Chapter 4726

David thought about it, and then said: "I can give you this God King Bow, but you can't pull the bow and arrow at all. It's a waste in your hands..."

"Can't pull it open?" Lin Kefan was stunned: "Then can you pull it open!"

"My God King Bow, of course I can..."

David said!

"Since you can, then I can..." Lin

Kefan said, and directly drew the bow and began to pull the bowstring!

But no matter how hard Lin Kefan tried, the God King Bow really didn't move at all, and couldn't be pulled open at all!

Even if Lin Kefan used all his strength in the end, it was useless!

This time, Lin Kefan was a little surprised!

Hua Zhangweng and Mo Shaying also looked at it in disbelief. Although the God King Bow can be called a magic weapon, it shouldn't be so that even the immortal realm cultivators can't use it, right?

But David is obviously only a Mahayana cultivator, why can he do it!

"I told you that you can't pull it, don't waste your energy."

David brought the God King Bow over!

"Try to pull it..."

Lin Kefan was unwilling to give up, he wanted to see how David pulled the God King Bow!

“Okay, let me show you...”

David walked out of the room with the God King Bow, and Lin Kefan and the other two hurriedly followed!

David aimed the bow at the void, and then gently hooked the bowstring with one finger, accompanied by the surge of the Dao pattern evil spirit in David’s body!

The God King Bow was pulled, and countless light spots around it continued to gather, and finally formed an arrow feather!

Whoosh!

David released the bowstring, and the arrow feather turned into a stream of light and rushed straight into the sky. The entire void was scratched with a black mark, as if it was torn apart!

Lin Kefan and the other two looked at it blankly, and they were dumbfounded!

The power of the arrow just now, I’m afraid none of the three of them can block it!

“Ah.....”

Suddenly, a scream came from the sky!

Then a black shadow fell quickly and fell heavily in front of David and the others!

David and the others looked over and found that it was a monk, but there was a big hole in the chest of this monk, and there was no sound!

It was obvious that the hole on the body was caused by David’s arrow!

Lin Kefan and the other two looked at David, and David was embarrassed!

“This is too coincidental, accidental injury, purely accidental injury...”

David said as he squatted down and searched the monk, collecting all the storage bags on the monk.

Then David waved his hand casually, and the monk’s body was instantly turned into ashes, leaving only a deep pit in the yard!

“This idiot, blind and blind, he bumped into it himself, he deserved to die...”

Mo Shaying helped David to excuse himself!

“Yes, yes, this guy is just unlucky, and it has nothing to do with fellow Daoist Chen!”

Seeing this, Hua Zhangweng also hurriedly spoke!

As the saying goes, if you eat someone’s food, you should be short-mouthed, and if you take someone’s food, you should be short-handed. Since you have chosen to share things, you can only stand on David’s side!

“A brainless cultivator like this will die if he dies...”

Lin Kefan also spoke, and then looked at David and said, “Brother Chen, don’t have any psychological burden. This is not your fault! Look at what good things are in that guy’s storage bag, let’s share them.”

David was stunned. He didn’t expect these people to help him speak. It turned out that they wanted to share things!

“Okay, as the saying goes, you share half when you meet. Since you are watching, you also have your share of that thing.”

David took out various treasures and resources from the monk’s storage bag.

In addition to some spirit stones, the most in this monk’s storage bag are various immortal herbs!

It is estimated that this is a pharmacist who collects herbs everywhere. Today, he flew over the Xiao Dynasty and was shot down by David with an arrow!

“Take these spirit stones. As for the immortal herbs, I will refine them into pills and distribute them to you.”

“If you eat these immortal herbs directly, the effectiveness will be greatly reduced...”
After

David finished speaking, he directly sacrificed the Shennong Ding!

Chapter 4727

“Damn, what is this? It looks so awesome...”

Mo Shaying was very surprised when he saw the Shennong Ding!

“Is this the divine cauldron for refining pills?”

Hua Zhangweng stroked the Shennong Ding and was also extremely shocked!

“Brother Chen, you can also make pills? Are you a pharmacist?”

Lin Kefan was also a little surprised. He didn’t expect David to be a pharmacist!

David was able to fight above his level at the second level of the Mahayana Realm, and he didn’t even take the cultivators at the peak of the ninth level of the Mahayana Realm seriously!

He must be talented and focused on practicing the skills!

But I didn’t expect him to be a pharmacist!

“Occasionally when I’m bored, I also practice medicine...”

David said, putting all the immortal herbs into the Shennong Ding!

It only took a moment, and a furnace of fragrant pills came out!

“The pills are ready, you three can share them!”

David pointed to the Shennong Ding and said!

“Give them all to us?”

Lin Kefan looked at David!

“Of course, if I want to eat this kind of elixir, I can refine it at any time. You can take them all!”

David waved his hand generously!

Upon hearing this, Mo Shaying and Hua Zhangweng couldn’t control themselves first, and they lay directly on the Shennong Ding, filling them with elixirs in large quantities! Seeing

this, Lin Kefan didn’t care about his status as a prince, and pounced on it to start grabbing!

A furnace of elixirs was quickly divided by three people!

“Brother Chen, besides these treasures, what else do you have on you? Let us see it!”

Lin Kefan knew that David must have treasures on him, and it was impossible that he only had the God King Bow and the Shennong Ding!

“There’s nothing too good, just some dragon pattern bells, dragon-slaying swords, magic whips and the like...”

David said, and took out all the treasures on his body!

Looking at the treasures that David took out one by one, the three people were dumbfounded!

Because in their eyes, each of these is a magical weapon!

Lin Kefan looked at it dazzled, and finally his eyes fell on the Dragon Slaying Sword!

“Brother Chen, this is a sword with spiritual wisdom?”

Lin Kefan asked while gently stroking the Dragon Slaying Sword!

“Good eyesight, my Dragon Slaying Sword is indeed spiritually intelligent!” David nodded!

When Lin Kefan heard it, he picked up the Dragon Slaying Sword directly, and said reluctantly: “Brother Chen, since you already have a magical weapon like the God King Bow, give me this Dragon Slaying Sword. I can’t even dance with a sword!” David

: “???”

What does this mean? David was a little speechless!

He didn’t expect that his fourth uncle was so shameless. How could he take the initiative to ask for things from others?

He just took out these things to pretend, but he didn’t think about giving them to people!

“This... You can’t use this Dragon Slaying Sword...”

David said!

“Why? How could I not use it...”

After Lin Kefan finished speaking, he waved the Dragon Slaying Sword in his hand and was about to show it to David!

But just as he swung it, the Dragon Slaying Sword was like being out of control, it instantly broke away from his hand, and then turned around and went straight to Lin Kefan's chest!

"Fuck..."

Lin Kefan burst out a swear word, and his body quickly retreated!

Seeing this, David shouted: "Zhongli, stop making trouble..." The

Dragon Slaying Sword flashed with white light, and a figure broke away from the Dragon Slaying Sword!

When Lin Kefan and the others saw it clearly, they were all stunned. They saw a graceful beauty standing in front of them!

"I only belong to my master. If others want to use it, don't blame me for being rude!"

Zhongli looked at Lin Kefan and said!

"Brother Chen, is this the sword spirit in the Dragon Slaying Sword?"

Lin Kefan asked in shock!

"Yes, she is the sword spirit Zhongli!" David nodded!

"That's great, that's great, it can be used during the day and at night..."

Huazhang Weng looked at the beautiful Zhongli, licked his lips and said!

Zhongli glared at Huazhang Weng, she understood what Huazhang Weng meant!

Chapter 4728

"Zhongli, go back!"

David let Zhongli return to the Dragon Slaying Sword, and then put everything away!

Lin Kefan and the other two were obviously not satisfied, so they asked David: "Brother Chen, besides these magic weapons, do you have any interesting treasures? Take them out for us to see?"

"I do have two mounts, but they are still small and not very obedient now. I'm afraid I might hurt you by accident!"

David said!

"Mount?" Lin Kefan's eyes widened, and he said as if he had never seen the world: "Quick, let them out, let me see..."

"I've only heard that there are many mounts in the heavenly realm, but I've never heard that a Mahayana cultivator has a mount."

Huazhang Weng was also very curious!

"What's so strange about this? As the saying goes, money makes the world go round. If Fellow Daoist Chen needs it, I can be his mount!"

Mo Shaying said!

This guy was really brainwashed by David. Now he is willing to be David's mount!

"I don't want you to be my mount. My mount is stronger than yours!" David looked at Mo Shaying and smiled slightly!

Mo Shaying was stunned and looked a little embarrassed!

After all, he is also a ninth-grade cultivator in the Mahayana realm, but he is not as good as a mount?

"Hahaha, Shadow, you are not even qualified to be a mount for others!"

Hua Zhangweng laughed wildly!

"Brother Chen, let it out and see what kind of mount it is that can't even compare to Mo Shaying's strength!"

Lin Kefan couldn't wait!

"Okay, since you want to see it, I will satisfy you, but you have to stay away."

After David finished speaking, he opened the storage ring and released the little fire unicorn!

Seeing the little fire unicorn appear, Lin Kefan and the other two were stunned!

Then they looked at it with a dotting face!

After all, this little fire unicorn is so cute, and it doesn't look fierce at all!

The three people slowly approached the little fire unicorn, and actually reached out and stroked the little fire unicorn!

The little fire unicorn didn't dodge either, and it didn't look afraid!

"Brother Chen, didn't you say there was another mount, let it out too!" Lin Kefan urged!

"Oh, the other one is sleeping and doesn't like to come out!"

David said hurriedly!

The little swallowing beast didn't listen to David at all, so David couldn't control it at all!

But just as David finished speaking, the little swallowing beast actually ran out of David's storage ring!

Seeing another one coming out, Lin Kefan and the other two hurriedly looked over!

But when they saw the little swallowing beast, the expressions of the three people were obviously a bit disgusted!

After all, the little swallowing beast didn't look as good as the little fire unicorn!

"Daoyou Chen, what's the name of your mount? Why is it so ugly?"

Mo Shaying asked bluntly!

"This..." David didn't know how to answer!

But the Red Cloud Demon Lord in David's sea of consciousness was not happy!

"Damn, what does this idiot know? He dares to say that my Sky Devouring Beast is ugly..."

The Red Cloud Demon Lord was furious. If he was not in spirit form now, he would have come out to beat up the Mo Shaying!

"It's okay if it's ugly, but these two mounts look small and their strength is not very strong, right?"

"How could even Shadow's strength be inferior to these two little mounts?"

Hua Zhang Weng asked puzzledly!

“That’s right, how could I not beat these two little guys.”

Mo Shaying didn’t believe it. His strength was not even as good as these two mounts that were not even beasts!

“If you don’t believe it, you can follow the Sky Devouring Beast to compare...”

David smiled slightly!

This little Fire Kirin is too small, and may not be the opponent of Mo Shaying, but the little Sky Devouring Beast is the mount of the Red Cloud Demon Lord, and it can absorb everything with one mouth!

Chapter 4729

“Let me fight, but if I hurt your mount, please don’t blame me, Fellow Daoist Chen!”

Mo Shaying said with a fist!

“No, no, but if you get hurt, don’t blame me!”

David waved his hands and said!

The Sky-Swallowing Beast is not his, and it doesn’t listen to him anyway. If it is really hurt, it will be the Red Cloud Demon Lord who feels distressed!

“Don’t worry, I won’t get hurt...”

Mo Shaying said, and his figure disappeared in an instant, running straight to the little Sky-Swallowing Beast!

The reason why he is called Mo Shaying is because his speed is so fast that even his shadow can’t be seen!

Just when Mo Shaying moved, the little Sky-Swallowing Beast seemed to know something, and opened its mouth!

A huge suction force directly sucked Mo Shaying into its stomach!

David and the others had no time to react. They didn’t even see the shadow of Mo Shaying before he disappeared!

“Where’s the person? Where’s the shadow man?” Hua Zhangweng asked!

Lin Kefan and David also hurriedly looked around, but couldn’t find any trace of Mo Shaying.

David noticed the belly of the little swallowing beast at this time, and suddenly thought of something, and ran over quickly!

“Spit it out, spit it out quickly, this is not a bad guy, it’s my friend...”

David shook the little swallowing beast and shouted loudly!

The little swallowing beast opened its mouth and spit out Mo Shaying!

At this moment, Mo Shaying only had half his life left, his whole body was covered with mucus, and the whole person kept coughing!

“It’s so fucking terrible, so terrible...”

Mo Shaying’s eyes were filled with fear, and people were going to be stupid!

Lin Kefan and Hua Zhangweng were also in a daze. They didn’t see how Mo Shaying entered the belly of the swallowing beast at all!

“Are you okay? I told you that you can’t do it, but you insisted on trying it and almost died!”

David couldn’t help but laugh when he looked at Mo Shaying!

Lin Kefan looked at David, his eyes full of heat, and said, “Brother Chen, you have two mounts, it’s a waste, I wonder if you can...”

“No, my mount has recognized its master!”

David refused without waiting for Lin Kefan to say anything!

He knew that this guy was thinking about his mount again!

David took back the little fire unicorn and the little swallowing beast, glanced at Mo Shaying and said, “You’d better wash it quickly, otherwise you will stink...”

David just wanted to show off and let Lin Kefan and the other two know his strength!

He couldn’t give these things away. It was okay to give some elixirs and fairy stones, but he couldn’t give away any of the treasures on his body! After

David left, Lin Kefan and the other two had already looked at David with admiration!

After all, if a person has so many treasures on him, his identity and background naturally need not be said!

“Damn, my brother-in-law really has some background. I haven’t even seen the good stuff on him.”

“He’s just a little stingy. He didn’t give me any. But it doesn’t matter. When my sister gets married, I’ll let this guy get more gifts.”

“If he doesn’t make me happy, I won’t let my sister get married. I’ll see if he gives it to me then!”

Lin Kefan raised his mouth slightly, as if the treasures on David would be in his hands sooner or later!

Two days later!

Xing Daorong personally sent the fairy stone to David!

David knew that even if Xing Daorong sent the fairy stone, there would not be many, and it would not reach 100,000 at all. So in order to avoid being exposed, David met Xing Daorong directly outside the Xiao Dynasty!

“Mr. Chen, you asked me to send the fairy stone, and I rushed here without stopping...”

Xing Daorong said with sweat on his forehead!

This guy didn’t have an airship, so he could only fly by his own spiritual power. For such a long distance, the consumption was also huge!

“Thank you for your hard work!” David took the storage bag and asked, “How many fairy stones are there in this?”

“One hundred thousand...” Xing Daorong said!

“One hundred thousand?” David’s body trembled: “Fuck, where did so many fairy stones come from?”
