Chapter 4576

As expected of a big inn, there is a separate spirit gathering array and a shielding array in the room to prevent the monks living inside from being disturbed!

“Go to bed early, and take me around the Beast City tomorrow...”

David said to the youngest sister!

“Okay!” After the youngest sister finished speaking, she began to take off her clothes!

“What are you going to do?” David was shocked when he saw this!

“Take off your clothes, don’t you take off your clothes before going to bed?”The

youngest sister took off her clothes while talking, and finally lay on the bed in her underwear!

David was speechless at the moment. He felt that this youngest sister seemed to want to use him, so she did this to seduce him!

Looking at the youngest sister who was so close, exuding the body fragrance of a young girl, David was indeed a little excited!

But this youngest sister has nothing to do with David. David can’t just sleep with her just to vent!

If he really fell asleep, David would not be able to leave, and would definitely be entangled by the youngest sister to rescue her brother!

In the end, David had no choice but to call out the sword spirit Zhongli!

David held Zhongli and tossed all night!

And the youngest sister listened to the noise and did not sleep all night!

The next morning, the youngest sister glared at David fiercely, she knew that David did it on purpose!

After coming out of the inn, David went directly to the location given by Uncle Qian to find the official place to purchase the fairy stone!

The official place to purchase the fairy stone is a two-story building with a sign at the door. There are such official purchase places on several main streets in the beast city!

After David followed the youngest sister in, someone immediately came up and asked: "Daoyou, are you selling fairy stones?"

"Yes, but before selling, I want to meet the person in charge here."

David said to the guy in the store!

"We are an official purchase store here, and we are honest and fair. You don't have to find our shopkeeper. The purchase price is the same."

The guy said to David!

And the tone of his speech was also very disdainful, looking down on David at all!

Just selling a piece of fairy stone, and wanting to see the person in charge, the guy would definitely not agree!

"I have a lot of fairy stones here, so I must see the person in charge of your store."

David explained!

"How many fairy stones can you have? You have to see our shopkeeper, at most ten or twenty!"

The guy snorted coldly!

David didn't say anything, but opened the storage bag, which contained countless fairy stones, and there were many large pieces, all of which were very rare!

The guy was stunned, and his attitude changed immediately!

"Daoyou, please go upstairs, I will call our shopkeeper right away!"

The guy took David and the others upstairs, and then went to invite the shopkeeper!

Not long after, the shopkeeper was invited, but when David saw the person coming, he was stunned!

Because the shopkeeper turned out to be the middle-aged man in green robe who had been caught by him.

The green-robed middle-aged man was most afraid of death, so he had always been begging for his life!

When the green-robed middle-aged man saw David, he was also stunned for a moment, his face full of disbelief!

“Shopkeeper, this Taoist friend has fairy stones to sell, and there are a lot of them.”

The clerk said to the green-robed middle-aged man!

The green-robed middle-aged man woke up from the shock, and hurriedly pretended not to know him, and said to David: “Daoyou, since you have a large number of fairy stones to sell, let’s go to the room to discuss in detail!”

The green-robed middle-aged man wanted to take David into the room, otherwise if the fact that they climbed out privately was leaked, they would all be exterminated!

“Okay!” Chen nodded and followed the green-robed middle-aged man into a room!

There is also a shielding formation in the room, which should be the room for negotiating with big customers!

“Why are you here? Didn’t I say that after bringing you to the Beast City, no one will know each other, and you don’t have to look for us anymore.”

The green-robed middle-aged man said angrily!

Chapter 4577

“I’m here to talk to you about the fairy stone, not for anything else!”

David said to the green-robed middle-aged man!

“If you want to sell the fairy stone, just go to the front desk to trade, no need to find me!”

After saying that, the green-robed middle-aged man was about to leave!

It can be seen that he wanted to draw a clear line with David and didn’t want to see David again!

After all, what they did was a matter of losing their heads, and they had to kill all nine clans!

“I’m not selling, I’m buying!”

David said!

“Buy fairy stones?” The green-robed middle-aged man was stunned, and then said: “I’m buying fairy stones here, not selling them. If you want to buy fairy stones, go outside the Beast City. If you buy fairy stones privately in the Beast City, you will be arrested and imprisoned.”

David didn’t say anything, but took out a bag of purple gold spirit coins and threw it in front of the green-robed middle-aged man.

“This is my deposit. I need a lot of fairy stones.”

David said!

The middle-aged man in green robe took a look at the purple gold spirit coin. Although his eyes were shining with gold, he still shook his head and said, “I said, we won’t sell it. No matter how much money you give, it’s useless.”

“Uncle Qian asked me to come...” David said Uncle Qian!

“Old Qian?”

The middle-aged man in green robe frowned: “This guy, why does he tell everything to others? He has no integrity...” “

I don’t have any fairy stones to sell to you now. The batch of fairy stones I purchased has been handed over to the City Lord’s Mansion.”

David looked at the middle-aged man in green robe. This guy obviously didn’t want to do business with him.

“If you don’t want to sell it, then forget it. I’ll find someone else to buy it. If I get caught, I’ll give you all up then!”

David picked up his purple gold spirit coin and was about to leave!

When the middle-aged man in green robe heard it, he stopped David in an instant and said helplessly, “Daoyou, we can discuss it. What are you doing!”

“If you betray us, won’t you be killed too? Why bother?”

“I’m not afraid. I’ll just die, but you’re going to kill all nine clans.” David threatened the green-robed middle-aged man! “Stop it

. I was just talking casually. You just want the fairy stones. I'll give them to you. Just tell me how many you want!" The green-robed middle-aged man was scared and began to please David!

"I want as many fairy stones as possible. I can give you the highest price. I will definitely let you profit from it."

After David finished speaking, he threw the bag of purple gold spirit coins into the hands of the green-robed middle-aged man!

"No problem, I'll help you buy it, but it may take a little longer. After all, I have to report to the City Lord's Mansion!"

The green-robed middle-aged man said!

"It doesn't matter, I can wait!"

David knew that he would not leave the Beast City for the time being, so it was okay to wait for a while!

"Daoyou, since we are cooperating, we should be honest with each other. My name is Liu Zhongnan, and I am the shopkeeper of this purchasing store, which is considered a half-official position."

The middle-aged man in green robe introduced himself to David!

"My name is David!" David stretched out his hand and shook hands with Liu Zhongnan!

"Daoyou Liu, how many such fairy stone purchasing stores are there in the entire Beast City? Aren't you considered a member of the City Lord's Mansion?"

David asked!

"There are probably more than ten regular purchasing stores in the entire Beast City. I am only considered a half-person of the City Lord's Mansion. I help the City Lord's Mansion collect fairy stones, and the City Lord's Mansion does not give me any resources."

"I am now working for the City Lord's Mansion for free, but there is one advantage, that is, I can operate secretly and intercept some fairy stones myself!"

"If some monks who privately purchase fairy stones are found, they will be arrested and imprisoned."

Liu Zhongnan said in detail!

Listening to Liu Zhongnan mentioning the prison, David thought of the towering ancient tree in the prison, so he asked curiously: "Fellow Daoist Liu, you have been in Beast City for so long, do you know why there is a towering ancient tree in the middle of the prison?"

"And the roots of the tree grow intricately inside the cell, why doesn't the prison move to another place?"

Chapter 4578

"Have you been to the prison? Where did you go and what did you do?" Liu Zhongnan knew that David was from the outside world and had no contact with the Beast City. He didn't understand why he went to the prison!

"My friend's brother was in prison, so I went to take a look!" David explained!

"The prison..."

Liu Zhongnan just opened his mouth, but suddenly closed it, then looked around and said, "This is not a place to talk. I'll take you to a restaurant and eat while chatting!"

David nodded and said, "Okay!"

David knew that there might be monitoring in this acquisition store, or that the guy was from the City Lord's Mansion, and Liu Zhongnan was not particularly free here!

David followed Liu Zhongnan out of the room, and both of them had smiles on their faces! Since

they have chosen to cooperate, and both parties are profitable, of course everyone is happy!

"Little sister, go to the inn and wait for me. I'm going to do something and see if I can rescue your brother!"

David said to the little sister!

When the little sister heard that David was trying to save her brother, she was immediately excited!

"Okay, then I'll go to the inn and wait for you!"

The little sister nodded!

After the little sister left, Liu Zhongnan looked at the little sister's back, then smiled slightly and said: "Chen Daoyou is very lucky. According to my analysis, this woman should still be a virgin!" "

Daoyou Liu, don't joke, let's go!"

David was speechless for a while. What did Liu Zhongnan think he was!

Liu Zhongnan took David to find a restaurant. The restaurant was very magnificent, and the people who came in and out were all rich and powerful.

"Boss Liu..."

As soon as he entered the restaurant, a waiter warmly entertained Liu Zhongnan!

It can be seen that Liu Zhongnan is a frequent customer here!

"I'm bringing my friends today. Prepare the best wine and food here, and prepare a Tianzi box for me!"

After Liu Zhongnan finished speaking, he threw dozens of spirit coins to the waiter!

The waiter agreed and invited Liu Zhongnan into the restaurant!

Then he led David and Liu Zhongnan to the second floor and entered a very luxurious box!

As soon as he walked into the box, he could feel the rich spiritual energy constantly pouring into his body, a refreshing feeling, very comfortable!

David knew that there must be a formation in this box to have this feeling!

The people who do business in this beast city are indeed smart!

"This Tianzi box is the only one in the entire restaurant. Ordinary people who want to eat here are not qualified."

"We will eat and chat for a while. No one will overhear us talking in this place!"

Liu Zhongnan asked David to sit down and said!

"It seems that if you have money, life in the beast city is also quite enjoyable."

David glanced at the box and said!

“Of course, but after so many years of isolation, the resources of Beast City are already very scarce, so we risked going to the outside world.”

Liu Zhongnan said!

“Do you know what your city lord buys so many fairy stones for?” David asked!

“I don’t know, we are only responsible for the purchase, as for what the city lord uses the fairy stones for, we don’t know.”

“It should be used for cultivation with fairy stones. I heard that our city lord has reached the fairyland!”

Liu Zhongnan said!

“Fairyland?” David was slightly stunned. If the city lord of this Beast City is really a master of the fairyland, it would be too dangerous for him to be in the Beast City at this moment! “

I just heard about it. Our city lord doesn’t show up much. The affairs of Beast City are generally handled by the three beast generals under the city lord.”

“That Zang Lao is a guest official under one of the beast generals, otherwise he would not be able to get the thing that points the way.”

Liu Zhongnan has no reservations about David now!

Chapter 4579

“I just asked you about the ancient tree in the prison. How come...”

David wanted to ask Liu Zhongnan about the ancient tree in the prison. He always felt that there was something wrong with the ancient tree!

But before he could finish his words, a quarrel broke out outside the door!

“Mr. Qiu, there really is a guest in the Tianzi box. How about I arrange the Dizi box for you?”

“fu** you, I want the Tianzi box. Whoever is inside, let him get out!”

Then, the door of the Tianzi box was kicked open by someone! Several

young monks walked in, followed by the helpless waiter!

These young monks were all well-dressed and looked like they should be rich sons!

Especially the young man in the lead, holding a folding fan in his hand, with a rebellious look on his face!

“I was wondering who was in the Tianzi box. It turned out to be Boss Liu?”

The leading young monk said coldly when he saw Liu Zhongnan!

“It turned out to be Mr. Qiu. I don’t know why you are in the mood to eat here today!”

Liu Zhongnan hurriedly stood up and said to Mr. Qiu!

“I am here with a few friends today. We only like this Tianzi box. I hope Boss Liu can give us a seat.”

Mr. Qiu said to Liu Zhongnan!

Although the words were quite polite, there was a tone of command in his tone!

“Mr. Qiu, I’m just chatting with my friends. I won’t stay long. You guys can...”

Before Liu Zhongnan finished speaking, a cultivator behind Mr. Qiu snorted coldly and said, “Mr. Liu, Brother Qiu asked you to get out because he was giving you face. Don’t think you are great just because you collect fairy stones for the City Lord’s Mansion.”

“If you annoy Brother Qiu, believe it or not, I will slap you a few times and then ask you to get out...”

Liu Zhongnan’s face darkened and his brows frowned. Especially in front of David, he was scared by the young man. It was too embarrassing!

“Who do you think you are? This is the Beast City. Anyone who dares to use his breath to attack without permission will be arrested and put in jail.”

Liu Zhongnan said!

“What a joke! Even if Brother Qiu slaps you twice, do you think anyone dares to arrest him and put him in jail?”

The young monk grinned and said,

“Boss Liu, do you think I’ll be arrested if I slap you a few times?”

Mr. Qiu walked directly in front of Liu Zhongnan and asked arrogantly!

Feeling Mr. Qiu's arrogance, Liu Zhongnan was very angry, but in the end he swallowed his anger!

"Okay, let's go!"

Liu Zhongnan helplessly called David and left!

Mr. Qiu and others swaggered into the Tianzi private room!

The waiter changed a private room for Liu Zhongnan and David. Although it was not as good as the Tianzi private room, it was not bad either!

"Damn, this Qiu Yu is too much. He relies on his father being one of the three beast generals and dares not listen to the rules of the beast city."

After sitting down, Liu Zhongnan said angrily!

"I think that kid's realm is not high either. If you don't get angry, I can beat him up for you."

David looked at Liu Zhongnan's angry look and smiled slightly!

"No, no..." Liu Zhongnan heard it and hurriedly stopped David and said, "You can't do it in the Beast City. If you are caught in the prison, you will die."

"It's just two slaps. Can you still be sentenced to death?" David didn't care!

"You won't be sentenced to death, but once you enter the prison, it will be difficult to get out. It won't take long before you will be sucked dry and die."

Liu Zhongnan whispered!

"Sucked dry?" David was slightly stunned!

Liu Zhongnan was a little panicked in an instant. He found that he had said the wrong thing, and hurriedly waved his hand and said, "Don't ask, you just have to abide by the rules, and don't get caught in the prison."

"Are you hiding something from me? Just now I asked you about the towering ancient tree in the prison, and you seemed to be avoiding it."

"Is there something strange about the ancient tree? Has anyone cast any magic circle in the prison?"

David asked Liu Zhongnan!

Chapter 4580

“Oh, don’t ask anymore, eat quickly!” Liu Zhongnan didn’t want David to ask anymore!

“If you don’t tell me, I’m going to tell your story!”

David threatened him with Liu Zhongnan’s trip to the outside world again!

When Liu Zhongnan heard this, he sighed helplessly and said, “In fact, this Beast City Prison is not a place to hold any prisoners, but a huge soul-sucking formation.”

“That ancient tree is used to absorb the spiritual power of the monks in the cell. After the spiritual power is sucked dry, the monk will die.”

“And the absorbed spiritual power is stored in the ancient tree, and then used for the people in the City Lord’s Mansion to practice.”

“The resources in Beast City are relatively scarce, so the people in the City Lord’s Mansion can only practice in this way!”

“This is the secret of the City Lord’s Mansion. If it weren’t for Zang Lao telling me, I wouldn’t know it. Don’t talk nonsense.”

Liu Zhongnan warned David, fearing that David would tell it out! After

all, this is a top secret of the City Lord’s Mansion. If it gets out, I’m afraid that

the Beast City will be in turmoil. Who would be willing to be thrown into jail? When David heard this, he instantly understood why the rules of the Beast City are so strict. If you make a slight mistake, you will be thrown into jail!

It turns out that there is such a conspiracy behind it!

No wonder when David saw his youngest sister’s brother, he felt like he was going to die of exhaustion!

And the slight suction force that was detected in the cell turned out to absorb the spiritual power in the body of the cultivator!

And it was invisible, so that the cultivator died without knowing it!

At this moment, David became interested in the ancient tree!

However, the ancient tree was in the center of the prison, and David had no way to get close to the ancient tree!

If he entered the prison by visiting, it would be difficult for David to get close to the ancient tree. After all, the visiting time was very limited!

David frowned and pondered!

Now, only if he violated the rules of the Beast City and was caught in the prison, David would have the time and opportunity to get close to the ancient tree!

It would be the same if he found a chance to escape at

that time! David had observed the formations around the prison. It was very simple for David to break the formations and leave!

David ate this meal absent-mindedly, and his mind was on the ancient tree! The ancient tree

absorbed the spiritual power of the cultivators and stored it in the ancient tree. It was more precious than any other resources!
