## Chapter 4681

Xiao Dynasty!

Xiao Yuanshan took Xiao Feng and many elites of the Xiao Dynasty and soared into the air together!

In front of them was a young man in white, followed by a woman in a Luo skirt, and behind them was Zuo Tianzheng!

Behind Zuo Tianzheng stood twelve monks with swords, all of whom were above the fifth rank of the Mahayana realm! Seeing

this lineup, Xiao Yuanshan and the others became solemn!

Zuo Tianzheng must have brought people here for no good!

However, facing so many strong men, Xiao Yuanshan was not afraid, after all, their Xiao Dynasty also had a backer!

Mr. Shi has added thousands of years of luck to the Xiao Dynasty!

Although these people in front of them are very powerful, they can't move the Xiao Dynasty!

"Zuo Tianzheng, you dare to bring people to my Xiao Dynasty, do you want to die once too?"

Xiao Yuanshan asked Zuo Tianzheng!

Zuo Tianzheng's face turned very ugly, but he didn't dare to get angry and said, "Emperor Xiao, don't get me wrong. I'm just leading His Highness Yun Li this time. Our Highness is looking for David!" "

Your Highness?" Xiao Yuanshan looked at Yun Li: "Are you from the Temple?"

Yun Li nodded: "Yes!"

"What are you looking for Mr. Chen for? Do you want revenge?"

Xiao Yuanshan asked!

“I just came here because of his reputation!” Yun Li said! “I

came here because of his reputation?” Xiao Yuanshan was a little confused, but he didn't believe what Yun Li said, but said coldly: “Mr. Chen is not in my Xiao Dynasty, he has been away for several days!”

“I know, I came here to wait for him!”

Yun Li certainly knew that David was not there!

Xiao Yuanshan frowned and looked at Yun Li in front of him!

He didn't understand, what did this person from the Temple mean?

And it seems that he is not here to fight, after all, he doesn't carry any hostility.

“It's not certain when Mr. Chen will come to our Xiao Dynasty.” Xiao

Yuanshan said!

“Whenever you come, I will wait until then. I know you will definitely be able to contact him!”

After Yun Li finished speaking, his body slowly fell down, directly to the ground, and then sat cross-legged on a huge rock!

Seeing this scene, although Xiao Yuanshan was full of doubts, he had no other choice but to take people back to the imperial city and let Yun Li and his people wait outside!

“Your Highness, I...”

Zuo Tianzheng saw Xiao Yuanshan leave, and wanted to follow Yun Li and say that he would leave by himself!

He didn't want to wait for David to arrive here. If he really took action at that time, Mr. Shi would come again, and he would probably be scared to death!

But he didn't dare to say it clearly, so he spoke hesitantly!

“You want to leave?”

Yun Li looked at Zuo Tianzheng.

Although Yun Li's eyes did not show any displeasure or anger, this look scared Zuo Tianzheng enough.

Yun Li didn't expect Zuo Tianzheng to do anything, he just asked Zuo Tianzheng to lead the way!

But how can Zuo Tianzheng, as the leader of the Demon Sealing Alliance, work for the Ten Palaces if he is so timid?

"No, no, no, I won't leave. Your Highness is still here. How can I leave?"

Zuo Tianzheng hurriedly shook his head and didn't dare to say the word of leaving!

Shi Lan looked at Yun Li who was sitting upright and said, "Yun Li, do we really have to wait here? We don't know how long we have to wait!"

"It won't be too long..."

Yun Li smiled slightly!

He knew that after Xiao Yuanshan returned, he would definitely notify David, and David would be back soon!

Yun Li guessed well. After Xiao Yuanshan returned, he immediately asked Xiao Feng to contact David using the sound transmission jade slip!

At this time, David was saying goodbye to Pavilion Master Qian in Nanjin City!

When he received Xiao Feng's sound transmission, David anxiously rushed to the square to take an airship to the Xiao Dynasty!

David didn't expect that even though Mr. Shi had shown up, the people in the temple had not been subdued and dared to cause trouble for the Xiao Dynasty!

## **Chapter 4682**

When David rushed to the airship, Ji Yun was explaining the airship to Yaomei!

Ji Yun grabbed Yaomei's hand and taught her step by step from behind!

Yaomei's face was slightly red, but she enjoyed it very much!

The actions of the two were very intimate. To outsiders, they were just like a pair of young lovers!

Because they were too involved, neither of them noticed that David had come to the airship!

“Ahem.....”

David could only cough twice deliberately when he saw this!

Hearing the sound, Ji Yun and Yaomei separated in a panic!

Seeing that it was David, Yaomei’s face was as red as a monkey’s butt, and she didn’t dare to look at David, as if she was caught cheating!

Ji Yun smiled awkwardly and said, “Mr. Chen, I’m teaching Yaomei how to control the airship!”

“Let’s set off immediately to Xiao Dynasty!”

David said to Ji Yun!

Seeing that David was very anxious, Ji Yun asked, “Mr. Chen, has something happened?”

“Don’t ask, let’s go!”

After David finished speaking, he entered the room of the airship!

He didn’t want to disturb Ji Yun’s good thing with Yaomei. If Ji Yun could be with Yaomei, David would be less worried!

Otherwise, Yaomei would always follow him, and David would have no time to take care of her!

After entering the room, David began to practice, and the aura around him became stronger and stronger!

He must use all the time to improve his strength!

He can’t always rely on Mr. Shi. Mr. Shi also said that he would not kill enemies for him!

You have to kill your own enemies yourself!

This time, the people from the Ten Palaces found Xiao Huangchao again. It seems that the other party was not afraid of being beaten!

David decided that he would never show mercy this time!

David, who has been promoted to the second level of the Mahayana realm, although his realm has been improved very quickly, what David lacks most now is experience! Although

the realm has been reached, David's cultivation speed is too fast, so that David lacks experience in some battles!

Often in the same realm, cultivators with many years of combat experience are stronger than those without experience!

While practicing, David also took out the jade slips of the Heaven and Earth Array!

David can only open one of the four jade slips, and the other formation jade slips cannot be opened, and the divine consciousness cannot enter!

He knows that when all the four formation jade slips of the Heaven and Earth Array are opened, the Heaven and Earth Array will appear, and then he will be able to find the opportunity to break the formation!

Now David doesn't even know where the Heaven and Earth Array is, let alone breaking the formation!

David tried to infiltrate his consciousness into the second formation jade slip little by little!

David's consciousness was like a thin thread, carefully exploring the gap of the second formation jade slip. This process was extremely difficult, as if he was racing against time and fighting against the invisible power of the seal.

Fine beads of sweat gradually oozed out of his forehead, but his eyes flashed with an unyielding light.

With each attempt, David could feel the rebound of the sealing force, an ancient and powerful force that seemed to contain the rules and order when the world was first created.

However, David did not retreat. He mobilized all his spiritual power, concentrated his mind to the extreme, and attacked the seemingly indestructible seal repeatedly.

Just when David was about to exhaust his mental strength, he suddenly caught a subtle opportunity.

That opportunity was like the brightest star in the night sky, guiding him to find the weak point of the seal.

David was delighted and immediately concentrated all his strength to launch the final attack on that point.

“Boom!”

A light sound echoed in David’s sea of consciousness, as if the seal finally couldn’t bear the pressure and collapsed.

Then, a vast torrent of information poured into David’s sea of consciousness, which was all the secrets of the second jade slip of the great formation of heaven and earth

## **Chapter 4683**

As David’s consciousness slowly penetrated into the second jade slip of the Heaven and Earth Array, an ancient and vicissitudes of life came to his face, as if he had traveled through time and space, bringing him into a mysterious and unpredictable state.

Inside the jade slip, the light flowed, the runes intertwined, forming a complex and magnificent array diagram, which slowly rotated and released a heart-pounding energy fluctuation.

David was immersed in this world constructed by the array. His mind moved with the flowing light and shadow, trying to capture every subtle change and understand the meaning behind each rune.

Time seemed to have lost its meaning here. David only felt that he seemed to resonate with this world, and every breath had a subtle connection with the surrounding array diagrams.

Gradually, he began to understand the essence of the Heaven and Earth Array – this is not just a formation for prohibition, but also a deep understanding and application of the natural laws between heaven and earth.

Each rune is an accurate simulation of the rules of heaven and earth, and the entire array is a collection of these simulations, which can mobilize the power of heaven and earth to achieve a nearly miraculous effect.

In this understanding, David found that in order to truly master and crack the great formation of heaven and earth, strength or skills alone are far from enough. The key lies in the perception and compliance with the invisible force between heaven and earth.

What he needs to do is not only to learn how to arrange or stimulate such a formation, but more importantly, to learn how to coexist harmoniously with nature and draw strength from it to fight against those existences that violate the laws of nature.

Just as David was immersed in this profound understanding, time in the outside world passed quietly.

Suddenly, a strong vibration interrupted his meditation. David retracted his mind and found that he not only successfully opened the second formation jade slip, but also had a qualitative leap in his state of mind and understanding of the formation. Chen

Ping didn't know that when he broke the second formation jade slip, a strange phenomenon fell from the sky above the heavenly world, and colorful rays of light appeared. There seemed to be human figures moving in the rays of light, as if it was another world!

However, this strange phenomenon disappeared in just a moment, and not many people saw it!

But this was enough to shock many cultivators in the Heavenly World, just like a huge rock thrown into a calm lake!

Many hidden forces in the Heavenly World also revealed their figures at this moment!

However, David didn't know this. After stretching his muscles, he walked out of the room!

After walking out of the room, David saw Ji Yun and Yao Mei standing on the deck of the airship, looking at the distant skyline. Ji Yun seemed to be telling Yao Mei something.

David just smiled and didn't disturb the two. Ji Yun had been following him. Now with the company of the youngest sister, maybe he wouldn't be too lonely!

And the youngest sister is no longer alone, and she has a home!

The airship came from the sky above the Xiao Dynasty and slowly landed towards the imperial city!

Xiao Yuanshan brought Xiao Feng and the ministers of the Xiao Dynasty, all of whom had already lined up to welcome them!

For the Xiao Dynasty, David is a nobleman. Without David, how could the Xiao Dynasty get Mr. Shi's thousands of years of luck!

At this time, Yun Li, who was outside the imperial city, slowly opened his eyes and smiled slightly, saying, "Here..."

"How do you know?"

Shi Lan asked in confusion!

"Feeling!" Yun Li slowly got up from the boulder, and his body disappeared instantly!

Shi Lan also led people to follow and entered the imperial city!

David took Ji Yun and the youngest sister off the airship, and Xiao Yuanshan and everyone immediately greeted them!

That scene stunned the youngest sister!

She didn't expect that David was so respected in this world of heaven and man!

"Mr. Chen, the Ten Palaces..."

Xiao Yuanshan walked up quickly and was about to tell David about the situation of the people from the Ten Palaces!

## **Chapter 4684**

But David waved his hand, then turned his head to look at the void, and said lightly: "No need to say, they are here..."

The void trembled, and then Yun Li's figure slowly appeared, and next to Yun Li was Shi Lan!

Behind them followed twelve black-robed monks of the fifth rank or above in the Mahayana realm, each holding a saber, full of murderous intent!

Zuo Tianzheng followed behind these black-robed monks. Although he couldn't leave, he hid far away!

David followed Yun Li and their eyes met, and both of them frowned slightly at the same time!

"Second rank in the Mahayana realm?"

Yun Li said with a frown!

Because he got the news that David was only a ninth rank monk in the Tribulation Realm, how could he become a second rank in the Mahayana realm?

He thought he had recognized the wrong person!

After all, Yun Li had never seen David. Xiao

Yuanshan was also stunned when he saw this. He hadn't noticed it just now, but now he found that in just a few days, David had actually reached the second level of the Mahayana Realm. This speed of improvement was simply incredible!

Zuo Tianzheng, who was following at the end, was also shocked and opened his mouth wide, his chin was about to drop!

“David, you...how did you become the second level of the Mahayana Realm?”

Zuo Tianzheng pointed at David and said stutteringly!

David didn't pay attention to Zuo Tianzheng, but looked at Yun Li and asked, “Are you looking for me?”

At this time, Zuo Tianzheng was no longer in David's eyes!

Yun Li nodded: “Tenth Palace, Yun Li...”

Yun Li politely arched his hands towards David!

Everyone who saw this scene was a little surprised. Could it be that Yun Li really didn't seek revenge on David?

He looked polite, without any murderous intent!

David returned the greeting by bowing his hands: “David...”

“Brother Chen, can we talk alone?”

Yun Li said!

Brother Chen? Talk alone?

What's going on?

Xiao Yuanshan and the others were a little confused.

In fact, even David himself was a little confused. He didn't know what Yun Li was up to!  
clsn't

this guy from the Ten Palaces looking for trouble?

"Okay!" David nodded!

"Mr. Chen..."

Xiao Yuanshan hurriedly wanted to speak out to stop him!

After all, the other party is also at the peak of the ninth grade of the Mahayana Realm, even if David has now been promoted to the second grade of the Mahayana Realm!

But it's not that simple to deal with a cultivator at the peak of the ninth grade of the Mahayana Realm!

And I don't know what kind of medicine the other party is selling in the gourd. If there is a fraud, then David is in danger!

David waved his hand, telling Xiao Yuanshan not to worry, and then made a gesture of invitation to Yun Li!

The figures of the two people disappeared quickly!

At this moment, the people of the Xiao Dynasty and the people of the Ten Palaces were left looking at each other!

The two protagonists are gone, and they can only wait, and no one dares to do it!

At this moment, David followed Yun Li side by side. There was no hostility from the two people, but they seemed like old friends for many years!

"You won't kill me?" David spoke first!

"Why should I kill you?"

Yun Li smiled slightly!

"I killed Luo Ta..."

David did not hide anything. He knew that Luo Ta was from the Ten Courts and was very important!

"So what?" Yun Li still had a smile on his face!

“I killed your Ten Courts people. Why are you looking for me if you are not here to seek revenge?”

David couldn't bear it anymore!

What exactly does this guy want to do?

Just say it directly, why is he dithering!

“I'm looking for you just because I'm curious about you.” Yun Li looked straight at David: “You have the aura of the three tribes in your body. Do you also have the ultimate fire of the demon clan?”

“What are you talking about?”

David spread his palms, and a demon clan ultimate fire began to beat in his palm!

After seeing this demon clan, Yun Li's calm expression finally showed a hint of shock. At the same time, the knife in his hand seemed to feel the demonic energy and began to tremble!
