## Chapter 4521

“Same as before. I’ve lived for almost ten thousand years. It’s normal to say that you’re a little kid.”

“If you have nothing to do, go home and find your mother to feed you. Don’t learn from adults, always fighting and killing!”

Wuji Taoist persuaded the Tenth Prince!

But this persuasion sounded awkward, like a mockery!

“Are you insulting me?” The Tenth Prince’s eyes narrowed slightly!

“Drop it, yes!”

Wuji Taoist nodded!

Everyone in the Xiao Dynasty was speechless when they heard what Wuji Taoist said!

How could Wuji Taoist, who looked so righteous and upright, speak in a funny way?

“Old bas\*\*\*, you are not insulting me, but our entire temple. You will regret it!” After

the Tenth Prince finished speaking, the long sword in his hand, like a thunder, swung directly at Wuji Taoist!

This sword shook the heaven and earth!

Even the people who were a hundred miles away, all felt a terrifying pressure!

David was shocked. He really couldn’t understand why there was still power behind this Demon Sealing Alliance!

What was this temple?

Why was the power of the Heavenly World just like the companies in the secular world!

They were all like nesting dolls, parent company, subsidiary, subsidiary, subsidiary...

What was this for?

There wouldn't be any power behind this temple?

In this case, was he still facing the Demon Sealing Alliance?

David was speechless!

“League leader, should we go together?”

At this time, the Demon Sealing Alliance monk who had not finished speaking just now asked in Zuo Tianzheng's ear!

Zuo Tianzheng felt the pressure and his face was very embarrassed!

He was thinking about doing it together, but now this pressure made them unable to move at all!

Even if they wanted to do it together, they were afraid that they would be reduced to ashes before they got close!

The monk saw Zuo Tianzheng's ugly face and laughed secretly!

He asked on purpose to embarrass Zuo Tianzheng!

Don't you know what your strength is?

Wanting to fight in a group in this situation is simply stupid!

Wuji Taoist snorted coldly and waved his whisk!

Boom!

The sword light shattered, and the Tenth Prince retreated a hundred miles!

And the Wuji Taoist remained motionless!

There was not even a trace of fatigue!

“What's wrong with you? If it's because you didn't eat, I can allow you to go back to breastfeed, and then fight again when you come back.”

Wuji Taoist said!

“fu\*\*...”

The Tenth Prince's face was gloomy, and he suddenly took a step forward, and a diamond-shaped crystal-like thing appeared in his hand!

From that thing, a ray of light shot up into the sky!

Then countless mysterious powers came from nowhere and gathered in the body of the Tenth Prince.

At the same time, the long sword in his hand began to hum, and a figure appeared on the long sword!

“Sword spirit?”

Seeing the figure appearing on the long sword in the Tenth Prince's hand, David immediately recognized it. It was the sword spirit!

This Tenth Prince is so powerful, it is normal for the sword in his hand to have a sword spirit!

As the mysterious power entered the Tenth Prince's body, the Tenth Prince's body slowly began to become illusory!

A terrible sword path shook around!

Seeing this, everyone began to retreat in a hurry!

But the speed of the sword was so fast that many people didn't have time to retreat!

Seeing this, Xiao Yuanshan hurriedly took action, and then threw out a barrier to protect everyone!

But the barrier was instantly defeated by the sword, and it didn't even last for a second!

Xiao Yuanshan's face was extremely ugly!

He had just fought a big battle, and his strength was too much!

And Master Wuliang and Master Wuwei were also unable to block this surging sword at this moment!

“Everyone in the Xiao Dynasty block this sword!”

After the old prime minister finished speaking, he took the lead!

Barriers were constantly swung out, and other masters of the Xiao Dynasty saw this and desperately swung out barriers to protect everyone!

But these barriers, in front of the sudden outbreak of swordsmanship, were so fragile that they were not even as good as a piece of paper!

The faces of every master of the Xiao Dynasty became very ugly!

“I’ll do...”

Seeing this, David stood out!

Chapter 4522

“Mr. Chen, you can’t block this sword...”

Xiao Yuanshan looked at David and said!

So many of them couldn’t block it, how could David block it alone!

Besides, David’s strength was only the seventh level of the Tribulation Realm.

“Don’t worry, Emperor Xiao, I’m not using my strength, I’m using treasures!”

After David finished speaking, he directly sacrificed the dragon pattern bell from the storage ring!

A big bell suddenly appeared in the sky!

As the bell got bigger and bigger, it trapped all of David and his men inside!

Everyone in the Xiao Dynasty was horrified, wondering what this dragon pattern bell was!

Didn’t it trap them to death inside?

But before Xiao Yuanshan could ask David, the bell rang at this time!

The surging sword path kept hitting the dragon pattern bell!

Although it made a sound, it couldn’t hurt the people inside the dragon pattern bell at all!

The appearance of the Dragon Pattern Bell surprised the Tenth Prince, Zuo Tianzheng and others!

Wuji Taoist also took a closer look!

The sword passed by, and then an invisible sword slashed towards Wuji Taoist!

This is the sword of intention, and the invisible is the most deadly!

David realized that the sword had left, and then he raised the Dragon Pattern Bell!

The sword just emitted by the long sword alone made David and others embarrassed!

And now this invisible sword is slashing towards Wuji Taoist, how terrifying!

Wuji Taoist still did not move, and the whisk in his hand was still waving weakly!

Boom!

The invisible sword exploded instantly!

But at this time, the long sword in the Tenth Prince's hand actually reached the top of Wuji Taoist's head on its own!

The sword spirit has appeared, and this long sword can attack completely on its own!

In this way, the Tenth Prince is equivalent to having an extra helper!

Looking at the long sword being controlled by the sword spirit, everyone in the Xiao Dynasty could not hide their nervousness!

One of the Tenth Princes is so powerful, and now another sword spirit appears, two to one!

Can Wuji Taoist continue to maintain it?

At this moment, Wuji Taoist moved!

His body suddenly rushed into the sky, very fast!

Behind him, sword power burst out one after another, constantly chasing Wuji Taoist!

Sword power burst out like fireworks, and then emitted countless sword energy!

The sword energy fell like raindrops!

The figures of the Tenth Prince and Wuji Taoist are no longer visible at this moment!

No one knows whether the Tenth Prince, with the sword spirit, is the opponent of the Wuji Taoist!

At this time, whether it is Xiao Yuanshan or Zuo Tianzheng, their hearts are in their throats!

Because no one knows who will win or lose!

In the sky, everyone can only see a faint white light flashing!

The specific battle can no longer be seen!

About a dozen breaths!

Wuji Taoist followed the Tenth Prince back!

The two people did not see anything unusual, let alone who won or lost!

Everyone wanted to ask who won between the two, but no one dared to ask!

The world fell into a dead silence!

“Puff...”

Suddenly, the Tenth Prince spurted out a mouthful of blood!

“Old bas\*\*\*, you wait for me, I will definitely seek revenge on you.”

After saying that, the figure of the Tenth Prince instantly turned into a residual image and disappeared!

The Tenth Prince ran away! Only

Zuo Tianzheng and others were left, looking at each other in bewilderment!

The people of the Demon Sealing Alliance were all dumbfounded!

Especially Zuo Tianzheng. Didn't the Tenth Prince just say that the people of the God Clan could never retreat? That would be a humiliation to them!

But what is it now?

It's not retreat, it's escape?

Isn't this escape even more shameful?

And he even left his own people behind to escape?

Zuo Tianzheng wanted to curse, but this was not the time to curse!

“Leader, what should we do?”

a cultivator asked!

Zuo Tianzheng cleared his throat and pretended to be calm and said, “Don’t be afraid, hold on...”

After that, Zuo Tianzheng’s figure disappeared in an instant, and turned into a residual shadow and ran away!

Seeing this, the others ran away instantly!

What are you waiting for if you don’t run?

Are you waiting to be killed?

Chapter 4523

Taoist Wuji looked at the people who were running away, and he didn’t make any moves, nor did he chase them!

These guys from the Demon Sealing League deserved to die, but Taoist Wuji didn’t want to kill them!

What’s more, Taoist Wuji had no friendship with Xiao Huangchao, and this time he took action, it was entirely for his junior brother Taoist Wuwei!

The people of Xiao Huangchao didn’t chase them anymore!

They knew that even if they caught up, they would not be opponents!

The losses of Xiao Huangchao in this battle were too serious, and many people were injured, and they had no ability to fight with the Demon Sealing League!

Now that the people of the Demon Sealing League have run away, everyone in Xiao Huangchao is relieved!

But they know that Xiao Huangchao will definitely not give up!

But as long as this Taoist Wuji is in Xiao Huangchao, then they, Xiao Huangchao, can rest assured! Everyone in Xiao Huangchao looked at David!

They all thought that Wuji Taoist was the power behind David. After all, David was the man of Wuji Taoist's apprentice!

They hoped that David would speak up and keep Wuji Taoist!

David felt the gazes of everyone in the Xiao Dynasty, and of course he knew what they meant!

David looked at Wuji Taoist, opened his mouth and wanted to say something, but he couldn't say it!

Wuji Taoist ignored everyone, but looked at Wuwei Taoist, who had only a wisp of soul left, and said, "Junior brother, come with me, I will help you reshape your body!"

After that, Wuji Taoist waved his sleeves, and Wuwei Taoist's soul disappeared directly!

And Wuji Taoist also slowly disappeared under the gaze of everyone!

At this time, everyone in the Xiao Dynasty looked at David in confusion!

"Mr. Chen, I wonder why you don't keep that Wuji Taoist?"

Xiao Feng asked David!

"I..." David opened his mouth and sighed softly, "Even if I try to persuade him to stay, Taoist Wuji won't stay!"

Seeing David's expression, Xiao Yuanshan seemed to understand something, and then said, "The people from the Demon Sealing League won't come again in the short term, so let's all heal our wounds as soon as possible!"

"There are also hundreds of thousands of soldiers. It is also a long process to restore the body..."

"Xiao Huang, I have friends who specialize in practicing the art of soul shaping and self-cultivation. I can notify them to come and help." David thought of the Soul Demon Sect, so he said!

"That's great, trouble Mr. Chen!"

Xiao Yuanshan said happily!

David was a little ashamed. The Xiao Dynasty became like this because of him. He should do these things!

David contacted Zhe Yan with the sound transmission jade slip. Now Zhe Yan is the son-in-law of the Soul Demon Sect and has the right to speak!

Zhe Yan received the notification from David and immediately took action. He brought Jiang Yulian and the disciples of the Soul Demon Sect to the Xiao Dynasty!

With the help of these people from the Soul Demon Sect, the speed of the hundreds of thousands of soldiers of the Xiao Dynasty to reshape their bodies will be much faster!

The imperial city was destroyed, and Xiao Yuanshan could only take everyone to settle in other cities!

The Xiao Dynasty is not only the imperial city, but also dozens of cities of all sizes!

Although the Xiao Dynasty did suffer a lot of losses this time, fortunately the main characters are still alive!

The foundation of the Xiao Dynasty is still there, and it is not difficult to recover!

David practiced elixirs day and night in the Xiao Dynasty and treated the injured monks of the Xiao Dynasty!

These days, it was a huge consumption for David, but David was voluntary!

“Mr. Chen, I have ordered people to transport resources and herbs from all over the Xiao Dynasty for your use.”

Xiao Yuanshan also saw David’s hardships these days, so he ordered people to transport resources from all over the place at all costs!

“Xiao Huang, you should keep those resources. Now many people in the Xiao Dynasty need resources to recover.”

“I plan to leave the Xiao Dynasty and deal with my own affairs!”

David said to Xiao Yuanshan!

“Mr. Chen is leaving?” Xiao Yuanshan was stunned, his expression a little solemn!

David is here. If the people of the Demon Sealing League come to retaliate, the forces behind David will help!

If David leaves, who will care about the life and death of the Xiao Dynasty at that time?

## Chapter 4524

David saw Xiao Yuanshan's worry and hurriedly said, "Don't get me wrong, Emperor Xiao. I'm just leaving temporarily. I've left a sound transmission jade slip for Prince Xiao. As long as there's something wrong with the Xiao Dynasty, I'll be back immediately."

Xiao Yuanshan finally relaxed and nodded when he heard it!

At this moment, Xiao Yuanshan was actually a little speechless. The dignified Xiao Dynasty, almost the largest force in the world of heaven and man, now needs the protection of David, a seventh-grade cultivator in the realm of tribulation!

This does sound a bit ironic, but there is no way. Who makes the power behind David even more terrifying!

David followed Ji Yun and left the Xiao Dynasty!

The two took an airship and headed straight to the Refining Sect of Qingniu Peak! Now

David must completely repair the Dragon Slaying Sword so that the sword spirit Zhongli can leave the sword body!

As long as the Dragon Slaying Sword is fully restored and the Sword Spirit Zhongli can leave the sword body, David's strength will also increase a lot!

After all, by then, he will not be fighting alone!

Sword Spirit Zhongli can also be used as a killer!

David sat upright in the airship, and the whole person fell into a state of cultivation. He knew that it would take a few days for the airship to reach the Refining Sect!

When David went to the Refining Sect, in the headquarters of the Sealing Demon League!

Zuo Tianzheng sat in the main seat in a very embarrassed manner. Below him were some middle-level leaders of the Sealing Demon League!

The Sect Master Zhou who had escaped back early was also there. The Demon Cultivators of the Sealing Demon League suffered heavy casualties!

Almost everyone was injured, and only Sect Master Zhou came back with two disciples, Tianluo and Tiansha, without any injuries!

This guy's ability to escape is indeed not something that ordinary people can learn!

But now Zuo Tianzheng is too lazy to care about these!

“Everyone, although we didn't swallow up the Xiao Dynasty in this battle, the Xiao Dynasty was seriously injured.”

“We must be prepared to continue to attack the Xiao Dynasty. We will never give up.”

Zuo Tianzheng said, and waved his hand casually to disperse everyone!

And he walked into a secret room behind the hall!

There was a huge black hole in the secret room, and the Tenth Prince was eating a lollipop in the secret room at this moment!

Although the Tenth Prince abandoned the Demon Sealing Alliance and fled, it was a bit unkind!

But Zuo Tianzheng did not dare to have the slightest dissatisfaction, and the whole person was respectful in front of the Tenth Prince!

“Zuo Tianzheng, I will take you to the temple. Have you thought about what to say?”

The Tenth Prince looked at Zuo Tianzheng and asked!

“Tenth Prince, I have thought about it. Although I didn't take down the Xiao Dynasty this time, the Tenth Prince's contribution cannot be buried.”

Zuo Tianzheng said respectfully!

“That's good, follow me!”

After speaking, the Tenth Prince took the lead in entering the black hole!

Zuo Tianzheng followed closely, and when they entered, the black hole slowly disappeared!

When Zuo Tianzheng's eyes went dark, when he opened his eyes, a black hall stood in front of him in the void!

The surroundings looked empty, and the whole hall seemed to be suspended in the starry sky of the universe!

It was the first time that Zuo Tianzheng saw the temple in front of him so intuitively!

Although he had been summoned several times, he appeared in the main hall every time and had no idea what the temple looked like!

“Tenth Prince, is this the temple?”

Zuo Tianzheng asked in shock!

“Yes, this is the temple, but this is only the tenth temple in the temple. As for where the other nine temples are, I don’t know.”

“I didn’t bring you directly into the main hall, just to let you see the power of our temple. If you are a good dog of our temple, we will never treat you unfairly.”

The Tenth Prince directly compared Zuo Tianzheng to a dog, and he was not afraid that Zuo Tianzheng would be angry!

Zuo Tianzheng was indeed not angry. At this moment, he only felt his blood boiling!

What else can be angry about being able to get in touch with the power of the gods?

Looking at Zuo Tianzheng like that, the Tenth Prince was very satisfied, and then he brought Zuo Tianzheng into the main hall!

Chapter 4525

Although Zuo Tianzheng had been here before, he was always frightened every time he came!

The guards at the entrance of the hall were all Mahayana monks!

On both sides of the hall, the sixth and seventh grade Mahayana monks stood on both sides, not even qualified to sit!

This is still the tenth hall of the temple. Zuo Tianzheng has heard that the ten palaces of the temple are ranked according to strength, and the tenth hall is the worst!

The worst temple has such strength, so you can imagine how powerful the temple is!

“Father...”

Entering the hall, the Tenth Prince hurriedly shouted to a middle-aged man sitting at the first seat in the hall!

The middle-aged man was dressed in a yellow robe, with a crown on his head, and his expression was very cold!

This man is the father of the Tenth Prince, the Tenth Palace Master! In the entire hall, the Tenth Palace Master is the supreme existence!

Zuo Tianzheng didn't dare to look directly at the Tenth Palace Master, and even the monks sitting on both sides!

The monks standing on both sides were all in the sixth or seventh level of the Mahayana Realm!

You can imagine the monks sitting there!

Zuo Tianzheng knelt in the middle with his head down, how could he still have the demeanor of a leader!

"Defeated?"

The Tenth Palace Master slowly spoke!

The Tenth Prince didn't speak, but glanced at Zuo Tianzheng.

"Reporting to the Palace Master, we are just a temporary retreat. The Xiao Dynasty is already dead in name only."

"But at the last moment, an old Taoist appeared and blocked the Tenth Prince's way."

Zuo Tianzheng reported with a trembling body!

"You are talking about that old bas\*\*\* Wuji?" The Tenth Palace Master said!

"Yes, it's that old Taoist Wuji..."

Zuo Tianzheng nodded!

"Father, that old bas\*\*\* ..."

The Tenth Prince wanted to explain, but just as he opened his mouth, he was scolded by the Tenth Palace Master: "Shut up and go and reflect on your mistakes. You are bringing shame to my God Clan."

The Tenth Prince shrank his head in fear, then looked at Zuo Tianzheng meaningfully, turned around and left!

He was afraid that Zuo Tianzheng would talk nonsense after he left, so he gave him a warning!

“I remember you promised me that you would unify the world of heaven and man. Now you can’t even deal with the Xiao Dynasty, how can you unify the world of heaven and man?”

The Tenth Palace Master asked lightly!

Zuo Tianzheng trembled and said, “Palace Master, our Demon Sealing League does have the ability to unify the world of heaven and man. It only takes some time.”

“It’s just that a guy named David appeared later and disrupted the overall plan.”

“And the Wuji old Taoist secretly saved a lot of demon cultivators, and also had a great influence on our Demon Sealing League.”

Zuo Tianzheng was going to find a good reason for himself, otherwise the leader of the Demon Sealing League would probably have to be replaced!

“Are you looking for an excuse?” The Tenth Prince said coldly!

“I dare not. I was indeed greatly influenced by the Wuji old Taoist. This time, the Tenth Prince was also injured by the Wuji old Taoist. The Wuji old Taoist even insulted the Tenth Prince and asked the Tenth Prince to come back to suck milk...”

Zuo Tianzheng lowered his head and said in a low voice!

Zuo Tianzheng knew that the people of the God Clan were the most concerned about their reputation. If they were insulted, they would definitely get angry!

Sure enough, as soon as Zuo Tianzheng finished speaking, the anger of the Tenth Palace Lord rose!

“Humph, someone dared to insult my God Clan, it’s simply courting death.”

“I don’t care what kind of Taoist he is, I’ll kill him with one punch!”

To the left of the Tenth Palace Lord, a sturdy man suddenly stood up and roared!

“Luo Ta, can you kill that Wuji old bas\*\*\*?” The Tenth Palace Lord asked!

“Palace Lord, I can. I will avenge His Highness for him.”

“I don’t care what the old bas\*\*\*’s strength is, I only need one punch to smash him to pieces.”

Luo Ta waved his huge fist and said!

“Okay, you go and deal with it, but try not to provoke the people of Sun and Moon City. Wuji, that old bas\*\*\*, is now a VIP of Sun and Moon City!”

The Tenth Palace Lord ordered!

Zuo Tianzheng was stunned when he heard it, not knowing what the Sun and Moon City was in the mouth of the Tenth Palace Lord.

He had been in the Heaven Realm for so many years, and the power of the Demon Sealing Alliance spread throughout the Heaven Realm, but he didn’t seem to have heard of the Sun and Moon City!

There was no such a Sun and Moon City in the five major regions of the Heaven Realm.

“I obey!” Luo Ta clasped his fists, then picked up Zuo Tianzheng with one hand and disappeared quickly!
