Chapter 4581

This scene shocked everyone. The scene was so quiet that you could hear a pin drop!

Many monks who were eating downstairs stared at the scene in front of them with wide eyes!

You know, fighting is not allowed in Beast City. Now someone is fighting, and the one who is fighting is the young master of the Qiu family.

Who is so bold? Dare to be so arrogant!

“You...you...”

Liu Zhongnan widened his eyes, opened his mouth wide, and couldn't even speak!

He never expected that David would be so impulsive!

He attacked as soon as he disagreed with something, without the slightest hesitation, leaving Qiu Yu no time to react!

This is Beast City, not the outside world. What a joke?

Liu Zhongnan couldn't believe it was true, but the scene in front of him made him believe it! Is

this what it means to be a newborn calf that is not afraid of a tiger?

“Boy, you dare to hit me, you are looking for death!”

Qiu Yu climbed up, his body was not injured, but his face was embarrassed!

Being thrown downstairs in front of so many people was too embarrassing!

Qiu Yu's face flushed, his body was covered with oil, like a beggar, staring at David and roaring!

In Beast City, he was the only one who beat people, when had he ever been beaten!

Several friends brought by Qiu Yu also went downstairs at this moment and supported Qiu Yu!

“Run, run quickly, when the law enforcement team comes, you’re done.”

Liu Zhongnan finally reacted and reminded David in a low voice!

But before David made any movement, he heard footsteps outside the restaurant!

“Dare to take action in Beast City, too presumptuous!”

As the door of the restaurant was pushed open, a monk dressed in white, exuding spiritual power and holding a sword rushed in.

Behind him, followed by a dozen guards with spears!

Seeing this scene, everyone got out of the way!

After all, in the Beast City, only the guards of the City Lord’s Mansion are qualified to emit aura.

If others casually emit aura and use their spiritual sense to detect objects, they will also be arrested!

Seeing the guards coming, Qiu Yu pointed at David and said, “It was him, he beat me...”

Qiu Yu wanted to beat David himself, but now that the guards were here, he didn’t have to do it himself!

“Mr. Qiu...”

The white-robed monk was stunned when he saw Qiu Yu. He couldn’t believe that someone dared to beat the Qiu family in Beast City!

If it were two little monks, it would be understandable to fight because of some things!

But to fight the Qiu family in Beast City, is this because they dislike living too long?

This is too lawless!

“Boy, you dare to fight in Beast City, surrender!”

The white-robed monk pointed his sword at David and said!

“I’ll go with you!”

David didn't say anything!

Liu Zhongnan on the side saw that David agreed to follow so easily. If he was put in jail, he would be dead!

"Wait a minute, although he made a move, he didn't burst out spiritual energy, he just relied on physical strength."

"And Mr. Qiu was not injured, he just fell down. We are willing to pay, can we not arrest him?"

Liu Zhongnan said to the white-robed monk!

The white-robed monk glanced at Qiu Yu, asking for Qiu Yu's opinion!

If the other party really offered a high price, Qiu Yu would not have to arrest him in jail if he forgave him!

"I'm not short of money, I must arrest him in jail to suffer."

Qiu Yu said angrily!

"Mr. Qiu..."

Liu Zhongnan wanted to say something, but Qiu Yu waved his hand and said, "You are talking nonsense, arrest you too!"

Seeing this, Liu Zhongnan didn't dare to speak for David anymore!

"Come with us!" The

white-robed monk said, and left with David!

Qiu Yu sneered triumphantly, and left the restaurant with several followers!

Chapter 4582

Liu Zhongnan was a little worried, and followed David closely, planning to bribe the white-robed monk after Qiu Yu left!

"Fellow Daoist Liu, go to the inn and tell the youngest sister not to run around in the inn. I will be out in a few days."

David said to Liu Zhongnan!

The white-robed monk couldn't help laughing after hearing what David said. He had never seen anyone who was put in prison and released in a few days!

Unless he was sucked dry in there and was about to die, if his family was willing to pay a high price, he could be redeemed! The

monk who was just imprisoned is the most valuable, how could he be released!

"Let me think of a way for you, you hold on in the prison, don't talk nonsense!"

"I'll go to Zang Lao to think of a way, he will definitely find a way to get you out."

Liu Zhongnan instructed David!

He was not afraid of David going to jail, he was afraid that David would tell some things. If it was spread to the City Lord's Mansion, then they would be finished!

"You don't have to find a way to save me. I told you to do it, you just need to do it."

David said to Liu Zhongnan!

David entered the prison just to see the ancient tree. If there was really a lot of cultivators' spiritual power stored in it, he could just take it all away!

If he had just entered and hadn't done anything, he would be fished out by someone, which would be too bad!

So David didn't let Liu Zhongnan take care of him!

If he wanted to leave, he could easily leave the prison. The formations around the prison were useless to David!

Liu Zhongnan didn't understand what David wanted to do, but since he was not allowed to save him, Liu Zhongnan could only do it!

David followed the white-robed monk to the prison wrapped in white fog!

After the white-robed monk communicated with Captain Zhou of the prison, he handed David over directly!

Captain Zhou looked at David and frowned, "Why do you look familiar? I feel like I've seen you somewhere before?"

"My face is common, maybe you look familiar!"

David said!

He didn't want Captain Zhou to recognize him. He had just been to the prison yesterday and was arrested today. Anyone with a little brain would definitely be suspicious!

"Come with me..."

Captain Zhou took David to the underground cell!

Unexpectedly, this time, the place where David was imprisoned was the cell where David followed his sister yesterday!

Maybe many monks in the cell died here, and there were extra rooms!

After locking David in the cell, Captain Zhou said, "Boy, there are no rules in the prison. As long as you don't escape, you can do anything."

"Don't think about practicing here. There is no spiritual energy. Just rest in the cell. Someone will deliver three meals. You won't starve to death without spiritual energy." "

There will be a fixed time for you to go out and breathe. You don't have to do anything. It's more comfortable here than outside."

If David didn't know the function of this prison, he would really think that this cell was well treated!

"I understand!" David nodded!

After Captain Zhou left, the brother of the youngest sister next door spoke up: "Daoyou, why were you arrested? Why do I sound familiar with your voice?"

Because there was a wall between them, the brother of the youngest sister could hear David's voice but couldn't see David!

"I just beat someone up, and then I was locked up. I don't know how long I'll be locked up."

"Daoyou, why were you locked up?"

David asked the brother of the youngest sister!

"Hey..." The brother of the youngest sister sighed: "I found a female cultivator and said we would be a dual cultivation partner. We practiced dual cultivation together once, but she asked me for one hundred purple gold spirit coins. Where do I have so much money?" "

She accused me of raping her, and then I was arrested. It's so unlucky..."

David couldn't help laughing when he heard it. No wonder the youngest sister didn't want to say how her brother was arrested. This kind of thing is really not glorious!

Chapter 4583

"You are really unlucky, but it's not a big deal. You will be out in no time!"

David deliberately said to the youngest sister's brother!

"Hey... How is it possible? I am afraid I will die in this prison before I can get out."

"Now I just hope my sister can collect enough purple gold spirit coins to redeem me."

The youngest sister's brother said!

"Does your sister have money to redeem you?" David asked!

"No, but she seems to be with a rich second generation. He seems to be very rich. She threw a good pill directly to me to eat." "

If my sister can charm that rich second generation, maybe she will have money to redeem me."

The youngest sister's brother was talking about David, but he didn't know that the one he was chatting with at the moment was also David!

When David heard this, he immediately laughed: "Aren't you afraid that the rich second generation just wants to play with your sister and then run away?" Chen

Ping deliberately teased the youngest sister's brother!

"It shouldn't be. Although my sister is simple, she is not stupid. I hope that man is sincere to her."

"As long as my sister lives well, I will feel at ease even if I can't be redeemed."

The youngest sister's brother said!

At this moment, the cell door was opened, and a tall guy with a face like a black bear was brought in. This person still had shackles on his feet. He should have committed a serious crime!

The guard took the guy directly to the youngest sister's brother's cell, then opened the door and pushed it in!

"Jailer, I'm still in this cell, why are you arranging more people to come in? Aren't there many empty cells?"

The youngest sister's brother asked the guard loudly!

"What are you yelling about? You won't need this cell anytime soon, so let someone else use it!"

The guard said, and left.

The youngest sister's brother was surprised and frowned, "What do you mean? I won't need it anytime soon? Did my sister come to redeem me?"

Thinking of this, the youngest sister's brother laughed, his face full of excitement!

"It stinks, how long have you not taken a shower? Or are you a fox demon?"

The sturdy man looked at the youngest sister's brother and said with a frown!

"I....."

The youngest sister's brother looked at the sturdy man, and his heart was frightened!
He

has been tortured here for so long, and the spiritual power in his body has been almost absorbed. He has no strength to deal with this sturdy man!

Although the rules of the Beast City are that private fights are not allowed, this is a prison and will not be regulated by this rule. No one cares about private fights in the prison!

"Get out of the way..."

The sturdy man grabbed the youngest sister's brother's collar and threw it aside!

Bang!

The youngest sister's brother's body fell heavily on the wall, wailing in pain!

“How can you hit someone?”

At this time, David’s voice rang!

“Who the hell are you? Mind my business? If you are in this cell, I will beat you too!”

The sturdy man listened to David’s voice next door and snorted coldly!

“Really?”

David kicked open the wall between the cells!

There is a formation in each cell, so the wall only serves as a barrier and cannot stop the imprisoned monks. What really controls these monks is the formation in the cell.

However, in David’s eyes, this formation is the same as nothing. It is too childish. This formation cannot stop David at all!

Seeing David suddenly rushing in, the sturdy man was stunned!

The youngest sister’s brother, who had been wailing, widened his eyes and stopped wailing the moment he saw David!

“You... why are you here?”

The youngest sister’s brother looked at David in disbelief and said!

“Why can’t it be me?”

David smiled slightly, then looked at the sturdy man: “You, who have not yet fully evolved into a human, dare to act wild everywhere?”

Chapter 4584

“Boy, you are in the Tribulation Realm, and you dare to speak so arrogantly?”

The sturdy man roared!

Although he still had hair on his face, he could tell at a glance that he was transformed from a black bear, but he was at the second level of the Mahayana Realm!

It was not something that David, a small cultivator in the Tribulation Realm, could say!

“He is at the second level of the Mahayana Realm, you are not his opponent, don’t bother with it!” The

youngest sister’s brother said to David!

“So what about the second level of the Mahayana Realm, it’s still bullshit...”

After David finished speaking, he punched him directly!

Then the sturdy man rushed directly to the back, directly hit the formation in the cell, and fell heavily to the ground!

“Tranquil...”

David snorted coldly!

The youngest sister’s brother looked at this scene in shock, his face full of disbelief!

“Boy, you dare to sneak attack me...”

The sturdy man stood up with an angry face, staring at David!

He didn’t expect that David, a cultivator in the Tribulation Realm, would dare to take the initiative to attack him!

He was a second-grade Mahayana cultivator, and he was not comparable to a cultivator in the Tribulation Realm.

Even if David had reached the ninth grade of the Tribulation Realm, he could not be the opponent of a cultivator in the Mahayana Realm!

“You are really looking for death...”

The sturdy man’s face flushed, and he rushed towards David with a roar!

However, just when he approached David, he was punched away again by David!

A second-grade Mahayana cultivator had long been out of David’s eyes!

To deal with a second-grade Mahayana cultivator, David didn’t need to exert any effort at all, it was no different from beating a child!

Bang!

The sturdy man screamed, and then fell heavily to the ground.

“Ah...”

The sturdy man had thick skin and flesh, and seemed to have a stubborn temper. He stood up and rushed towards David again!

Bang!

Bang!

Bang!

David punched several times in a row, and the strong man finally became obedient, and gasped heavily, because there was no spiritual power here, and they had no way to replenish spiritual power, so after a few moves, the strong man felt very weak! On

the other hand, David looked relaxed, looked at the strong man and said: “Be honest, or I will kill you directly...”

David stepped on the strong man, his eyes full of contempt! The

youngest sister’s brother looked at this scene and was dumbfounded!

He didn’t expect that the second-grade cultivator of the Mahayana realm was stepped on by David, a ninth-grade cultivator of the Tribulation Realm, and it was as simple as beating a child!

This ability to fight across levels is not something that ordinary cultivators can have!

At this moment, the youngest sister’s brother believed even more that David was definitely not an ordinary cultivator, and must be the son of a big family!

His sister was with David, that was simply climbing up!

“Daoyou, spare my life, Daoyou, spare my life, I admit defeat!”

The strong man followed David and begged for mercy!

In the face of absolute strength, even a stubborn temper will become obedient!

Now he was stepped on by David, and he didn’t even have the strength to move, and every time he fought, he couldn’t even touch the corner of David’s clothes. He already knew the gap between the two!

He had no choice but to admit defeat!

“Be honest in the future!”

David kicked the other party and said!

The strong man hurriedly got up and nodded repeatedly: "I must be honest, I must be honest..."

After that, the strong man curled up in the corner, how dare he be arrogant!

The youngest sister's brother also got up at this moment, looking at David, his eyes revealing excitement and disbelief!

"Daoyou, you...how did you get from the next cell? Is there no formation in the next cell?"

"And your strength in the Tribulation Realm, is it fake, are you hiding your strength?"

The youngest sister's brother was very curious about David at this moment!

David glanced at the youngest sister's brother and said nothing, but returned to his cell!

Seeing this, the youngest sister's brother did not ask any more questions. David was unwilling to say anything. If he kept asking, David would be disgusted!

Chapter 4585

The next morning!

The formation in the cell closed automatically, and the youngest sister walked out of the cell and said to David: "It's time to go out for fresh air. There is only half an hour a day, so don't delay."

David got up and followed the youngest sister out of the cell, but the strong man who was beaten by David yesterday did not move, and curled up in the corner to sleep!

After leaving the cell, the sunlight shone on the body, which was very comfortable!

It's just that the prison was surrounded by white fog. People outside couldn't see here, and people in the prison couldn't see what was happening outside!

Many monks walked out of other cells one after another. These monks all had sallow complexions and thin bodies, as if their bodies had been sucked dry!

David looked carefully and found that there were thousands of prisoners in the prison, but none of them could be seen in terms of cultivation. After all, they had become like this, and their internal aura was also exposed, so it was impossible to detect what realm they were in!

The spiritual power of thousands of cultivators was absorbed and stored. David dared not imagine how huge the spiritual power stored in this ancient tree would be!

Because David was not familiar with the prison, he followed the youngest sister's brother and walked towards an area!

"What are we going to do?"

David asked the youngest sister's brother!

"To restore spiritual power, when we are out of the prison, there is only one place with spiritual energy in this prison. We can absorb spiritual energy to restore our spiritual power."

"So everyone will gather in that place during the daily outing time."

The youngest sister's brother said!

David pondered the words of the youngest sister's brother. It was not that there was no spiritual energy in this prison, but it was controlled by the formation!

Now the spiritual energy is only open in one place, and only half an hour of cultivation is allowed. It seems that this is to better absorb the spiritual power in these cultivators!

The reason why they didn't open up all the spiritual power and let these monks' spiritual power be sucked away while practicing was probably because they were afraid that some monks would discover the secret of the prison after using the spiritual energy of heaven and earth to practice!

David followed the youngest sister's brother to a place as big as dozens of football fields. The place was already full of monks, greedily absorbing the spiritual energy of heaven and earth!

The youngest sister's brother also found a place to sit cross-legged and began to practice the standing method to absorb the spiritual energy of heaven and earth!

However, the spiritual energy of heaven and earth was absorbed by thousands of people at the same time, and it instantly became much thinner!

David also sat on the ground, but he did not absorb the spiritual energy of heaven and earth to practice, but put his eyes on the towering ancient tree!

The ancient tree was soaring into the sky, with lush branches and leaves, as if to cover the entire prison!

“Don’t practice, come with me to see the ancient tree!”

David pulled the youngest sister brother and said!

Half an hour, absorbing the spiritual energy of heaven and earth can’t absorb much, and so many cultivators are absorbing it crazily, making the spiritual energy of heaven and earth very thin!

“I want to...”

“Give you a pill...” David threw a pill directly to the youngest sister brother!

This pill can recover much faster than the youngest sister brother absorbing the spiritual energy of heaven and earth!

“Okay!” The youngest sister brother hurriedly put the pill away!

“But I can tell you, under the ancient tree, there is a group of beasts of unknown species living, we can only hide and watch from a distance!”

The youngest sister brother said to David!

“I don’t know the species. Could it be a monster from the outside world?”

David was slightly stunned!

“I don’t know. Anyway, I haven’t seen it in the Beast City. I don’t know if it is a demon beast from the outside world.”

The youngest sister’s brother shook his head!

The two approached the ancient tree. A few hundred meters apart, David found that the ancient tree’s trunk was a hundred meters thick!

No wonder the tree’s roots can be intricately covered with cells in the entire prison!

After walking forward for a hundred meters, the youngest sister’s brother stopped and dared not move forward!

David saw more than a dozen monks sitting on the ground under the ancient tree, but these monks looked different. Like the strong man who entered the cell yesterday, they seemed to have not evolved completely, and their faces still retained the characteristics of the beast tribe!
