## Chapter 4749

“Alliance leader, what should we do next? Should we continue to send people to capture that demon cultivator?”

The elder was scolded and felt unhappy, but he didn't dare to show it, so he could only ask in a low voice!

“Of course we have to capture him. If we let the demon cultivator move freely in the Northern Territory, wouldn't our Demon Sealing Alliance lose face?”

Zuo Tianzheng said angrily!

“Then I'll send some masters to catch that demon cultivator!”

Seeing that Zuo Tianzheng was angry, the elder thought about withdrawing!

“No need, I'll go there myself. Recently, the world of heaven and man has become more and more uneasy...”

Zuo Tianzheng decided to go there himself to see what kind of person this demon cultivator is!

.....

Dashi Village!Xuan

Bin and others are still waiting for the people from the Demon Sealing Alliance to come and perform for Dashi Village!

But no matter how long they waited, they didn't come!

“Mr. Chen, I'm afraid that the Demon Sealing League doesn't dare to send anyone here?”

Xuan Bin said!

“Since they don't dare to come, then we will take the initiative to attack. You guys will act separately and destroy all the forces of the Demon Sealing League in the Northern Territory.”

David said to Xuan Bin!

“No problem, what about the Demon Sealing League forces in other regions?” Xuan Bin asked!

“You don’t have to worry about it. Other places are far away. I’ll let others do it.”

“But don’t be reluctant to fight. Come back quickly. I’ll take you to do big things!”

David said to Xuan Bin!

“Okay, let’s set off now...”

Xuan Bin set off with Zhou Tang and others!

Several people separated and went straight to the various forces of the Demon Sealing League in the Northern Territory!

You have to know that these people are at the peak of the ninth level of the Mahayana Realm. Dealing with the forces of the Demon Sealing League in the Heavenly Human Realm is just like a child playing house!

Looking at the backs of several people, David was also quite emotional. A few months ago, he was still facing danger everywhere in Dashi Village!

Then he was hunted down by the Demon Sealing League and hid everywhere!

But only a few months have passed, and he can control the life and death of the Demon Sealing League at will!

This feeling of controlling life and death is really cool!

After Xuan Bin and others left, David used the sound transmission jade slip to directly contact Xiao Yuanshan and asked him to lead people to destroy the forces of the Demon Sealing League in the Western Region!

At the same time, the Purple Flame Sect, Guanghan Palace, Blood Spirit Valley and other forces that had friendship with David all launched attacks on the forces of the Demon Sealing League at the same time!

In a short period of time, battles broke out in all five regions of the Heavenly Human Realm, and the forces of the Demon Sealing League began to be eliminated one by one!

Such a huge war is just a word from David!

At this time, Dashi Village was still as peaceful as usual. The battles in the Heavenly World did not affect this peaceful little mountain village!

“Brother David, can you... can you really make the Demon Sealing League disappear from the Heavenly World with just one word?”

Zhuzi asked cautiously as he approached David!

Since seeing the strength of the people brought by David, Zhuzi has also become cautious in front of David, as if he has kept a distance from David!

“Of course I can. Just any one of the people I brought can destroy the Demon Sealing League, but it will take too long, and I just don’t want to wait!”

“You should practice well, and you will definitely achieve great success in the future...”

David touched Zhuzi’s head and said with a doting look!

Zhuzi is actually a very smart child, but he was born in a poor family. In a place like Dashi Village, it is very difficult to practice without resources!

“Well, I must become a pharmacist, and then I can let everyone in Dashi Village eat elixirs!”

Zhuzi nodded and said with a firm face!

“You can make medicine, but you can’t neglect other cultivation. As for the cultivation resources, you don’t have to worry. I will have people deliver them regularly.”

David didn’t want Zhuzi to support a pharmacist!

Although pharmacists in the heavenly world are scarce and have a high status, without sufficient strength, even a senior pharmacist may end up being a pawn of others!

“Okay!” Zhuzi laughed!
