Chapter 4561

David waved his hand, and the fire on the bodies of the old man Zang and Brother Lu went out, and the two of them gasped heavily!

These three people are all in the Mahayana realm. The middle-aged man in green robe and Brother Lu are both in the first grade of the Mahayana realm!

And the old man Zang is in a higher realm, the third grade of the Mahayana realm!

“What is the realm of the three of you in the Beast City?” David asked!

The old man Zang and Brother Lu said nothing, and the middle-aged man in green robe said: “It’s considered medium. There are many people in the Beast City who are higher than our realm.”

David listened and took a deep breath. Now he finally knew why the beast tribe in the heavenly world was weak. It turned out that they were all hiding!

Like the three emperors and four kings of Yihe, they sounded very awesome, but in fact, they were only in the realm of crossing the calamity!

With such strength, they can also be called emperors and kings in the beast tribe!

It feels like the really awesome beast tribe has all gone into hiding!

“Then where is your beast city?” David asked while the iron was hot!

The green-robed middle-aged man heard this and hurriedly shook his head and said, “I absolutely cannot tell you this, even if you kill me, I cannot tell you!”

“Kill us!”

The Tibetan old man finally caught his breath and said to David!

David ignored the Tibetan old man, but took out the map and put it in front of the green-robed middle-aged man and said, “Do you see the place marked with a red circle? This should be your beast city, right?” The

green-robed middle-aged man was stunned, and then looked at David in shock:
“You...how do you have a map?”

Seeing the reaction of the green-robed middle-aged man, David knew that he had guessed right!

The green-robed middle-aged man also reacted and hurriedly said, “No, the red circle is not our beast city, you don’t have to guess.” However,

the reaction of the green-robed middle-aged man at this time was simply a case of trying to cover up the truth!

“Boy, let me tell you, even if you know where our Beast City is, it’s useless. You can’t find it at all.”

Zang Lao said to David!

“Really?” David smiled slightly: “Then let me guess, why do you know the place, but can’t find it?”

“Is your beast city in another spatial dimension, so even if you know the place, you can’t find it?”

David finished speaking and looked at the reaction of the middle-aged man in green robe!

As a result, the middle-aged man in green robe didn’t react, and David knew that he had guessed wrong!

This beast city should not be in any other spatial dimension.

Since it is not in other spatial dimensions, but it can’t be found, there is only one possibility left, the sleight of hand!

Use the illusion array to confuse people who are looking for the beast city, so that even if they find the place, they can’t find the location of the beast city!

“Since it is not in another spatial dimension, your beast city should be blocked by the illusion array, making people lost in the illusion array, so they can’t find the location of the beast city, just like a ghost wall!”

“Your city lord is a master of using illusion arrays, so it is not difficult to do this!”

David continued!

But as soon as David said this, the middle-aged man in green robe obviously changed his expression!

David knew that he guessed right!

“Boy, you don’t have to guess. Even if you guessed right, you can’t get out of the illusion.”

“If it weren’t for the three of us today, you would never get out of the illusion!”

Zang Lao said angrily!

David also admitted that if he hadn’t used a trick to trick these three guys into showing up, it would not be easy for David to break the illusion and get out of it!

“You’re right, but now you have to do what I tell you to do.” After

David finished speaking, he pinched his fingers, and a golden light sank into the bodies of the three people!

Then a phantom appeared above the heads of the three people, and David grabbed the phantom with his palm!

The souls of the three people were all pinched in David’s palm!

At this time, the three guys were shocked!

Chapter 4562

They can die, and death will be the end of everything, but if their souls are held by David, then it will be troublesome, and it will not be a question of life or death!

David can torture them all the time and make them live a life worse than death!

“What exactly are you going to do?”

Zang Lao shouted at David angrily!

“I just want you to take me to the Beast City to have a look, and I don’t mean anything else.”

David said!

“Impossible, if we take you to the Beast City and the city lord knows about it, our family will not have to live and will be wiped out.”

Zang Lao said very firmly!

“How can it be known? I also have the breath of the beast tribe on me, and I can completely integrate into you.”

“If you don’t agree, then I can only burn your souls with the fire every day, so that you live in pain every day.”

David said helplessly!

“No, no...” The middle-aged man in green robe panicked and begged David in a hurry. Then he said to the old man Zang: “Old Zang, just agree to him. Our Beast City is so big, and there are many scattered cultivators around. They won’t find it.”

“Old Zang, I think we should agree to him. If it doesn’t work, we will just throw him outside the city and let him go into the city by himself.”

Brother Lu was also a little panicked and said to the old man Zang!

Old Zang looked at the two of them, and finally hesitated for a moment and said: “Okay, we can take you into the city, but we can only throw you outside the city. At that time, we will go our separate ways and no one will know each other.”

“In addition, the rules of Beast City are strict. Don’t expect to fight in Beast City. At that time, the law enforcement team of Beast City will arrest you.”

“No problem!” David nodded!

David just wants to know how to get to the Beast City now. As for what happened in the Beast City, that’s all later!

Seeing that David agreed, the old man Zang jumped up reluctantly, and then several people flew forward!

After an unknown amount of time, David always felt that the scenery around him had not changed. It was as if they had always stayed in the same place!

“Are you kidding me? We didn’t move at all?”

David said angrily!

“Don’t be angry, we are already close to the Beast City, but you just didn’t notice it.”

The middle-aged man in green robe hurriedly explained!

Then he winked and motioned David to look at the old man!

David followed the green-robed middle-aged man's gaze to the old man, and found that something similar to a compass appeared in the old man's hand!

There was also a pointer inside that was constantly trembling, and the old man kept moving forward in the direction of the pointer!

"We are always in the illusion now, and only the things in the hands of the old man can take us out."

"Without this thing, even our people in the Beast City can't leave the scope of the Beast City."

"That thing was obtained by the old man from the City Lord's Mansion at a great cost, otherwise the three of us would not be able to get out."

The middle-aged man in green robe whispered to David!

He was deliberately trying to please David, and it can be seen that he is very afraid of death!

David nodded and followed the three people to fly for a while!

Soon, a white light suddenly flashed in front of David's eyes, and then a huge city appeared in front of him!

Looking at the city in front of him, David was a little shocked!

He had seen many cities in the Heavenly Realm, and even the imperial city of the Xiao Dynasty, David had entered many times!

But the city in front of him was many times larger than any city he had ever seen!

And around the city, there were countless villages and towns of all sizes!

This place was like a small kingdom. This huge city was estimated to be able to accommodate hundreds of thousands of monks, which was simply unimaginable!

"This is the Beast City, you can take care of yourself!"

Zang Lao looked at David and said!

David nodded, then waved his hand and returned the souls of the three people to each other!

Chapter 4563

After getting the spirit, the three people disappeared instantly, unwilling to stay with David for another minute!

The three walked back, and David stared at the beast city in front of him. The huge beast city was like a bloody mouth, lying on the vast land!

David approached the beast city, but when he was still some distance away from the beast city, there was a sudden fluctuation of spiritual energy, and then David's body was falling rapidly!

David was a little panicked for a while, and he didn't understand why. The spiritual energy in his body seemed to be blocked by something, causing his body to begin to fall!

Although there was no spiritual power protection, David's body would not have any problems if it fell to the ground. After all, David's body was now strong enough to be invulnerable to swords and guns!

But if he fell down like this and came to a dog eating shit, it would be too embarrassing!

"Flying is not allowed within 100 miles of Beast City. You don't know the distance of the observation point. If you force your way into the 100-mile range, the law enforcement team will come!"

When David was falling, a girl in red clothes and holding a sword said to David!

David saw that the girl was not far from him and was falling from the air!

And there were other monks, all falling towards the ground at the same distance!

It seemed that only David himself was forced to fall!

"I was a little worried just now and didn't pay attention!"

David hurriedly explained!

He was really afraid that these people would doubt his identity and know that he was not from Beast City at all!

After all, people from Beast City couldn't even know the rules of Beast City!

After landing on the ground, many monks walked towards Beast City!

David saw that most of these people were monks in the Tribulation Realm. The lowest realm was the girl who had just spoken to him, a third-grade monk in the Tribulation Realm!

"It seems that your level is not low. You must be more careful in the future. If you are caught by the law enforcement team, you will be skinned alive if you don't die."

The girl reminded David!

"Thank you for your reminder. I will pay more attention." David smiled and said!

"What are you going to do in Beast City? Visit relatives and friends, or do you want to sell things?"

The girl asked David!

David thought for a while, and then said: "I'm going to sell some things, and you..."

"I'm going to sell things too, and by the way, I'm going to see my brother. My brother was arrested by the law enforcement team and put in jail. It will take another hundred years to be released."

The girl said!

Perhaps thinking of her brother, the girl's expression became a little depressed!

David just glanced at the girl and didn't say anything, but walked straight towards Beast City!

David is not a cultivator in Beast City, so he doesn't want to talk much. After all, if you talk too much, you will lose. If someone knows your identity, it will be troublesome!

Seeing that David was silent, the girl quickly chased after him: "What are you going to sell in Beast City? Now the fairy grass in Beast City can't be sold at a high price."

"I was lucky this time and got some spiritual ore. I heard that it is very valuable in Beast City..."

The girl said, and took out a fist-sized spiritual ore from her storage bag!

David took a look and stopped instantly!

David carefully looked at the spiritual ore in the girl's hand, and then asked: "Can your spiritual ore be traded in Beast City?"

"Of course, this is a fairy stone. It is very valuable in Beast City. Many people buy it. I heard that the city lord ordered it to be bought." The girl said!

David had already seen that it was a fairy stone. At this time, David still had a lot of this fairy stone on him, all of which were obtained from Narota's storage bag!

But David didn't expect that this kind of fairy stone also existed in Beast City!

"Did you find this fairy stone?" David continued to ask!

"This one is pretty good. Now the whole mountain is full of people looking for fairy stones. Have you seen these people coming into the city? Most of them are here to sell fairy stones."

Chapter 4564

"I took a lot of risks to find such a big fairy stone, but it's worth it. After selling the fairy stone, I can help my brother and let him not suffer too much in the prison."

The girl said, then looked at David and asked, "What are you going to sell?"

"Oh, I'm also going to sell fairy stones, but not as big as yours!"

David also took out a fairy stone, but it was much smaller than the girl's!

"Yours is not small either. I know a place that buys fairy stones at the highest price. Follow me."

"By the way, I don't know your name yet. My name is Yaomei."

The girl said enthusiastically to David!

"My name is David!" David smiled slightly!

The two of them walked together. Because they were still a hundred miles away from the Beast City, it would take some time to get there!

But the two had just walked a short distance when David frowned slightly and became alert!

Because not far behind them, several auras were locking onto them!

That Yaomei didn't seem to notice anything, and she was still walking forward with a smile, chatting with David as she walked!

"Yaomei, you stole the fairy stone of the eldest son, and you dared to go to Beast City to sell it blatantly. It's really against the sky."

At this time, several figures rushed out from behind David and blocked the way of David and that Yaomei!

When Yaomei saw these people, she was not afraid. She moved closer to David and then said, "Who stole the fairy stone of the eldest son? I just went to Beast City to see my brother. Don't try to frame me."

"I'm going to Beast City with Brother Chen. If you annoy Brother Chen, you will be in trouble!"

All of these people looked at David, and their faces showed a bit of embarrassment!

These people were all at the fifth or sixth level of the Tribulation Realm, and they didn't dare to disrespect David, a ninth level cultivator of the Tribulation Realm!

But they came to take back the Immortal Stone, and they couldn't let that girl go!

"Fellow Daoist, we are from Gaishi Castle. That girl stole our eldest son's Immortal Stone, so we must take it back. I hope you won't interfere!"

bearded monk bowed to David and said,

"You are talking nonsense. I mined the fairy stone myself, not your eldest son's."

"Brother Chen, don't listen to their nonsense. They just want to bully me because I am weak..."

That sister grabbed David's sleeve and said with a face full of grievance!

"Whether you stole the fairy stone or mined it, it has nothing to do with me."

After David finished speaking, he directly pushed away the hand of the sister!

The sister was stunned, and several people from Gaishibao surrounded her!

“Little sister, take out the fairy stone, and I can spare your life!” said the bearded monk!

“You are really not a man, you don’t know how to cherish women, I’ve been with you for so long!”

The little sister glared fiercely at David, finally taking out the fairy stone helplessly!

After the big bearded man took the fairy stone, he waved his hand and asked someone to control the little sister!

“Let me go, let me go, I’ve returned the fairy stone to you.”

“I want to go to Beast City to see my brother, I want to see my brother!”

The youngest sister struggled, but it was useless!

David looked at the struggling youngest sister, and then stepped forward to block the way of the monks!

“Daoyou, since the fairy stone has been returned to you, then give me face and let her go.”

David said to the bearded monk!

The bearded monk looked at David, and finally waved his hand helplessly and let the youngest sister go!

Because in the face of absolute strength, they had to do this!

After the monks left, the youngest sister started crying, and she cried with tears in her eyes!

Chapter 4565

“Why didn’t you help me just now? The fairy stone was taken away by them. Without the fairy stone, I can’t see my brother.”

The youngest sister burst into tears and even blamed David!

David looked at the crying youngest sister and couldn’t help but smile and said, “Did you steal the fairy stone from someone else’s house?”

“I...”

The youngest sister didn't know how to answer for a moment. It was obvious that she stole it!

“Since you stole it, is there anything wrong with me going back?”

“Do you have to steal things to see your brother? Then I'm playing now to make myself comfortable, is that okay?”Chen

Ping stared at the youngest sister!

The youngest sister was stunned, and then she grabbed her collar tightly: “You...what do you want to do? If you dare to touch me, I will die with you!”

“Why are you so nervous? I'm just making an analogy. Besides, I don't like a figure like yours.”

David said!

“I...what's wrong with my figure?”

The youngest sister deliberately stood up straight and straightened her chest, but no matter how she straightened her chest, it was still not enough!

“How about this, you be my guide, after all, you are familiar with the Beast City, I can use this fairy stone as a reward.”

“Although it is not as big as the fairy stone just now, it should be worth some money.”

David threw the fairy stone in his hand to the youngest sister!

The youngest sister took the fairy stone and looked at David in disbelief!

You know, the fairy stone is priceless in the Beast City. How could David give it to anyone casually?

“Let me tell you, although I want your fairy stone, I will only lead you the way, I will not sleep with you.”

The youngest sister looked at David vigilantly and said!

As the saying goes, if you are nice to someone without any reason, he is either a traitor or a thief...

David is so kind, the youngest sister feels that David must have some intentions!

She doesn't have anything valuable on her, so she can only be after her body!

"I've said it before, I'm not interested in your body. If you want to sleep with me, I don't need it. It's not like I don't have women."

David said speechlessly!

"I don't believe it..."

Nayaomei didn't believe it at all. She seemed to be quite confident in herself and thought that David was interested in her body.

David was helpless. Who made him make an analogy in a wrong way just now, which made Nayaomei misunderstand!

"Zhongli, come out and accompany me..."

David directly called out the sword spirit Zhongli!

Zhongli flashed out in an instant and stood beside David!

Zhongli's body was bumpy and the lines were perfect. After being moisturized by David, the whole person exuded a noble temperament!

At this moment, Nayaomei was like a mountain village girl compared to Zhongli!

"Master, are you lonely?" Zhongli asked, leaning on David's shoulder!

"I want to kiss you..."

After David finished speaking, he kissed Zhongli directly in front of Nayaomei!

Then David asked Zhongli to return to the Dragon Slaying Sword!

From beginning to end, Nayaomei looked at him in shock, and her face was very embarrassed!

"Can you rest assured now? I'm not interested in you at all!"

David said!

The youngest sister bit her lip, nodded silently, and said nothing!

David followed the youngest sister towards the Beast City!

Along the way, no one spoke, so the youngest sister seemed to have been hit hard!

When he arrived at the gate of the Beast City, David looked up. The gate was hundreds of meters high, and there were three huge gates in total.

The middle gate was the largest, but it was closed!

The gates on both sides were open, and many monks went in and out of the gates on both sides, and guards checked from time to time!

“The middle gate is specially for the city lord to enter and exit. If the city lord does not go in and out, the gate will always be closed.”

The youngest sister followed David and said!
