

A Man Like None Other Novel Chapter 4649-4650

Full Read Online **Chapter 4649** of the novel **A Man Like None Other**

Chapter 4649

“Now it’s your turn. Do you know who is the cruelest person in my life?”

David looked at Qian Yue with cold eyes!

At this moment, David’s heart was already filled with anger. He originally trusted Qian Yue very much and wanted to give him a chance to help him!

But he didn’t expect that his kindness was taken for granted, and Qian Yue betrayed him in the end!

“I... I don’t know...”

Qian Yue didn’t dare to look directly into David’s eyes, and said with evasive eyes!

“I hate people who betray me the most. All those who betray me have only one result, and that is death...”

After David said the word death, a horrified murderous aura directly enveloped Qian Yue!

Qian Yue trembled and took two steps back!

However, looking at Qiu Tu and Master Luan beside him, Qian Yue could only bite the bullet and said: “Don’t brag, you can’t kill me with Master Qiu and Master Luan here.”

“They can’t just watch and do nothing, if you dare to do it, you will be the one in trouble!”

“Humph!” David snorted coldly, his eyes full of contempt, not taking Qiu Tu and Master Luan seriously at all!

“You two, get out of here...”

David said to Qiu Tu and Master Luan!

The two looked at each other, and then Qiu Tu’s eyes narrowed slightly and said, “Boy, Qian Yue is now a member of my Qiu Mansion. If you want to kill him, I will never agree.”

“I don’t care whether you are a guest of Xing Daorong or not. If you really annoy me, the consequences will be unbearable for you.”

“You killed my brother, we can forget about it. As long as you give up this fairy stone mine, I can let you take these three people away, and we will not interfere with each other from now on.”

Qiu Tu actually didn’t have much confidence in his heart. After David easily escaped from the swallowing gourd, Qiu Tu no longer trusted Master Luan’s ability!

And he also fought with David, and was obviously not David’s opponent. Now David has broken through to the Mahayana realm. If they fight, they don’t seem to have much chance of winning even if they join forces!

But if he gave up Qian Yue like this and turned around to escape, Qiu Tu would also be embarrassed!

If this were to be spread out, who would go to their Qiu Mansion in the future!

So Qiu Tu wanted to scare David, hoping to scare David!

David listened to Qiu Tu’s words and laughed directly!

“What? Are you afraid?” David laughed!

David knew that with Qiu Tu’s character, as long as he had the confidence to win, he would never say such a thing.

It is estimated that he would die miserably, how could he say that he would not interfere with others!

Obviously, Qiu Tu had no confidence in defeating himself, so he said so!

“What a joke, what am I afraid of, we have Master Luan here, and with my words, we can defeat you, a first-grade Mahayana realm.”

“I’m just giving you a chance. If you don’t want it, don’t blame me for being rude!”

Qiu Tu pretended to be calm and sneered!

“In my eyes, the two of you are nothing, not to mention the two of you, even if the three of you come together, I look down on you!”

David’s tone was full of sarcasm and disdain!

This tone directly angered Qiu Tu!

As the young master of the Qiu family, how could he bear such humiliation!

As the saying goes, a gentleman can be killed but not humiliated...

“Qian Yue, Master Luan, the three of us will join forces to kill this kid today. He is too fu**ing arrogant. I can’t stand it...”

Qiu Tu called Qian Yue as well. After all, one more person means more strength!

“Okay!”

Qian Yue and Master Luan nodded!

“Mr. Chen, I’ll help you...” Xiong Kuo took a few steps forward and stood beside David!

Xiong Kuo broke through the shackles of spiritual power. Although his strength was not fully restored, he couldn’t just watch David fight three people alone!

“You’d better go and protect Yaomei and Xiong Ying. I’m enough for these three guys!”

David asked Xiong Kuo to retreat!

Chapter 4650

“Boy, you’re looking for death.”

“Kill.....”

Qiu Tu shouted, and took the lead in stabbing David with a sword!

Immediately afterwards, Qian Yue and Master Luan also attacked David together!

With Qiu Tu’s angry shout, a thrilling battle officially kicked off.

The sword light was like lightning, cutting through the sky. Qiu Tu held a long sword with a flashing cold light. The tip of the sword condensed with rich spiritual power, and with the sound of breaking through the air, he went straight to David’s chest. Chen

Ping’s face was calm, his figure was like a ghost, and he dodged the thunder attack with a slight side.

At the same time, his right hand quickly stretched out, the palm of his hand flashed with lightning, and a punch hit Qiu Tu's side ribs.

"Bang!" The fist wind collided with the sword light, making a deafening explosion.

Qiu Tu only felt a huge force coming, and his body involuntarily stepped back several steps, his face slightly pale.

David stood still as steady as a mountain, his eyes became more fierce.

At this moment, Qian Yue and Master Luan also launched an attack. Qian

Yue held a short blade in his hand, and his body was flexible, like a cunning fox, wandering around David, looking for an opportunity to attack.

Master Luan formed seals with his hands, muttering something, and a stream of cold air emanated from his body, gradually forming a black vortex, as if to suck David into it.

Facing the attack from the two, David was not afraid. He suddenly jumped up, like a tiger coming down the mountain, and with a wave of his left hand, a wall of fire appeared out of thin air, blocking Qian Yue's short blade outside.

At the same time, he kicked his feet, and the whole person rushed towards Master Luan like an arrow from a string.

"Hmph, a mere trifle!"

Master Luan snorted coldly, and the seals of his hands changed. The black vortex suddenly accelerated its rotation, and a strong suction force came, trying to draw David in.

However, David was prepared. The spiritual power in his body surged, forming a layer of golden shield to resist the suction force.

At this moment, Qian Yue seized the opportunity and attacked David from his blind spot. The

short blade flashed coldly in the sun, and went straight to David's back.

However, just when the short blade was about to touch David's skin, David's body moved strangely to the side again, and at the same time, his right hand became a claw and grabbed Qian Yue's wrist.

"Ah!"

Qian Yue cried out in pain, and felt a strong force coming, making him almost unable to move.

David took this opportunity to twist hard, and with a “click”, Qian Yue’s wrist was broken.

“Waste!”

David snorted coldly and threw Qian Yue aside like garbage.

At this time, Master Luan saw that the situation was not good, and no longer reserved his strength. The seals of his hands changed again, and suddenly a stream of black tentacles emerged from the black vortex, winding towards David like a venomous snake.

David’s eyes condensed, and the spiritual power in his body surged wildly. He waved his hands, and a golden flame burst out from his palm, instantly burning those black tentacles.

At the same time, he suddenly rose up again, like a golden lightning, and went straight for Master Luan.

Master Luan was shocked. He didn’t expect David’s strength to be so strong.

However, it was too late to escape at this time. David punched out with a dragon-like fist, carrying a blazing golden flame, and directly hit Master Luan’s chest.

“Bang!”

With a loud bang, Master Luan flew out like a kite with a broken string and fell heavily to the ground.

He vomited blood and his face was as pale as paper. Obviously, he was seriously injured.

At this time, Qiu Tu saw that Qian Yue and Master Luan were both injured, and a chill rose in his heart.

He knew very well that he was not David’s opponent. If he continued to fight, he would probably die.

However, as the young master of the Qiu family, how could he admit defeat easily?

“Boy, don’t be too proud! My Qiu Mansion is full of experts. Even if I die here today, you will never leave alive!”

Qiu Tu shouted in a timid manner.
