Chapter 4748

“The most powerful of these guys is no more than the first level of the Tribulation Realm. They are too weak, too weak...”

Cangyue said in a pretentious manner!

Everyone in Dashi Village looked at Cangyue in shock. The admiration in their eyes made Cangyue very happy!

“fu**, Cangyue, what do you mean? These guys are all my prey!”

Zhou Tang asked Cangyue very unhappily!

Originally, these people from the Demon Sealing League were used by himself to pretend, but Cangyue got there first!

“Who told you to be slow? Blame it on...” Cangyue sneered!

“fu** you...” Zhou Tang was so angry!

Otherwise, these villagers in Dashi Village would be worshipping themselves!

“Okay, the Demon Sealing League will definitely send people again. If you want to pretend, just wait here!”

David said indifferently!

After David spoke, no one dared to say anything!

As David said, the people from the Demon Sealing League came to Dashi Village in waves!

After all, everyone wants to catch the demon cultivator and win credit for themselves!

Because the Demon Sealing League headquarters is in the Northern Territory, the demon cultivators in the Northern Territory are very rare. Except for the extremely cold

land in the Northern Territory, there are no demon cultivators in other places in the Northern Territory!

Now that demon cultivators suddenly appear in Dashi Village, many people from the Demon Sealing League want to earn credit!

However, these waves of people from the Demon Sealing League have become the prey of Xuan Bin and others!

Soon, outside Dashi Village, the bodies of the cultivators of the Demon Sealing League were densely packed!

There were all kinds of deaths, and they all died miserably!

The people of Dashi Village moved their stools and sat in the middle of the village, watching wave after wave of people from the Demon Sealing League die like watching a movie!

In the end, everyone in Dashi Village was numb...

.....

Demon Sealing League headquarters!

Zuo Tian is constantly counting the offerings sent by various departments!

After being robbed of the hundred-year offering by David, the Demon Sealing Alliance is also a little stretched, especially the Ten Palaces are constantly asking for resources from the Demon Sealing Alliance!

Now Zuo Tianzheng can only order his men to grab whatever resources they see, no matter how big or small!

“Damn, what’s going on today? My left eyelid keeps twitching?”

Zuo Tianzheng rubbed his eyes, always panicking!

Ever since he saw Mr. Shi’s methods in the Demon Sealing Alliance, Zuo Tianzheng has never calmed down and has been on tenterhooks!

Killing people and then resurrecting them, this method is too scary!

“Left eye twitching for wealth and right eye twitching for disaster, it should be someone who is going to send resources again, it’s okay, it’s okay...”

Zuo Tianzheng kept comforting himself in his heart!

“Leader, a demon cultivator was discovered in the Northern Territory...”

At this time, an elder walked in!

Since Elder Chu was killed, there has been no one around Zuo Tianzheng, so he promoted another elder to be by his side!

“In addition to the extremely cold land in the North Territory, how could there be any demon cultivators? Which demon cultivator is so bold?”

Zuo Tianzheng frowned and said!

You must know that the headquarters of the Demon Sealing League is in the North Territory, so the demon cultivators in the North Territory either ran to other places or were captured by the Demon Sealing League!

Only in the extremely cold land of the North Territory, the Flame Demon and a group of demon cultivators are active!

Now the Demon Sealing League has cooperated with the Flame Demon group, so Zuo Tianzheng doesn't care about the demon cultivators under the Flame Demon!

“I don't know who it is yet, but the report below says that several groups of our people have gone to capture the demon cultivators, but none of them have returned.”

The elder said!

“What? None of them came back?” Zuo Tianzheng's face changed drastically: “What is the strength of that demon cultivator? Have you investigated it clearly?”

The elder shook his head: “I don't know, I only know the specific location of the demon cultivator, and I didn't report what strength it is.”

“Waste thing, if Elder Chu was here, he would definitely investigate the cultivation level of the demon cultivator.” Zuo Tianzheng cursed angrily, thinking of Elder Chu!
