

A Man Like None Other Novel

Chapter 4520

If Wuji Taoist loses, then all of them will probably die.

Only if Wuji Taoist wins, they can survive.

But who knows, Wuji Taoist didn't look at the blood-colored sword energy above his head!

After the whisk in his hand blocked the sword light in front of him, he stomped his feet lightly!

The whole person turned into a ray of light and went straight to the blood-colored sword energy!

At this moment, everyone was stunned! I

don't know what Wuji Taoist is going to do!

Even the Tenth Prince was puzzled at this moment. It would be fine if Wuji Taoist didn't dodge or evade, but why did he take the initiative to meet him?

Wuwei Taoist looked at the scene in front of him at this time, sighed softly, and his eyes were full of envy!

"Brother is starting to show off again, so great..."

Wuwei Taoist knew that Wuji Taoist was going to show off!

Although the blood-colored sword energy looks very powerful, it can't hurt Wuji Taoist at all!

Now Wuji Taoist suddenly went towards the blood-colored sword energy, just to show off in front of everyone, without any other purpose!

Wuwei Taoist knew it, but others didn't know it!

So in the eyes of others, it was so shocking!

Boom!

Wuji Taoist actually collided with the blood-colored sword energy, making a deafening sound, and then countless sword energies shattered and surged out in all directions!

The entire void was dyed blood red, like brilliant red fireworks, which was quite beautiful!

Everyone looked at the scene in front of them nervously!

Especially the people on Xiao Huangchao's side, all clenched their fists, their bodies trembled slightly, and their palms were sweating!

You know, this blow is about their lives!

When the blood-red sword energy dissipated, everyone saw that Wuji Taoist was actually floating intact in the void!

The Wuji Taoist did not move a step!

Everyone in the Xiao Dynasty breathed a sigh of relief and relaxed instantly. Some people even collapsed to the ground because they were too relaxed!

David's heart also relaxed at this moment. Although his body has almost recovered, he still has the courage and strength to fight with the Tenth Prince!

The difference in realm is too great!

He is only the seventh rank of the Tribulation Realm, while the other party is the ninth rank of the Mahayana Realm. This realm gap cannot be made up even if he is gifted, has more means and magic weapons!

Although David breathed a sigh of relief at this moment, the pressure is also huge!

He must improve his realm as soon as possible. The Demon Sealing League even has a cultivator of the ninth rank of the Mahayana Realm. What can he use to fight against the Demon Sealing League in the future?

This time, if it weren't for the Xiao Dynasty's help to resist and drag the people of the Demon Sealing League, David would have become a corpse long ago!

It's impossible for Mr. Shi to appear in time every time, right?

The people of Xiao Dynasty were happy, but the people of Fengmo League were ashen.

Zuo Tianzheng stared at Wuji Taoist, then turned his head and looked behind him and said: "Get ready, we will fight in a group later. If it goes on like this, I am afraid that the Tenth Prince can't bear it."

"League Master, let's fight together, I am afraid..."

A cultivator wanted to say that it was useless to fight together, but seeing Zuo Tianzheng's terrible eyes, he finally didn't say it!

In the void, the Tenth Prince looked at Wuji Taoist, and finally had to admit: "You old Taoist are really powerful!"

"Same here, I am old, and I am ashamed to fight with you, a little kid..."

Wuji Taoist waved his hand and said!

Hearing what Wuji Taoist said, the Tenth Prince rolled his eyes!

Just now, the Wuji Taoist didn't mean to give in. Now he said he was ashamed?

Everyone looked at Wuji Taoist like that, and they were all speechless!

"I'm not a kid, it's just my flesh and blood. I have lived for hundreds of years."

The Tenth Prince said!
