Chapter 4752

The monk was furious, and leaped towards the old woman!

The old woman was motionless, watching with a smile on her face!

Just when the monk was about to catch the old woman, a white light suddenly shot out!

Bang! The

white light penetrated the monk's body and directly caused the monk to explode out of thin air!

Flesh and blood were scattered all over the ground, splashing Zuo Tianzheng and others!

"Good…"

"Really wonderful..."

Seeing this, everyone in Dashi Village applauded and cheered!

Zuo Tianzheng and his fellow demon cultivators were all dumbfounded. They didn't see clearly where the white light came from!

"Who is it, who is playing tricks behind, get out if you have the guts!"

Zuo Tianzheng looked around with a vigilant face!

"Leader Zuo, long time no see!" At this time, David walked out slowly!

When Zuo Tianzheng saw David, his brows instantly frowned!

He didn't understand how he could run into this guy named David in a remote mountain village!

The last person Zuo Tianzheng wanted to run into now was David!

"I didn't expect it to be you..."

Zuo Tianzheng looked at David, his eyes full of disgust!

"There are many things you didn't expect." David smiled coldly.

"David, we are here to capture the demon cultivators, so don't meddle in other people's business."

"And these people are not worth your attention, you'd better stay away, and I, the Demon Sealing League, will never bother you again in the future."

Zuo Tianzheng hoped that David would not meddle in other people's business.

"You, the Demon Sealing League, don't want to bother me, but I want to bother the Demon Sealing League."

David had a playful look on his face.

This made Zuo Tianzheng very angry, and he said with a cold face: "David, don't think you are great just because you have a backer. We, the Demon Sealing League, also have a backer, and our Demon Sealing League's influence is spread throughout the Heaven and Human Realm. If you want to fight me, you are courting death!"

"Hahaha, your Demon Sealing League's influence is spread throughout the Heaven and Human Realm? Why do I feel that your Demon Sealing League is finished!"

David laughed!

Zuo Tianzheng was about to speak, but he saw a monk from the Demon Sealing League rushing over covered in blood!

"League leader, it's bad. Our Demon Sealing League's forces in various regions have been attacked."

"Now the people of the Demon Sealing League are dead or surrendered, and they are all drawing a clear line with our Demon Sealing League!"

After the monk of the Demon Sealing League finished speaking, he died directly!

"Impossible, how is this possible, impossible..."

Zuo Tianzheng was shocked, and looked at the elder beside him and said, "You contact the various departments of the Demon Sealing League immediately, I don't believe this is true!"

When the elder heard it, he hurriedly contacted the various departments of the Demon

Sealing League, but found that he couldn't contact them at all! At this time, Zuo Tianzheng had to believe that his Demon Sealing League was really over!

"Is it you? Did you do all this?"

Zuo Tianzheng looked at David and roared angrily!

"You guessed right, it was indeed me. I only need one sentence to destroy your Demon Sealing League!"

David smiled slightly!

"Hmph, stop bragging. Now that your backer is gone, we can kill you."

Zuo Tianzheng snorted coldly!

"Want to kill me? You guys are not qualified. I won't fight you. I'll let my little brothers kill you!"

David laughed!

"How shameless, relying on these mountain country folk?"

Zuo Tianzheng glanced at the villagers of Dashi Village and said!

"Alliance leader, don't talk nonsense with him. I can kill this kid myself, but a mere second-grade Mahayana realm dares to be so presumptuous!"

The elder didn't know how powerful David was, so he was not afraid of David at all!

Zuo Tianzheng glanced at the elder, looking at a fool!

David, a second-grade Mahayana realm, dared to be so presumptuous in front of them, and didn't want to think about why?

"Who is disrespecting Mr. Chen?"

At this time, a roar like a bell came, followed by a vast aura!

"The peak of the ninth grade of the Mahayana realm?"

Zuo Tianzheng was stunned!

Then Xuan Bin appeared and blocked David!
