Chapter 4613

If David hadn't used this ultimate fire, Qiu Yu wouldn't have noticed David's identity as a demon cultivator!

It seems that David hid it too deeply!

Qiu Yu didn't know at all that David had the power of the three races. Whether it was the beast race, the demon race or the human race, there was a breath in David's body!

Now Qiu Yu mistook David for a demon cultivator, which was too one-sided!

"You are tired of fighting, it's my turn now." David said coldly.

His figure flashed and disappeared from the spot in an instant. Qiu Yu and others were shocked and hurriedly looked for David's traces.

Suddenly, David appeared behind a cultivator. A light flashed in his hand, and the Dragon Slaying Sword appeared, stabbing towards the cultivator's back.

The cultivator sensed the danger behind him, turned around quickly, and chopped David with the axe in his hand.

David did not dodge or evade, and the Dragon Slaying Sword in his hand directly met the axe.

I saw a flash of sparks, and the axe in the monk's hand was actually cut off by David's Dragon Slaying Sword.

The monk was shocked, and before he could react, David's Dragon Slaying Sword had pierced his chest.

The monk widened his eyes, looked at David in disbelief, and then slowly fell down.

"You actually killed him!" Qiu Yu shouted angrily.

"Humph, you want to kill me, don't you allow me to fight back?" David sneered.

"Good boy, today I will..."

Qiu Yu's face was full of anger, and he yelled at David, as if he wanted to fight with David to the death!

But before he finished speaking, David's figure suddenly disappeared again, and then a white light flashed in front of everyone!

Qiu Yu and the others only felt a force like a mountain pressing down on them, and then several monks brought by Qiu Yu were kicked in the chest!

Several people flew backwards as if they were hit by a meteorite!

As several monks fell heavily, several large pits appeared on the ground!

Qiu Yu was a little dumbfounded when he saw this scene!

He couldn't believe that David's strength was so terrifying. You know, David was only at the ninth level of the Tribulation Realm, and the people he brought were all at the third level of the Mahayana Realm!

How could such a situation happen with such a huge difference in strength?

Moreover, there are many people on his side, with high realm and strong strength!

In the end, the result was one-sided!

This is unscientific!

"It's your turn now!"

David sneered at Qiu Yu!

Qiu Yu looked at David, and his body began to tremble slightly. He didn't expect that David's strength would surpass theirs!

It seems that he underestimated David, and David is not a beastman. He doesn't know how much David has hidden!

Qiu Yu's body kept retreating, he wanted to run!

Bang!

But just when he was about to turn around, he saw David's figure rushing over, and then kicked out!

Qiu Yu didn't have time to dodge, and was kicked out by David!

Qiu Yu also fell heavily to the ground, and also smashed a deep pit in the ground!

“You little trash, too weak...”

David soared into the air, looking down at the few people who fell into the ground, and said with a sneer on his face!

Qiu Yu and others looked at David, with a bit of fear in their eyes!

But they also knew that since David had revealed his identity in front of them, he had no intention of letting them leave alive!

“If we want to survive, we must show our true abilities. This guy looks like he wants to kill us all!”

Qiu Yu’s face was solemn, and after he finished speaking, he jumped up!

The other monks also knew that if they didn’t fight desperately, they would only be killed!

Qiu Yu and several monks also flew into the air, and followed David to look at each other from a distance!

Then all these people suddenly roared to the sky, and then spit out gems from their mouths!

The gems were colorful, with all kinds of colors!

Chapter 4614

David could tell at a glance that these orbs were the beast pills in these cultivators’ bodies!

These cultivators were beasts. Although they could transform into human form, they were still beasts and still had beast pills in their bodies! The

beast pills of these beasts were similar to the dragon crystals of the dragon clan!

These beast pills were suspended in the air, and a black gas flowed between them, as if brewing something!

“As expected of the son of a beast general, he still has some skills!”

Seeing this scene, David's eyes became solemn!

Soon, the sky and the earth became cold, and the black gas filled the air, wrapping up the beast pills, and the color could no longer be seen!

"Do it..."

Qiu Yu shouted!

Several people attacked at the same time, and then a large amount of spiritual power was injected into several beast pills, and then colorful light broke through the black gas!

At

the moment of breaking through the black air, these lights turned into ferocious beasts!

These beasts are of different shapes, some of which David has never seen!

It seems that these beasts are the real bodies of the cultivators in front of him!

After these beasts appeared, the original black air turned into a giant net, covering David!

At this moment, David not only had to face the attacks of these beasts, but also had no way to escape and avoid them. The black giant net around him made David's space for activities very limited!

"Boy, we have used up all the beast pills. Although using them once will cost us a hundred years of cultivation, you have forced me into a dead end today, and I can only do this!"

Qiu Yu looked at David viciously and said in a cold voice!

"It seems that you have really used all your abilities, but you have sacrificed your beast pills. If I take all of them away, won't you be left with no beast pills and become ordinary people who can no longer practice?"

David looked at Qiu Yu's fierce look and smiled slightly!

"You wish, you still want to take our beast pills, you should kill our original spirit beasts first!"

Qiu Yu snorted coldly!

He didn't believe that David still had the ability to take his beast pill under such circumstances!

“What the hell is this beast?”

David said, and the dragon crystal on his chest flashed, accompanied by bursts of dragon power. Behind David, a golden dragon appeared faintly!

As the dragon power became stronger and stronger, the golden dragon became clearer and clearer!

“What...what is this?”

Qiu Yu was stunned when he saw the golden dragon appear!

“Dragon...Golden Dragon? Is he a dragon?”

Someone said in surprise!

“Impossible, he is obviously a demon cultivator, how could he be a dragon, and a golden dragon, this is absolutely impossible, this is a trick, we don’t believe it!”

Qiu Yu didn’t believe that David was a dragon!

You know, among the beasts, many of the fear and worship of the dragons are innate!

Now seeing a golden dragon appear behind David, and the power of the dragon was spreading, Qiu Yu and others were completely panicked!

But Qiu Yu didn’t believe it at all. He didn’t believe that David was a dragon!

Or the most noble golden dragon!

He thought that David must have used some kind of sleight of hand!

But when Qiu Yu and others controlled the original spirit beasts to attack David, those original spirit beasts were all scared!

They didn’t obey the command at all, and they were trembling!

Accompanied by the roar of the golden dragon!

Those original spirit beasts all turned around and ran away, and finally returned to the beast pills and disappeared without a trace!

Even the huge net composed of black air was instantly shattered by this dragon roar, and turned into hypocrisy!

In the end, only a few beast pills were left floating alone in the air!

Qiu Yu and others were dumbfounded!

Especially Qiu Yu, he said that David used a sleight of hand, but how could a sleight of hand scare away the original spirit beast?

Chapter 4615

Qiu Yu was in a state of confusion at this moment!

He had always thought that David was just an ordinary cultivator, but he didn't expect that he was a demon cultivator in the end!

But now he has become a dragon!

This constantly changing identity has made Qiu Yu feel unreal!

“Quick, quickly recall the beast pill!”

At this time, someone woke up from the shock and shouted loudly!

Just when these people were about to recall the beast pill, they suddenly found a huge suction force coming, and then all the beast pills flew towards David!

Unsurprisingly, all the beast pills fell into David's hands and were thrown into the storage bag by David!

“Beast pill, our beast pill...”

Qiu Yu and others were so angry when they saw this!

If there is no beast pill, they will not be able to practice anymore. Even if they swallow other people's beast pills, they don't know when they can be integrated!

“I reminded you, but you didn't listen, so you can't blame me!”

David put away the beast pills of several people, and then smiled faintly!

At this moment, Qiu Yu and others completely lost their temper. Without the beast pills, their strength plummeted, and now they are no match for David!

Looking at David's mocking eyes towards them, Qiu Yu no longer had an arrogant attitude!

“If you return the beast pills to us, I can pretend that nothing happened, and I will never trouble you again.”

“I can buy it with purple gold spirit coins. Just tell me how much you need.”

Qiu Yu began to discuss with David, wanting to buy the beast pill back!

“You want to buy this beast pill?” David asked!

“Yes, as long as you are willing to return the beast pill to us, I can give you money!”

Qiu Yu nodded!

“Okay, one beast pill is one thousand purple gold spirit coins!”

David said!

Qiu Yu was slightly stunned, and then said in disbelief: “Are you serious?”

Although one thousand purple gold spirit coins are an astronomical figure for ordinary cultivators, for Qiu Yu, it is a drizzle!

He didn't expect David to ask for only one thousand purple gold spirit coins, which was too little!

“Of course it's true. Do you think it's too expensive?”

David asked!

“No, no, no, it's not expensive. I can give you money.” Qiu Yu shook his head repeatedly, then took out a storage bag and threw it to David, saying, “Here are ten thousand purple gold spirit coins, enough to buy our beast pills!”

David took the storage bag, took a look and smiled, “Enough, absolutely enough...”

After that, David took out a few beast pills and threw them to Qiu Yu and the others!

Qiu Yu was so happy to take the beast pills. He didn't expect David, a fool, to return the beast pills to them so happily.

Not to mention one thousand purple gold spirit coins, even if it was ten thousand purple gold spirit coins, Qiu Yu would spend money!

After all, without the beast pills, they would all be useless.

After taking the beast pills, Qiu Yu and others quickly swallowed them into their stomachs! After

the beast pills were swallowed, several people breathed a sigh of relief!

“I hope I won’t see you again in Beast City!”

Qiu Yu looked at David, said a slightly threatening word, and turned to leave!

“Wait a minute!” David said!

“What are you going to do?”

Qiu Yu turned around and asked!

“I gave you the beast pill, but I didn’t let you go. The beast pill looks good. If I absorb it, my strength will increase greatly, so I want to take the beast pill back!”

David smiled slightly!

“What? Didn’t you sell the beast pill to us, and you have already taken the money?”

Qiu Yu frowned and said!

“Yes, the beast pill was sold to you, and I also took the money, but now I still want the beast pill, so I plan to snatch it back!”

“This is not a conflict, I am still more honest...”

David said as he approached Qiu Yu and others!

“You...”

Qiu Yu was so angry that he was about to die, how could he still do this?
