Chapter 4656

“Mr. Chen, this is.....”

Bai Cheng saw David bringing back three people, so he asked in confusion!

“These are all my friends, living here temporarily, is General Xing here?”

David asked Bai Cheng!

“Yes, General Xing was looking for you just now, maybe there was a problem at Qiu Mansion.”

Bai Cheng said!

David could guess at once that it should be the killing of Qiu Tu by himself that caused some commotion at Qiu Mansion!

“Take them to rest first, I’ll go find General Xing!”

David asked Bai Cheng to take Xiong Kuo and others to rest, and then he went straight to Xing Xing Daorong’s meeting room!

When David pushed the door open and entered, several commanders were sitting in the meeting room!

Seeing David come in, several commanders all stood up. This also shows that after David broke through to the Mahayana realm, everyone’s attitude towards David changed!

Who dares not respect a person who can make the thunder tribulation of the Mahayana realm as similar to the tribulation of the Immortal Realm?

“David, I’m looking for you, come and sit down!”

Xing Daorong stood up and pulled David to sit down next to him!

This position is enough to show Xing Daorong’s attention to David and David’s status in the Xing Mansion!

In the world of heaven and man, strength is respected and it is not just talk!

“General Xing, what do you want to talk to me about?”

David asked!

“A spy reported that the Qiu Mansion suddenly hoisted the white sails, and Qiu Wanqing’s two sons were dead.”

“Especially that Qiu Tu, who was just beheaded outside the Beast City. Qiu Wanqing is almost crazy.”

“Do you know about this?”

Xing Daorong looked at David and asked!

David nodded and said, “I know, Qiu Yu and Qiu Tu were both killed by me. I just killed Qiu Tu and rushed back.”

“It was you who really killed him.” Xing Daorong frowned slightly. It seemed that he had long suspected that David had done it!

“Why did you kill Qiu Tu?”

Xing Daorong asked!

Seeing this, David could only tell the truth!

Because he wanted to mine the fairy stone vein with Xing Daorong, David no longer trusted others!

Since he wanted to mine with Xing Daorong, he couldn’t hide anything!

When David told the story, the entire conference hall suddenly exploded!

“What? Can you still find the fairy stone vein now?”

“It’s incredible. I thought the fairy stone vein had disappeared long ago.”

“Fortunately, the people in the Qiu Mansion didn’t mine it. If the Qiu Mansion got these fairy stones, they would have definitely taken action against us long ago.”

Those commanders were all talking about it!

Xing Daorong’s face was full of shock and excitement. He never expected that David killed Qiu Tu for the fairy stone vein!

Now that David has told him about this, it means that David also intends to hand over the Xianling Stone Mine to the Xing Mansion for mining!

“You did the right thing. The Xianling Stone Mine does not belong to his Qiu Mansion. Qiu Tu, who colluded with others, actually wanted to occupy it. He deserves to die!”

“If Qiu Wanqing dares to make trouble for you, I will never sit idly by.”

Xing Daorong said very righteously!

“Thank you, General Xing!” David thanked him!

“You are a guest of my Xing Mansion. I should do this. What are you thanking me for? I just don’t know about the mining of the Xianling Stone Mine...”

Xing Daorong looked at David and spoke hesitantly...

“General Xing, I came back without stopping because I wanted to cooperate with General Xing in mining, and I also need General Xing to send more people.”

“Since Qiu Tu took people to the place where the Xianling Stone Mine is, the Qiu Mansion must also know the location. I am afraid that Qiu Wanqing will take people there and occupy the Xianling Stone Mine!”

David said!

When Xing Daorong heard this, he stood up and nodded repeatedly, “Yes, yes, yes, we must not let Qiu Wanqing get ahead.”

Chapter 4657

“All of you go and gather the troops immediately. Let David lead the team. We will go to the location of the fairy stone mine.”

“I will go there in person this time. If Qiu Wanqing dares to snatch it from me, I will fight him!”

After Xing Daorong’s order was issued, the commanders immediately took the order!

In just a few minutes, hundreds of soldiers had gathered, and dozens of guest officials had also gathered, including Bai Cheng!

David didn't waste any words and led his men out of the city in a mighty manner!

Along the way, many monks avoided him, not knowing what had happened!

Even the guards guarding the city gate hid from a distance, and no one dared to ask questions!

Whoever dared to interrogate the soldiers of the Xing Mansion would be courting death!

Just after David led hundreds of people out of the city in a mighty manner, in the hall of the Qiu Mansion, Qiu Wanqing looked at Qiu Tu's body and his body trembled uncontrollably! Qiu

Yu died, but he was not so sad, because he knew that he still had a son, Qiu Tu!

And in comparison, Qiu Tu was much stronger than Qiu Yu, and was the ideal successor in Qiu Wanqing's heart!

Qiu Yu only knew how to stir up trouble and seek pleasure, and he would die if he died!

But now, Qiu Tu is also dead, and both of his sons are gone, which makes Qiu Wanqing a little bit unable to bear it!

"Master, Xing Daorong has left the city with hundreds of people!"

At this time, the housekeeper of the Qiu Mansion stepped forward and said to Qiu Wanqing!

Qiu Wanqing frowned and gritted his teeth and said, "This guy must be heading for the fairy stone mine."

"Tu'er died because of this fairy stone mine. This fairy stone mine must not fall into the hands of Xing Daorong. Gather the troops immediately and let's go!" Qiu

Wanqing also knew about the fairy stone mine. Qiu Tu must have reported it before his death!

Now Xing Daorong suddenly led people out of the city, and Qiu Wanqing immediately guessed the reason!

Not long after, Qiu Wanqing also gathered hundreds of people and went out of the city in a mighty manner!

This time, all the cultivators in the Beast City were confused!

“Damn, what’s going on? Two of the three beast generals of Beast City have gone out, and they are all fully armed and have all the soldiers and horses.”

“I remember that these three beast generals have not left Beast City for many years. What happened today?”

“I’m afraid something big is going to happen. Something big is going to happen in Beast City...”

On the street, many cultivators were talking about it, but no one knew what happened!

Just after Qiu Wanqing led his men out of the city, only one of the three beast generals was left in Beast City!

Of course, Xing Daorong and Qiu Wanqing left the city, and they couldn’t escape the general Yan Shuangying!

“General, Xing Daorong and Qiu Wanqing are both out of the city, and they are all with all their men.”

A servant of Yan Mansion reported!

“It’s really strange, what are these two guys playing? It seems that Beast City has been uneasy these days.”

“Captain Zhou was killed outside the city for no reason, and Qiu Mansion also hoisted white sails. What happened?”

Yan Shuangying squinted his eagle eyes and pondered!

“General, now that both families have left the city, why don’t we take advantage of the situation to take down the Beast City in one fell swoop?”

“When the time comes, it won’t be so easy for both families to come back!”

the servant said in a low voice!

“Shut up, do you think the city lord doesn’t exist? The city lord just hasn’t shown up for many years, but he doesn’t exist.”

“I’m not that stupid, I just want to be a general steadily, I don’t want to be the city lord.”

“Whoever of the two families is willing to be the lord can be the lord, you continue to inquire about the news, just watch, you are not allowed to help either of them, understand?”

Yan Shuangying instructed his men!

“Understood.” The servant nodded, then turned and left!

Yan Shuangying was playing with the two iron balls in his hand, with a slight smile on his face, saying, “Two big idiots, haven’t you heard the story of the fisherman profiting from the quarrel between the snipe and the clam?”
