Full Read Online **Chapter 4730** of the novel **A Man Like None Other**

Chapter 4730

“Mr. Chen, these are all mined from the fairy stone vein!”

Xing Daorong looked at David in confusion, not understanding why David was so excited!

David also knew about the fairy stone vein!

“Mining so fast? Has the vein been mined out?”

David frowned!

Although the fairy stone vein was discovered, the content of the vein is not high. After the 100,000 fairy stones are mined, it is estimated that the vein will be useless!

“No, the vein discovered this time does not look high on the surface, but after mining, it was found that the whole mountain is full of fairy stones.”

If we estimate conservatively, a million fairy stones will not be able to stop.”

Xing Daorong said with a grin!

“What?” David grabbed Xing Daorong’s arm excitedly: “You didn’t lie to me, did you?”

More than a million fairy stones?

David only dared to brag about a million!

“Mr. Chen, how dare I lie to you? Now I have added more people and mined overnight. If Mr. Chen needs fairy stones, I will send them to you in two days!”

Xing Daorong said seriously!

David found that Xing Daorong was not lying to him, so he took a deep breath, tried to calm himself down, and then said: “I will contact you when I need it. Remember to bring more people next time you send fairy stones.”

“So many fairy stones are not a joke. Now many cultivators are willing to be dogs for fairy stones.” “

And the fairy stone veins, don't leak it out, keep it strictly confidential!"

David was afraid that the fairy stone veins would be leaked, and then many people would definitely go to the beast city!

Although there are illusion arrays around the beast city, no one can easily get in, but there are people outside the people, and there are heavens outside the heavens. There will also be masters of arrays in the hidden forces of the heavenly world!

Once the illusion arrays around the beast city are broken, the beast city will be a disaster!

"Don't worry, Mr. Chen. No one will be able to leave the Beast City."

Xing Daorong nodded and said!

"Okay, then you go back!" David waved his hand and let Xing Daorong go back!

David himself took 100,000 fairy stones and went to find Lin Kefan and the other two with Xiaoqu!

Seeing David coming, Lin Kefan hurriedly asked: "Brother Chen, have the fairy stones arrived?"

David nodded and threw the storage bag to Lin Kefan: "This is 100,000 fairy stones, you three can divide it up..."

"In the future, just follow me and I will make sure you have a good life..."

Lin Kefan opened the storage bag half-heartedly, and when he saw that there were really 100,000 fairy stones in it, he was completely stunned!

Hua Zhangweng and Mo Shaying also looked at the storage bag with shining eyes!

You know, they are just little followers beside Lin Kefan, how can they be qualified to share resources with Lin Kefan!

What's more, this is still a fairy stone. If they were in Sun and Moon City, they would not be qualified to get a fairy stone!

"You... you really got 100,000 immortal spirit stones?"

Lin Kefan said in shock!

"Of course, I always keep my word. Whatever I say, I can definitely do it."

“It’s just 100,000 immortal spirit stones. What’s the big deal?”

David said very pretentiously!

Lin Kefan looked at David like that. Although he looked like a pretentious person, he looked so comfortable at the moment!

After all, 100,000 immortal spirit stones were in front of him. He was not pretending, but really awesome!

“Then I won’t be polite with these 100,000 immortal spirit stones...”

Lin Kefan said, and put away the storage bag!

“You won’t give them two a share?” David asked!

“They don’t need it!” After Lin Kefan finished speaking, he looked at Hua Zhang Weng and Mo Shaying and asked, “Do you two want to share it?”

“No, no!” Although the two people wanted it very much, they didn’t dare to disobey Lin Kefan!

After all, he is the master, and the two of them are just servants!
