### **Chapter 4716**

“Mr. Chen, we are following Mr. Chen. Do you have any gift for us?”

The bearded man asked when he saw David was slow to speak!

“Oh, yes, yes...”

David said, rummaging in his storage ring, and then took out some immortal herbs and elixirs and distributed them to the ninth-grade monks of the Mahayana Realm!

“That’s it?”

The bearded man obviously had a bit of disgust on his face!

The others were also unhappy!

“Yes, these immortal herbs and elixirs are also priceless!” David nodded!

“Mr. Chen, if I follow you, don’t I get 10,000 immortal spirit stones?” The bearded man asked directly!

David was stunned, and then said, “Where can I get so many fairy stones for you!”

“fu\*\*, you should have said it earlier if you didn’t have fairy stones. You’re wasting time and making us brothers kowtow to you in vain!”

The bearded man cursed dissatisfiedly and threw away the fairy grass elixir in his hand!

Several other cultivators also cursed, then turned around and left, and soon disappeared!

Xuan Bin and Xiao Yuanshan were all stunned!

David himself was also stunned. When he reacted, he immediately shouted, “You fu\*\*ing.....”

Before David finished speaking, the other party had disappeared!

“Hahaha.....”

At this time, the Red Cloud Demon Lord laughed!

David only then understood what the Red Cloud Demon Lord meant!

“Mr. Chen, don’t be too angry. These guys came for the fairy stones, and they obviously didn’t really want to join you.”

“We brothers also know a lot of people, all of whom are in the ninth rank of the Mahayana realm, and can be recruited for Mr. Chen.”

“I just don’t know how many fairy stones Mr. Chen has?”

Xuan Bin asked David!

“What? You think 10,000 fairy stones are too few?” David asked somewhat unhappy!

“No, no, no, Mr. Chen misunderstood. 10,000 fairy stones are really a lot for us.”

“I just want to recruit some followers for Mr. Chen. Mr. Chen also knows that for the ninth-grade cultivators of the Mahayana Realm, fairy stones are the best cultivation resources.” “

The ninth-grade cultivators of the Mahayana Realm are more eager for fairy stones than those of the Immortal Realm cultivators. After all, with fairy stones, it will be much easier to ascend to the Immortal Realm.” “

If Mr. Chen still has fairy stones in his hands and is willing to give out some, I will definitely be able to recruit some people for Mr. Chen!”

Xuan Bin explained hurriedly!

“To be honest, I have a fairy stone mine myself, and I have as many fairy stones as I want.”

“If those idiots just now were a little more sincere, the fairy stones would be inexhaustible!”

David snorted coldly!

It is true that David has a vein of fairy stones, but it is a bit exaggerated to say that he has an inexhaustible supply of fairy stones!

“What? Mr. Chen actually has a vein of fairy stones?”

Xuan Bin and Zhou Tang both widened their eyes!

“Of course, where else would I get these fairy stones from?”

David nodded!

Xuan Bin and Zhou Tang swallowed their saliva, with a gleam in their eyes!

“Mr. Chen, we will help you contact people right away. If you have a vein of fairy stones in your hand, those monks will worship you as their grandfather!” After

Xuan Bin finished speaking, he took Zhou Tang away!

“Mr. Chen, do you really have a vein of fairy stones?” Xiao Yuanshan asked!

If David did not have a vein of fairy stones, when many monks were found, if David did not have fairy stones, they would probably run away!

After all, in this world of heaven and man, interests are the most important!

“You don’t believe me?” David smiled slightly!

Seeing David’s expression, Xiao Yuanshan nodded quickly and said, “I believe it...”

“But those two guys took the fairy stone away, will they just run away and never come back?”

## **Chapter 4717**

“No, they will definitely come back.” David’s face was full of confidence!

He didn’t believe in the humanity of Xuan Bin and Zhou Tang, but in the fairy stone in his hand!

David followed Xiao Yuanshan back to the imperial city!

But Xuan Bin and Zhou Tang stopped thousands of miles away from the Xiao Dynasty!

“Brother, do you think the fairy stone vein is real?”

Zhou Tang asked Xuan Bin!

“I don’t know!” Xuan Bin shook his head!

Zhou Tang frowned slightly: “If it’s not true, even if we find someone, I’m afraid we can’t stay at all.”

“Whether we can stay or not is none of our business. Our task is to find someone.” After speaking, Xuan Bin moved and went towards a void!

Zhou Tang followed closely behind, and said solemnly: “Brother, is it worth it to follow the Ten Palaces and Sun Moon City for David?”

Zhou Tang, who had just kneeled in front of David and called him a dog, now had the intention of retreating!

Anyway, they have got 10,000 fairy spirit stones, which is enough for them to practice for a while!

Maybe these 10,000 fairy spirit stones can send them to the fairyland!

“Don’t worry, Sun Moon City will never become David’s enemy. Didn’t you find that Lin Kedong went out of the city privately to deal with David?”

“The fourth prince who came later was to pull him back. It is obvious that Sun Moon City does not want to get involved in the matter of the killing order!”

“As for Lin Kedong’s injury, he will be fine after recuperation, and he will not lose his life!”

Xuan Bin analyzed as he walked!

Zhou Tang listened on the side and admired this big brother more and more!

.....

Sun Moon City!

Lin Kedong was supported by Lin Kefan and came back!

Lin Chong sat on the throne with an angry face, looking like he was going to eat someone!

“You are so bold, you dared to leave the city without my order, do you think I won’t punish you just because you are the eldest prince?”

Lin Chong yelled at Lin Kedong!

Lin Kedong knelt on the ground with a plop, and said with a wronged face: “Father, the resources you gave me are too few. I don’t have enough to practice. At this rate, when can I break through the Mahayana realm and reach the immortal realm?”

“Although the Ten Palaces have no credibility, they gave me 20,000 fairy spirit stones as a deposit. These 20,000 fairy spirit stones cannot be fake!”

Lin Kedong actually took out 20,000 fairy spirit stones in front of Lin Chong!

When Lin Chong heard this, he became even more angry, and gasped heavily and said: “You fu\*\*ing idiot, why did the Ten Palaces only give you a deposit and not others?”

“They are using you. Is your brain full of shit?”

Lin Chong yelled, and then looked at Lin Ruoya: “Ruoya, why did I ask you to stay by the side of the eldest prince?”

“Your Majesty, I... I persuaded the eldest prince, but I didn’t persuade him!” Lin Ruoya hurriedly knelt on the ground!

“Father, my elder brother is injured. Let him go and heal first. Let’s talk about it after he recovers!”

Lin Kefan persuaded Lin Chong!

“Kefan, you said that David is only at the second level of the Mahayana realm?”

Lin Chong asked!

“Yes, the second level of the Mahayana realm!” Lin Kefan nodded!

“The second level of the Mahayana realm can actually beat your brother, who is at the peak of the Mahayana realm, into this state. It seems that this kid is quite interesting.”

“Kefan, if you fight him, what are the chances of winning?”

Lin Chong asked!

Lin Kefan pondered for a moment, then stretched out a finger.

“Why? Only 10%?” Lin Chong was stunned!

“Father, it’s not even 10%!”

Lin Kefan said very seriously!

“Interesting, this David is really interesting. It seems that I really need to meet him.”

Lin Chong said with an admiring expression!

Lin Kedong was so angry when he saw this scene. He was beaten by David, but his father didn’t say that he would help him get revenge, but he actually praised David?
