“This... How is this possible?”

Huo Ming couldn't believe it was true!

“Young Master...” Steward Lu stared blankly, only daring to shout loudly, not daring to move!

Where did that white light come from?

No one could see clearly, and no one knew!

David looked coldly at Huo Ming who was pierced, and said, “I warned you, but you didn't listen...”

Hua Yueying and Cangyue looked at David with their eyes wide open, their faces full of surprise!

“Damn, is Mr. Chen so awesome?”

“He's really a god...”

These two guys didn't know that the Xiao Dynasty had been blessed by Mr. Shi!

Xuan Bin and Zhou Tang smiled faintly. The two of them had been guarding the Xiao Dynasty for many days, and they knew that they couldn't use force in the Xiao Dynasty!

“What's that? Even if an immortal comes to my Xiao Dynasty, he must be honest, otherwise he will be killed...”

Xiao Yuanshan said with great pride at this moment!

As the Xiao Emperor, his Xiao Dynasty is a pure land in the world of heaven and man. Whoever dares to be dishonest in the Xiao Dynasty will be unlucky!

Xiao Yuanshan's words shocked Hua Yueying and others!

Immortals are killed, this Xiao Dynasty is too awesome!

“Is this what the master behind you did?” Huo Ming looked at David and asked!

“No!” David shook his head!

“No?” Huo Ming frowned.

“If Mr. Shi took action personally, you would have been wiped out long ago. This is just a piece of luck left by Mr. Shi!”

David said truthfully!

“So powerful...” Huo Ming had to admit at this moment that the master behind David was very powerful.

“Let’s leave, and never embarrass you in the future...”

Huo Ming no longer had the ambition he had at the beginning, and now he only wanted to leave here!

“Okay...” David nodded!

Huo Ming dragged his seriously injured body and slowly retreated, then turned around and was about to leave!

Seeing this, David raised his hand and slashed!

Swish!

The

Dragon Slaying Sword swung out a sword beam, directly chopping off Huo Ming’s head!

Huo Ming’s head was thrown high in the air, staring at David angrily!

“You come as you please, leave as you please, do you think this is a hotel?”

David smiled coldly!

He said what the Ten Palace Masters said!

“Brother...” Huo Qing saw that his eldest brother’s head was chopped off, and he roared angrily!

“Young Master!” Steward Lu also had a face full of grief and indignation, and then looked at David and asked, “Didn’t you promise our young master to let us leave?”

“All is fair in war...” David just spit out four words lightly!

Huo Ming’s body fell heavily to the ground, and David walked in front of Huo Ming and began to search for the storage bag on the body!

Huo Qing, Steward Lu looked at this scene, although he was itching with hatred, no one dared to move!

“The Huo family is really rich...”

David looked at Huo Ming’s storage bag, and a smile appeared on his face!

Butler Lu took people to look at Huo Ming’s body, turned around and left!

If they don’t leave now, they may not have a chance to leave!

Seeing this, the Tenth Palace Master also turned around and left. When Huo Ming was penetrated by the white light, the Tenth Palace Master turned around and left!

Huo Qing was unwilling, and his teeth were clattering!

“Second Young Master, let’s go, and avenge the eldest young master later!”

Butler Lu pulled Huo Qing and soon disappeared into the sky!

Everyone left, and the sky above the Xiao Dynasty returned to peace!

“Mr. Chen, why don’t you kill all these people?”

Hua Yueying asked David in confusion!

“I want to kill, but I can’t make the decision!”

David was helpless. These guys were not something he could deal with. Only Mr. Shi could do it!

But whether Mr. Shi took action or not was not something David could control!

“I guess after this time, these people in the Ten Palaces will be more honest!”

Xuan Bin said with a sigh of relief.

“This time, thanks to everyone’s help, let’s share these things among us!”

After David finished speaking, he took out Huo Ming's storage bag and took out all the resources inside!
