Chapter 4646

“Brother, don’t be stubborn. Are you really going to kill the three of us?”

“You should run away with us...”

The youngest sister looked at her brother with tears in her eyes and persuaded him.

“Don’t say anything. I finally have this kind of thing. How can I give up?”

“My brother and I have always been the target of bullying. This time I can join the Qiu family. I can walk sideways in the Beast City. Let’s see who dares to mess with me.”

“Don’t worry, sister. I will act quickly and you won’t suffer.” The

youngest sister’s brother looked at the youngest sister, his eyes full of coldness and ruthlessness!

“Are you still a human being? You even want to kill your own sister?”

Xiong Kuo looked at the youngest sister’s brother and his face flushed with anger!

He also had a sister. Xiong Kuo would rather die than kill his sister!

Bang!

The youngest sister’s brother punched Xiong Kuo directly, and then said in a cold voice: “Shut up, the reason why I brought you here is because your sister is too beautiful. It would be a pity to kill her like this. I want to have fun with her first and then kill her!”

The youngest sister’s brother’s eyes flashed with greed and cruelty. He pushed Xiong Kuo aside and approached Xiong Ying step by step.

Xiong Ying retreated in horror, her eyes full of despair. She held the youngest sister’s hand tightly, and the youngest sister pleaded in a trembling voice: “Brother, please, let them go! They are all innocent!”

“If you touch my sister, I will never forgive you, I swear...”

Seeing that the youngest sister's brother was going to attack his own sister, Xiong Kuo was so angry that he trembled all over and roared loudly!

But he had no way to stop it. The spiritual power in the three of them had been sealed long ago, and now they were just ordinary people!

"Little sister, get out of the way, if you weren't my sister, I would have played with you too."

"It's a big loss to give you to David. I thought that guy had a deep background and could enjoy the good life with him, but I didn't expect that he was nothing."

The youngest sister's brother pushed the youngest sister away and let her fall to the ground!

Looking at her brother, the youngest sister burst into tears. At this moment, her heart was broken!

She had gone through a lot of hardships to save her brother, but she didn't expect that her brother would be such a person! He

even cared about his own body, worse than pigs and dogs!

The youngest sister's brother looked at Xiong Ying, a sneer appeared on the corner of his mouth, and he stretched out his hand to grab Xiong Ying: "You beast! We won't let you go!"

"Hahaha, I am a beast, so what? I haven't played with a big beauty like you yet. Playing with you once, even if I die, it's worth it..."

After that, the youngest sister's brother rushed towards Xiong Ying, and Xiong Ying was inevitably pressed under the youngest sister's brother!

The youngest sister's brother's eyes were bloodshot, and he kept tearing Xiong Ying's clothes!

Xiong Ying struggled desperately, shouting for help, but who could save her in this wilderness?

Xiong Kuo looked at his sister being humiliated, and a trace of determination flashed in his eyes. He knew that he could not compete with his youngest sister and brother in his current state, but the idea of protecting his sister made him burst out with unprecedented courage.

He suddenly broke free from the sense of restraint brought by the sealed spiritual power. Although the power was weak, it was enough for him to take action.

“I swear by my blood, I will protect you until my death!”

Xiong Kuo roared, and some ancient power seemed to be awakened in his body. His eyes turned red in an instant, and there was a faint flicker of fire around his body.

This is a protective power from the ancestors, which awakened at the critical moment.

Seeing this, the youngest sister’s brother had a flash of astonishment on his face, but it was immediately replaced by a sneer: “With your little power, you want to stop me?”

He waved his palm with disdain and directly repelled Xiong Kuo.

Xiong Kuo, who had just broken free from the restraints, has not fully recovered yet!

Chapter 4647

“Brother, stop, stop...”

The youngest sister ran over and desperately pulled her brother to let Xiong Ying go!

How could the youngest sister’s brother let Xiong Ying go when the youngest sister’s brother was in a state of panic?

“Get out of the way...”

The youngest sister’s brother slapped the youngest sister with one palm and slapped her away directly. The youngest sister’s body fell heavily to the ground, spitting blood!

But the youngest sister’s brother didn’t even look at her, only cared about Xiong Ying under him! At

this time, David heard a faint cry for help, and his brows frowned instantly!

Because he could tell that it was Xiong Ying’s voice!

David’s clothes moved automatically without wind, and then the surrounding mountains and forests also made a rustling sound, and the leaves began to sway!

David began to activate the power of the origin of wind, and a strange sound of wind suddenly sounded. In the originally calm mountains and forests, a sudden strong wind blew, and leaves flew.

The youngest sister's brother was stunned and his movements stopped involuntarily.

Then, he was surprised to find that the strong wind that suddenly blew around him actually turned into wind blades and attacked him.

"What's going on?!"

The youngest sister's brother was shocked and kept dodging the wind blades. He no longer had the chance to attack Xiong Ying.

Seeing this, Xiong Ying hurriedly got up and ran towards the youngest sister.

"Youngest sister, youngest sister..."

Xiong Ying was concerned about the safety of the youngest sister!

Xiong Kuo looked at the sudden wind blades with a face full of shock. He didn't understand how there could be wind blades in this sudden strong wind?

This was obviously a strong wind created by someone, and the other party must have sent this wind blade!

But who is helping them in this place?

Just when Xiong Kuo couldn't guess who was helping, a figure slowly appeared!

"Mr. Chen..."

Seeing the person coming, Xiong Kuo was immediately shocked. He didn't expect it to be David.

After seeing that it was David who came, Xiong Ying and the youngest sister were also excited and tears filled their eyes!

The youngest sister's brother was also a little dumbfounded and looked at David in disbelief.

"You...you...you were sucked into the gourd and trapped inside?"

The youngest sister's brother asked in disbelief!

At this time, Qiu Tu, Master Luan and Qian Yue also chased over. The sudden strong wind just now also made several people tremble in their hearts!

"That broken gourd wants to trap me, it's simply a fool's dream."

“If it weren’t for the wind source in the gourd, I would have come out long ago.”

David said with a disdainful smile!

Master Luan’s face turned red and white after hearing what David said. He just boasted that his gourd was very powerful, and now he was immediately slapped in the face!

“Master Luan, quickly cast the formation and catch him!”

The youngest sister’s brother looked at Master Luan and said!

But Master Luan ignored him, but looked at David with a serious face!

David glanced at Xiong Ying. At this time, Xiong Ying’s clothes were torn, and large areas of snow-white skin were exposed. The skin was delicate and smooth, as if it had been soaked in milk!

Coupled with Xiong Ying’s slightly red cheeks, David was also furious!

No wonder the youngest sister’s brother couldn’t control himself at all!

At this time, the youngest sister looked a little embarrassed, with blood flowing from the corners of her mouth, and her face was extremely pale.

“Did he do all this?”

David asked the youngest sister and Xiong Ying!

The two girls nodded aggrievedly, which made David furious!

You know, the youngest sister went through a lot of hardships to save her brother!

But in the end, it turned out to be this result!

“You deserve to die...”

David looked at the youngest sister’s brother and spit out three words with gritted teeth!

Just these three words scared the youngest sister’s brother so much that his body trembled, and he quickly hid behind Qiu Tu and Master Luan!

David walked towards Na Yao Mei’s brother step by step. The terrifying aura on his body made Na Yao Mei’s brother unable to breathe!

“Get out of here!”

David said coldly to Qiu Tu and Master Luan!

Chapter 4648

Qiu Tu was stunned and wanted to say something, but feeling the murderous intent from David, he finally closed his mouth and slowly moved away!

Master Luan also hurriedly dodged. They couldn't fight David now for the sake of the youngest sister!

It can be said that the youngest sister is not even as good as an ant in their eyes!

"Master Qiu, Master Qiu..."

The youngest sister was dumbfounded and hurried to ask for help, but Qiu Tu didn't even look at him!

The youngest sister saw that Qiu Tu and Master Luan had abandoned him, and fear surged in his heart like a tide.

He retreated again and again until he could no longer retreat. He leaned against a big rock, his face as pale as paper, his eyes full of despair and fear.

"Brother-in-law, no, no, no... Chen... David, let me go, I... I was wrong, I shouldn't have attacked Xiong Ying, and I shouldn't have ignored the relationship between brothers and sisters..."

The youngest sister's voice trembled, and his tone was full of pleading and repentance.

David was not moved by this. His eyes were as cold as frost, as if he wanted to freeze the youngest sister's brother completely.

"Your mistake cannot be made up by a simple mistake. You have hurt not only Xiong Ying and the youngest sister, but also your own soul and humanity."

David's voice was cold and cruel, as if the youngest sister's brother had been sentenced to death! When

the youngest sister's brother heard this, his legs softened in fear and he fell to his knees on the ground!

"Sister, brother was wrong, save me, save me..."

The youngest sister's brother could only ask his sister for help at this moment!

The youngest sister looked at her brother from the side, tears falling again. She was heartbroken by her brother's evil deeds and afraid of David's determination.

She knew that at this moment, no matter how she begged, she could not change David's decision.

"David, I... I am willing to use my life to exchange for my brother's life. I only ask you to give him a chance to reform."

The youngest sister suddenly knelt on the ground, clasped her hands together, her eyes full of pleading.

The youngest sister could not be as cruel as her brother. After all, he was her own brother, and the youngest sister could not give up!

David's expression eased slightly, but then he became firm again.

"Youngest sister, I understand your kindness, but justice and sin cannot be confused because of personal feelings. Your brother's behavior has touched my bottom line."

After speaking, David moved his body and appeared in front of the youngest sister's brother like a ghost. He raised one hand gently, and lightning flashed in his palm. That was the fatal blow he was about to release.

"No! Don't! David, I was wrong, I was wrong!"

The youngest sister's brother shouted in despair, but everything was irreversible.

With a flash of lightning, the youngest sister's brother's body was completely devoured, leaving only scorched clothes and the smell of burning in the air.

His life, at this moment, came to an end.

David took back his hand and looked at the youngest sister with complicated eyes: "I hope that this incident can teach you a lesson. The greed and evil thoughts in human nature, once indulged, will drag people into the abyss."

"Some people and some things can be forgiven, but others can never. Don't blame me..."

At this moment, the youngest sister could only cry helplessly. How could she be qualified to blame David? This was all her brother's fault!

Qiu Tu and Master Luan on the side looked at the disappearing brother of the youngest sister, and the expressions on their faces became more and more solemn!

David's means and strength are impacting their cognition again and again!

The most afraid at this time is Qian Yue. He thought that if he joined the Qiu family, he would be rich and prosperous, with fine clothes and food!

But now it seems that everything is wrong!

He regretted it at this moment. He regretted agreeing to cooperate with the Qiu family. It would be better to mine the fairy stone with David!

But now it's too late to regret it. He doesn't know what the result will be waiting for him!

Qian Yue turned his attention to Qiu Tu and Master Luan. He knew that David would definitely not let him go, so now he could only turn to these two people for help!
