

A Man Like None Other

Novel Chapter 4517

Chapter 4517

"Mr. Chen, who is this Taoist priest? He seemed to say that you are his disciple's man just now?"

"Could it be that Mr. Chen is already married and has a dual cultivation partner?"

Xiao Feng asked David!

David just smiled bitterly and did not answer, because he did not know how to answer!

What the Taoist Wuji said was not a lie, and David himself promised it!

Although Lin Keting said later that it was a joke, David himself could not go back on his word!

If Lin Keting needs him now, David must do his duty! Who

made me say that?

In the void, the Tenth Prince was repelled a hundred miles away by the Taoist Wuji with a light wave of his whisk. Zuo Tianzheng and others all looked solemn!

They never expected that the Xiao Dynasty, which had already reached this point, would suddenly have the Taoist Wuji appear!

What kind of relationship can the Taoist Wuji have with the Xiao Dynasty?

When the Xiao Dynasty was in danger, Taoist Wuji came to the rescue?

Was it because of David?

Zuo Tianzheng looked at David with a complicated look in his eyes! The

Tenth Prince spit out the lollipop in his mouth, and his face finally became gloomy and solemn!

Blood was soaking through the sleeves of the Tenth Prince's right wrist!

The golden sword was not only shattered by the blow just now, but the Tenth Prince was also injured!

The Tenth Prince no longer had that arrogance, staring at Taoist Wuji!

Taoist Wuji smiled a little, but there was a mockery in that smile!

Now the roles have been completely reversed!

At first, it was the Tenth Prince who looked down on everyone, but now he is the one being looked down upon!

This contempt made the Tenth Prince's heart collapse a little!

"Old bastard, you deserve to die..."

After the Tenth Prince finished speaking, he suddenly grabbed behind him!

There was nothing behind him originally, but at this time a sword appeared from the Tenth Prince's hand!

The sword slashed towards Taoist Wuji!

This sword, as fast as lightning, completely turned into a beam of light, and arrived in front of Wuji Taoist in the blink of an eye!

The Tenth Prince is more ferocious with a sword than with a knife!

Seeing the Tenth Prince's sword coming, Wuji Taoist did not move, but waved the whisk in his hand again!

Boom!

The sword light shattered!

The Tenth Prince retreated a hundred miles again!

The Tenth Prince just stopped, and a wisp of soul actually left his body, but it returned to the body in an instant!

At the same time, the Tenth Prince's right arm spurting blood, and the injury was even more serious!

This blow actually knocked out the Tenth Prince's soul!

Outrageous, really outrageous!

"Too awesome, too awesome..."

Xiao Jian looked at Wuji Taoist, his face full of shock!

Xiao Feng also licked his lips: "It would be great if this Taoist priest could be used by my Xiao Dynasty!"

However, Xiao Yuanshan's face was full of envy: "It seems that there is still a long way to go in terms of cultivation..."

As the emperor of the Xiao Dynasty, Xiao Yuanshan's strength is also one of the best in the Xiao Dynasty!

But now facing the Wuji Taoist, his strength is too inadequate!

At this time, the Wuwei Taoist, who was only a shadow, couldn't help but smile bitterly when listening to the words of several people!

His strength at the beginning was not inferior to that of Brother Wuji!

Otherwise, he would not have been able to save the Xiao Dynasty!

It's a pity that for thousands of years, he has been trapped by the great formation of heaven and earth, and his strength has declined too seriously!

Now, it has declined to the point where even a Mahayana cultivator can't deal with it!

And the people of the Demon Sealing League, in addition to their gloomy faces, their bodies are trembling slightly!

Many people also know the Wuji Taoist and have heard of the name of the Wuji Taoist!

But no one thought that the strength of the Wuji Taoist would be so terrifying!

This is already beyond their cognition!

If this continues, I'm afraid none of them will be able to escape!
