## **Chapter 4574**

In this cell, there are tangled tree roots, and it is dark and damp!

The environment is very bad. If you want to practice here, you can't sense any spiritual energy!

Not only can he not sense the existence of spiritual energy, David also realized that there is a suction force in this prison, sucking away his spiritual energy!

Although this suction force is very weak and almost undetectable, David still noticed it!

"Brother, I'm sorry, I... I don't have the money to redeem you, I'm sorry..."

Seeing her brother like that, the youngest sister felt very distressed!

When the youngest sister's brother heard this, he fell silent instantly. After a long while, he calmed down and grinned, "Sister, you don't have to come to see me anymore. I know that every time you come, I will be blackmailed by the guards."

"Live well on your own. Your brother can't take care of you anymore. You have to take good care of yourself!"

"Brother, don't say that. You will definitely be able to get out. Don't be discouraged!"

The youngest sister encouraged her brother!

"I can't get out. Don't you see that there are fewer and fewer people in this cell?"

The youngest sister's brother said!

The youngest sister then noticed that there seemed to be no one in the cells around!

"Brother, where are the prisoners? Have they all been released?"

The youngest sister remembered that there were still many prisoners in this cell when she came last time!

But now all these prisoners are gone!

“Dead, they are all dead...”

said the youngest sister’s brother!

“Dead? Why did he die?”

The youngest sister didn’t understand. How could he die in prison?

Even if he didn’t eat or drink, it was impossible for a cultivator to die!

Moreover, after reaching the Tribulation Realm, a cultivator’s life span could reach thousands of years. How could he die so easily?

“I don’t know either. Anyway, they all died one by one. I feel that I can’t stay for long!”

The youngest sister’s brother shook his head and said!

“Are all those dead monks dried up, as if their cultivation was sucked dry by someone?”

At this time, David spoke!

As soon as David spoke, the youngest sister’s brother noticed David’s existence.

After looking at David again, the youngest sister’s brother asked the youngest sister:  
“Sister, who is this person?”

The youngest sister’s brother was very alert. After all, there was a stranger around his sister, and he must be worried!

“Brother, his name is David. I met him on the way to Beast City.”

“If it weren’t for him lending me money, I wouldn’t be able to come to see you today!”

The youngest sister followed her brother to introduce David!

“Why did he lend you money? I’m afraid he has some intention, right?”

“Don’t trust others easily. You are too stupid and easy to be deceived.”

“Many people approach you, they must be greedy for your beauty!”

The youngest sister’s brother admonished the youngest sister!

“Brother, David is not coveting my beauty. The beauties around him are much prettier than me.” The youngest

sister said embarrassedly!

The youngest sister's brother looked at David, and then said in a warning tone: "Boy, don't have any intentions on my sister. If I find out that you bullied my sister, I will kill you when I get out!"

"Do you think you can still get out?" David smiled faintly!

The youngest sister's brother was stunned, then sighed and said: "I don't know if I can get out. If you really like my sister, I hope you can take good care of her and don't let her down. My sister is very pitiful."

"Brother, what are you talking about?" The youngest sister was embarrassed!

"You should take care of her yourself. I have a pill here. You will eat it later and it will allow you to hold on for a while."

"There is something strange in this cell. It seems that there is an inexplicable suction force that absorbs the spiritual power in the body."

## **Chapter 4575**

"I feel that those dead monks died because their cultivation was sucked dry."

David took out a pill and handed it to the youngest sister's brother and said!

"Suction? Why can't I feel it?" The youngest sister was very puzzled! The

youngest sister's brother nodded repeatedly and said: "Yes, although I can't feel the suction, I can feel that my body is getting worse and worse, and those dead monks are like mummies."

"Where does the suction come from?" The youngest sister asked!

David shook his head: "I don't know either. You can't use spiritual sense to explore here. It's not easy to find the source of the suction."

Just when David was about to take a closer look at the cell and ask the youngest sister's brother in detail, a voice suddenly came.

"The time is up..."

Captain Zhou shouted outside!

“Brother, hold on, I will find a way to save you.”

The youngest sister grabbed her brother’s hand and said!

“Yeah!” Yaomei’s brother nodded!

“Don’t forget to take the pill, otherwise you won’t be able to hold on for long.” David said to Yaomei’s brother!

Yaomei’s brother threw the pill given by David directly into his mouth!

The pill was poisoned, and Yaomei’s brother’s complexion obviously improved!

Yaomei was relieved when she saw this!

Coming out of the cell, David looked at the towering ancient tree again, and then left the prison with Yaomei!

“It’s getting late, we have to leave the city quickly, if the city gate is closed, we will be in trouble.”

Yaomei looked at the sky and said!

“Doesn’t this beast city allow outsiders to live?” David asked in surprise!

“That’s not the case, but there is a curfew at night. If we stay in the city, we must find an inn to stay in.”

“If there is no place to stay, we will be arrested and not allowed to appear on the street.”

“It’s too expensive to stay in a hotel here, so we go out of the city and find a place to spend a night, and then go back to the city the next day.”

Yaomei followed David to explain!

“Just stay in a hotel. If you go out of town, you’ll have to queue up to get in tomorrow. What a waste of time!”

“And I’m not short of money, let’s go to the best inn and stay for one night!”

David said with a smile!

Seeing this, Yaomei didn’t say anything, and then took David to find an inn!

Before it got completely dark, David and the others found a very luxurious inn. Yaomei looked at the inn, but hesitated!

“What’s wrong?” David asked!

“This inn is the best in the entire Beast City. It’s very expensive. It costs three purple gold spirit coins for one night.”

Yaomei said!

“It’s just three purple gold spirit coins. I thought it was so expensive.”

David said, and walked in directly!

Seeing this, Yaomei could only follow behind!

“Daoyou, are you staying in the hotel?” At this time, a waiter came over and asked!

“Yes, stay in the hotel, open two rooms for me, the best ones.”

After David finished speaking, he threw out a small bag of purple gold spirit coins, which contained dozens of them!

The waiter saw it and smiled from ear to ear, “No problem, I’ll arrange it right away!”

“Wait a minute!” The youngest sister stopped the waiter and said, “We only need one room, no need to open two!”

The waiter was stunned, then nodded and said, “Okay...”

David looked at the youngest sister and asked, “Aren’t you afraid of me if you open a room?”

“What should I be afraid of you about?” The youngest sister asked back!

“Aren’t you afraid that I will sleep with you?” David was very curious. The youngest sister was so wary of him at the beginning!

Now she wants to take the initiative to open a room. Is she so charming?

“If you want to sleep with me, even if you open two rooms, it can’t stop you.”

The youngest sister said!

“That’s true!” David smiled!

Soon, the room for two people was ready!
