Chapter 4731

“If you want to follow me, you have to treat everyone equally. You must give them two points, otherwise I will beat you!”

David looked at Lin Kefan and said sternly!

Hua Zhangweng and Mo Shaying were so moved to tears when they saw David like this! They

wanted to kowtow to David!

This is a good leader!

Seeing that David was going to get serious, Lin Kefan said, “David, I’ll tell you the truth. I’m Lin Kefan, the fourth prince of Sun Moon City.”

“Has my sister Lin Keting secretly married you? Speaking of which, you still have to call me fourth uncle!”

“What? You are from Sun Moon City?” David pretended to be surprised, then shook his head and said, “Impossible, you are definitely not from Sun Moon City, don’t lie to me, what evidence do you have?”

“This is my token, take a look...” Lin Kefan gave his token to David!

David just took a look, and then said in disbelief: “You are really the fourth prince of Sun Moon City, my fourth uncle...”

“Then... the guy I beat up two days ago, isn’t he my eldest uncle?”

“Yes, he is Lin Kedong, the eldest prince of our Sun Moon City. I came here this time to take you to Sun Moon City.” Lin Kefan nodded and said!

“Damn, isn’t it that the flood washed away the Dragon King Temple, and the family members don’t recognize each other? Why did my eldest brother-in-law want to kill me?” David asked deliberately pretending to be stupid! “

Don’t ask so many questions, just come back to Sun Moon City with me first, and explain the matter clearly!”

Lin Kefan couldn't say that his eldest brother came to kill his brother-in-law for the Ten Palaces' Killing Order!

"I won't go. I beat my eldest brother-in-law. If I go to Sun Moon City, he will skin me alive."

David shook his head.

Seeing this, Lin Kefan quickly assured him, "Don't worry, I will protect you, and I will also speak well of you in front of the emperor."

"My little sister is under house arrest. She misses you very much. Don't you want to see her?"

"Fourth uncle, you said it, you must protect me?" David said, pretending to be afraid!

"Don't worry, you gave me so many good things, how could I not protect you, and you are my brother-in-law, no one dares to touch you in Sun Moon City!" Lin Kefan patted his chest and promised!

"Okay, I'll go with you!" David saw Lin Kefan patting his chest and promised, and then nodded and agreed!

"Then let's go without delay!"

Seeing that David agreed, Lin Kefan planned to set off back!

But just as he was about to leave, Mo Shaying grabbed David: "Friend Chen Dao, I want..."

"Mo Shaying, what are you going to do? Are you going to betray the Fourth Prince and really follow David?"

Huazhang Weng asked Mo Shaying loudly!

Lin Kefan also frowned and looked at Mo Shaying with a gloomy face!

Although David is considered their son-in-law in Sun Moon City, Mo Shaying, as his own follower, must not follow anyone else except obeying himself!

If Mo Shaying changes his master, Lin Kefan will have no place to put his face!

"Old man, you misunderstood. How could I betray the Fourth Prince?"

After Mo Shaying finished speaking, he looked at David seriously and said, "Fellow Daoist Chen, my father is also a powerful man at the peak of the ninth rank of the

Mahayana Realm. His strength is stronger than mine. Do you think you can let him follow you?"

David: "?????"

Hua Zhang Weng: "....."

Lin Kefan: "....."

"Fellow Daoist Chen, I don't have any other intentions. I just want my father to follow you, and it's okay to go through fire and water. You just need to give him some fairy stones."

"Then the fairy stones in my father's hands will also be inherited by me. Anyway, they are all mine..."

Mo Shaying smiled a little embarrassedly!

David understood what Mo Shaying meant, and smiled slightly and said, "If your father is at the peak of the ninth rank of the Mahayana Realm, then you can let him come. Let him use 10,000 fairy stones first..."

"Okay, okay, I'll notify my father now..." Mo Shaying nodded excitedly, and immediately used the jade slip to transmit the message to his father!
