## Chapter 4685

“You are not a demon cultivator, your demon clan’s ultimate fire is not pure.”

Yun Li gently pressed his long sword, and then said to David!

“Oh, how do you know?”

David was a little surprised!

His current ultimate fire is not the pure demon clan’s ultimate fire, but a fusion of multiple ultimate fires!

Unexpectedly, Yun Li saw it at a glance!

“I have seen pure demon clan’s ultimate fire, and it is not like this!”

Yun Li said!

David frowned slightly. He didn’t expect that the people in this temple had dealt with the Flame Demon?

“Is Mr. Shi behind you a demon clan person?”

Yun Li asked!

Now that David knows the ultimate fire of the demon clan, it is very likely that the backer behind him is a demon cultivator!

David shook his head: “No!”

“Who is he?”

Yun Li really wanted to know who the person who could kill Rota and resurrect him was!

Killing Luo Ta is not scary. If he really starts fighting, he is also capable of killing Luo Ta!

Although both of them are at the peak of the ninth level of the Mahayana Realm, Yun Li is the son of the Tenth Palace Master after all!

The sword in his hand is not something that Luo Ta, a worshiper, can possess!

When the realms are the same, the competition is about experience and magic weapons!

But killing Luo Ta and then resurrecting him is a bit outrageous. Even his father, the Tenth Palace Master, can't do it!

"I don't know!" David still shook his head!

Yun Li frowned and stared at David: "Don't you know who your backer is?"

Yun Li was a little unconvinced. After all, Mr. Shi was the one who covered David!

How could David not know the other party's identity!

But David didn't say anything. He really didn't know who Mr. Chen was!

David was very curious before and always wanted to find out Mr. Shi's identity!

But now, David didn't think about it at all. He just knew that Mr. Shi was one of the best people to him!

Nothing else mattered!

"I don't know!" David shook his head again!

Yun Li looked at David and didn't ask any more questions. Whether David really didn't know or didn't want to tell him, Yun Li knew that if he asked further, there would be no result!

"You are not a cultivator from the Heaven Realm, right?" Yun Li asked suddenly!

David was stunned, then nodded!

He didn't understand how Yun Li could tell, as if he was no different from a cultivator from the Heaven Realm!

No one had ever doubted that he was not a cultivator from the Heaven Realm!

But Yun Li saw it the first time he saw him!

I have to say that this guy has a really poisonous eye!

"Do you want to know how I saw it?"

Yun Li asked!

David didn't speak, expressionless, he didn't want to follow Yun Li's train of thought to control himself!

Seeing that David did not respond, Yun Li continued, "Because in the Heavenly Realm, there will not be a genius like you, and there will not be a cultivator like you who fights above your level."

"You are a second-grade Mahayana Realm. Even if you are a genius, being able to defeat a third- or fourth-grade Mahayana Realm is against the will of heaven!"

"But you can kill a cultivator at the peak of the ninth-grade Mahayana Realm. There will never be a pervert like you in the Heavenly Realm."

Yun Li said very confidently, and looking at Yun Li's confident look, David just smiled!

As a member of the God Clan, Yun Li's confidence is the most restrained!

After all, the cultivators of the God Clan are all arrogant and arrogant. It is estimated that if other people come, they will not talk to David about these things, and they will start fighting directly!

"You can ask me now, this is fair!"

Yun Li said to David!

"What kind of organization is your temple? What is the goal?"

David asked!

David is also very curious about this temple composed of the God Clan, and wants to know what kind of organization this temple is!

What is the purpose of forming this temple? Will it be related to the war between gods and demons?
