Chapter 4770

Maybe the two were first love, but separated for various reasons!

Hua Yueying's mother couldn't forget her for a long time, so she had a demon in her heart, which caused her to die from the backlash of cultivation!

David saw too many such bloody plots when he was in the secular world

! Maybe, Hua Yueying is the daughter of the Lord of the North Territory! Just

when David was thinking about it, the Lord of the North Territory really forced out a drop of blood, and then gently applied it on Hua Yueying's forehead!

With a flash of red light, the blood was actually absorbed by Hua Yueying!

"Daughter, you are my daughter..."

The Lord of the North Territory hugged Hua Yueying and burst into tears!

Hua Yueying was a little confused, because she had never seen her father and didn't know who her father was!

But the blood was absorbed by herself, and Hua Yueying knew that the Lord of the North Territory was her father!

"What's going on? What's going on?"

Hua Yueying asked in confusion!

"It's a long story, let's not talk about it for now. I'll explain it to you slowly later!"

"Tell daddy, who bullied you?"

The Lord of the North Territory looked at Hua Yueying and asked!

"It's him..." Hua Yueying pointed at the Lord of the Tenth Palace and said!

The Lord of the Tenth Palace swallowed his saliva and wanted to curse. It was obviously you who found my doorstep to bully me, and now I'm bullying you!

The Lord of the North Territory looked at the Lord of the Tenth Palace coldly, frowning slightly: "God clan?"

"Yes, we are from the temple." The

Lord of the Tenth Palace nodded!

The Lord of the North Territory turned to look at Hua Yueying: "Child, how did you provoke those guys from the temple in the God clan?"

"They want to kill Mr. Chen, so I helped!"

Hua Yueying pointed at David and said!

"Is it the kid holding you?"

The Lord of the North Territory looked at David and looked at him carefully!After

a moment, the Lord of the North Territory suddenly smiled: "My daughter has a good vision. Although this kid's realm is not very good, he has strength and background. If my guess is correct, the person who scared the Lord of the West Territory away is your backer, right?"

David was stunned, and then said with a little embarrassment: "I don't know why the senior knows."

At that time, Mr. Shi scared the Lord of the West Territory away with a look, but not many people knew about it, and the Lord of the North Territory was no longer there!

"Of course I know, the Lord of the West Territory was scared to pee all the way, and I saw that embarrassing look." The Lord of the North Territory smiled slightly: "Since you have a backer, why are you still being chased by others?"

"I have a backer, but I can't always use it. Mr. Shi asked me to experience more, otherwise it will be difficult to grow."

David explained!

"Yes, you are ambitious. My daughter did not find the wrong person!" The Lord of the North Territory nodded, very satisfied!

Then he looked at the Tenth Palace Master and said, "Are you going to commit suicide, or let me do it?"

"I am a member of the Temple. You are a small domain master. Aren't you afraid of our Temple?"

The Tenth Palace Master frowned and asked!

“Afraid!” said the Northern Territory Lord!

“Since you are afraid, you still dare to attack me?” The Tenth Palace Master looked puzzled!

“I am afraid of the Temple, but not you. You are nothing in the Temple. The smallest Tenth Palace Master really thinks he is a dish!”

“If I kill you, the Temple may not cause trouble to me. At most, I will send someone else to be the Tenth Palace Master.”

“What’s more, now the Heaven and Earth Array covers the Heaven and Human Realm. Can those strong men from your Temple come to the Heaven and Human Realm?”

The Northern Territory Lord snorted coldly!

As soon as the voice fell, he suddenly raised his right hand, and then a terrifying pressure went towards the Tenth Palace Master!

Boom!

The Tenth Palace Master’s eyes suddenly shrank, and he wanted to raise his hand to fight back, but found that the void around him seemed to have stopped, and he was imprisoned in it!

At this moment, the Tenth Palace Master’s face showed panic!

Seeing this, David waved the Dragon Slaying Sword without hesitation!

He wanted to take this opportunity to cripple the Tenth Palace Master. Although he promised Yun Li not to kill the Tenth Palace Master, he never said that he couldn’t cripple him!

As long as the Tenth Palace Master was crippled, he would not pose any threat to himself!

Seeing David coming, the Tenth Palace Master’s pupils shrank, and suddenly he shouted angrily, accompanied by a beast-like roar. A terrifying impact erupted from the Tenth Palace Master’s body, and the powerful force instantly shattered the surrounding solidified space!
