Chapter 4766

Huo Qing just stopped, and then instantly turned into a stream of light, and came towards Cangyue again!

The terrifying pressure swept across the entire Ten Palaces, oppressing people to the point of suffocation!

Cangyue's eyes condensed, and he said to Xuan Bin who was about to take action: "Don't move, let me do it myself..."

Cangyue gritted his teeth, leaped up, and went towards Huo Qing like a cannonball!

Huo Qing fought with Cangyue. In a short time, it was difficult to tell the winner!

At this moment, the Ten Palace Masters and Qian Lao led the Ten Palace Masters to roar, staring at David and others!

David frowned slightly. He had to find a way to trap Qian Lao. Only by trapping Qian Lao could he fight with the Ten Palace Masters!

Otherwise, Qian Lao could predict the future, and they were very passive, and every time they took action, they would not be guessed by the other party!

"Hua... Miss Hua, can you cast an illusion?"

David asked Hua Yueying!

Every time he called Miss Hua, David felt a little awkward!

"I can cast an illusion, but what's the point of Mr. Chen casting an illusion?"

Hua Yueying was puzzled as to why David cast an illusion!

"You cast an illusion to make the other party lose their way, so that we can take the opportunity to escape!"

David followed Hua Yueying and said!

Hua Yueying nodded when she heard it, and then she began to cast an illusion while muttering something in her mouth!

Old Qian smiled coldly: "They are casting an illusion to take the opportunity to escape, so you all open your eyes and don't easily believe what you see."

"Got it!" The Lord of the Ten Palaces nodded!

Soon, the illusion was successful, and as Hua Yueying opened the formation, the scene in the entire Ten Palaces began to change constantly!

In the end, everyone felt like they were on a mountain in the Heavenly World!

"David, do you think you can escape from me by just changing the environment with an illusion?"

The Lord of the Ten Palaces taunted David!

David did not speak, but kept pinching the magic formula, and the void was shaking!

Hua Yueying looked at David in surprise. She didn't understand why they were on a mountain in the heavenly world at this moment!

This is not what her illusion array can present at all!

Buzz.....

Just when David was pinching the magic formula, there was a buzzing sound between heaven and earth!

"Fourth uncle, I'll leave that old man Qian to you. I have laid magic arrays around, and his deduction technique doesn't work!"

David said to Lin Kefan! When

Lin Kefan heard it, he hesitated for a moment, and then tentatively waved his palm towards the old man Qian!

A lightning bolt appeared instantly, which scared the old man Qian directly!

The old man Qian frowned, his eyes full of surprise. It was obvious that David was right. The old man Qian's deduction technique didn't work in this space!

"Even if I don't use the deduction technique, you little kid is not my opponent!"

The old man Qian looked down on Lin Kefan at all!

Looking down on people is the characteristic of the God Clan!

Lin Kefan tried his best and followed the old man Qian to fight together!

Seeing this, David took a step forward, holding the Dragon Slashing Sword and suddenly slashed!

At the same time, Xuan Bin and others attacked the monks of the Ten Palaces, and even the old man beside Huo Qing was no exception!

“Even without the help of Elder Qian, I can easily kill you!”

The face of the Tenth Palace Lord became ferocious, and then turned into a black light, rushing towards David!

The speed of the Tenth Palace Lord was extremely fast, as if there were many Tenth Palace Lords rushing towards him!

“Nine Shadow Sword Technique...”

At this moment, David did not dare to be stingy with the various powers in his body, and directly used the Nine Shadow Sword Technique!

You must know that this Nine Shadow Sword Technique is extremely consuming!

Seeing that many Davids suddenly popped up, and they were exactly the same, with the same Dragon Slaying Sword in their hands!

The most important thing is that these Davids actually have the same aura, and it is impossible to tell the real from the fake!

“It turns out that he has a clone, this is not an illusion...”

The Tenth Palace Lord was shocked. He thought that David’s sudden appearance of so many clones was due to an illusion!

Chapter 4767

“It’s too late to know that this is not an illusion...”

David’s eyes turned cold, and the Dragon Slaying Sword in his hand swung out instantly!

The six clones followed David to swing the sword together, and several sword energies gathered together, and the power was increased by who knows how many times!

Boom!

The Tenth Palace Master punched out, accompanied by a deafening sound, the sword light shattered, and David followed the Tenth Palace Master and retreated at the same time.

This time, David's body hit a mountain heavily before stopping!

The mountain shattered, and David only felt his internal organs surging, and then a mouthful of blood spurted out. The

Tenth Palace Master also retreated and crashed into a mountain!

At this time, Hua Yueying was closing her eyes slightly, constantly blessing her own illusion array!

At this time, she couldn't distract herself to help David, everything depended on David himself!

David looked at the Tenth Hall Master. At this time, the Tenth Hall Master was not doing well either. His arms had been cracked and blood was constantly oozing out!

Cracks appeared on the Tenth Hall Master's body, as if it was about to collapse!

It seemed that the Tenth Hall Master's body could not bear it anymore!

The Tenth Hall Master looked at David, who was not dead yet, with anger in his eyes!

With his strength of the third level of the Immortal Realm, he could easily control David, the second level of the Mahayana Realm!

But now, David can not only fight against opponents of higher levels, but also has many magical weapons on him!

The Dragon Slaying Sword, the God King Bow, the Indestructible Golden Body...

Which one of these is taken out is also a treasure that everyone can only encounter but not ask for!

Especially the indestructible golden body on David's body, which is blessed by the golden dragon at this moment. Even if it is damaged, it can be repaired instantly!

In this case, it would be even more difficult for the Tenth Hall Master to kill David!

Just as David was confronting the Tenth Hall Master, there was a sudden movement behind him, and a crack in time and space appeared behind David!

David did not hesitate at all. No matter who appeared in the space-time crack, David regarded him as an enemy!

Swish!

David slashed at the space-time crack with a sword, and then a residual image flew out!

“fu**, I went to the wrong place...”

The residual image yelled and disappeared into the sky!

It turned out that this was a monk who used the cracks in time and space to travel, and accidentally broke into the battlefield of David and his men!

Unexpectedly, as soon as he showed his head, he was chopped off by David’s sword!

“Isn’t this in the illusion array?”

The Tenth Palace Master looked at the residual image that was chopped off by a sword, and his eyes suddenly widened!

The environment that appeared was not an illusion, but real!

They were not in the illusion array!

If it was in the illusion array, the guy who was just hit by a sword would not appear, and it would be impossible to tear the void in the illusion!

“Yes, this is not an illusion, this is the real world of heaven and man, and where we are is the northern region of the world of heaven and man!”

David smiled coldly!

The reason why David asked Hua Yueying to set up the illusion array just now was actually a trick!

Of course, he knew that the old man Qian could deduce what they would do next, so he said that!

When Hua Yueying laid down the illusion array, David also used the laws of the great array of heaven and earth that he had comprehended to bring everyone from the Ten Palaces into the northern region of the Heavenly Realm!

The place where the Ten Palaces are located is just a space opened up in the Heavenly Realm!

It is equivalent to the secret realm of the secular world, so it is not difficult to bring everyone out!

This is different from the leap of two time and space, this is in the same space.

However, in order to prevent the Ten Palace Masters and others from noticing, David asked Hua Yueying to lay down the illusion array as a cover! The reason

why David did this was to leave them a way out. If they really couldn't beat them, they could escape!

And if there were reinforcements in the Ten Palaces later, it would take time to find this place!

The most important point is that David wanted to see if the old man Qian and the Ten Palace Masters and others were the people left behind by the Heavenly Realm!

If these guys were all left behind by the Heavenly Realm, they would be suppressed by the great array of heaven and earth in the Heavenly Realm, and their strength would not be fully exerted!

If they were in the space opened up by the Ten Palaces, the suppression would be much smaller!

Chapter 4768

“Hmph, I know what you are thinking, but you are wrong. We are not from the heaven, so even if we go to the heaven, we will not be affected.”

After the Tenth Palace Master finished speaking, he looked at Hua Yueying!

Since this is not an illusion array, Hua Yueying closed her eyes slightly and muttered something. She must be setting up other arrays!

The Tenth Palace Master's face turned cold, and his body instantly turned into a stream of light and went towards Hua Yueying!

He had to get rid of Hua Yueying first!

Having such a formation master around would make him very passive!

David saw what the Tenth Palace Master meant, and his figure flashed, and he also came in front of Hua Yueying, and the Dragon Slashing Sword in his hand slashed! At

the same time, David's clones also swung their swords at the Tenth Palace Master!

This time, the Tenth Hall Master did not resist, but retreated quickly, and then punched David beside him!

Boom!

David was knocked back by a punch, and his body turned into a little golden light in the air and dissipated!

This is just a clone of David!

However, after losing a clone, David felt extremely uncomfortable.

Although the clone has the power of David, David is also suffering from the damage suffered by the clone!

Speaking of it, this Nine Shadow Sword Technique has advantages and disadvantages!

Seeing this, the Tenth Hall Master showed a sneer on his face. He seemed to have noticed the flaw of David's Nine Shadow Sword Technique!

He only needs to eliminate the clones one by one, and David will definitely be seriously injured if he doesn't die!

A trace of fierceness flashed in the eyes of the Tenth Hall Master, and his body was like lightning, and he instantly rushed towards another clone of David.

His fist was like thunder, with destructive power, and hit the chest of the clone directly.

"Boom!"

There was another loud noise, and David's clone was shattered by the Tenth Hall Master's punch, turning into a little golden light and dissipating in the air.

David's original face turned pale instantly, with a trace of blood flowing from the corner of his mouth.

The destruction of his clone not only took away his power, but also caused his body to suffer a huge backlash.

“Mr. Chen!”

Hua Yueying’s voice suddenly sounded, with a hint of anxiety and determination.

Her hands quickly formed seals in the air, and she muttered something, as if she was summoning some mysterious power.

“The sky and the earth are boundless, the universe borrows the law, the rain comes, and all things revive!”

With Hua Yueying’s loud shout, the sky was suddenly covered with dark clouds, and then countless crystal water drops fell from the sky, as if the rain fell from the sky.

These water drops are not ordinary water, but spiritual rain with powerful vitality.

David, Xuan Bin and others were enveloped by this spiritual rain, and they suddenly felt a coolness all over their bodies, as if countless tiny lives were wandering in their bodies, repairing their injuries.

David’s originally pale face quickly returned to rosy, and the injuries in his body were also healing at a speed visible to the naked eye.

“Is this... the rain of life?”

The Tenth Palace Master frowned, and a hint of surprise flashed in his eyes.

He didn’t expect Hua Yueying to be able to summon such a powerful healing formation, which shocked him a little.

Even David was shocked when he looked at Hua Yueying. Hua Yueying actually knew this kind of healing formation.

Although David has learned many array techniques, he has never learned this kind of healing array, and he seems to have never heard of this kind of array.

At this moment, David has a great interest in Hua Yueying’s true identity!

“Humph, even if you recover, so what? I can still knock you down one by one!”

The Tenth Palace Master sneered, and his figure flashed again, rushing towards David’s other clone.

However, this time, David did not passively take the beating again.

A gleam of light flashed in his eyes, and the Dragon Slaying Sword in his hand suddenly swung out, the sword light was like a rainbow, and he rushed straight to the Tenth Palace Master.

“Combined!”

With a low shout from David, the remaining clones instantly merged into one, turning into a huge sword shadow, slashing towards the Tenth Palace Master.

The power of this sword is stronger than any previous one, as if it can tear the world apart.

The Tenth Palace Master’s face changed, and he hurriedly punched to resist, but the power of this sword far exceeded his imagination.

His fist wind collided with the sword shadow and was instantly defeated, and the sword shadow continued to move forward, pressing straight into his chest.

“Bang!”

The Tenth Palace Master was knocked back dozens of feet by the sword, and a deep sword mark appeared on his chest, and blood continued to flow out.

His face became extremely ugly, and he obviously did not expect that David could burst out such a powerful force after recovering from his injuries.
