Chapter 4771

Ding!

The Tenth Hall Master looked at David who was close to him, raised his arm to block, and made a crisp sound!

The Tenth Hall Master's arm was cut into white bones!

At this time, a force came, and David's body was instantly knocked back a hundred feet!

"Do you think there is no one in my Ten Halls?"

Qian Lao said with a very ugly face!

Seeing Qian Lao, David frowned. It was a bit troublesome for this guy to deduce the way of heaven! Qian Lao's

figure shook slightly, disappeared in an instant, and then appeared in front of David!

David's hair stood up when he saw this. This was too fast

! Just when David hadn't reacted yet, a figure suddenly blocked Qian Lao! Bang

!

With a loud bang, Qian Lao's body retreated!

"Lord of the North Territory, do you really want to meddle in other people's business?"

asked Old Qian in a cold voice!

"This is my own business, how can it be considered a private matter?"

The Lord of the North Territory smiled faintly!

"You should know that the power of our temple is spread throughout the universe and the galaxy, and the heaven also has the power of our temple. Do you really want to go against our temple?"

“When you ascend to the heaven, you will be an ant in front of our temple. We will trample you to death as much as we want!”

Old Qian threatened the Lord of the North Territory!

“I don’t know if I can ascend to the heaven. Even if I go to the heaven, I have my uncle to protect me. What should I be afraid of?”

The Lord of the North Territory glanced at David and said with a smug look on his face!

David was speechless for a while. What did this have to do with calling him uncle!

He just hugged Hua Yueying because he was just worried about her safety. How come they became a pair now!

Hua Yueying also blushed and said quickly: “Mr. Chen and I are just cooperating. He pays and I work, that’s all...”

“If you are just an employer and employee relationship, then we can’t get involved in this mess. The temple is not to be trifled with. I will take you away now!”

“Just tell me what resources you need and I will give them to you!”

As the Lord of the Northern Territory said this, he was about to pull Hua Yueying away!

“fu**...”

David was speechless when he saw this. Isn’t this forced?

Hua Yueying was also stunned, and hurriedly broke away from the Lord of the Northern Territory: “I...I...”

“Senior, although we are in an employment relationship, I just hugged Miss Hua, which can be regarded as physical intimacy.”

“If Miss Hua doesn’t abandon her and is willing to follow me, I don’t mind...”

David couldn’t let the Lord of the Northern Territory go. Anyway, he had many women, one more and one less!

“Brother-in-law, you are willing to say this, but what about my sister?”

“You are the matchmaker personally promoted by Taoist Wuji, and both parties agreed. You can’t be fickle?”

Lin Kefan was unwilling and walked over with an angry face!

“Fourth uncle, I have many girlfriends around me now, and many of them are already husband and wife. Ting’er knows all this, and she won’t care!”

David hurriedly followed Lin Kefan and said truthfully!

“You have a lot of women?” Lin Kefan looked at David, his eyes full of envy!

“It’s normal for a man to have three wives and four concubines. With his status and background, it doesn’t matter if he has more.”

“How many women do you have now, including my daughter?”

asked the Lord of the North Territory!

David pondered and began to count on his fingers!

Seeing this, Lin Kefan, the Lord of the North Territory and others were stunned!

“Brother-in-law, what are you doing? How many women do you have?”

Lin Kefan asked in surprise!

“More than ten? More than twenty? I can’t count them myself...”

David said with a little embarrassment!

Some women just slept together and separated, and David had no impression of them!

Just like the sisters Ji Meiyang and Ji Meiling of the Ji family, David had slept with them, but at that time he just wanted David’s blood!

David didn’t know whether these women were his women!

Chapter 4772

Seeing David like this, Lin Kefan and others wanted to beat him up!

How many men can’t find a partner for dual cultivation, but David has dozens of them?

“Hahaha, it’s really extraordinary. You are capable.”

The Lord of the North Territory laughed, and then looked at the old man Qian: “Old thing, this is my family affair now. If you dare to do something to my son-in-law, be careful that I will kill you...”

“Okay, since you want to wade into this muddy water, then my temple will accompany you to the end!”

The old man Qian’s eyes condensed slightly, and the breath in his body continued to rise!

The Lord of the North Territory didn’t waste any words, and waved his hand directly, and a white light went directly towards the old man Qian!

“Come on!” The old man Qian also instantly turned into a stream of light and rushed towards the Lord of the North Territory!

Seeing this, the Lord of the North Territory smiled coldly, tore through time and space, and took the old man away from this area: “If you want to fight, go to someone else’s territory, don’t ruin my territory!”

Old man Qian didn’t expect the Lord of the North Territory to do this. He wanted to retreat, but it was too late!

The Lord of the North Territory and the old man Qian went to fight somewhere unknown!

Seeing old Qian being taken away, the Lord of the Ten Palaces looked uglier than eating shit!

Now the Ten Palaces rely on old Qian to support them. Now old Qian has been taken away, and everyone in the Ten Palaces has died or been injured!

Relying on himself alone, there is no way to fight with so many people like David!

Especially with Hua Yueying here, this guy’s rain of rain is too abnormal!

“Huo Qing, when will the person you are looking for arrive?”

The Lord of the Ten Palaces asked Huo Qing!

Now we can only hope that the people Huo Qing found will find here as soon as possible!

“I don’t know either, maybe they have already arrived at the Ten Palaces, but we left!”

Huo Qing shook his head! When the Lord

of the Ten Palaces heard this, he looked at David angrily. It was this guy who cheated and tricked them all out of the Ten Palaces!

“Fourth uncle, you guys fight quickly and deal with the other people in the Ten Palaces quickly. The Lord of the Ten Palaces will be left to me!”

“Miss Hua, use the formation to assist me...”

After David finished speaking, his body instantly turned into a sword light and attacked the Lord of the Ten Palaces!

The Tenth Hall Master gritted his teeth, a ferocious look flashed in his eyes, and then he also went towards David!

The two people just hit hard!

Boom!

The two separated

as soon as they touched! David was shocked and retreated again and again, his blood and qi surged all over his body. The Tenth Hall Master was not much better, his body retreated, and his face was pale!

Hua Yueying instantly shot out a soft light, which enveloped David, making David feel comfortable physically and mentally, and he recovered quickly!

But the Tenth Hall Master had no one to help him, and every bit of consumption was a huge challenge at this moment!

“I wonder how long you can consume...”

David smiled coldly, and the Dragon Slaying Sword in his hand pointed at the Tenth Hall Master.

The Tenth Hall Master frowned and tried to regulate the power in his body!

At this moment, suddenly the world changed drastically!

Boom!

In the air, a crack was torn open, and more than ten terrifying auras swept in!

“Hahaha, our reinforcements have arrived...”

Seeing this, the Tenth Hall Master laughed excitedly!

There were two people leading the group, one of them was an old man with a gray beard, and the other was a middle-aged man in a brocade robe with long flowing hair. He held a spear in his hand, and the tip of the spear was as black as ink.

“Butler Lu, big brother...”

Huo Qing shouted when he saw the old man!

The old man waved his hand casually, and a huge force directly repelled Cang Yue who was fighting with Huo Qing!

Seeing the people coming, David and the others all became extremely solemn!

Because the aura of the old and the young in front of them actually exceeded that of the Ten Palace Masters!

What’s more, there were more than a dozen monks following these people!

“Miss Hua, set up a formation to stop them, and the others follow me...”

David immediately asked Hua Yueying to set up a formation to stop these people, so that they would have time to escape!

Chapter 4773

In this situation, there is no other way except to escape!

Hua Yueying immediately cast a formation, and the light like a silk screen formed a barrier between David and the Ten Palace Masters and others!

Taking advantage of this opportunity, David and others turned around and ran!

“Let’s go to Sun Moon City...”

Lin Kefan said!

“Go to Xiao Dynasty...”

David roared, asking everyone to go in the direction of Xiao Dynasty!

David didn't want to lead these people to Sun Moon City. Once a fight broke out in Sun Moon City, even if Sun Moon City could win, it was estimated that many people would be killed and injured!

Xiao Dynasty was different. Xiao Dynasty was covered by Mr. Shi's luck, and no one dared to be presumptuous in Xiao Dynasty! If

these guys dared to chase Xiao Dynasty, they might provoke Mr. Shi again!

If Mr. Shi comes, these people will only wait to die!

David had another plan to go to Xiao Dynasty, that is Yun Li!

Yun Li is also in Xiao Dynasty. If the Tenth Palace Lord catches up to Xiao Dynasty, David can let Yun Li stand out in a real crisis!

"You still want to escape? You're dreaming!"

The Tenth Palace Lord snorted coldly, and disappeared directly on the spot, instantly breaking through the barrier set up by Hua Yueying!

David frowned, holding the Dragon Slaying Sword, turned around and slashed.

Bang!

David instantly retreated a thousand feet, and the Tenth Palace Lord's figure also stopped!

David was delaying time for others. Regardless of whether Xuan Bin and others helped him for the fairy stone, David couldn't let them be in danger at this moment!

After stopping the Tenth Palace Lord's figure, David turned around and continued to flee, with bloodstains on his body, which was shocking!

The Tenth Palace Lord's eyes condensed, waved his hand and said: "Chase..."

Huo Qing and others brought the people from the Huo family and chased David and them!

David kept setting up illusion arrays while fleeing. Because they were set up in a hurry, these illusion arrays were not very perfect, but David did not have time to set up the array perfectly!

Now they can resist for one minute, as long as they can escape to the Xiao Dynasty!

In the void of the Heavenly Realm, several rays of light disappeared in an instant like meteors! Following

closely behind were more than ten rays of light chasing closely!

This time, everyone increased their speed to the extreme, and no one was stingy with the spiritual power in their bodies!

Soon, David was able to see the imperial city of the Xiao Dynasty, and he breathed a sigh of relief!

“Quick, enter the territory of the Xiao Dynasty!”

David asked Lin Kefan and the others to enter the Xiao Dynasty quickly!

The Tenth Palace Master led people to chase, and only when they were near the Xiao Dynasty did Huo Qing stop everyone!

“Butler Lu, brother, the Xiao Dynasty is ahead, be careful!”

Huo Qing said to the housekeeper and his eldest brother who came!

“What is the Xiao Dynasty? Is it very powerful? Do you still need to be careful?”

The eldest brother Huo Ming asked puzzledly!

“Let’s chase quickly. The forces in the major domains of the Tianren Realm are all garbage. The real masters have long been in seclusion for cultivation!”

The Tenth Palace Master urged!

Huo Qing just glanced at the Tenth Palace Master and ignored him!

Now the people of the Tenth Palace are dead and injured, and the Tenth Palace Master is almost a bare commander!

Huo Qing looked down on the Tenth Palace Master even more. If it weren’t for Elder Qian’s intervention, Huo Qing might not care about the life or death of the Tenth Palace Master!

Now they are all members of their Huo family, he can ignore the Tenth Palace Master!

“Brother, you don’t know that the Xiao Dynasty has been blessed by a master. If you take action in the territory of the Xiao Dynasty, you will probably suffer. “

Huo Qing followed Huo Ming and said!

“Master? How powerful?” Huo Ming asked!

“Kill people and resurrect them again...”

Huo Qing said!

When the Tenth Palace Master heard it, he immediately understood who Huo Qing was talking about!

It was Luo Ta who was killed and then resurrected!

“Oh, there are such masters in the Heavenly Human Realm?” Huo Ming was stunned!

Butler Lu also frowned and said, “Young Master, I’m afraid that even immortals can’t use such means of killing people and resurrecting them at will. How could there be such a person in the Heavenly Human Realm!”

Chapter 4774

“Indeed, the people from the Ten Palaces have fought each other!” Huo Qing said!

“Master, have you ever fought with this master?” asked Steward Lu!

Huo Qing shook his head!

“Brother, have you seen this master take action?” Huo Ming asked!

Huo Qing still shook his head!

“Brother, when did you become so timid? No matter who he is, I will meet him today.”

Huo Ming waved the spear in his hand, and the whole void trembled!

“Brother, this...”

Huo Qing wanted to persuade him, but saw Huo Ming leading people directly into the territory of the Xiao Dynasty!

Huo Qing wanted to chase him, but he was still a little scared in his heart!

“Second Master, you wait again, I’ll go to see the eldest master.”

Steward Lu also rushed into the territory of the Xiao Dynasty!

The Tenth Hall Master watched, but he couldn't get in after trying several times. Huo Qing's words just now also made him hesitate!

As the saying goes, ignorance is fearless. Huo Ming and Steward Lu don't believe that there are such powerful monks in the Heavenly World!

In the Xiao Dynasty!

David brought Lin Kefan and others to the imperial city!

Xiao Yuanshan was also shocked to see David and others coming with wounds!

To be able to beat David and other monks at the peak of the ninth rank of the Mahayana Realm like this, the opponent's strength must be very terrifying!

Fortunately, the Xiao Dynasty has the luck of Mr. Shi, and even the most powerful monks dare not be presumptuous in the Xiao Dynasty!

"Everyone recover as soon as possible. I guess the people from the Ten Halls dare not enter the Xiao Dynasty!"

David asked everyone to recover their physical strength quickly!

This escape is indeed very exhausting!

"Emperor Xiao, someone broke in..."

As soon as David's voice fell, someone shouted immediately!

David and others hurried out of the hall, looked up, and found that the people from the Ten Halls had indeed chased after them!

A dozen strong men, their pressure made everyone in the Xiao Dynasty unable to raise their heads!

Huo Ming pointed the spear in his hand, and the entire void became distorted. An invisible pressure spread over everyone's heads, making them breathless!

"How come there are still so many strong men in the Ten Palaces?" Lin Kefan said with a frown!

So many people from the Ten Palaces have been killed, but there are still so many strong men in the Ten Palaces. In this way, the strength of the Ten Palaces is not worse than that of the Sun and Moon City!

“These are not the people of the Ten Palaces...”

At this time, Yun Li appeared behind everyone at some point!

“Not the people of the Ten Palaces?” David was very surprised!

“These are all members of the Huo family. They must have been called by Huo Qing. The strength of the Ten Palaces is not that strong!”

As the son of the master of the Ten Palaces, Yun Li certainly knew how strong the Ten Palaces really was!

“This Huo family doesn’t seem to be simple either!”

Xuan Bin exclaimed!

David stared at Huo Ming and others with a calm expression!

When he got here, David was not afraid of anything. Even if an immortal came, Mr. Shi would probably be able to slap him to death with one slap!

“I heard that there is a master here, where is that master?”

Huo Ming looked at David and asked!

“You are not worthy of Mr. Shi’s attack. If I hadn’t fought a fierce battle, with your strength, I could beat two of you!”

David snorted coldly!

Huo Ming was stunned, then laughed and said, “How shameless! You are only a second-grade Mahayana Realm cultivator, but you dare to say such things. I think you have no other skills except bragging.”

“Whether you have other skills or not, you will know after trying. Come here...” David waved at Huo Ming!

“Do you think I dare not?”

Huo Ming said, took a step forward, and pointed the spear in his hand at David!

With this finger, a force that could destroy the world went straight to David!

Huo Ming made a move!

Seeing Huo Ming’s move, David was not panicked at all, and did not even dodge!

“Die...”

David said a word lightly!

Suddenly, a white light fell from the sky and instantly penetrated Huo Ming's body!

This scene made Steward Lu and others stunned instantly!

Huo Ming opened his eyes wide, looking at his pierced body in disbelief!
