## Chapter 4546

“Emperor Xiao, look at the red circle, what is that place?”

David spread the map in front of Xiao Yuanshan and said!

Xiao Yuanshan looked at it carefully, then shook his head: “I don’t know, this should belong to the territory of Tianmo Mountain, I rarely go there.”

“But I know that before the war between gods and demons, there were many ancient cities here, and the territory was particularly large.”

“But after the war between gods and demons, many ancient cities in the world of heaven and man were destroyed. If it weren’t for the war between gods and demons, my Xiao Dynasty would not be considered anything in the world of heaven and man.”

“But this map has a circle here, there should be something special here!”

“Well, I think so too, I’ll go and see it when I have time!”Chen

Ping put the map away!

However, David did not immediately explore the place marked on the map, but began to practice using the resources he had robbed in the Xiao Dynasty!

Xiao Yuanshan also used this time to rebuild the imperial city. Since the Xiao Dynasty had three thousand years of luck, there was no need to worry about the revenge of the Demon Sealing League!

.....

Demon Sealing League headquarters!

Zuo Tianzheng and the others escaped back. Luo Ta sat in the position of the leader. Zuo Tianzheng and the masters of the Demon Sealing League all stood on both sides, with their heads drooping.

This time the blow to them was too great. Even the appearance of the domain master scared them away. What else could they do?

Luo Ta sat in the main seat and kept pouring wine into his mouth!

People who died once had a deeper impression of the fear of death!

He didn't dare to go back to the Ten Palaces now, because he didn't know how to explain to the Ten Palace Master!

The atmosphere in the Demon Sealing League headquarters was extremely depressing!

After a while, Luo Ta stood up, and everyone looked at Luo Ta!

"Follow me to the Ten Palaces..."

Luo Ta said to Zuo Tianzheng!

"Lord Luo, I... It's useless for me to go, right?"

Zuo Tianzheng didn't dare to go either, and didn't dare to face the Ten Palace Master!

"You must go. There are still such strong people in the world of heaven and man. You didn't report it. This is your dereliction of duty."

Luo Ta said angrily!

"Luo Gongsheng, it seems that Master Zhou reminded you at that time that there is a strong person behind David."

"But you don't believe it. You said that you can beat them to death with one punch!"

Zuo Tianzheng didn't want to take the blame, so he said to Luo Ta!

"Insolent!" Luo Ta roared angrily: "I just said it casually at that time. Don't talk nonsense. Follow me to the Ten Palaces!"

Zuo Tianzheng was reluctant, but was still carried to the Ten Palaces by Luo Ta!

When Zuo Tianzheng followed Luo Ta to the Ten Palaces, the Ten Palace Master was already waiting for them.

"Luo Ta, your soul disappeared, but appeared again. What's the matter?"

"I thought you were dead!"

The Ten Palace Master asked Luo Ta!

As a member of the temple, when Luo Ta was reduced to ashes, his soul lamp in the Ten Palaces went out!

The extinction of the soul lamp means that the person is dead.

When he saw that Luo Ta's soul lamp was extinguished, the Tenth Palace Master was a little shocked!

But then the soul lamp burned again, which made the Tenth Palace Master wonder if there was something wrong with the soul lamp!

"Palace Master, I was killed, and then that person resurrected me."

Luo Ta said without any concealment!

"Killed you, and then resurrected?" The Tenth Palace Master was shocked: "What's going on? There are such strong people in the world of heaven and man?"

Luo Ta recounted the whole thing in detail, and then said: "Palace Master, it was Zuo Tianzheng's faulty investigation that made me underestimate the enemy and suffer a great loss."

Luo Ta also pushed the responsibility of underestimating the enemy onto Zuo Tianzheng!

"Who can kill you easily and then resurrect you? What kind of person is this? What is his strength?"

The Tenth Palace Master did not ask for responsibility, but was very interested in the person Luo Ta was talking about!

## **Chapter 4547**

"Reporting to the Palace Master, I just heard others call him Mr. Shi. As for his identity, I am not very clear, and as for his strength, I don't know either!"

Luo Ta said!

"You don't know what strength you have? What do you do for a living?"

The Tenth Palace Master snorted coldly!

Luo Ta was so scared that he trembled all over. At this time, Zuo Tianzheng said: "Although I don't know the strength of Mr. Shi, the Lord of the Western Region also ran away when he saw him..."

"What, the Lord of the Western Region also appeared?" The Tenth Palace Master frowned!

"Yes, when the Lord of the Western Region appeared, he just took a look and ran away!"

Zuo Tianzheng nodded!

"These old guys in the Immortal Realm have not asked about the affairs of the Heavenly Realm for many years, and have been devoted to ascending to immortality. How come they suddenly appeared?"

"And they were scared away? How is this possible? Are there any cultivators higher than the Immortal Realm in the Heavenly Realm?"

The Tenth Palace Master pondered, always feeling that something was wrong!

After pondering for a moment, the Tenth Palace Master asked: "Since Mr. Shi is so powerful, why were you able to escape?"

"Palace Master, it's not escape, it's letting us back. Mr. Shi said that he would not help David kill people."

Luo Ta hurriedly explained!

"This is strange..." The Tenth Palace Master couldn't figure out what the relationship between Mr. Shi and David was!

"Okay, you guys retreat, the Demon Sealing League continues to plan and strive to control the Heavenly Realm as soon as possible."

"I believe that the Heaven and Earth Array will not last long. At that time, many cultivators trapped in the Heavenly Realm will return to the Heavenly Realm."

"We, the Ten Palaces, don't have to hide anymore. The Heavenly Realm is our base camp!"

The Tenth Palace Master said to Zuo Tianzheng!

"I will do my best to live up to the expectations of the Palace Master!"

Zuo Tianzheng let out a long sigh!

The Tenth Palace Master did not punish him, which made Zuo Tianzheng feel relieved!

.....

Xiao Dynasty.

David had inexhaustible resources, and began to practice desperately!

Of course, David also gave some resources to Xiao Huangchao!

Xiao Huangchao's battle was also extremely consuming, and the masters were damaged, so they had to replenish their strength as soon as possible!

For several days in a row, David spent his time in practice, and occasionally let the sword spirit Zhongli come out to practice with David!

After all, it was irritating to practice all the time, and it was good to adjust it occasionally!

While David was practicing, the sword spirit Zhongli was also practicing!

Zhongli always kept a trace of sword intent in his body. After Zhongli recovered this time, his own strength also increased greatly!

The improvement of Zhongli's strength is equivalent to indirectly improving David's strength!

Now even if it is a fifth-grade cultivator in the Mahayana realm, David has no problem dealing with it!

Just when David was practicing, he received a voice transmission from the Palace Master of Guanghan Palace!

The head of the Mu family came out of retreat!

After receiving the news, David immediately said goodbye to Xiao Huangchao and rushed to Nanjin City!

David knew that if the patriarch of the Mu family came out of retreat and knew that his son was dead, he would definitely seek revenge on him!

If he couldn't find him, he would go looking for trouble with Guanghan Palace!

David took Ji Yun and took an airship to Nanjin City at the fastest speed!

.....

Inside Nanjin City!

Mu Kunrong, the patriarch of the Mu family, was sitting in the Nanjin City branch of Wantong Pavilion!

Pavilion Master Qian was entertaining him!

Although the Mu family is very powerful in this area, Mu Kunrong did not dare to provoke Wantong Pavilion casually!

“Master Mu, all the cultivators in Nanjin City know that your son is competing in Nanjin City.”

“Although David killed your son, it was a fair duel. I, Wantong Pavilion, guaranteed it, and all the cultivators placed bets.”

“I can understand your desire to avenge your son. You can completely kill David on the ring, and it won’t cause criticism.”

## Chapter 4548

“If you bring people to attack Guanghan Palace, it will inevitably cause great damage, and you won’t be able to avenge your son!”

Pavilion Master Qian was persuading Mu Kunrong!

Mu Kunrong, who had just come out of retreat, had no idea where David was, so he wanted to clean up Guanghan Palace first, and then look for David!

However, he was stopped by Pavilion Master Qian of Wantong Pavilion, and Mu Kunrong was invited here! After

all, the Mu family can use Wantong Pavilion in many places, so Mu Kunrong doesn’t want to fall out with Wantong Pavilion!

“Pavilion Master Qian, I can give you face, but what if David doesn’t show up?”

Mu Kunrong asked coldly!

“Don’t worry, Master Mu, I have sent someone to notify Guanghan Palace, and I believe Guanghan Palace has also notified David.”

“After three days, if David does not show up, you can attack Guanghan Palace at will, and I will never stop you.”

Pavilion Master Qian promised solemnly!

Now all Pavilion Master Qian can do is to delay time as much as possible and wait for David to come!

If the Mu family really takes action against Guanghan Palace, Guanghan Palace will suffer great losses!

“Okay, then I will wait for David here for three days. If he does not show up, don’t blame me for being cruel!”

After Mu Kunrong finished speaking, he drank the tea in front of him and left!

Seeing Mu Kunrong leave, Pavilion Master Qian breathed a sigh of relief!

“Mr. Chen, I can only help you with this. It depends on you next...”

Pavilion Master Qian was entrusted by David to take care of Guanghan Palace secretly!

However, Wantong Pavilion is just doing business after all, and Pavilion Master Qian is only a branch pavilion master. He has no ability to order the Mu family to do anything!

All he can do is delay time and wait for David to solve it himself!

.....

“Ji Yun, speed up a bit...” On the airship, David said to Ji Yun with a gloomy face!

“Okay!”

Ji Yun increased the speed of the airship!

Because David had countless resources on him at this time, the consumption of the airship was a drizzle for David!

The airship was flying at a high speed, and David had no intention of appreciating the scenery of the Tianmo Mountains!

After all, David had flown over Tianmo Mountain more than once!

“Master, don’t be too anxious, relax a little...”

Zhongli snuggled in David’s arms and persuaded him softly!

David smiled slightly, and then pressed Zhongli under him!

After two days and three nights of sailing, the airship arrived over Nanjin City on the third day!

Seeing the appearance of the airship, Pavilion Master Qian got the news as soon as possible!

After all, there was no one else except David who could fly on an airship in the South Region and come to the airship over Nanjin City! If

others want to take an airship, they must take the Wantong Pavilion. If others want to drive an airship in the South Region, they also need the consent of Wantong Pavilion!

But David can fly at will, and Wantong Pavilion will not do anything to David!

When David and his airship landed at the Nanjin City Square, Pavilion Master Qian personally led people to greet them!

“Mr. Chen, we meet again...”

Pavilion Master Qian walked towards David with a smile on his face!

David walked down from the airship, also smiled slightly, and shook hands with Pavilion Master Qian!

Suddenly, Pavilion Master Qian was stunned, and then looked at David in shock: “Mr. Chen, you... have you reached the ninth level of the Tribulation Realm?”

David nodded!

Pavilion Master Qian’s face was full of disbelief. David killed Mu Qing and left in Nanjin City. It has only been a few days, and he has already been promoted to the ninth level of the Tribulation Realm!

The speed of this realm improvement is as fast as a rocket!

“Mr. Chen is really a gifted person. With this speed of realm improvement, it is only a matter of a fingertip to ascend to the heaven.”

Pavilion Master Qian flattered David!

“Pavilion Master Qian, thank you for holding back the Mu family, otherwise Guanghan Palace would be in trouble.”

David thanked Pavilion Master Qian!

## Chapter 4549

Obviously, David contacted the Palace Master of Guanghan Palace, and also knew that it was Pavilion Master Qian who held Mu Kunrong back!

“I just used the face of Wantong Pavilion, but to deal with Mu Kunrong, Mr. Chen himself is needed.”

“But I don’t know if Mr. Chen is sure of Mu Kunrong’s fifth-grade strength in the Mahayana Realm...”

Pavilion Master Qian asked!

Because Pavilion Master Qian knew that David could fight above his level, he asked this!

David is now in the ninth-grade realm of the Crossing Tribulation Realm. Whether he can beat Mu Kunrong, who is in the fifth-grade Mahayana Realm, only David himself knows!

“Fifth-grade Mahayana Realm...”

David smiled slightly: “Maybe I can kill him in seconds...”

Hearing David’s words, Pavilion Master Qian was slightly stunned, his eyes full of envy!  
A

ninth-grade cultivator in the Crossing Tribulation Realm said that he could kill a fifth-grade cultivator in the Mahayana Realm in seconds!

If someone else had said this, Pavilion Master Qian would have thought he was bragging!

But when David said this, Pavilion Master Qian believed it without a doubt!

“Mr. Chen, do you still need to rest?”

Pavilion Master Qian asked!

“No!” David shook his head!

“In that case, I will immediately notify Mu Kunrong and go to the competition field now.”

Pavilion Master Qian said!

Under the leadership of Pavilion Master Qian, David went to the competition field in Nanjin City!

Many cultivators in Nanjin City also knew the news of David's arrival, and they also flocked to the competition field!

At the same time, the winning and losing bet of Wantong Pavilion was also opened!

Nanjin City is located at the extreme end of the southern region. Usually, the cultivators here have very few recreational activities except for cultivation!

This competition bet is the favorite of all cultivators!

So as soon as the bet started, many cultivators placed bets!

Because of the experience of the last time, many people knew David's ability to fight beyond their level, so this time many people all bet on David!

However, Mu Kunrong is at the fifth level of the Mahayana Realm, and is considered a master in the entire Heavenly Realm, so there are many cultivators who bet on Mu Kunrong!

"Master, David is here!"

Liu, the general manager of the Mu family, said to Mu Kunrong!

"Well, I didn't expect that he would really dare to come. This time I must tear him into pieces and avenge my two sons."

Mu Kunrong stood up suddenly and said with gritted teeth!

"Master, David can fight beyond his level, you'd better be careful!"

Manager Liu reminded Mu Kunrong!

"Humph, he is a cross-level realm, and he can fight beyond his level. Can he still defeat me?"

"I am now a fifth-grade Mahayana realm. Who can defeat me in the entire Nanjin City?"

Mu Kunrong said confidently!

"That's right, in this area, no one is the master's opponent."

Manager Liu flattered!

Soon, Mu Kunrong led everyone from the Mu family to the martial arts arena!

At this time, the martial arts arena was already surrounded by people!

David was already waiting on the arena!

After seeing Mu Kunrong arrive, there was no fear on David's face!

Just a fifth-grade Mahayana realm, it can be dealt with completely!

When Mu Kunrong saw David, his eyes were scarlet, and his eyes were full of murderous intent!

This was their second meeting. The first time they met, Mu Kunrong was just a phantom!

In the end, the Southern Territory Lord took action and directly destroyed the phantom, causing the real body to be injured!

Otherwise, Mu Kunrong would have come out of retreat long ago, and all his sons would not have been killed by David!

Mu Kunrong jumped up and landed steadily on the ring!

"Boy, today I will peel off your skin and pull out your tendons, and let you die in endless pain."

Mu Kunrong glared at David and said!

"I can die in any way, but the premise is that you have the ability to kill me!"

David said with a disdainful smile!

"Okay, then I'll show you that I don't have the ability to kill you!"

After Mu Kunrong finished speaking, the aura on his body burst out instantly!

"Wait..."

Just when Mu Kunrong was about to take action, Pavilion Master Qian suddenly spoke!

## Chapter 4550

“Master Qian, what do you mean? Are you going to intervene?”

Mu Kunrong asked Master Qian!

“Master Mu has misunderstood. How could I intervene? I just need to activate the ring formation to prevent your fight from hurting anyone.”

After Master Qian finished speaking, with a wave of his hand, the stone pillars around the ring instantly rose with rays of light, and then wrapped up the ring!

“No need to be so troublesome, I only need one move to kill this kid!”

Mu Kunrong snorted coldly! Chen

Ping, a cultivator in the Tribulation Realm, was not in his eyes at all!

The formation of the ring was activated, and Mu Kunrong stared at David intently, with the aura on his body constantly rising!

“Go to hell...”

Mu Kunrong punched David!

With the strength of the fifth rank of the Mahayana Realm, this punch was extremely terrifying!

The huge fist filled the entire ring. David had no choice but to resist!

“Rubbish...”

David showed a trace of disdain at the corner of his mouth, and the Dragon Slashing Sword in his hand flashed with golden light in an instant!

Swish!

The sword energy in the sky collided with Mu Kunrong’s fist!

The huge sound made the entire ring tremble!

If it weren’t for the formation restraint, the aftermath of this collision would probably have killed many cultivators!

The void on the ring instantly became chaotic, and the figures of Mu Kunrong and David disappeared!

The fight between the two directly caused the void to collapse.

When the void gradually stabilized, the figures of David and Mu Kunrong reappeared in front of everyone!

Everyone widened their eyes, wanting to see who had the upper hand in the previous attack!

Everyone saw David, holding the Dragon Slashing Sword, standing there calmly!

But when everyone's eyes were on Mu Kunrong, they were stunned!

I saw that Mu Kunrong's right arm had been broken off, and blood was still gushing out from the broken arm!

Kunrong's face was extremely ugly. In addition to anger, his eyes were deeply shocked!

The blow just now made Mu Kunrong instantly realize the true strength of David!

He was a fifth-grade cultivator in the Mahayana realm, but his arm was cut off by David, a cultivator in the Tribulation Realm!

This unheard-of thing made Mu Kunrong feel very shocked!

"Boy, you really have some skills!"

Mu Kunrong lost an arm and began to look at David with new eyes!

"You are too rubbish..." David shook his head slowly!

He did not admit that he had the ability, but that Mu Kunrong was too rubbish!

"Just now, with that sword, I wanted your life, and you would never live, so face the reality."

"If you kneel down and beg for mercy now, and then give me some resources, I can consider not killing you!"

David said to Mu Kunrong lightly!

David's words made Mu Kunrong feel extremely humiliated!

Everyone around was also mouth-open. A cultivator in the Tribulation Realm was now humiliating a fifth-grade cultivator in the Mahayana Realm. The world had really changed!

If they hadn't seen it with their own eyes, no one would believe it!

"Boy, my Mu family has thousands of years of heritage. As the head of the Mu family, how could I do such a thing that would insult my ancestors?"

"Aren't you very awesome? Then I'll risk my life to play with you today..."

Mu Kunrong finished speaking, then squatted on the ground and drew a pattern with his own blood on the ground!

The pattern looked a little weird, like a hideous monster!

David looked at Mu Kunrong and couldn't help but frowned. This guy shouldn't suddenly start drawing at this moment, right?

There must be some conspiracy, but David didn't know it now!

When the chief steward Liu saw the pattern drawn by Mu Kunrong, he immediately said with a face full of shock: "Master, don't, don't..."

It can be seen that chief steward Liu was very scared!

But Mu Kunrong waved his hand and then knelt down in front of the pattern.

"Ancestors of the Mu family, I summon you with my blood, please help us!"

Mu Kunrong knelt on the ground respectfully, muttering to himself!
