### Chapter 4691

Even if you can only enter the first level of the heaven, it is better than staying in the heavenly world. In the heavenly world, these heavenly cultivators are suppressed and embarrassed!

Seeing David say this, Yun Li laughed and said slowly: "If the ladder to heaven is so easy to pass, then there would be no cultivators in the heavenly world."

"With my strength, I could only barely reach the fourth level of the ladder to heaven, and I couldn't stay there for long and was defeated directly." "

Do you know how many cultivators fought to death and couldn't even get close to the edge of the ladder to heaven? You make it too simple."

"You can't even stay in the fourth level?" David frowned. Now Yun Li is at the peak of the ninth level of the Mahayana realm. His strength is considered very powerful, but with this strength, he can't even stay in the fourth level.

Yun Li said seriously: "Brother Chen, it is really difficult to climb the ladder to heaven. It is the guidance of the great way. Not everyone can do it casually."

"In addition to the strength to climb the ladder to heaven, you also need a certain talent and the ability to suddenly realize it. The great way of heaven and earth, each level is a unique path. You must know that each path is a world. It is not as simple as you think!" "

When the ladder to heaven is opened this time, I can take you to try it. It can help you quickly improve your strength and exercise your sudden realization. However, it is also very dangerous. I don't know how many cultivators died in the ladder to

heaven!" David listened carefully to Yun Li's words, which shocked him. In this way, the so-called guidance should be a great way of heaven and earth looking for that kind of peerless genius in various low-level worlds, and then let them enter heaven!

People with mediocre qualifications may not even think about it in this life!

"You mean, the immortal cave is in a certain level of the ladder to heaven?"

David asked Yun Li!

After all, Yun Li cannot enter heaven now, so he can't possibly come to tell me about this with the treasure map of heaven!

Now listening to Yun Li's words, it must be in one of the levels of this ladder to heaven, after all, each level is a world!

Obviously, each of these worlds was opened up by a powerful cultivator, but they also exist in reality.

Just like this world of heaven and man, it was also opened up by the Wuji Holy Sect, but this kind of real world, even the opener cannot destroy it at will, and needs to follow the rules of heaven and earth!

"Yes, the Immortal Cave is on the fourth level of the Ladder to Heaven, but I can only stay on the fourth level for a while, so I can't find it yet."

"But I believe that when the Ladder to Heaven appears again, I think I can stand firmly on the fourth level!"

Yun Li nodded! Chen

Ping heard this and his heart moved. The cave of the Immortal Lord is a great opportunity! However, he also knew that such opportunities are often accompanied by huge risks.

"Brother Yun, is this treasure map reliable?" David asked cautiously.

"Absolutely reliable! This is what I got from the relics of an ancient cultivator, and it still has the mark of that great cultivator."

Yun Li said very confidently!

David pondered for a moment, and finally nodded: "Okay, in this case, I will agree to you!"

Seeing David's agreement, Yun Li was also very happy, so he said: "You can kill anyone in the Ten Palaces, except my father."

"But my father will definitely continue to send people to kill you, you have to be prepared."

"Okay!" David nodded: "What is the strength of your Ten Palaces? There won't be many immortal realm cultivators, right?"

“Of course not, don’t you find that there are very few immortal realm cultivators in the Tianren Realm?” Yun Li said!

“Yes, it is indeed rare!”

David nodded.

In addition to the two domain masters in the immortal realm, and the Lord of the Beast City, he didn’t encounter any immortal realm cultivators!

Of course, there is also an old Taoist Wuji, who should also be in the immortal realm!

## Chapter 4692

“It is very difficult for cultivators in the Transformation Realm to improve in the Heavenly Realm. After all, the cultivation resources in the Heavenly Realm are limited, and they are mainly spiritual energy.”

“After reaching the Transformation Realm, cultivation requires the assistance of spiritual energy. This is why we in the Ten Palaces need a large number of immortal stones.”

“Many of these cultivators in the Transformation Realm avoid the world and concentrate on cultivation. Many of them are in the Ladder to Heaven.”

“I have said that each level of the Ladder to Heaven is a world. Many cultivators enter the Ladder to Heaven, and then practice in a certain world of the Ladder to Heaven. The world inside the Ladder to Heaven is different from the Heavenly Realm, and it contains various cultivation resources.”

“But the world inside the Ladder to Heaven is also full of dangers. It is thousands of times more dangerous and cruel than the Heavenly Realm. Even after reaching the fourth level, the realm will be suppressed. You can imagine how difficult it is!”

“Every time the Ladder to Heaven disappears, many cultivators choose to stay in the world of the Ladder to Heaven to practice. Of course, there are also many cultivators who are trapped in it and cannot leave.”

Yun Li explained to David in detail!

“Brother Yun, each level in the Heavenly Ladder is a world. Does that mean there are many people in each level?” Chen

Ping asked curiously!

After all, after owning a world, humans will definitely be born!

“Of course, they are all real worlds, of course, they will have humans. In addition to the cultivation resources, they are no different from the Heavenly Realm.”

“But there is one thing you have to remember. In the world inside the Heavenly Ladder, every living thing you see will be your enemy.”

“In that world, you will not have friends and relatives. The cruelty requires a strong mentality to bear.”

At this point, Yun Li’s face changed slightly, as if he remembered something!

“Are the humans in the world of the Heavenly Ladder all emotionless killing machines?”

David asked in surprise.

You know, the cultivators in the Heavenly Realm are also fighting for various resources, which is much more cruel than the secular world.

But when David came here, he still made a lot of friends and had a lot of confidantes!

“Of course not, the humans in the world of the Heavenly Ladder also have seven emotions and six desires, and they are certainly not emotionless killing machines.”

“It’s just that when we enter the world of the Heavenly Ladder, we are aliens, so we will only face being slaughtered.”

“This is also the reason why many Tianrenjie cultivators who stay in the world of the Heavenly Ladder to practice will face great danger!”

Yun Li said.

David thought for a while. He seemed to understand what Yun Li said, and also understood what the world of the Heavenly Ladder was like!

“Okay, don’t think about it. When the Heavenly Ladder appears, I will take you there once, and you will know everything.”

“I still want to ask you for one thing...”

Yun Li looked at David who was in deep thought and said!

“What else? Although you told me these, it doesn’t mean that I can help you with everything!”

David looked at Yun Li and said!

“Don’t worry, this matter won’t embarrass you!” After Yun Li finished speaking, he actually took out a dagger that was completely black and engraved with runes, and then handed it to David and said, “Kill me with this dagger...”

“What?”

David was shocked and almost jumped up!

He didn’t understand whether Yun Li had taken the wrong medicine, why did he want to kill him?

“Don’t be nervous, I’m not asking you to really kill me. I come to you but I don’t want to fight with you, simply because I don’t want to die.”

“I want you to use this dagger to kill a wisp of my soul so that my soul lamp in the Ten Palaces will go out.”

“If my soul lamp goes out, it means I’m dead and I don’t need to go back to the Ten Palaces.”

“Otherwise, if my soul lamp is in the Ten Palaces and I never go back, I will be regarded as a traitor to the temple. When the temple’s law enforcers appear, even my father can’t protect me.”

Yun Li followed David to explain!

Chapter 4693

When David heard this, he instantly understood why the people of the Ten Palaces knew that he had just killed Narota and sent Yun Li to find him!

“It’s a bit difficult to kill the soul without hurting your life and state!”

David frowned slightly!

“Of course it’s difficult, otherwise I wouldn’t ask you to do it.”

“But I won’t let you do it in vain. I have a special armor here with strong defense. If you wear it, it can greatly improve your strength.” “

This is a gift from my father. I have never been willing to wear it...”

Yun Li said, and spread his palm directly. A black box appeared and was placed in front of David!

“So generous?”

David looked at the box in front of him, and he couldn’t believe that Yun Li actually gave him such a valuable gift!

“Of course, I am very generous to my friends.”

Yun Li smiled!

“I don’t want it...” David shook his head!

“What? You don’t want to help me?” Yun Li was stunned!

“I can help you, but I don’t want this armor!”

David said!

“Are you afraid of owing me a favor?” Yun Li didn’t understand why David didn’t want his things!

“That’s not the case. I just think your armor is just so-so and I don’t want it!”

David said!

“Just so-so? Let me tell you, this is...”

Yun Li was about to refute, but he saw golden light flashing around David’s body!

Then pieces of golden scales covered David’s whole body, directly wrapping David like a golden armored god of war!

Looking at the golden armor on David’s body, Yun Li was stunned!

“You?” Yun Li opened his mouth in shock.

“This is my indestructible golden body. How does it compare to your armor?”

After David finished speaking, he directly stabbed his chest with the dagger in his hand!

Ding!

With a crisp sound, the dagger flew away directly, but there was no trace of David's indestructible golden body!

"Stop it, don't break my dagger again!"

Yun Li was startled!

His precious sword was broken by David. If this dagger is broken again, he will have no weapon!

Picking up his dagger, Yun Li said slightly embarrassedly: "Your armor is indeed better than mine. I didn't expect you to have so many treasures on you."

"It would be great if I could beat you. I would just kill you and all these treasures would be mine!"

After Yun Li finished speaking, he handed the dagger in his hand to David again!

David held the dagger and smiled faintly: "At this time, you actually said such a thing, aren't you afraid that I will kill you directly?"

"You won't..."

Yun Li smiled, and then a faint white mist emerged from his head!

This is Yun Li's soul leaving his body!

David waved the dagger in his hand instantly, and the runes on the dagger flashed with light. Yun Li's soul was directly cut off and slowly disappeared!

Yun Li's face turned a little pale, and his breath was obviously much weaker, but he still had a smile on his face!

"Thank you..."

Yun Li followed David to thank him!

"Yun Li, Yun Li..." Shi Lan suddenly broke into the room and ran towards Yun Li with a nervous look!

She could feel Yun Li's soul disappear!

When she saw Yun Li's face pale and his breath weakened, Shi Lan looked at David with obvious hostility!

“Brother Yun, I won’t bother you anymore...”

David got up and walked out!

Shi Lan wanted to stop David and ask for clarification, but was stopped by Yun Li!

“I asked Brother Chen to cut off a wisp of my soul, so that my soul lamp will go out, and we don’t have to go back to the Ten Courts, and the temple will not send law enforcers.”

Yun Li said with a smile!

“You are so bold, you dare to give your soul to a stranger to be killed, if he has evil intentions, you will be dead?”

Shi Lan said with some complaints!

“Don’t worry, if he wanted to kill me, I would have given up trying to see you again.”

“Now, we can be together happily, and no one will ever separate us.”

Yun Li hugged Shi Lan, and then pressed Shi Lan under him!

## Chapter 4694

Ten Palaces!

In a dim and mysterious secret room, the candlelight flickered, reflecting the hundreds of soul lamps densely scattered around, each lamp representing the life fire of an important member of the Ten Palaces.

The Tenth Palace Master, this majestic and deep ruler, was standing alone in this secret room, his eyes as sharp as a falcon, tightly locked on one of the soul lamps – that was Yun Li’s soul lamp.

Yun Li, who had shown extraordinary talent and wisdom since childhood, fell in love with a woman from the outside world because of an unexpected encounter, which violated the strict rules of the God Clan and also made Yun Li bear the crime of treason.

But for the happiness of his son, the Tenth Palace Master asked Yun Li to leave the Ten Palaces with his entourage in the name of carrying out a mission, but in fact he hoped that he could fly away with his beloved and live an ordinary and happy life from then on. However

, at this moment, the Tenth Palace Master's heart was beating like a drum, and his eyes were full of anxiety and uneasiness.

He knew that Yun Li's soul lamp was still in the Ten Palaces. Although Yun Li had left, the soul lamp was still there. If Yun Li never came back, the temple would definitely know it! When

the time comes, Yun Li will be identified as a defector, and law enforcers will be sent to hunt him down. If law enforcers really appear, the Lord of the Ten Palaces knows that he has no right to stop or interfere!

So he thought about moving Yun Li's soul lamp away, or extinguishing Yun Li's soul lamp!

In this way, the temple will not notice this matter!

But when the Lord of the Ten Palaces was staring at Yun Li's soul lamp, Yun Li's soul lamp suddenly jumped twice, and then it went out without any warning!

Seeing the extinguished soul lamp, the Lord of the Ten Palaces' eyes suddenly widened!

He couldn't believe that Yun Li was dead, and his son was dead!

He asked Yun Li to find David, but it was just an excuse, an excuse to let Yun Li leave the Ten Palaces!

As long as he left the Ten Palaces, Yun Li could take the woman he loved and fly away!

This is also the reason why the Ten Palace Master asked Yun Li to take all his followers with him!

But now, Yun Li's soul lamp has gone out.

"Did this silly kid really go to find David?"

The body of the Tenth Hall Master was trembling slightly!

After a while, the Tenth Hall Master barely calmed down the waves in his heart. He took a deep breath and slowly walked out of the secret room. Every step seemed extremely heavy.

When he came to the hall, he found a man in a black robe standing there quietly. The beast pattern painted on the black robe looked particularly hideous in the weak light, and the man's face was as pale as paper, with deep eye sockets, as if he had just returned from hell.

“Palace Master, Yun Li fell in love with a woman from the outside world, which broke the rules of my God Clan. He is a guilty person. How can you let him leave the Tenth Hall?”

The man questioned the Tenth Hall Master!

“Huo Qing, I know you are doubting me, suspecting that I let Yun Li go.”

“I can tell you now that Yun Li is dead. He died for the Tenth Hall...”

The Tenth Hall Master’s eyes were filled with anger!

“Yun Li is dead?” Huo Qing’s body trembled slightly, and he asked in disbelief: “How did he die?”

“Do you need to ask? Of course he was killed by that kid named David. Yun Li’s soul lamp has gone out. If you don’t believe it, I can take you to see it!”

said the Tenth Palace Master!

“Since the Palace Master said so, I’ll go and see it...”

Obviously, Huo Qing didn’t believe that Yun Li was dead at all, nor did he believe that Yun Li left the Ten Palaces to seek revenge on David! The

Tenth Palace Master suppressed his anger, turned around and walked out, and Huo Qing followed closely behind!

When he arrived at the secret room and saw that Yun Li’s soul lamp was extinguished, Huo Qing believed what the Tenth Palace Master said!

Chapter 4695

“Yun Li, why did you die? Your death was so worthless...”

Huo Qing suddenly started to howl!

Listening to the sound, it was so sad that the entire Ten Palaces could almost hear Huo Qing’s howling!

The Tenth Palace Master looked at Huo Qing with anger on his face, but didn’t say anything.

After crying for a while, Huo Qing took out a handkerchief and pretended to wipe it, and it was unknown whether he was really crying!

“Palace Master, that David really deserves to die, we must avenge Yun Li!”

Huo Qing wiped his face and said!

“Of course we have to avenge, I will ask you to avenge Yun Li now, and you must kill David!” The

Tenth Palace Master said!

“I’ll go?” Huo Qing was stunned, then waved his hand and said, “No, no, my strength is comparable to Yun Li. He was killed. If I go, won’t I be courting death?”

“I can give you 20,000 fairy stones. You must go and kill David. This is an order, not a negotiation...”

The Tenth Palace Master said with a cold face!

“This...” Huo Qing wanted to refuse, but seeing the Tenth Palace Master’s look, he could only nod in the end: “Okay, I’ll go!”

Huo Qing turned and left, and the Tenth Palace Master looked at Huo Qing’s back with murderous intent in his eyes!

He just wanted Huo Qing to die. This guy dared to question himself and challenge his majesty. It’s not a pity to die!

Huo Qing walked out of the hall, and soon a thin old man followed behind him. The old man was thin, but his eyes were very sharp!

“Master, how is it? Did the Tenth Palace Master let Yun Li go?”

“He did this, but he betrayed the temple. As long as we stab him, the Tenth Palace Master will definitely be punished.”

The old man whispered to Huo Qing!

“Shut up, Yun Li is already dead...”

Huo Qing glared at the old man and said!

“Dead?” The old man was surprised and said incredulously: “This Tenth Palace Master is so cruel that he really let his son die?”

“No mistake, I have seen Yun Li’s soul lamp go out.”

Huo Qing said!

“If that’s the case, then we can only continue to endure in the Tenth Palace and slowly look for opportunities.”

The old man said a little disappointed!

“Find a fart opportunity, the Tenth Palace Master asked me to kill David and gave me 20,000 fairy spirit stones. I didn’t have the opportunity to refuse at all!”

Huo Qing frowned, with a look of embarrassment on his face!

“20,000 fairy spirit stones? The Tenth Palace Master is really generous. In this case, let’s go and kill David and come back to report.”

“I heard that David’s strength is not strong, but David is protected by a master behind him.”

“This guy can’t be protected all the time. We just need to wait for the opportunity and we will be able to kill David.”

The old man said confidently.

Huo Qing glanced at the old man, and said with a bit of anger in his eyes: “Old thing, do you want me to die early?”

“Young master, what are you talking about?” The old man was shocked!

“That Luo Ta, and Yun Li, both died in the hands of David, and you still asked me to kill David. My strength is comparable to Yun Li. Yun Li is dead, can I still live?”

Huo Qing asked loudly!

“Young master, I have already inquired about it. David is only the ninth level of the Tribulation Realm. You can kill him with just a wave of your hand.”

“At that time, it was because of the appearance of Xiao Huangchao, plus the Wuji old Taoist, and Mr. Shi behind David, that the Tenth Prince and Luo Ta retreated.”

“This time Luo Ta and Yun Li were killed, and it must be the work of Xiao Huangchao or Mr. Shi. It is impossible that David did it.”

“Young master, don’t be scared. David is an ant in front of you!”

The old man kept encouraging Huo Qing to kill David!
