wuliang asked the Tenth Prince!

The Tenth Prince licked the lollipop, then shook his head and said, “I'm not from the Demon Sealing League!”

Hearing that he was not from the Demon Sealing League, everyone secretly breathed a sigh of relief!

As long as the other party is not from the Demon Sealing League, it will be easy!

But then, the Tenth Prince continued, “Although I am not from the Demon Sealing League, the Demon Sealing League is mine...”

This sentence instantly made the people who were relieved lift their hearts again!

They only knew that the leader of the Demon Sealing League was Zuo Tianzheng. This child who suddenly appeared should not be Zuo Tianzheng, right?

As the Tenth Prince's voice fell, he waved his hand and shot out a terrifying breath!

This breath was like lightning, flashing past and heading straight for David!

The goal was very clear!

Seeing this scene, Xiao Feng was shocked and hurriedly shouted: "Prime Minister Yu, protect Mr. Chen..."

Xiao Feng knew that with his strength, it was impossible to resist this breath!

And Xiao Jian said: "Master Wuliang, it's up to you..."

Master Wuliang was speechless. He just blocked it and it shattered and was knocked out!

## **Chapter 4498**

Are you blind and can't see?

Why are you looking at me?

However, Master Wuliang still took action. He took out a wooden fish from his arms and struck it quickly!

The sound of the wooden fish formed a sound wave around, and then wrapped everyone in this sound wave! Boom

!

Then, with the terrifying breath coming, the surrounding sound waves collapsed instantly, and even the wooden fish in Master Wuliang's hand exploded!

Master Wuliang's blood kept spurting out, like a fountain!

"Run..."

Seeing this, Xiao Feng grabbed David and ran!

Others also fled one after another, and even Master Wuliang dragged his injured body and did not dare to stay for a moment!

And the Tenth Prince looked at the people who fled in panic, but laughed and chewed the lollipop in his mouth.

After eating the lollipop, the Tenth Prince took a step to chase after the crowd!

Every step taken by the Tenth Prince would turn the surrounding buildings into ashes, and the entire void would tremble!

“Senior, who is this little bastard? Why is he so powerful, and he also knows your Tianming Eye?”

David asked the Red Cloud Demon Lord while being supported to escape!

The Red Cloud Demon Lord’s face was very solemn at this moment. After a long time, he slowly said: “I didn’t expect these people still exist...”

“Who? Who is this little bastard?”

Seeing the expression of the Red Cloud Demon Lord, David knew that things were not simple!

“Let me ask you, do you know how many races there are in this vast universe?”

The Red Cloud Demon Lord did not answer David, but asked David!

“I know, aren’t they the human race, the demon race and the beast race?”

David said puzzled!

But who knew that the Scarlet Cloud Demon Lord shook his head and said: “In this vast universe, there is also a race of gods.”

“These gods are actually a kind of human race, but because these people are arrogant and always feel that they are superior to any other race, they call themselves gods.”

“It is precisely because of the arrogance of the gods that many tribes dislike them, so that they slowly disappeared later.”

“I didn’t expect that I could still see the existence of the gods in this world of heaven and man...”

“The gods?” David was stunned and asked incredulously: “Senior, is the war between gods and demons provoked by these gods? What are the characteristics of these gods?”

“I don’t know who provoked the war between gods and demons, but the characteristics of the gods are arrogance, like to brag, and always think that their blood is noble.”

“Just like the dragons in the beast tribe, or the golden dragons in the dragon tribe, they think that their blood is noble and different from other tribes.”

The Red Cloud Demon Lord followed David to explain!

“Fuck...” David cursed in his heart!

He is a member of the Golden Dragon lineage. Isn’t the Red Cloud Demon Lord talking about himself by using this analogy?

David didn’t feel arrogant and like to brag?

It’s human nature to brag occasionally!

“You kid, I’m kindly telling you, how can you curse in the street?”

The Red Cloud Demon Lord glared at David!

David was immediately embarrassed, and cursed in his heart, but he didn’t expect to be discovered by the Red Cloud Demon Lord!

“Senior, I was just a little shocked for a moment, not scolding you!”

David could only explain awkwardly!

At this moment, the Tenth Prince was already chasing them slowly!

Feeling the terrifying aura behind him getting closer and closer!

Everyone became anxious, and Xiao Jian looked at Master Wuliang and said, “Master Wuliang, it’s up to you...”

“Fuck...” Master Wuliang was completely speechless!

Don’t bully people like this, you’re vomiting blood and dying, what are you looking at?

Watch me get beaten to death?

Master Wuliang wanted to refuse, but the terrifying aura behind him was already coming towards them!

The Tenth Prince had an innocent smile on his face, and he didn't look like a demon who would kill people!

## Chapter 4499

But just now, when the Tenth Prince made a move, there were probably thousands of dead and injured people in the imperial city, if not ten thousand!

“Damn it, a little brat, he’s going too far...”

Master Wuliang was also anxious. He knew that he couldn't escape, so he could only fight desperately!

Master Wuliang put his hands together, and the six scars on his head suddenly flashed with light, and a cassock shining with golden light flew out from Master Wuliang's arms! The

cassock floated in the air and slowly draped over the void. In an instant, under the cassock, a golden Buddha statue that was a hundred feet tall appeared!

The golden Buddha held a Zen staff in his hand, and thousands of golden lights emanated from his body.

Boom!

The golden Buddha waved the Zen staff in his hand, and thousands of Buddha lights shone everywhere, instantly blocking the terrifying aura!

Seeing that Master Wuliang was so awesome and blocked the opponent's attack, everyone couldn't help but breathe a sigh of relief!

“Master Wuliang, you are really powerful...”

Yu Wenqiang praised!

“Master Wuliang is indeed a great monk. He can even display the Buddha's light. It's amazing!”

Xiao Jian also flattered Master Wuliang!

He was able to have the current power in Canglang City thanks to the Master Wuliang beside him!

Master Wuliang was praised by others, and his heart was immediately happy!

He had long forgotten what he looked like when he was injured and vomited blood!

But just as everyone's praises fell, they saw that the Tenth Prince suddenly laughed and muttered, "This old bald donkey is so funny, he has more face than me!"

After that, the terrifying breath suddenly soared, and Master Wuliang's Buddha's light dissipated instantly, and even the 100-foot golden Buddha disappeared instantly!

Only the cassock was left floating in the wind, and then suddenly a flame rose, burning the cassock clean!

Master Wuliang was stunned, because the cassock was his treasure!

After breaking the Buddha's light, the terrifying aura did not stop, but continued to attack everyone!

Seeing this, Yu Wenqiang could only wave his hands, and a powerful aura burst out of his body, colliding with the opponent's aura!

In an instant, everyone was knocked out, and Yu Wenqiang's face was extremely ugly!

After stopping, they saw that the Tenth Prince was still approaching them slowly!

At some point, the Tenth Prince had another lollipop in his mouth!

The Tenth Prince looked at everyone with a smile, as if he had no grudges against them. The attack just now was just to tease David and the others!

Arrogance...

David has learned a lesson at this moment. A child is so arrogant!

It seems that what the Red Cloud Demon Lord said is right. The other party must be a member of the God Clan!

That kind of arrogance emanates from the bones.

All the arrogance comes from being beaten less. If you are beaten every time you appear, you probably won't be arrogant anymore.

"If I hadn't recovered, I would have to teach this little brat a lesson."

David looked at the arrogant look of the Tenth Prince and was very annoyed in his heart!

What about the God Clan?

He is still a member of the Golden Dragon Clan, and he is not so arrogant?

Yu Wenqiang and Master Wuliang all looked back at David!

Although David does have some skills and can fight above his level!

But facing such a master, David is afraid that he is not the opponent of the opponent no matter how awesome he is.

Feeling the gazes of Yu Wenqiang and Master Wuliang, David felt a little embarrassed!

Just now, he seemed to have boasted unconsciously. Is this the talent of blood?

David didn't want to brag...

"Are you all the strength of the Xiao Dynasty?"

"It's fucking rubbish..."

The Tenth Prince licked the lollipop, then pulled out the stick of the lollipop and swung it at David and the others!

Boom!

With this swing, a terrifying sword energy appeared and slashed at everyone!

"Fuck..."

Everyone couldn't help but swear!

Using the stick of a lollipop, a light swing can produce such a terrifying sword energy. Isn't it too outrageous?

If everything can produce sword energy, what is the use of swords?

## **Chapter 4500**

“Master Wuliang.....”

Feeling the terrifying sword energy, Xiao Jian shouted again!

Master Wuliang was about to cry!

But he still put his hands together, and after a sound of Amitabha, his body was instantly filled with Buddha light. Master Wuliang’s body expanded like a balloon, and finally blocked everyone behind him!

Boom!

The sword energy came down with a bang, and Master Wuliang’s body flew back dozens of miles, and the blood in his mouth sprayed in the air!

“You guys are so rubbish, shout out what you can do in your Xiao Dynasty!”

The Tenth Prince looked at everyone with contempt and said!

Everyone was silent. Who in the Xiao Dynasty could fight?

Only Xiao Yuanshan could fight the best, but no one knew where Xiao Yuanshan was at this time!

“I am the best fighter in the Xiao Dynasty.”

The voice of Master Wuliang came, and then fell in front of everyone!

Even after being beaten like this, Master Wuliang did not escape alone!

The Tenth Prince looked at Master Wuliang and couldn’t help but spit on the ground and said, “You old bald donkey are the most rubbish...”

“A scholar can be killed but not humiliated. I will fight you!”

After that, Master Wuliang’s blood and qi surged, and he actually began to burn his blood and essence!

Everyone looked at Master Wuliang in shock. It seemed that Master Wuliang really fought!

Along with the burning of blood and essence, the breath in Master Wuliang’s body was madly soaring. At the same time, golden light was used from his body, like the waves of the sea, surging continuously!

Master Wuliang took off a string of Buddhist beads from his chest and threw it suddenly into the sky: "Draw a prison on the ground..."

Boom boom boom...

The Buddhist beads surged, forming a halo, and then fell towards the Tenth Prince, as if to imprison him in it!

The Tenth Prince looked calm and waved his hand lightly!

Boom!

The

light circle was shattered in an instant, and countless fragments of Buddhist beads fell like raindrops!

Those broken Buddhist beads turned into golden rays of light, all falling into the body of Master Wuliang!

As these golden rays of light fell into the body of Master Wuliang, the skin on Master Wuliang's body gradually turned golden!

The whole person was like a golden man cast in gold!

"Second Prince, who is this Master Wuliang?"

Yu Wenqiang asked in shock when he saw Master Wuliang like this!

Their Xiao Dynasty had such a powerful figure, and he, as the prime minister, didn't even know it!

"Master Wuliang said he was a monk from Leiyin Temple, and I don't know where the Leiyin Temple is!"

Xiao Jian said!

"Leiyin Temple?" Yu Wenqiang was stunned!

He didn't seem to have heard of the Leiyin Temple in the territory of the Xiao Dynasty!

Maybe it's a temple in other areas of the Tianren Realm!

However, after hearing about Leiyin Temple, the Red Cloud Demon Lord in David's sea of consciousness said, "This old bald donkey's realm doesn't look high, but his means of explosion are good. It turns out that he is a monk from Leiyin Temple."

“Could it be that the monks of Leiyin Temple also participated in the battle between gods and demons in the Tianren Realm?”

“Senior, do you know Leiyin Temple?” David asked hurriedly!

“Of course, this Leiyin Temple is the most famous temple in the fourth heaven of the heaven, and many people like to worship there.”

“I went there once, but I just went there to play, and I didn’t worship those old bald donkeys.”

The Red Cloud Demon Lord explained!

“So, this Master Wuliang is also a person from the heaven? It seems that he is trapped in the heaven and man world.”

David couldn’t help but sigh. In the battle between gods and demons, I don’t know how many immortals and demons in the heaven and earth were trapped in the heaven and man world by the great formation of heaven and earth!

These people were trapped in the heaven and man world and had no way to practice. After thousands of years of baptism, many of their realm strengths have been reduced a lot!

However, David didn’t quite understand. Since Master Wuliang was a person from heaven, why did he try so hard to help Xiao Jian?
