Chapter 4540

David was not to be outdone, the Dragon Slaying Sword in his hand collided with Master Zhou's sword again and again, making loud noises.

However, after a few moves, Master Zhou suddenly felt his hand lighten, and when he looked at the sword in his hand, he didn't know when, only the hilt of the sword was left in his hand. He

was not as strong as David, and the sword in his hand was not inferior to David's Dragon Slaying Sword!

Master Zhou knew that if he continued to fight, he would definitely die!

After looking around, Master Zhou planned to find an opportunity to escape!

He wanted to escape, in addition to being wary of David, he also had to be wary of Zuo Tianzheng.

"David, today I will fight you to the death!"

Master Zhou threw away the hilt of the sword in his hand, and the aura on his body continued to surge, and streams of black mist rose from his body!

David looked at Master Zhou's appearance and couldn't help laughing!

He knew that this guy was going to escape, and the reason for this was just a show!

"You want to escape?" David said with a smile!

Sect Master Zhou was slightly stunned, and then whispered: "I have no grudges against you, why should I fight with my life, it is not my intention to deal with you, I am also forced to do so."

"I am looking for an opportunity to escape, and I hope to let me live. My two disciples have died in your hands, which is also a price to pay!" Sect

Master Zhou actually begged David to spare his life!

David nodded: "You can escape, I will never chase you..."

“Thank you!” After saying this, Sect Master Zhou’s body was wrapped in black mist, and he actually jumped up and flew away!

Seeing that Sect Master Zhou suddenly escaped, whether it was the people of the Demon Sealing League or the people of the Xiao Dynasty, they were all confused!

They thought that Sect Master Zhou was going to fight with David!

Unexpectedly, it was a bluff, and then he took the opportunity to escape!

Zuo Tianzheng was also deceived by the Zhou clan leader. When he saw Zhou clan leader suddenly run away, Zuo Tianzheng immediately cursed: “Damn it, you want to escape right under my nose, I will kill you...”

Zuo Tianzheng was about to chase the Zhou clan leader, but was stopped by Luo Ta who was standing beside him!

“No need to chase...”

After Luo Ta finished speaking, he suddenly punched in the direction where Zhou clan leader ran away!

The visible void trembled, and then shrank together!

The Zhou clan leader, who had already escaped nearly a hundred miles away, felt his body tighten, and then exploded!

The Zhou clan leader’s body was directly blasted into powder by a punch.

At this moment, everyone in the Xiao Dynasty was frightened and panicked!

Nearly a hundred miles away, a fourth-grade cultivator of the Mahayana realm was beaten into powder with a punch!

This is too abnormal!

David also frowned slightly, and his face became very ugly!

“Boy, I didn’t expect you to be really capable. It seems that I still need to do it myself!”

After Luo Ta finished speaking, his palm suddenly grabbed David!

David’s body seemed to be imprisoned, and he couldn’t move at all. He was directly sucked into the palm of Luo Ta!

David struggled desperately, but it was useless!

Xiao Yuanshan and others also wanted to help, but they found that they couldn't move at all!

Seeing that David was about to fall into the palm of Narota, suddenly a white light flashed in the void!

Then a middle-aged man appeared in front of everyone! The

middle-aged man was dressed in plain clothes and looked very elegant!

At the moment when the middle-aged man appeared, everyone's body was all relaxed, and David also escaped from Narota's control!

"Mr. Shi..."

Seeing the person coming, David was immediately surprised and almost jumped into Mr. Shi's arms! When

Xiao Feng saw Mr. Shi, his face was also full of joy. He said to Xiao Yuanshan: "Father, this person is the master behind Mr. Chen. He also told me that Mr. Chen is the great opportunity of our Xiao Dynasty!"

However, Xiao Yuanshan and the people of the Xiao Dynasty looked at Mr. Shi with a solemn face!

Because from Mr. Shi, they could not feel the slightest fluctuation of breath, nor could they see the appearance of a strong man! More

like a weak scholar, powerless, what kind of master could such a person be?
