### Chapter 4751

Hearing the old village chief's shout, the villagers of Dashi Village all ran out with their stools, and then found an open space to sit down!

Each of them was holding melon seeds and snacks in their hands, looking like they were watching a lively scene!

"You are here. I have been waiting for a long time. I thought you would not come!"

"That's right, this time you, the Demon Sealing League, must persist a little longer. We didn't even have a good time watching, and the people were gone!"

"Remember to talk nonsense. If you have anything to say, say it quickly, otherwise you won't even have a chance to speak!"

The villagers said to Zuo Tianzheng and others!

Zuo Tianzheng looked at the scene in front of him, and he was stunned. He didn't know what these villagers were talking about!

He didn't know why these villagers were not afraid of him?

He was the leader of the Demon Sealing League!

"You...what are you doing? I am the leader of the Demon Sealing Alliance."

"Do you know what the leader is? He is the biggest leader of the Demon Sealing Alliance, the most powerful one!"

Zuo Tianzheng shouted at many villagers!

"Don't shout, don't shout, we understand, we all understand, we know that you are the most powerful in the Demon Sealing Alliance."

"You, the leader, have to hold on for two moves, don't embarrass the Demon Sealing Alliance, and let us see the excitement!"

The old village chief patted Zuo Tianzheng on the shoulder and said!

“What are you talking about? What do you mean by holding on for two moves? Is there a demon cultivator in your Dashi Village? Let him roll out and die!”

Zuo Tianzheng pushed the old village chief away and said angrily!

“Yes, yes, we have a demon cultivator in Dashi Village!” The old village chief nodded!

“I’ll go call grandma, grandma is a demon cultivator!”

Yun’er hurriedly got up and went to call the old woman!

Zuo Tianzheng was numb, he really couldn’t figure it out, are the people in Dashi Village all stupid?

“Leader, this... why do the people in Dashi Village feel like they have problems with their brains?”

The elder on the side also said with a puzzled face!

“Who cares? When the demon cultivator comes out, we’ll start right away. It’s a quick fight. I always feel something is wrong here!”

Zuo Tianzheng was a little uneasy at the moment, as if something was going to happen!

Soon, the old woman was led out by Yun’er!

Seeing the people from the Demon Sealing Alliance, the old woman was also excited: “Oh, you are finally here. I am a demon cultivator. Are you here to catch me?”

Zuo Tianzheng took a look at the old woman, and indeed detected the breath of the demon cultivator from the old woman, so he asked very vigilantly: “Since you are a demon cultivator, you also know that we are here to catch you, why don’t you run?”

“Why should I run?” The old woman was stunned, and then smiled: “Just don’t run for a while!”

“What do you mean?” Zuo Tianzheng asked!

“Leader, why are you talking nonsense with her? Just catch her first. This old guy is not strong!”

The elder said, and was about to attack the old woman!

Zuo Tianzheng stopped the elder: “Be patient, why do I always feel something is wrong? The more they do this, the more I feel there is a problem.”

“Alliance leader, what can be the problem? I can kill these people with one slap. There is no need to worry about anything!”

The elder said very proudly!

“Let someone try first!” Zuo Tianzheng was very cautious at this moment!

When the elder heard it, he turned around and pointed to the monk who had just entered Dashi Village first and said, “Go and catch that old woman...”

The monk was stunned. Although he was reluctant, he had no choice!

“Cao Nima...”

This time, the monk’s voice was a little louder, enough for the elder to hear!

The elder was so angry that his face turned red, but he didn’t care. He had to wait until the old woman was caught!

The monk’s aura surrounded his body and approached the old woman step by step!

With the strength of this monk, ten old women are not opponents!

But now the monk is very scared and approaches the old woman little by little!

“Are all of you from the Demon Sealing Alliance so timid?”

The old woman mocked the monk!
