

A Man Like None Other Novel

Chapter 4519

Even if it was the aftermath, they didn't dare to try, let alone approach!

After a loud bang, a hundred miles of the area turned into silence, no sound, no living things!

Even the dust seemed to have disappeared!

Wuji Taoist held a whisk and stood calmly!

And the Tenth Prince, his face was a little pale, and the hand holding the long sword was trembling slightly!

This attack did not determine the winner, but who is stronger can still be distinguished at a glance!

The Tenth Prince is just resisting!For

the so-called arrogance of the gods, for the face of the gods!

"Old..."

The Tenth Prince was about to call the old bastard, and the horrified eyes of Wuji Taoist shot over instantly!

Feeling the gaze of the Wuji Taoist, the Tenth Prince changed his words and said, "Old Taoist, don't think you can win me for sure. I'm just playing with you!"

The Tenth Prince still wanted to use words to save his face!

But those people watching here, who is not a master, not a fool!

They can all see who is stronger!

"The Tenth Prince, if not, let's retreat..."

Zuo Tianzheng followed the Tenth Prince and said in a voice transmission!

He knew that if they continued like this, they would suffer in the end!

It would be better to run away directly before they were completely defeated.

Zuo Tianzheng's words deeply hurt the Tenth Prince's heart!

"Fuck you, there is no one in my God Clan who retreats."

The Tenth Prince cursed Zuo Tianzheng, and then suddenly grabbed the sword and rushed towards the Wuji Taoist!

He wanted to save his face and let Zuo Tianzheng and other people in the Demon Sealing League see it!

This sword was extremely domineering, and the sword light was everywhere in the Hundred Miles Void.

Taoist Wuji looked at the attacking Tenth Prince with contempt in his eyes. In his eyes, the Tenth Prince was just a little kid! No

matter how well he played with the sword, he was still a little kid.

When a sword came, Taoist Wuji flicked his whisk lightly, doing it very casually, not deliberately resisting!

Boom!

The whisk directly shattered the sword light, and the 100-mile void instantly quieted down!

This attack, the Tenth Prince was not repelled!

Instead, he bit his teeth, a mouthful of blood rolled in his chest, holding his breath and not retreating!

Then another sword was swung out!

Wuji Taoist blocked it with his whisk!

Boom!

The void trembled, and Wuji Taoist did not move, as if he was driving away mosquitoes!

The Tenth Prince was going crazy, and the long sword in his hand chopped down in a series!

Countless sword lights were like surging waves, surging in waves!

This wave of sword lights dazzled everyone!

Wuji Taoist lightly swung the whisk in his hand, and each swing would shatter a wave of sword lights!

The surging waves of sword lights immediately became calm in front of Wuji Taoist!

The sword light also disappeared, and finally merged into the void!

Wuji Taoist looked extremely relaxed!

The Tenth Prince seemed a little flustered, and the winner was decided immediately!

However, the Tenth Prince did not stop. Just as waves of sword light attacked Wuji Taoist!

A trace of cunning flashed in the eyes of the Tenth Prince, and the long sword in his hand was suddenly stained with his own blood!

Then he pointed hard at the void!

The void suddenly exploded, and a blood-red sword energy of a hundred feet fell from the head of Wuji Taoist!

The Tenth Prince actually used a strategy. He just wanted to paralyze Wuji Taoist and suddenly used his killer!

Seeing that Wuji Taoist did not react, the Tenth Prince finally showed a smile at the corner of his mouth! Seeing that

the whisk in Wuji Taoist's hand was only concerned with resisting the sword light in front of him, there was no way to stop the blood-colored sword energy!

David and all of them became nervous all of a sudden! They

thought that at this moment, the life of Wuji Taoist was tied to all of them.
