## Chapter 4616

David didn't wait for Qiu Yu to finish speaking, and the Dragon Slashing Sword in his hand had already slashed!

Puff!

One of Qiu Yu's men was directly cut in half by the Dragon Slashing Sword, and he didn't even have time to scream!

David's sudden move made Qiu Yu and the remaining monks nervous!

Several people hugged each other and looked at David in horror!

David used the Dragon Slashing Sword to take out the beast pill from the body of the killed monk again!

After taking out the beast pill, David looked at Qiu Yu and others!

This scared these people!

They turned around and ran, they knew that as long as they ran into the Beast City, they would be saved!

But as soon as they turned around, they felt a gust of wind coming, followed by an extremely sharp sword blade, passing through their bodies!

The bodies of several monks were also cut off in an instant. Because they were running so fast, their lower bodies were still running, but their upper bodies had already separated and fell to the ground!

This horrific scene frightened Qiu Yu so much that his legs became weak and he couldn't move at all!

David took out the beast pills from those monks again and looked at Qiu Yu coldly!

At this moment, Qiu Yu was the only one left!

Extreme fear made Qiu Yu tremble all over!

“If you don’t chase out of the city, I haven’t thought of killing you in the city. I didn’t expect you to come out and die by yourself.”

David said coldly to Qiu Yu!

“Don’t, don’t kill me. If you kill me, you will die miserably.”

“My father won’t forgive you, and my brother won’t forgive you either. My brother is a famous sword cultivator in the Beast City. The sword in his hand is much faster than yours.”

Qiu Yu wanted to use the strength of his family to threaten David not to kill him!

“Are you threatening me?”

David’s eyes turned cold, and then a sword light went towards Qiu Yu at an extremely fast speed!

Puff!

A sword went straight through Qiu Yu’s chest, and then nailed him to the ground!

Qiu Yu only felt a burst of pain, his eyes were even more terrified, but he couldn’t move at all, and could only look up at David’s cold eyes!

“I don’t like being threatened the most.”

David held the Dragon Slaying Sword and looked down at Qiu Yu who was pierced!

Although Qiu Yu was pierced, he was not dead. After all, he was a Mahayana cultivator, and this sword couldn’t take his life!

And David didn’t intend to kill Qiu Yu all at once when he made this sword!

He planned to torture Qiu Yu first!

David pulled out the Dragon Slaying Sword, and then swung it out, cutting off Qiu Yu’s legs!

Qiu Yu is now a legless person!

Blood was pouring, and Qiu Yu screamed miserably!

The screams resounded all around, but it was quiet all around without a response!

It is estimated that some monks who passed by would have been scared away after seeing this horrific scene!

After all, no one wants to cause trouble if it does not concern them!

Seeing Qiu Yu's painful look, David laughed!

Now David has slowly integrated into the law of the jungle in the world of heaven and man!

If you want the other party to be afraid of you, there is no other way except cruelty and strength! Conquering people

with virtue is just a saying made up by the secular world in order to control everyone's thoughts!

In this world of heaven and man, it is not applicable at all!

Qiu Yu looked at his severed legs and regretted it to death at this moment. He regretted why he provoked David and regretted why he chased out of the city!

For the so-called face, he might even

have to sacrifice his life now! Although David cut off Qiu Yu's legs, he did not intend to let him go. He knew that this kind of villain would definitely retaliate crazily once he returned alive, so he had to cut the grass and eradicate it!

"Seeing that you are in so much pain, I'll give you a quick death!"

After David finished speaking, the Dragon Slaying Sword was about to cut it down!

"Stop!" An angry shout rang out!

Then more than a dozen figures came quickly from a distance, led by Captain Zhou, the prison guard!

His tall figure made him visible from a distance!

Chapter 4617

"Captain Zhou, help, help..."

Seeing that it was Captain Zhou, Qiu Yu hurriedly shouted!

He originally thought that he was going to die, but he didn't expect Captain Zhou to arrive in time, so he didn't have to die!

Captain Zhou looked at the monks who died tragically and Qiu Yu whose legs were already broken, and his brows couldn't help but frowned!

"You are so brave, not only did you escape from the prison, but you also dared to hurt people, and even dared to touch Mr. Qiu?"

Captain Zhou looked at David and said with cold eyes!

David just looked at Captain Zhou coldly and said, "You have nothing to do here, get out of here, don't bring yourself a fatal disaster."

"Someone will naturally give you an explanation for my escape from the prison. I guess Bai Cheng has already taken the amnesty order to the prison."

"Even if there is an amnesty order, it is not a condition for you to escape from the prison, not to mention that you dare to hurt people." Captain Zhou roared!

"It seems that you must catch me?" The murderous aura on David began to spread!

If Captain Zhou is ignorant and insists on fighting with himself, David doesn't mind killing him together!

Captain Zhou is only the fourth level of the Mahayana realm. It is easy for David to kill him!

Outside this beast city, David is not subject to any restrictions and can use all the power in his body. Unlike in the beast city, in the beast city, David can only use the power of the beast tribe carefully!

"Of course I'm going to catch you."

Captain Zhou said, holding a long knife, and attacked David directly!

David looked at Captain Zhou attacking with a long knife, and a hint of coldness flashed in his eyes.

He shook his head slightly and said coldly: "Since you don't know whether to live or die, don't blame me for being rude."

Captain Zhou took the lead, and more than a dozen guards behind him also showed their weapons and followed.

They quickly dispersed and formed a formation to surround David in the middle.

Captain Zhou roared: "Bold lunatic, you can't escape today!" After that, he swung the long knife in his hand, and a sharp knife energy slashed towards David.

David stood there, motionless, as if he didn't take the attack seriously.

Just when the sword energy was about to hit him, he lightly raised the Dragon Slashing Sword in his hand and easily resolved the sword energy.

"Is that all you can do?" David's mouth corners slightly raised, revealing a disdainful smile.

Captain Zhou's face sank. He didn't expect David to resolve his attack so easily.

Just when Captain Zhou led his men to attack David, Qiu Yu secretly crushed a jade slip, which was a signal to ask for help from home!

Regardless of whether Captain Zhou can beat David, Qiu Yu only hopes that he can hold on until his family comes to rescue him!

At this time, Captain Zhou looked at David with a gloomy face, and then shouted: "Form a formation!"

A dozen guards heard the order and immediately changed their formation. Rays of light emanated from them, connecting to each other to form a powerful formation.

In the formation, the pressure suddenly increased, as if a mountain was pressing on David.

David felt the pressure around him, but his expression was still calm.

The Dragon Slaying Sword in his hand shook slightly, and a powerful force emanated from it.

"Break!" David shouted softly, and swung the Dragon Slaying Sword forward. A brilliant sword light flashed, and it slashed directly at the formation.

The sword light collided with the formation, making a loud noise.

The formation trembled violently, and the light flickered. But in just a moment, the formation was broken by the sword light.

More than a dozen guards were shocked and flew backwards, spitting blood from their mouths.

They looked at David in horror, their hearts filled with fear.

Captain Zhou was shocked to see that the formation was broken.

He knew that he had underestimated David's strength, but there was no way out at this time.

He gritted his teeth, swung the long sword again, and rushed towards David.

David looked at Captain Zhou who was rushing over, and a hint of murderous intent flashed in his eyes. He flashed and appeared in front of Captain Zhou in an instant

## Chapter 4618

Captain Zhou only felt a flash before his eyes, David was already in front of him, and before he could react, the Dragon Slashing Sword in David's hand had already stabbed into his chest.

Captain Zhou hurriedly swung his sword to block, but David's speed was too fast and his strength was too great, and his sword could not block the Dragon Slashing Sword at all.

Puff!

The Dragon Slashing Sword directly pierced Captain Zhou's chest, and blood gushed out. Captain Zhou widened his eyes, his face full of disbelief.

David drew out the Dragon Slashing Sword and looked at Captain Zhou coldly: "I said, don't bring yourself a fatal disaster."

Qiu Yu, who was lying on the ground, had been watching the scene in front of him!

When he saw Captain Zhou being pierced by David's sword, his heart died! Originally, he thought he didn't have to die and was saved, but now there is no hope at all.

Even if Captain Zhou could fight with David for a few moves and delay time, it would be fine, so that his family could come to save him!

But now, he was killed by two moves, just like slaughtering a chick!

Especially the formation that Captain Zhou and a dozen guards set up, which was also purchased at a high price, and then practiced day and night!

Unexpectedly, it couldn't withstand David's sword!

"I was wrong, don't kill me, please..."

Captain Zhou's mouth was bleeding, and his eyes were full of regret and despair!

Although he had seen David's fight with Bai Cheng and knew that David was not weak, he didn't expect him to be so outrageous!

Even the formation that their prison guards had practiced painstakingly was broken so easily!

If he knew, he would never chase David!

David escaped from the prison, he was just punished, and compared with losing his life, the punishment was nothing!

David looked at Captain Zhou who admitted his mistake, and suddenly remembered something, with a cruel smile on his face.

"I can not kill you, but you have to do something for me."

David said!

"What is it?" Captain Zhou asked!

"If you kill him, I will let you go..."

David drew out the Dragon Slaying Sword and pointed it at Qiu Yu who was lying on the ground!

"This..."

Captain Zhou was stunned and seemed very hesitant!

"You only have three seconds to think about it. Will you die or will he die..."

David said coldly!

Captain Zhou felt the murderous intent on David's body, and could only raise his knife and walk towards Qiu Yu step by step!

“Mr. Qiu, I’m sorry. Anyway, you can’t live. I hope you can help me. I have an old mother and children!”

Captain Zhou looked at Qiu Yu and said helplessly!

“Mr. Zhou, if you kill me, do you know what the consequences will be? My father will kill your whole family and punish your nine clans!”

Qiu Yu didn’t expect David to let Captain Zhou kill him. This is too insidious!

“Punish the nine clans, that’s a matter for the future. I’d better save my life now!”

“I’m sorry...”

Captain Zhou said, and raised the long knife in his hand and chopped towards Qiu Yu!

Ding!

Suddenly there was a crisp sound, and a white light hit the knife in Captain Zhou’s hand, and the long knife broke into two halves instantly!

Captain Zhou staggered back several steps!

A man who looked somewhat similar to Qiu Yu was coming quickly. He was so fast that he was in front of him in the blink of an eye!

“Brother.....”

Qiu Yu burst into tears when he saw the person coming.

The person coming was Qiu Yu’s elder brother Qiu Tu.

Qiu Tu’s long hair was fluttering, and his whole body was full of spiritual energy like mist. He carried a long sword behind him, which made him look like a swordsman!

Judging from the aura on Qiu Tu’s body, he was at the fifth level of the Mahayana realm!

Qiu Tu glanced at Qiu Yu’s miserable condition, frowned slightly, and looked at Captain Zhou coldly!

Feeling Qiu Tu’s gaze, Captain Zhou was shocked and hurriedly explained: “Master Qiu, just now I...”

Swish!

Before Captain Zhou finished speaking, a flash of white light passed by!

Qiu Tu made a move and slashed with a sword!

Captain Zhou was instantly split in two and died!

And the sword on Qiu Tu's back seemed to have not moved at all, because the speed was too fast, many people couldn't see it clearly!

## Chapter 4619

Captain Zhou is from the City Lord's Mansion, but Qiu Tu did not hesitate to kill him. It can be seen that Qiu Tu is more ruthless than Qiu Yu!

"Did you hurt my brother?"

After killing Captain Zhou, Qiu Tu looked at David coldly and asked!

"Guess..." David smiled faintly!

Although Qiu Tu is a fifth-grade Mahayana Realm, David is not afraid. Even if Qiu Tu really has some ability, David will have no problem protecting himself!

"Brother, it was him. He beat me and took away the beast pills of the people in our mansion. My legs were also crippled by him."

"You have to avenge me, you have to avenge me..."

Qiu Yu cried loudly, asking his brother to avenge!

"Don't worry, I won't let him leave alive. I will also find a way to connect your broken legs."

Qiu Tu looked at David coldly, with a strong murderous intent in his eyes!

"Connect?"

David smiled, waved his hand casually, and a white light flashed. Qiu Yu's chopped legs turned into powder!

They have all turned into powder. Let's see what other methods can be used to connect them!

“You...”

Qiu Tu didn't expect David to be so rampant. He was just a cultivator in the Tribulation Realm. Where did he get the confidence to face this fifth-grade Mahayana Realm without restraint!

“Go to hell...”

Qiu Tu shouted angrily, and the long sword behind him suddenly came out of the sheath. The sharp sword energy crossed the sky, instantly causing the void to stir, and the sword intent shot out!

“Spirit sword? I didn't expect you to have a spirit sword!”

David was a little surprised, because the sword on Qiu Tu's back was also a spirit sword, and it obviously had a sword spirit!

You should know that it is very difficult for a spirit sword to have a sword spirit. Even if it has a sword spirit, it is very complicated to enlighten the sword spirit!

Otherwise, the sword spirit will be like a machine, without any emotion!

Zhongli, the sword spirit in David's Dragon Slashing Sword, is now a complete person. He is no longer a spirit body, and he also has a complete mind!

“I didn't expect that you can recognize the spirit sword. Let you die under my spirit sword today, you are not at a loss!”

The long sword in Qiu Tu's hand kept surging, and the sword intent was crisscrossed!

David's eyes moved slightly, and the Dragon Slashing Sword in his hand also swung along. A sword beam also cut through the void, and then the two sword beams collided with each other!

With a deafening sound, the two sword beams disappeared at the same time!

The entire void returned to calm, and David only felt a slight numbness in his palm!

And Qiu Tu opened his eyes wide, looking at David in disbelief!

He didn't expect that David could withstand his attack and not lose the upper hand!

You have to know that the sword in his hand is a spiritual sword, with a sword spirit, and the sword spirit has also opened his mind!

“Could it be that the boy also has a spiritual sword in his hand?”

Qiu Tu stared at the Dragon Slaying Sword in David's hand, as if he wanted to see something!

Qiu Tu's eyes were as sharp as a hawk, tightly locked on the Dragon Slaying Sword in David's hand, and the shock in his heart surged like a tide.

He never expected that this seemingly ordinary cultivator in the Tribulation Realm in front of him actually also had a spiritual sword, and from the attack just now, the power of this spiritual sword was no less than his own.

"You...your sword is also a spiritual sword?" Qiu Tu's voice was trembling with disbelief. He couldn't understand why a cultivator whose realm was far lower than his could have such a precious treasure.

David smiled calmly, and the Dragon Slaying Sword in his hand trembled slightly as if responding to his master's pride: "Yes, this is the Dragon Slaying Sword. It has been with me for many years, and the sword spirit in the sword has also become intelligent."

Before he finished speaking, a bright light suddenly burst out from the Dragon Slaying Sword, and the figure of the sword spirit Zhongli appeared looming, and an ancient and majestic aura filled the air.

## Chapter 4620

Although Zhongli did not show up, the invisible sword intent had solidified the surrounding air, as if even time had stopped.

Qiu Tu's face suddenly changed when he saw this. He knew very well what it meant for the sword spirit to become wise. It was not only that the power of the sword was doubled, but also that it was an extension of the sword master's will and a manifestation of the perfect fusion of sword and man.

Although he also had a sword spirit, in comparison, it seemed to lack a certain indescribable charm.

"Humph, even if it is a spirit sword, so what? Today I, Qiu Tu, will definitely kill you here!"

Qiu Tu shouted angrily, and the spiritual power in his body surged wildly. The spirit sword behind him also emitted a deafening dragon roar. The runes on the sword body flashed, and powerful sword intent surged out like a tide, rushing straight into the sky.

Seeing this, David curled his lips into a cold smile, and suddenly raised the Dragon Slaying Sword, with the tip of the sword pointing directly to the sky.

A more majestic sword intent burst out from his body, colliding fiercely with Qiu Tu's sword intent in the air, forming a series of brilliant sword lights, dyeing the entire sky colorful.

"In a sword intent duel, it depends on whose sword is sharper and whose will is more determined!"

David's voice echoed in the sword light, and the light on the Dragon Slaying Sword became more and more dazzling.

The figure of the sword spirit Zhongli finally appeared completely, holding a long sword, and launched a fierce confrontation with Qiu Tu's sword spirit in the void.

The two great sword spirits, one majestic and simple, the other fierce and domineering, every collision between them is accompanied by a deafening roar, as if to tear the world apart.

As the sword light flashed, the sword intent was crisscrossed, and each sword light contained enough power to destroy mountains and rivers.

Qiu Tu's face was full of shock and unwillingness.

He originally thought that with his fifth-grade Mahayana cultivation and the power of his spirit sword, he could easily crush David, but reality dealt him a heavy blow.

David's sword power and sword spirit were far beyond his expectations.

"This... How is this possible!"

Qiu Tu's voice was filled with a hint of despair. He could feel that as the battle continued, his sword intent was being rapidly consumed, while David seemed to be endless, and each attack became more and more fierce.

You must know that David absorbed countless sword intents in the Sword Washing Pond of the Refining Sect. If it was just a sword fight, Qiu Tu would be a little bit behind!

Qiu Yu, who was standing aside, had already turned pale with fear and was so shocked that he couldn't speak.

He originally thought that with the help of his brother, he could easily avenge his hatred, but the scene before him made him completely desperate.

He had never seen such a horrible battle, and he didn't expect David to be so powerful.

“Brother...save me...” Qiu Yu’s voice was filled with tears. He tried to ask Qiu Tu for help, but in this fierce sword duel, Qiu Tu had no time to care about him.

Finally, after a violent collision, Qiu Tu’s sword spirit was chopped off by Zhongli’s sword, and the originally brilliant runes on the sword became dim.

Qiu Tu’s face turned pale instantly. He spent countless efforts to cultivate this sword spirit, almost like his own child.

But now it was directly killed by Zhongli. The originally sharp spirit sword, at this moment, because of the disappearance of the sword spirit, has also become an ordinary long sword!

“You destroyed my spirit sword, I must kill you...”

Qiu Tu held the long sword that had become very ordinary in his hand and roared loudly.

Even if the long sword became ordinary, Qiu Tu raised it high, and the sword edge reflected the light, reflecting the cold light!

Qiu Tu was surrounded by flames and his body slowly floated up!

As the breath in Qiu Tu’s body exploded to the peak, he directly let go of the long sword in his hand!

Even without the sword spirit, at this moment Qiu Tu’s long sword actually burst out with a white light, and then turned into ten, a hundred!
