Chapter 4571

Uncle Qian saw that David was going to attack him, so he burst out with his breath and was about to fight back. However, when David's breath instantly enveloped him, Uncle Qian was suddenly stunned!

Uncle Qian opened his eyes wide and looked at David in disbelief. The breath he had just burst out was instantly retracted, and his expression was very excited!

"Uncle Qian, you...what's wrong with you?"

The youngest sister looked at this scene, so she asked Uncle Qian!

"You...you are actually..."

Uncle Qian pointed at David, but swallowed the words back at his lips!

"Youngest sister, you go out, I have something to say to this Taoist friend!" Uncle

Qian asked the youngest sister to go out and talk to David alone!

The youngest sister said in confusion: "Uncle Qian, this David is definitely not from the City Lord's Mansion, you have to believe him!"

The youngest sister thought that Uncle Qian still didn't believe it and wanted to attack David!

"Little sister, please go out. Let's talk. It should be fine."

David also said to the little sister!

Seeing this, the little sister could only turn around and leave. After the little sister left, David pinched his fingers, and several array patterns appeared in an instant, wrapping up the entire room!

David laid a shielding array, which was many times stronger than the shielding array laid in the room at the beginning!

Uncle Qian, who saw this scene, looked very excited!

“Daoyou, I didn’t expect that you are a human cultivator. That’s great...”

Uncle Qian looked at David and said!

It turned out that the breath that David had just shot out had a trace of human breath in it, which made Uncle Qian sense it!

It was because of this that Uncle Qian would stop and believe that David was not a member of the City Lord’s Mansion!

After all, the entire Beast City does not allow the appearance of human beings, let alone the City Lord’s Mansion!

“You are also a human cultivator, why are you hiding in the Beast City, and you are also doing the business of purchasing fairy stones?”

Chapter 4572

“Believe it or not, this is all I can say.”

Seeing that Uncle Qian still didn’t believe it, David had no choice!

“Then...then can you tell me how you got in?”

Uncle Qian asked!

But David shook his head. He couldn’t say that he was brought in by someone!

Seeing that David didn’t say anything, Uncle Qian sighed, and his excited expression just now became a little lonely! It

can be seen that he really wants to escape from this place! After

all, this place is dominated by beastmen, and humans or demons are just the lowest level monks!

There are not many resources, and often you have to do some dangerous things!

If you are not careful, you will be caught in the jail, so Uncle Qian and the others will think of resisting!

“Daoyou, I can’t afford your fairy stones, and I advise you to leave the Beast City as soon as possible. No matter whether you really entered from the outside world or not, don’t stay here for a long time.”

“Your human aura will be exposed sooner or later, and there will be a curfew in the Beast City after dark. Except for the guards of the City Lord’s Mansion, no one can stay outside.”

Uncle Qian persuaded David!

“I don’t actually want you to take my fairy stones. I want to buy the fairy stones in your hand.”

David said, and directly took out a large bag of purple gold spirit coins!

Uncle Qian was a little confused when he saw so much money, and then asked: “Daoyou, you are just in the Tribulation Realm, what’s the point of buying fairy stones?”

“This fairy stone is a waste for cultivators below the Immortal Realm. It’s not as good as ordinary spirit stones.”

Uncle Qian didn’t understand why David, a cultivator in the Tribulation Realm, bought fairy stones.

“Since I want it, it must be useful to me. You buy the fairy stones to make a profit. It would be the same if you sell them directly to me.”

“And I can pay you the purple gold coins in advance, and you help me buy it in this Beast City.”

David said, and took out another big bag of purple gold coins!

Looking

at the purple gold spirit coins in front of him, Uncle Qian was so shocked that he couldn’t speak!

He really wanted to know what David’s background was, but he knew that David would definitely not tell it!

If David hadn’t just exposed the human race’s aura, Uncle Qian would definitely have determined that David was from the City Lord’s Mansion. After all, only people from the City Lord’s Mansion could be so rich!

“Okay, I promise you!” Uncle Qian hesitated for a moment, and then quickly put away the purple gold spirit coins!

After putting away the purple gold spirit coins, Uncle Qian took out his storage bag, which was full of the fairy stones he had purchased!

“These are all for now, wait for me to continue purchasing for you.”

“If you need a lot of fairy stones, you can also try to find an official purchasing point for cooperation.”

Uncle Qian said!

“Don’t official purchasing points have to hand over the fairy stones to the City Lord’s Mansion?” David asked!

“Of course it has to be handed over to the City Lord’s Mansion, but how much it is handed over, the City Lord doesn’t know, I can give you an address, you go to that purchasing point to see, I also secretly cooperate with the person in charge there.”

Uncle Qian said!

David understood immediately after hearing this. This was a typical case of embezzlement. However, David didn’t care about embezzlement as long as he could get the fairy stone!

After chatting with Uncle Qian for a while, David left!

“What did you chat with Uncle Qian about? Why did you chat for so long?”

After David came out, the youngest sister asked David!

“Nothing, just bargaining!” David smiled slightly!

“How come you have such a big fairy stone in your hand? It should be very valuable, right? Is it worth five hundred purple gold spirit coins?”

The youngest sister asked excitedly. It seemed that she wanted to borrow money from David!

“No, I just gave you one hundred purple gold spirit coins!”

David said.

Chapter 4573

“Ah, you only gave me a hundred? Uncle Qian is getting more and more stingy now!”

The youngest sister looked very disappointed, then looked at David and asked: “Can you lend me a purple gold spirit coin? I’ll go see my brother and give the guard some money so that my brother will suffer less.”

“How much?” David asked! The youngest

sister hesitated for a moment, gritted her teeth and said: “Five will do...”

“I’ll give you ten!”

David threw ten purple gold spirit coins directly to the youngest sister!

After getting the purple gold spirit coins, the youngest sister was very happy and took David straight to the location of the prison! The

prison in the beast city is in the southwest of the entire beast city. Because they can’t fly, David and the youngest sister walked for more than an hour before they arrived at the location of the prison!

David looked and found that there were no buildings around the prison, and the entire prison was shrouded in a white mist, and the situation inside the prison could not be seen at all!

The youngest sister led David through the white fog and found the entrance to the prison!

“Stop!”

At this time, a monk wearing silver armor, eight feet tall, holding a long sword in his hand walked out of the white fog!

The guard had a face full of flesh, broad shoulders and a broad body, standing like a mountain, and the aura of the Mahayana realm on his body was faintly visible!

Seeing the guard in front of him, David was slightly startled. Are all the Mahayana monks guarding the prison?

Is it a bit too much?

“Captain Zhou, it’s me!”

At this time, the youngest sister shouted to the guard in front of her!

The monk looked down at the youngest sister, grinned and said, "It turns out to be the youngest sister, come to see your brother again?"

"Well, I'm here to see him."

After the youngest sister finished speaking, she took out ten purple gold spirit coins and stuffed them into the hands of Captain Zhou!

After Captain Zhou took a look, he returned the purple gold spirit coins!

The youngest sister was stunned and said with a bit of embarrassment: "Captain Zhou, I... I only have this much, please be flexible!"

Captain Zhou's face suddenly turned cold when he heard it, and said: "The inspection is strict recently, don't come if you don't have money!"

After saying that, Captain Zhou turned around and was about to leave!

"Captain Zhou, I have five more here, I'll give them to you, I really only have these!"

The youngest sister could only take out the last five purple gold spirit coins on her body!

After taking over the fifteen purple gold spirit coins, Captain Zhou took a look and said, "Come in with me!"

Captain Zhou took David and the youngest sister in!

After a long corridor, the two of them really walked into the yard of the prison!

Just after entering the yard, David found that there was a towering ancient tree in the middle of the prison, and there were bursts of breath in the ancient tree!

Because he couldn't use his spiritual sense to explore, David could only judge with his naked eyes. This towering ancient tree is estimated to have a history of tens of thousands of years!

"You know the place, go by yourself, you also know the rules!"

Captain Zhou said to the youngest sister!

"I understand, I understand everything, Captain Zhou, don't worry, I will definitely come out within an incense stick of time, and I will never run around and look around!"

The youngest sister nodded and said!

"Yeah!" Captain Zhou said "yeah" and left!

The youngest sister took David into an entrance and then walked down!

The dim corridor was very humid, and there were intricate tree roots on the walls!

David was very puzzled, why was this prison built here with the ancient tree, and the ancient tree was surrounded in the middle!

After walking for a distance, cells appeared one by one. These cells had formations to prevent prisoners from escaping!

“Brother...”

In front of a cell, the youngest sister looked at a man inside and shouted!

The man was very excited when he heard the shouting. He pushed aside the long hair in front of him and burst into tears!

“Sister, you are finally here. Are you going to take me out? Let me go out. I will die if I stay here.”

The youngest sister’s brother cried bitterly!

David saw that the youngest sister’s brother was skinny, his face was sallow, and his spirit was depressed. He looked like he had been drained of spiritual power!
