Chapter 4511

Full Read Online **Chapter 4511** of the novel **A Man Like None Other**

Chapter 4511

Facing hundreds of thousands of troops, the Tenth Prince was not panicked at all, but rather excited!

Xiao Yuanshan's face was very solemn when facing hundreds of thousands of his soldiers!

He did not give any orders, but these hundreds of thousands of soldiers should have sensed the safety of the imperial city, so they came one after another!

Eighteen generals wearing golden armor and holding spears knelt down in front of Xiao Yuanshan!

"We are waiting to return to the city without orders, please punish us, Emperor Xiao."

The eighteen generals said in unison!

They knew that without orders, bringing troops to the imperial city without authorization was a crime of treason!

Xiao Yuanshan looked at the generals in front of him and sighed, "Get up, you are also for the safety of my Xiao Dynasty, so I pardon you."

"It's just that your strength is still shallow, and if you all come here, you will die in vain..."

The reason why Xiao Yuanshan did not call all the soldiers back was because in this kind of battle, people with too low a realm can only be cannon fodder and useless!

"Emperor Xiao, we are willing to offer our souls to protect the safety of my Xiao Dynasty."

The eighteen generals said!

"No..." Xiao Yuanshan shouted loudly when he heard it!

If you offer your souls, there will be no chance of survival. He can't let these soldiers die!

After all, the Xiao Dynasty has not reached the point where they will perish together!

"Xiao Yuanshan, there are so many people in your Xiao Dynasty, but you bully one person. Do you still have shame!"

With a cold shout, Zuo Tianzheng brought hundreds of strong men to the sky!

Many of these strong men are masters of the Mahayana realm, all of which are major forces in the five major regions of the Tianren Realm!

Zuo Tianzheng was afraid that the Tenth Prince could not deal with the Xiao Dynasty himself, so he gave an order to summon the members of the Demon Sealing League in the five major regions, and they all came in droves! Of

course, all the masters came, and some members of the Demon Sealing League with low realms did not come!

If all these people came, there would be more than 100,000 of them, no less than the soldiers of Xiao Dynasty! In the previous battle, Xiao Dynasty lost a lot of masters in the Mahayana realm! And the losses of the Demon

Sealing Alliance were only the demon cultivators they raised, and their real strength was not affected at all! Seeing Zuo Tianzheng coming, and bringing so many masters, everyone in Xiao Dynasty looked ugly!

David also stared at Zuo Tianzheng. It was the first time he saw this man who had been chasing him with a hundred years of offerings! Zuo Tianzheng's eyes also fell on David, and there was murderous intent in his eyes!

As the saying goes, enemies are particularly jealous when they meet! However, Zuo Tianzheng knew that killing David was just a matter of convenience.

The most important thing today was to make Xiao Dynasty obey, or destroy Xiao Dynasty! Seeing Zuo Tianzheng and others appear, Xiao Yuanshan's expression became extremely solemn.

He knew that Xiao Dynasty might really be over today! The Tenth Prince has already made the Xiao Dynasty restless and embarrassed. Now Zuo Tianzheng has brought so many masters of the Demon Sealing League! The Xiao Dynasty has no more trump cards, how can it resist?

Everyone in the Xiao Dynasty also looked ugly. Facing so many powerful people, it is not something that can be compensated in numbers! "What are you doing here?"

The Tenth Prince glanced at Zuo Tianzheng coldly! "I'm afraid that the Tenth Prince..." Before Zuo Tianzheng finished speaking, the Tenth Prince waved his hand! Zuo Tianzheng flew backwards in an instant, in a mess!

"Get out of the way, I don't want anyone to disturb my cat and mouse game." The Tenth Prince said coldly! Zuo Tianzheng nodded repeatedly in fear, and hurriedly called the people he brought back a hundred miles!

He was afraid that the Tenth Prince could not handle it himself, but now it seems that people don't appreciate it! Zuo Tianzheng dared not offend this Tenth Prince, because he had truly witnessed the terrifying power behind the Tenth Prince!

Chapter 4512

When Xiao Yuanshan saw that the Tenth Prince had driven Zuo Tianzheng and others away, he became even more nervous!

This was enough to prove that the Tenth Prince in front of him had enough confidence in his own strength!

Xiao Yuanshan's face was very ugly. If he continued to fight, he knew that he would lose his ability to resist within three moves!

And listening to the cat and mouse game that the Tenth Prince said, it can also be proved that the Tenth Prince was deliberately playing with them!

He should not have used all his strength. If he had used all his strength, Xiao Yuanshan didn't know if he could be the opponent's opponent in one move.

But now, the only person who can deal with the Tenth Prince in front of him is himself!

As if seeing Xiao Yuanshan's embarrassment, the eighteen generals kneeling on the ground looked at each other, and then said in unison: "Emperor Xiao, we are determined to sacrifice our lives for the country and protect our Xiao Dynasty for thousands of generations..."

After that, the eighteen generals actually took out their knives and swung them towards their necks! Eighteen

heads fell, and white auras emerged from the bodies of eighteen generals, and then rushed straight into the sky!

Before Xiao Yuanshan could speak, hundreds of thousands of soldiers suddenly knelt down and shouted loudly: “We are determined to sacrifice our lives for the country and protect the Xiao Dynasty for thousands of generations...”

After that, hundreds of thousands of soldiers also chopped off their heads with swords without any hesitation!

Countless auras rushed towards the sky, and these auras merged in the air, and then formed a terrible pressure!

The Tenth Prince looked at everything in front of him, and a trace of surprise flashed in his eyes!

David looked at this scene in a daze. It was the first time he encountered such a tragic thing!

The other people who were still alive in the Xiao Dynasty were also deeply stimulated, and the slowly fading fighting spirit reached its peak at this moment!

Xiao Yuanshan looked at the corpses on the ground. Those were all his soldiers!

Xiao Yuanshan, who should have been angry, suddenly laughed at this moment!

But that smile looked so sad!

Xiao Feng and Xiao Jian's eyes were also full of anger, and the aura in their bodies was constantly expanding!

It seemed that the two of them were ready to self-destruct at any time!

The prince self-destructed, I'm afraid it's really time for the Xiao Dynasty to be destroyed!

“Hahahaha...hahahaha...”

Xiao Yuanshan laughed with his head raised, his body slowly disappeared, and then appeared in the air!

Xiao Yuanshan's body merged with the spirits and auras of hundreds of thousands of soldiers!

A golden light engulfed Xiao Yuanshan, and his figure could not be seen in the air!

But soon, a figure walked out of the golden light!

At this time, Xiao Yuanshan had already become much older, his hair turned gray, and he looked old and frail!

But those eyes were filled with strong anger, and there was an invisible pressure on his body!

“Father...”

Seeing this, Xiao Feng and Xiao Jian hurriedly shouted.

Xiao Yuanshan ignored them, but walked towards the Tenth Prince step by step! With every step, the void was boiling like boiling water!

Xiao Yuanshan is no longer himself now, but the spirit and soul of hundreds of thousands of soldiers!

Zuo Tianzheng, who was a hundred miles away, looked at Xiao Yuanshan in front of him, and he was actually a little afraid!

He secretly felt lucky that he did not bring people to attack the Xiao Dynasty!

If the Tenth Prince had not come forward, Zuo Tianzheng knew that their Demon Sealing Alliance would never be the opponent of the Xiao Dynasty!

In terms of fighting will alone, the Xiao Dynasty would have killed the Demon Sealing Alliance in seconds!

Hundreds of thousands of soldiers sacrificed their souls, what kind of will and determination is this?

Zuo Tianzheng knew that no one in the Demon Sealing Alliance would do such a decisive thing. Even if the Demon Sealing Alliance was destroyed, no one would be willing to sacrifice their souls.

This is the gap, this is the gap between an alliance organization and a dynasty!

Similarly, this is also the power of faith. The soldiers and subjects of the Xiao Dynasty all have faith!

Chapter 4513

In the eyes of these people in the Demon Sealing League, they only have interests. If the Demon Sealing League is really destroyed that day, it is estimated that many people will leave the Demon Sealing League!

Xiao Yuanshan looked at the Tenth Prince, without too much nonsense, and punched him!

This punch contained the hope and anger of hundreds of thousands of soldiers!

The Tenth Prince no longer dared to be careless, and the long sword in his hand was also swung out suddenly!

Hundreds of thousands of soldiers cut off their heads without hesitation and sacrificed their souls. This degree of shock made him, a high-ranking god, feel a sense of oppression! You

must know that the gods are the most noble race, no matter which race is not as noble as the gods!

Especially the human race, which is the most despised by the gods!

This is why the Tenth Prince has the ability to kill the enemy with one move, but wants to play around!

He wanted to enjoy the fun of playing with these people, and enjoy the feeling of being superior!

But at this moment, he no longer had that playful attitude and feeling in his heart!

He only felt that his heart was oppressed!

Boom!

The chaos of heaven and earth seemed to merge into one!

The entire imperial city turned into ashes under the aftermath, and the bodies of hundreds of thousands of soldiers also disappeared in the aftermath, turning into dust and merging into the entire universe!

The long sword in the hand of the Tenth Prince shattered, and the whole person instantly retreated hundreds of miles!

Xiao Yuanshan's face was not excited at all, and he took another step!

There seemed to be countless lights between heaven and earth, like fireflies, surrounding Xiao Yuanshan!

Xiao Yuanshan knew that this was the dust turned into by hundreds of thousands of soldiers!

He was not fighting alone!

Bang!

Xiao Yuanshan threw another punch, and this punch directly distorted the entire void.

Seeing this, the Tenth Prince's eyes condensed slightly, and a ball of golden light lit up in his palm, and soon the golden light turned into a long sword again!

This long sword is almost identical to the long sword used by His Highness the Tenth Prince just now. The only difference is that there is a golden light constantly moving in the center of this long sword!

His Highness the Tenth Prince grabbed the long sword and slashed it fiercely!

Boom!

The knife fell fiercely, and collided with Xiao Yuanshan's fist wind!

The collision of two terrifying forces caused a terrifying force to burst out in all directions between the chaos of heaven and earth!

A thousand-meter-deep pit appeared on the ground, like the mouth of the abyss, swallowing everything!

All the people around were blown away by this terrifying force! He flew a hundred miles away before he stabilized his body!

Everyone looked at it blankly, this terrifying power was too terrible.

Xiao Yuanshan and the Tenth Prince were in the center of the imperial city, facing each other from a distance, and both of them exuded terrifying power!

The others hid far away, and no one dared to approach!

Even Zuo Tianzheng was shocked. If it was him, he would definitely not be able to take the punch just now. Xiao Yuanshan, who absorbed the souls of hundreds of thousands of soldiers, had a qualitative leap in strength!

"Even if you have absorbed hundreds of thousands of souls, you are nothing more than this. If I kill you today, I can also avoid your psychological torment later!"

The Tenth Prince looked at the knife in his hand and smiled faintly!

“I can die, but I must take you with me before I die. I must give an explanation to my hundreds of thousands of soldiers.”

Xiao Yuanshan’s eyes were full of murderous intent!

“Explanation?” The Tenth Prince sneered: “You are worthy!”

After saying that, the Tenth Prince swung the long knife in his hand fiercely at Xiao Yuanshan!

Xiao Yuanshan did not dodge or evade. Countless soul powers were used from his body and merged with the white light between heaven and earth!

Every white light is the life of a soldier!

These white lights condensed into a huge fist and bombarded the Tenth Prince!

This blow was a blow of hundreds of thousands of soldiers!

Boom!

Two forces burst out, and countless sword lights and soul powers surged between heaven and earth!

Even the people who had retreated a hundred miles away felt the danger again and had to retreat again!

Chapter 4514

“Hey……”

Suddenly, Yu Wenqiang sighed and shook his head slowly!

“Prime Minister Yu, what’s wrong?” Xiao Feng asked!

Yu Wenqiang said nothing, but his face was very ugly!

“Emperor Xiao, I’m afraid he will lose!”

At this time, Master Wuliang spoke!

“Master Wuliang, don’t talk nonsense. Father has the spiritual power of hundreds of thousands of soldiers. How could he lose?”

Xiao Jian said somewhat displeased!

“Second Prince, although Emperor Xiao has the spiritual power of hundreds of thousands of soldiers, it’s a pity that the luck of the Xiao Dynasty is weakening.”

“Can’t you sense it? If the luck of a country begins to weaken, it means that it will be destroyed!”

“If the Xiao Dynasty is destroyed, can Emperor Xiao still win?”

Master Wuliang said slowly!

When everyone heard this, they were stunned. The people of the Xiao Dynasty didn’t know whether they should believe Master Wuliang’s words!

Destroy the country!

If someone else said this, these masters of the Xiao Dynasty would definitely be furious, but now it was Master Wuliang who said it!

They had seen Master Wuliang’s skills!

Everyone in the Xiao Dynasty looked extremely ugly!

If the Xiao Dynasty really perished, what would be their fate?

They still understood that no egg would be left unbroken under an overturned nest!

At this moment, all the people of the Xiao Dynasty were silent. In the center of the imperial city, Xiao Yuanshan was still fighting with the Tenth Prince. As for the victory or defeat, no one could tell!

Xiao Feng and Xiao Jian clenched their fists tightly. At this moment, they were the most nervous!

If the Xiao Dynasty was really over, they would no longer be princes!

But even if Xiao Yuanshan won, the Xiao Dynasty had suffered heavy losses, and the surrounding forces would definitely be eyeing it covetously!

This time, regardless of winning or losing, it would be difficult for the Xiao Dynasty to reproduce its past glory!

What's more, this time it was just a child, a child that even Zuo Tianzheng of the Demon Sealing League was respectful to!

Who knows if there is a more terrible force behind this child!

Xiao Dynasty is just a small human force in the Heavenly Human Realm. How could it possibly compete with the God Clan?

The support of the God Clan behind the Demon Sealing League was beyond everyone's expectations!

Even David was shocked this time. He didn't expect that there was a huge force behind the Demon Sealing League!

This small Heavenly Human Realm, I didn't expect to hide so many masters!

A great formation of heaven and earth, I don't know how many people in the heavenly realm were trapped here!

Rumble...

I don't know how many rounds Xiao Yuanshan fought with the Tenth Prince!

A series of terrifying shock waves kept hitting everyone, and everyone had to retreat again and again!

In the end, everyone had withdrawn from the scope of the imperial city!

The originally magnificent and extremely glorious imperial city has already become a waste at this moment, and there are bottomless pits all over the ground!

This is the capital of the Xiao Dynasty, but it has been completely destroyed!

When all the aftermath slowly dissipated, the figures of the Tenth Prince and Xiao Yuanshan appeared in the air!

The Tenth Prince was still biting a lollipop in his mouth, and the golden long sword in his hand had already appeared one by one!

In the eyes of the Tenth Prince, there was still a monstrous will to fight, and

he looked like he was still unsatisfied! But at this moment, Xiao Yuanshan looked very tired. He no longer had the pressure of being an emperor, and he looked more like an old man who was about to die!

The breath in his body also became weak, and the spiritual power of more than 100,000 soldiers was consumed!

“Hey...”

Xiao Yuanshan sighed helplessly, and a complex look flashed in his eyes!

Then Xiao Yuanshan’s body slowly fell, stepping on the devastated imperial city, Xiao Yuanshan’s tears flowed down!

Although men don’t shed tears easily, let alone an emperor like Xiao Yuanshan!

But at this moment, Xiao Yuanshan can’t do anything except shed a few tears for his dead subjects and soldiers!

Chapter 4515

Seeing this, Xiao Feng and the others all rushed over.

When they saw Xiao Yuanshan crying, everyone in the Xiao Dynasty was stunned!

You know, Xiao Yuanshan is their backbone!

He is the god they believe in!

But now the god in their hearts has collapsed, and their faith has collapsed!

In this battle, there is no Xiao Dynasty anymore!

Xiao Feng and Xiao Jian clenched their fists, their faces pale!

The Xiao Dynasty lost, completely lost!

The Tenth Prince was suspended above everyone’s head, his eyes swept over everyone, and no one dared to look directly at the Tenth Prince!

was scared, they were really scared!

Ignite the fighting spirit again and again, but be suppressed again and again!

At this moment, only David looked up. Although his body had not recovered, there was no fear on David’s face!

“Senior, I’ll give you my body. Can you kill this little brat?”

“Don’t worry about my body. It doesn’t matter even if it’s destroyed.”

David has no ability by himself, so he can only rely on the Red Cloud Demon Lord! If the Red Cloud Demon Lord wants to deal with the Tenth Prince, he can definitely just wave his hand!

“Your body is too weak now. I can’t exert my strength at all.”

“Don’t you have someone behind you? You can ask the master behind you to come forward!”

The Red Cloud Demon Lord was referring to Mr. Shi!

Because every time David encountered a life-and-death crisis, Mr. Shi would suddenly appear!

As long as Mr. Shi appeared, the Tenth Prince in front of him would be destroyed in minutes!

“I...”

David was speechless, because he had no way to contact Mr. Shi!

Every time Mr. Shi came suddenly, and then left suddenly, he didn’t even know where Mr. Shi was!

“Mr. Chen, I wonder if you can save my Xiao Dynasty?”

Xiao Feng looked at David, and then said, “When you were injured, a middle-aged man with unfathomable strength said that you are a great opportunity for our Xiao Dynasty.”

“I wonder who that master is? What is the great opportunity for our Xiao Dynasty?”

Xiao Feng remembered what Mr. Shi said, so he looked at David and asked!

Although

David is not the opponent of the Tenth Prince now, there must be someone behind David. Otherwise, with David’s strength, how could the Demon Sealing League have been chasing him without success!

“This.....”

David frowned slightly, a little speechless. He knew that Xiao Feng and the Red Cloud Demon Lord were talking about Mr. Shi!

But he couldn't contact Mr. Shi, how could he help?

At this moment, a voice suddenly came from the void!

"It's not easy to practice, and you can't destroy your soul at will."

With this voice, the entire imperial city was shrouded in white light!

In the white light, the souls of hundreds of thousands of soldiers all slowly appeared!

Boom!

The souls of hundreds of thousands of soldiers fell back to the ground in an instant!

Looking at the souls of hundreds of thousands of soldiers who suddenly appeared, Xiao Yuanshan was stunned!

Everyone in the Xiao Dynasty was stunned!

You know, in the battle just now, Xiao Yuanshan exhausted the spirits of these hundreds of thousands of soldiers, but at this moment, these hundreds of thousands of soldiers are back again...

As long as the spirits are there, these hundreds of thousands of soldiers are not considered dead, and they can slowly reshape their bodies!

Hundreds of thousands of soldiers, looking at everything in front of them, looking at their emperor, are also very excited!

They don't understand what's going on!

It's as if their spirits have traveled around and returned to the starting point again!

"Who is it? Which master saved my Xiao Dynasty? We will worship him forever!"

Xiao Yuanshan took the lead in kneeling down in the direction of the voice!

All the people of the Xiao Dynasty, as well as the hundreds of thousands of soldiers, all knelt down together!

The Tenth Prince looked at the spirits of the hundreds of thousands of soldiers that appeared, and his face was extremely ugly!

He didn't know who was talking!

But he fought for a long time, but in the end it was all in vain!

The spirits of hundreds of thousands of soldiers of the Xiao Dynasty are all back!

“Mr. Shi...”

David's face was full of excitement, his body trembling slightly, looking at the direction where the voice came from!

He would never forget Mr. Shi's voice!

Chapter 4516

“I didn't do anything, you don't have to be so polite to me?”

At this time, an old Taoist holding a whisk slowly came from the sky!

Seeing the old Taoist appear, Xiao Yuanshan and others were very excited. He thought that what happened just now was also done by this old Taoist!

“Is it him?”

David was surprised when he saw the person coming!

Because the person who came was Lin Keting's master, Wuji Taoist!

Zuo Tianzheng and others frowned when they saw the sudden appearance of Wuji Taoist!

They didn't expect that the strength of Wuji Taoist would be so terrifying!

The souls of hundreds of thousands of soldiers had disappeared, but they were pulled back abruptly! Isn't

this too outrageous?

Even if it is an immortal, it may not have such means!

“Senior...” David saw Wuji Taoist and hurriedly greeted him!

After all, Wuji Taoist has saved him several times!

Taoist Wuji looked at David's weak appearance and said angrily: "It's so shameful that my apprentice's man has become like this..."

After that, Taoist Wuji took out a colorful pill from his arms and threw it to David!

"Eat it!" said Wuji Daode lightly!

David took the pill and threw it directly into his mouth without any hesitation!

The pill melted in his mouth, and in an instant David only felt the breath in his body soaring!

Xiao Yuanshan and the others saw that Taoist Wuji was running for David, and David was the man of Taoist Wuji's apprentice!

It seems that Xiao Dynasty is saved, and David is really the opportunity of Xiao Dynasty!

"Senior, are you here to save me on purpose?" David looked at Taoist Wuji gratefully and asked!

"No!"

Taoist Wuji shook his head, then waved his whisk, and a looming shadow slowly appeared!

"Taoist Wuwei?" Seeing the shadow, David was a little surprised!

"Brother, I didn't expect that after not seeing you for so many years, you have become a weakling."

Wuji Taoist smiled slightly!

"Brother, your strength has dropped so slowly over the years. It seems that you are not greatly affected by the great formation of heaven and earth."

Taoist Wuwei was a little surprised when he saw the sudden appearance of Taoist Wuji!

"Oh, no, no!"

Taoist Wuji sighed, and then looked at the Tenth Prince!

"Little kid, God has the virtue of loving life. I shouldn't have hit you, a little kid."

“But you hurt my junior brother, so I can only take action.”

Wuji Taoist said helplessly!

The Tenth Prince looked at Wuji Taoist coldly, and then snorted coldly: “Old bas***, are you here to die too?”

“I’m looking for your mother...”

Wuji Taoist waved the whisk in his hand suddenly!

Buzz!

The world trembled, and the void squeezed together!

The pupils of the Tenth Prince suddenly shrank, and the golden long sword in his hand blocked directly in front of him!

He had no chance to draw his sword, and it was too late!

Boom!

Accompanied by a burst of white light, the Tenth Prince flew backwards in an instant, like a cannonball that was shot out!

The golden long sword in his hand also turned directly into ashes.

Seeing this, everyone in the Xiao Dynasty was overjoyed!

They were all dead!

But suddenly a savior appeared!

This sudden feeling of escaping death made everyone in the Xiao Dynasty ecstatic!

Some people even couldn’t stop laughing!

With just a slight move, the Tenth Prince who suppressed everyone flew backwards!

This kind of strength is terrifying!

Seeing this, Taoist Wuwei and Master Wuliang sighed at the same time!

“Master Wuliang, what’s wrong with you?”

Xiao Jian asked Master Wuliang!

“Hey, if I hadn’t been trapped for so many years, I could easily slap this little brat away.”

Master Wuliang said!

Before the war between gods and demons, they were all immortals in heaven!

How could they look at cultivators below the immortals!

Even if the other party is a god, so what?

The gods are just self-proclaimed nobles. In the eyes of others, they are just a bunch of arrogant guys!
