Chapter 4741

“David, when you told me, did you give my father some magic potion? He seems a little weird today.”

“You know, my father is the one who has the final say in Sun Moon City, but today he obeys you and treats you so well!”

Walking out of the hall, Lin Kefan asked David with a puzzled look!

“Yes, I also find it strange. My father likes me so much, but he has never let me sit on the dragon throne. You actually sat on it today!”

Lin Keting also looked at David with a puzzled look!

“Maybe my unique personality charm has infected your father?”

David smiled slightly!

“Don’t talk nonsense...” Lin Keting rolled her eyes at David!

“How do I know why? If you want to know, go ask your father. I think it should be because he loves his father!”

Of course, David couldn’t say that their father was his subordinate!

“Maybe, my father loves my little sister the most!” Lin Kefan nodded!

“I was really scared just now. From what my fourth brother said, my father wants to abolish you. I don’t want to be with a waste!” Lin Keting still felt scared when she thought of the beginning!

“Don’t worry, I’m a lucky person!” David smiled!

“David, where are you going next? How about going to my house and staying with Hyun Bin and the others for a while!”

Lin Kefan asked!

“Of course I’m going home!” David said!

“Go home?” Lin Kefan was stunned!

“Of course I’m going home. I’m your little sister’s man now. Isn’t your little sister’s mansion my home?”

David put his arm around Lin Keting’s shoulders and said!

“I won’t let you go to my mansion. It’s not a good influence for a single man and a single woman to be in the same room!”

Lin Keting said shyly!

“Well, I’ll find another woman to be alone in a room...”

David smiled!

“You dare...” Lin Keting glared at David!

“Hahaha, my little sister is famous for her strength, you’re in for it!”

Lin Kefan laughed!

“Fourth brother, what are you talking about? Who is so strong? Looking for a fight...”

Lin Keting said, and then hit Lin Kefan!

Lin Kefan dodged, then ran away with a laugh!

Just as Lin Kefan ran away, Taoist Wuji also walked out of the hall!

“David, what are you going to do next? Stay in Sun Moon City to practice, or do you plan to continue to go out and try your luck?”

“If you stay in Sun Moon City, the Ten Courts will never dare to trouble you!”

Taoist Wuji said!

“I can’t stay in Sun Moon City for long, I still have a lot of things to deal with.”

“As for the Ten Palaces, I plan to destroy the Ten Palaces. After the Ten Palaces are destroyed, the Demon Sealing League will naturally collapse!”

“Without the Demon Sealing League, the demon cultivators in the Heavenly World can live a normal life in the future!”

“Many demon cultivators are not all bad people, they have no choice.”

David thought of the old woman in Dashi Village at this time!

If it weren't for that old woman, David would probably be dead now!

Hearing David's words, Lin Keting said with appreciation: "You are right, many demon cultivators are also helpless, they have no right to choose their own birth."

"The Demon Sealing League is the worst. They use the excuse of eliminating demons and defending the way to capture many demon cultivators to do shameful things."

"Master, he is compassionate and has saved many demon cultivators from the Demon Sealing League!"

"Master saved many demon cultivators?" David was very surprised!

"Yes, I have hidden all these demon cultivators. It's just that the resources in Sun Moon City have been scarce recently, and there is no way to support these demon cultivators."

"It would be good to destroy the Ten Palaces and let the Demon Sealing Alliance collapse. Then these demon cultivators can return to the heavenly world and start a new life."

After Taoist Wuji finished speaking, he waved to David and said, "Come with me..."

David followed Taoist Wuji and Lin Keting out of the palace and headed towards a mountain!

Chapter 4742

David didn't know where Taoist Wuji was going to take him, so he could only follow behind!

When they arrived in front of the mountain, Taoist Wuji waved his hand lightly, and a light gate appeared in front of the mountain instantly!

After entering the light gate, David was stunned!

Because he saw that there was a city inside the mountain! All

the people living in this city are demon cultivators, and they were all rescued by Taoist Wuji!

Seeing Taoist Wuji coming, many demon cultivators came forward to greet them. After all, Taoist Wuji was their savior!

“Master, these...did you save all these demon cultivators?”

David asked in surprise!

“Yes, these are the demon cultivators who were being hunted down and were rescued by me!”

Taoist Wuji nodded!

David was very moved and admired Taoist Wuji even more!

“Mr. Chen, Mr. Chen...”

At this time, someone suddenly shouted David loudly!

David turned his head and looked. When he saw the person who called him, he was stunned, with an incredible look in his eyes!

“Palace Master Song, why are you here too?”

David asked puzzledly!

It turned out that the person who called David was Song Tianhai, the master of the Soulless Hall who betrayed the Demon Sealing League!

Song Tianhai had been following David. David arranged them in the Blood Spirit Valley with Luo Shouhai and the Demon Mountain Ghost Old Man!

After all, in the area of Tianmo Mountain, the Demon Sealing League is the weakest and has the most demon cultivators. In this way, the Soulless Hall can avoid being hunted down by the Demon Sealing League!

But now that Song Tianhai appeared here, did the Blood Spirit Valley also suffer from the siege of the Demon Sealing League?

You must know that the people in the Blood Spirit Valley are all David’s confidants!

If the people of the Demon Sealing League dare to touch the Blood Spirit Valley, David doesn’t mind completely eradicating the Demon Sealing League now!

“Mr. Chen, I was also hunted down by the people of the Demon Sealing League. Fortunately, I was rescued by Taoist Wuji, so I came here.”

Song Tianhai walked over and said!

“What about the Blood Spirit Valley? How are Lord Luo, Demon Mountain Ghost Old Man and others?”

David asked anxiously!

“Don’t worry, Mr. Chen, I was just out on business, and was discovered by the Demon Sealing League, and was hunted down, and was rescued by Taoist Wuji.”

“Blood Spirit Valley should be fine. The power of the Demon Sealing League cannot reach the Demon Mountain for the time being!”

Song Tianhai said to David!

“That’s good!” David breathed a sigh of relief: “Wait two days, I will take you away from here and return to the Blood Spirit Valley!”

“Mr. Chen, it’s pretty good here, I don’t want to go back. Although the power of the Demon Sealing League cannot reach the Demon Mountain for the time being, the Demon Mountain will fall sooner or later. I’d better stay here for safety!”

Song Tianhai didn’t want to go back. If he returned to the Blood Spirit Valley, the power of the Demon Sealing League would go to the Blood Spirit Valley sooner or later!

“Don’t worry, after two days, the Demon Sealing League will no longer exist in the Heavenly Human Realm, and you don’t have to live in hiding!”

David smiled slightly!

“The Demon Sealing League has been destroyed?” Song Tianhai asked in shock!

“Not yet, but it will be soon. I plan to destroy the Demon Sealing League in the next two days.” David said!

Song Tianhai looked at David and said in disbelief: “Mr. Chen, although your strength has increased rapidly and you have now reached the second level of the Mahayana Realm, it is not that easy to destroy the Demon Sealing League.”

“Let’s not talk about the strength of Zuo Tianzheng, the leader of the Demon Sealing League. You must know that there are other more powerful forces behind the Demon Sealing League.”

“When I was imprisoned in the Demon Sealing League before, I vaguely heard that the forces behind the Demon Sealing League are terrible!”

Song Tianhai didn't know that the forces behind the Demon Sealing League were the Ten Palaces!

It is estimated that with his identity, he may not even know what the Ten Palaces are!

"Don't worry, I know the forces behind the Demon Sealing League, and I will uproot them when the time comes!"

David smiled and patted Song Tianhai on the shoulder!

Song Tianhai looked at David with doubt, then looked at Taoist Wuji, and seemed to understand something and said, "If Taoist Wuji helps, maybe we can really destroy the Demon Sealing Alliance..."

Chapter 4743

David came with Taoist Wuji, which proves that David has a relationship with Taoist Wuji. Song Tianhai has seen Taoist Wuji's ability. If Taoist Wuji helps, it is very likely that the Demon Sealing League will be destroyed!

"Hahaha, if David wants to destroy the Demon Sealing League, why does he need my help? I have to avoid him when I see him now!"

Taoist Wuji laughed!

Song Tianhai listened to Taoist Wuji's words and opened his mouth in shock. He didn't know what to say!

"You stay here for a few days. After the Demon Sealing League is destroyed, all of you here can return to the Heavenly Realm!"

David said lightly!

"Yeah!" Song Tianhai nodded heavily!

Taoist Wuji asked David and Lin Keting to continue to walk around the city, and he would not be a light bulb!

The order in the city was in good order. Although these people were all demon cultivators, there was no chaos!

Just as David was walking on the streets of the city, a familiar figure caught David's attention!

"What is this???"

David was slightly stunned, and then quickly chased after the figure!

"David, where are you going?" Seeing this, Lin Keting also chased after him!

David quickly caught up with the figure, and when he stopped the man, his expression instantly became extremely excited!

"A... Grandma?"

David looked at the old woman in front of him, who was a little hunched, and shouted with a trembling voice!

"David?" The old woman was equally excited and surprised when she saw David!

"Grandma, I didn't expect you to be still alive. I didn't expect you to be still alive. If Yun'er knew you were still alive, she would definitely be very happy."

David hugged the old woman!

This old woman was the one David met in Dashi Village when he first came to the Heavenly Realm!

Yun'er, who saved David's life, was the girl adopted by the old woman!

Although the time in Dashi Village was short, David never dared to forget that his life was given by Dashi Village!

He still remembers the simple villagers in Dashi Village!

Yun'er, Ali, Zhuzi...

"David, you... why are you here? How is Dashi Village? How is Yun'er?"

The old woman asked David excitedly!

"I..."

After David left Dashi Village, he never went back, so he didn't know the situation in Dashi Village now!

Seeing David like that, the old woman hurriedly said: “Dashi Village has the old village chief, so there should be nothing wrong, but Yun’er, the child, I don’t know how it will be without my care...”

The old woman’s eyes were full of longing, and it can be seen that she has been missing Yun’er!

“Grandma, since you miss Yun’er, I will take you to find her now, and you will live a good life with Yun’er in Dashi Village in the future!”

David said to the old woman!

After hearing this, the old woman shook her head and said, “No, my identity as a demon cultivator has been exposed. If I go to Dashi Village again, it will bring disaster to the village. The people of the Demon Sealing League will kill without blinking an eye!”

“Grandma, don’t worry, as long as I am here, the people of the Demon Sealing League won’t dare to do anything, and no one in the heavenly world will bully demon cultivators anymore.” “

The Demon Sealing League will no longer exist, and no matter it is the demons, humans or beastmen, they will all coexist peacefully...”

David followed the old woman’s assurance!

After hearing this, the old woman sighed and said, “Although your idea is good, it is impossible to achieve. For thousands of years, people’s resentment towards demon cultivators is deeply rooted. It is not so easy to eliminate.”

“And the Demon Sealing League will never allow demon cultivators to exist. How can you alone fight against the huge Demon Sealing League...”

“Grandma, don’t worry about it. I will definitely do what I say!” David excitedly pulled the old woman’s hand, then looked at Lin Keting on the side: “Send me away from here immediately. Tell the Taoist priest that I want to go back to the Heaven Realm to do an important thing!”

Lin Keting nodded. Although she really wanted to know what David was going to do, she didn’t ask!

Chapter 4744

Lin Keting sent David and the old lady out of Sun Moon City!

David took the old lady, flying in the air, heading towards Dashi Village!

Looking at the layers of mountains in the Northern Territory, David was quite emotional!

He hasn't been back to the Northern Territory for a while, but he has a lot of memories here!

The old woman felt the wind in her ears, her eyes closed, she knew that David was no longer the David in Dashi Village at the beginning, David has grown a lot!

"Mr. Chen, why did you leave without saying goodbye, don't you want us anymore?"

At this time, Xuan Bin and others hurriedly came in the air!

When they heard that David had left Sun Moon City, they immediately chased after him. David is the God of Wealth, and they can't lose him!

"I'm just doing some small things, I don't need you at all!"

David was speechless for a while when he saw Xuan Bin and others catching up! He was going to Dashi Village. Even if there was any danger, David could solve it with a sneeze!

After all, there were no powerful cultivators in Dashi Village!

Xuan Bin and other ninth-grade cultivators of the Mahayana Realm followed him. In the eyes of those villagers, it was like a god descending to the earth!

"Mr. Chen, we can't let you do anything even in small matters. We are following you now. Just talk if you have something to say!"

Xuan Bin kept expressing his loyalty! Of

course, he had to coax this God of Wealth who gave out 10,000 fairy stones at a time!

"Okay, I'll follow you, but be careful about everything. Keep your breath back and don't hurt anyone!"

David was afraid that if these ninth-grade cultivators of the Mahayana Realm released a little breath, the people of Dashi Village would not be able to bear it!

"Don't worry, Mr. Chen, we will do whatever you want us to do..."

Xuan Bin said, patting his chest!

A group of people headed towards Dashi Village in a mighty procession!

.....

Dashi Village!

Zhuji was fanning himself with a fan. In front of him was a small furnace with several herbs in it!

“Dingzhe grass, Fengyu flower...”

Zhuji was holding a piece of paper in his hand, still looking at it carefully!

“Zhuji, you have been practicing for so many days, but you haven’t made a single pill, but you have burned dozens of bundles of firewood!”

Yun’er hugged a bundle of firewood and put it aside and said!

“Sister Yun’er, when Brother David left, he said that I would definitely be able to become a pharmacist, so I must hurry up to practice.” “

When Brother David comes back, I will show him a hand...”

Zhuji said!

“Will Brother David come back?” Yun’er said infatuatedly!

“The old village chief is back, the old village chief is back...”

At this time, someone was shouting at the entrance of the village!

Many people ran towards the entrance of the village and found that the old village chief had returned with the young and middle-aged people in the village, and everyone was carrying prey!

Ali was among them, and he was carrying a demon wolf weighing more than 100 kilograms!

“Brother Ali, why are the prey so small this time?”

Seeing this, Yun’er asked Ali in confusion!

“Oh, don’t mention it. The surrounding mountains and forests have been sealed off by the Demon Sealing League. They said that other people are not allowed to go up the mountain. We can only hunt at the foot of the mountain. Where can we find big prey?”

Ali sighed!

“Brother Ali, is the Demon Sealing League so overbearing? I have never seen them seal off the mountains and forests before!” Yun’er continued to ask!

“I don’t know why the Demon Sealing League would be interested in our poor mountain valley. Maybe they are also short of resources?”

“Now the town is also occupied by the Demon Sealing League. If you go to the town to sell prey, you have to pay a head fee. It’s really bad.”

Ali said helplessly!

“The Demon Sealing League is too bad. They lack resources and money. They can’t plunder us!”

“Our life is not easy. These bad guys, I really hope someone will deal with them sooner.”

Yun’er pouted and said angrily!
