Chapter 4733

“Master, what should we do?” the old man asked!

“Didn’t Sun Moon City seek revenge on David?” Huo Qing asked!

“They did. Lin Kefan brought people here personally, but... but...”

The old man hesitated and didn’t know what to say!

“But what? Just say it if you have something to say!” Huo Qing frowned!

“But, Lin Kefan didn’t take David away. It seems that he invited him to Sun Moon City.”

“When they left the Xiao Dynasty, they were talking and laughing, and Lin Kefan was even more flattering. I don’t know why!”

said the old man!

“Oh, there is such a thing?” Huo Qing looked puzzled: “Lin Kefan is in the Immortal Realm, and he is also a talented and arrogant guy. How could he be so flattering to David?”

“Could it be that Lin Kefan knows that there is someone behind David, so he behaves like this?” The old man analyzed!

“It’s possible, but even if there is someone behind David, is it stronger than the strength of Sun and Moon City?”

Huo Qing looked puzzled!

The strength of Sun and Moon City is one of the best in the world of heaven and man. David is a small cultivator in the Mahayana Realm. Will there be a backer stronger than the strength of Sun and Moon City behind him?

Huo Qing didn’t quite believe it. Now he knew nothing about the power behind David!

“Young Master, if David forms an alliance with Sun and Moon City, I’m afraid the Ten Palaces will be in danger. We should make plans early!”

The old man reminded in a low voice!

“We do need to make plans.” Huo Qing nodded, and then said, “You go and issue an emergency decree and ask my father to send some masters over.”

“Young master, you want to help the Ten Palaces?” The old man said in astonishment!

“Humph, I won’t help. The destruction of the Ten Palaces has nothing to do with me. Maybe the destruction of the Ten Palaces will allow me to re-establish the Ten Palaces.”

“I’m afraid that David will be unfavorable to me. Now there are only you and me. If David really does something unfavorable to me, I’m afraid I won’t even have a chance to escape!”

Huo Qing knew very well that if David joined forces with Sun and Moon City, it would be difficult for the Ten Palaces to resist!

The Ten Palaces can be destroyed, but he cannot die. He just came to the Ten Palaces to gild himself. Maybe one day he will be transferred to other halls!

“I understand!”

After

the old man finished speaking, he actually took out a token and then crushed it!

As the token broke, the void trembled, and a voice came slowly!

“What’s wrong?”

The old voice seemed to penetrate the universe and reach here!

“Father, my son is in danger...”

Huo Qing hurriedly said!

“Well!” The old voice just hummed, and then there was no movement!

Huo Qing narrowed his eyes slightly, and his expression was a little embarrassed!

“Master, don’t worry, the master will definitely send someone.”

The old man comforted Huo Qing!

Huo Qing nodded, lay back on the bed, and played with the child’s head!

.....
David followed Lin Kefan and the other two back to Sun and Moon City!

But not long after leaving the Xiao Dynasty, suddenly several terrible auras in the distance came straight towards them!

Lin Kefan frowned slightly: “Who is so bold that he dares to rush towards us?”

Huazhang Weng and Mo Shaying looked at each other and were also a little shocked, because these auras were very powerful!

It was just a blink of an eye, and these auras arrived in front of David and them!

The two leaders were Xuan Bin and Zhou Tang!

The two took David’s fairy stones and went to help David recruit helpers. Now they also brought several monks with them!

These monks, without exception, were all at the peak of the ninth level of the Mahayana realm. They were the most eager for the fairy stones!

“Let Mr. Chen go, and I’ll spare your lives...”

Xuan Bin looked at Lin Kefan and

the other two and said in a cold voice! While speaking, the others were also ready for the battle, and their auras were filled with energy, ready to attack at any time!

Chapter 4734

Seeing this scene, Lin Kefan was slightly stunned, but then he laughed.

He was in the Immortal Transformation Realm, but he didn’t expect that these guys in the Mahayana Realm would dare to stop him in order to save David!

“Do you know who I am?”

Lin Kefan asked!

“The fourth prince of Sun Moon City...” Xuan Bin said!

“Since you know that I am the prince of Sun Moon City, you still dare to stop me, don't you want to live?”

“Does our Sun Moon City have no prestige in your eyes?”

Lin Kefan frowned, and murderous intent began to appear in his eyes!

He didn't know when their Sun Moon City had no deterrent power at all!

“Let go of Mr. Chen, we will get out of the way immediately, otherwise we will fight to the death...” Xuan Bin didn't have a trace of fear, and his eyes were full of fighting spirit!

“What is your relationship with David? Why did you risk your life to save him?”

Lin Kefan didn't understand. Who is David to these monks? Is he worth their life!

“It doesn't matter. It's just that Mr. Chen gave too much. He is our God of Wealth now!”

“You can take my parents away, but you can't take our God of Wealth away...”

After Xuan Bin finished speaking, he said to the girl behind him who was wearing a light yellow dress, had a good figure and had black hair: “Hua Mei, set up the formation, don't let them run away...”

The girl nodded, her palm facing the sky, and muttered something. In an instant, within a hundred miles, a formation barrier visible to the naked eye slowly appeared!

Lin Kefan frowned: “I didn't expect you to bring a formation master?”

“Release Mr. Chen, this is the last warning...”

Xuan Bin said with a cold face!

“fu** you, I'm giving you face, a Mahayana cultivator, you're still so arrogant...”

Lin Kefan was angry. Even if the other party had a formation master, he was not afraid at all!

After all, he was also in the Immortal Realm. If he couldn't even deal with these Mahayana cultivators, wouldn't it be a shame!

“Okay, this is a misunderstanding!”

At this time, David finally spoke. The reason why he didn't speak just now was just to see what Xuan Bin and others were going to do!

“Mr. Chen, aren't these people from Sun Moon City going to take you to Sun Moon City for revenge?”

Xuan Bin asked!

Xuan Bin witnessed David beating up Lin Kedong with his own eyes!

According to the character of Sun Moon City, they will definitely make trouble for David!

“Misunderstood, I just followed them to Sun Moon City, not to catch me.”

“Now the three of them are the same as you, they have all mixed with me, so don't fight and kill.”

David followed Xuan Bin to explain!

“They are also mixed with you?” Xuan Bin looked incredible!

After all, Lin Kefan is also the fourth prince of Sun Moon City, how could he follow David! Even

if David has a background and fairy stones, the fourth prince of Sun Moon City can't be willing to be inferior for a little resource!

“Money makes the devil push the mill...”

David smiled and patted Xuan Bin on the shoulder!

Xuan Bin understood what David meant, smiled slightly, and then put away the aura on his body!

“Mr. Chen, my third brother and I will find a few people for you, see if you can take them in!”

Xuan Bin said, and then Hua Mei, who had just cast a spell, said: “This is a good friend of mine, named Hua Yueying, a formation master!”

David took a look at Hua Yueying, a formation master, but she has cultivated to the peak of the ninth level of the Mahayana realm. It is indeed not easy!

You must know that at the same level, ordinary cultivators are not the opponents of formation masters at all!

“Miss Hua, put away the formation...”

David said to Hua Yueying!

But just after he finished speaking, David felt a little awkward. Why did this Miss Hua call so wretchedly?

Miss Hua...

Isn't this a devil?

Chapter 4735

"Do you think I'm qualified?" Hua Yueying asked!

"Not bad, you can follow me!" David nodded!

"I want more than them!"

Hua Yueying said!

"I understand, after all, the formation master is very good..." David smiled! There are very few formation masters in the heavenly world, and formation masters like this one who are at the peak of the ninth level of the Mahayana realm are even rarer!

"I want 100,000 immortal spirit stones..."

Hua Yueying said!

"Hua Mei..." Xuan Bin frowned when he heard it!

Isn't this a lion's mouth, 100,000 immortal spirit stones in one mouth, it's just a joke!

"You want 100,000 immortal spirit stones? That requires real skills!"

David smiled!

"This is my real skill..." Hua Yueying finished speaking, and gently waved her palm, and the formations around her began to shrink rapidly!

Everyone felt a kind of oppression, the kind of avenue pressure!

You have to know that everyone present, except David, is a ninth-grade cultivator in the Mahayana realm!

Even they feel oppressed, which shows that this formation is very powerful!

David looked at Hua Yueying who was performing it, smiled slightly and said: "This kind of trivial skill is not worth 100,000..."

After David finished speaking, he flicked his finger lightly, and a white light instantly hit the formation!

In the moment of contact, the huge formation actually collapsed directly and disappeared without a trace!

Hua Yueying was stunned, with incredible eyes!

"This... this..."

Hua Yueying opened her mouth wide, not knowing what to say. This is her best formation!

How could it be broken in the blink of an eye?

Lin Kefan and Xuanwu also looked at it in disbelief!

Everyone's eyes were shocked and shocked...

"Mr. Chen... Mr. Chen, you are too awesome, you are also a formation master?"

Mo Shaying asked in shock!

"Know a thing or two..."

David smiled modestly!

Hua Yueying almost vomited blood after hearing this. Just knowing a thing or two, he broke his strongest formation?

"Brother-in-law, not only can you fight beyond your level, but you are also a pharmacist and a formation master. Is there anything you don't know?"

Lin Kefan was completely convinced by David!

"Of course I have, I don't know how to give birth to a child..."

David smiled jokingly!

"It doesn't matter, let my sister give birth to ten or eight children. Don't waste your good genes!" Lin Kefan said excitedly!

Xuan Bin and others were stunned when they heard it. They didn't understand how David became Lin Kefan's brother-in-law!

"Mr. Chen, these three are also peak masters of the ninth rank of the Mahayana realm. They come to you..."

"Because the identities of the three are somewhat special, it is inconvenient to show them to others..."

Xuan Bin pointed to the three mysterious masters in black robes. All three of them wore masks and their true faces could not be seen at all!

"It's okay, if you hang out with me, I don't care about your background, I treat you equally..."

David waved his hand and said!

"Yes, yes, Mr. Chen treats everyone equally..." Mo Shaying nodded in agreement!

"That's right!" Hua Zhangweng also admitted!

After all, David treated the two of them and Lin Kefan equally just now!

"And this Cangyue, a famous physical cultivator, this flesh is invincible, extremely powerful, and no magic weapon can hurt him."

Xuan Bin pointed to a burly middle-aged man and said!

"My flesh has been burned with fire and chopped by thousands of swords, so I can practice an indestructible true body. No matter what magic weapon it is, it can't..."

"Puff..."

Before Cangyue finished speaking, David offered the Dragon Slaying Sword in his hand and passed it through!

The Dragon Slaying Sword pierced into Cangyue's body for several inches, and blood flowed out directly!

"This doesn't work?" David pulled out the Dragon Slaying Sword!

Everyone: "....."

Cangyue looked at the wound on his body, and after a moment of shock, he suddenly cried!
