## **Chapter 4760**

“You three took Mr. Chen’s fairy stones. Are you going to betray me?”

Seeing this, Xuan Bin frowned and asked the three black-robed monks!

After all, these three people were also found by Xuan Bin, but Xuan Bin didn’t know the true identity of these three people!

“Everyone has his own ambitions. I hope that fellow Daoist Xuan Bin can understand that 30,000 fairy stones are really hard to resist!”

One of the black-robed monks said!

“If you dare to be an enemy of Mr. Chen, then you are an enemy of me. In this case, don’t blame me for being polite!”

Xuan Bin’s face was gloomy, and he was about to attack the three people!

Zhou Tang and Hua Yueying were also ready to take action. Since they were not on the same path, they could only be enemies!

But David reached out to stop Xuan Bin, and said calmly: “People die for money and birds die for food. They helped me because of the fairy stones, and they helped the Ten Palaces for the fairy stones. Of course, whoever gives more will be helped, and there is nothing wrong with that.”

“Mr. Chen, they took your fairy stones first.” Xuan Bin said angrily!

“I know, since they chose to betray, let them go. Everyone has their own choice. I won’t blame them for taking my fairy stones and not working for me.”

David said very well!

David said this to make Xuan Bin and others more devoted to him!

After all, David is so magnanimous to those who betrayed. People like them who follow David can only get more at that time!

Seeing this, the Ten Palace Masters on the side smiled slightly: "A man dies for money and a bird dies for food. I like this sentence very much. I will give you the fairy stones now!" After the Ten Palace Masters finished

speaking, he threw out a storage bag with 90,000 fairy stones in it. The three black-robed monks had exactly 30,000 each!

The three black-robed monks got the fairy stone and immediately turned to look at David and others!

Xuan Bin and others were alert and ready to take action at any time!

"Since you have taken the money, isn't it time to take action?"

The Tenth Palace Master urged the three black-robed monks!

One of the black-robed monks reached into his arms, and it seemed that he was going to take out a weapon!

But when the black-robed monk took his hand out of his arms, there was no weapon, but an extra storage bag!

Then he threw the storage bag to David!

This scene made everyone stunned!

"Mr. Chen, my three brothers took 30,000 fairy stones from you, and now I give you 50,000, which is also the price of my three brothers' betrayal."

"Although the Tenth Palace Master has no ability, the Tenth Palace is behind the Temple. The three of us brothers don't want to offend the Temple. I hope Mr. Chen understands!"

said the black-robed monk!

"I understand!" David nodded!

"If Mr. Chen needs the three of us brothers in other places, the three of us will definitely do our duty. Today we can only withdraw!"

After that, the three black-robed monks left without looking back!

"My fairy stones, my fairy stones..."

Seeing this, the Tenth Palace Master hurriedly shouted loudly!

“Tenth Palace Master, not only are you not strong, but your brain is not bright!”

David said with a faint smile!

“fu\*\*...” The Tenth Palace Lord’s face flushed with anger!

“Tenth Palace Lord, do you still mean what you said just now? I suddenly want the fairy stone too!”

Xuan Bin asked the Tenth Palace Lord jokingly!

The Tenth Palace Lord’s eyes condensed slightly, and the aura of his body exploded to the extreme, and the temperature around him dropped to freezing point!

“You guys, you deserve to die, you deserve to die, you deserve to die...”

The Tenth Palace Lord said three damn words in a row!

It can be seen that the Tenth Palace Lord is really angry!

“I think you are the one who deserves to die?” After Lin Kefan finished speaking, he saw David and said, “Brother-in-law, what are you waiting for? Why don’t you kill this guy? If other people in the temple dare to seek revenge on you, I, Sun Moon City, will support you!”
