Chapter 4776

Fairy stones, elixirs, fairy herbs...

the sons of big families are rich!

David was not stingy and divided everything up, and did not keep anything for himself!

“Miss Hua, I have a favor to ask...”

After distributing resources to everyone, David looked at Hua Yueying and said!

“Do you want to learn the rain descending to the world?”

Hua Yueying said with a smile!

David nodded a little embarrassedly. After all, this was the unique skill of his mother, passed on to Hua Yueying!

It was a little inappropriate for David to learn someone else’s unique skill!

But David wanted to learn it too much. This kind of auxiliary formation is sometimes more useful than offensive and defensive formations!

“Mr. Chen, you and Miss Hua are a family, what’s there to be embarrassed about? Hers is yours, and yours is hers!”

Xuan Bin laughed!

“Yes, yes, my father has recognized you as his son-in-law. I think you will practice dual cultivation with Miss Hua today!”

“Isn’t there an old saying that if you want to learn, you have to sleep with your master?”

“Mr. Chen wants to learn Miss Hua’s magic array, of course he has to sleep with her!”

Zhou Tang and Cangyue also followed suit!

Hua Yueying’s face turned red after being told by several people, and she lowered her head shyly!

“You guys chat, I have to go back, otherwise my father won’t be able to find me and will be anxious!”

Lin Kefan felt a little awkward, so he planned to return to Sun Moon City!

“Fourth uncle, don’t you want to rest for a few days?” David asked!

“No, no...”

After Lin Kefan finished speaking, his figure flashed and disappeared!

He had to return to Sun Moon City as soon as possible and tell his sister that he had to hurry up, otherwise David didn’t know how many women would occupy him!

After Lin Kefan left, David looked at Hua Yueying and said, “Miss Hua, come with me...”

David called Hua Yueying into a secret room!

After all, the rain of sweetness is someone else’s unique skill, and it is impossible to teach it in public!

Seeing David follow Hua Yueying away, Xuan Bin smiled and said, “It seems that Miss Hua will become our boss’s wife in the future, and she can’t be considered a colleague!”

“It’s great to be a woman. If I were a woman, I would also be on the list of Mr. Chen, and I would be relieved of everything!” Cangyue sighed!

“Don’t laugh at the two of you. Now that the eldest son of the Huo family is dead, they will definitely not let it go.”

“And the Ten Palaces have been destroyed. Can the Temple sit back and watch?”

Zhou Tang said!

When Xuan Bin and Cangyue heard this, their expressions instantly became solemn!

They can’t hide in the Xiao Dynasty all their lives, right?

“Don’t be afraid, everyone. The background behind David is much stronger than you think. A master of the Immortal Realm was directly left behind to be killed by luck. You can imagine how powerful the backers behind David are.”

At this time, Yun Li slowly spoke!

Xuan Bin and the others looked at each other, then looked at Yun Li and said, “Who is this Taoist friend?”

They didn't know Yun Li. Yun Li had been imprisoned in the Ten Palaces and had not been seen for many years.

"His Highness the Tenth Palace, Yun Li..."

Yun Li said with a fist!

"A person from the Tenth Palace?" Xuan Bin and the others were stunned, and then they became alert, and one by one they took a fighting stance!

"Everyone, everyone, although this Taoist friend Yun Li is a person from the Ten Palaces, he is not an enemy of Mr. Chen. Instead, they are friends."

Seeing this, Xiao Yuanshan hurriedly said!

Xuan Bin and the others were very confused. They really didn't understand how the Highness of the Ten Palaces could be friends with David, and they went to destroy the Ten Palaces today!

Looking at the confused Xuan Bin and the others, Yun Li smiled and said, "You don't need to know too much. Just know that if you follow David, you will have a bright future in the future."

"If it weren't for my identity, I would have wanted to hang out with that kid David..."

Yun Li finished speaking and left with a slight smile!

Yun Li can be considered a child of destiny, but he ended up in this situation just because he broke the rules of the temple!

Chapter 4777

If the Tenth Palace Master had not released Yun Li privately, Yun Li would have been imprisoned for his entire life!

Yun Li followed David, which was a kind of hero cherishing a hero!

"I just hope to break through the peak of the Mahayana realm and enter the Immortal Transformation Realm..."

Zhou Tang now urgently wanted to enter the Immortal Transformation Realm.

“This is not simple. Mr. Chen has given us so many resources. We will take advantage of these few days of free time and feel like breaking through!”

Xuan Bin said!

“Yes, we can’t be idle either. We have to break through quickly. According to Mr. Chen’s talent, it probably won’t take much time. I’m afraid that our strength can’t help him!”

Cang Yue also said!

The three people asked Xiao Yuanshan to find a secluded place and began to break through. As long as they broke through the peak of the Mahayana realm, their strength would be able to reach a higher level!

Looking at Xuan Bin and the other two who left, Xiao Yuanshan sighed softly: “Hey, when can I reach the peak of the Mahayana realm...”

As the saying goes, there is always someone higher than you, and human desires are endless!

In order to break through to the Immortal Transformation Realm, Xuan Bin and the other two were also worried.

When they saw the cultivators in the Immortal Transformation Realm, they were extremely envious! What the three of them didn’t know was that other cultivators were also extremely envious when they saw them!

If Xiao Yuanshan wants to reach the peak of the Mahayana realm, he probably still has a long way to go!

.....

In the secret room!

David and Hua Yueying stood facing each other!

“Miss Hua, if you don’t want to teach me, I won’t force you. I will give you the resources in the future, so you don’t have to worry!”

David didn’t want to force Hua Yueying!

After all, that was someone else’s unique skill. It was their right to teach or not!

“I can teach you, but there is a condition...”

Hua Yueying said!

“What condition?” David was stunned!

“Sleep with me...”

Hua Yueying said!

“What?” David was stunned and didn’t react for a while!

“Sleep with me...” Hua Yueying said again!

“Is this... is this appropriate? After all, we have only known each other for a short time!” David said embarrassedly!

“There is nothing inappropriate. You slept with me, and we are a family. My Ganlin will teach you when he comes to the world.”

Hua Yueying explained!

“Miss Hua, do you let me sleep with you because you like me?”

David asked!

Hua Yueying shook her head: “No...”

“You don’t like me, but you let me sleep with you. Isn’t this a bit contradictory? Do you want to sleep with someone you don’t like?”

David was very surprised and didn’t understand what Hua Yueying meant!

“I let you sleep with me, just because I want to be your woman. You have background and resources. If I become your woman, it will definitely be beneficial to my cultivation.”

“And I have offended the temple and the Huo family now. If they don’t dare to seek revenge on you, will they dare to seek revenge on us?”

“I must find a shelter, and your place is undoubtedly the safest, and I am full of confidence in your future!”

Hua Yueying said without hiding it!

She wanted to sleep with David and become David’s woman just for David’s background and resources.

Speaking of it, this is more like an exchange of interests!

“Your father is the Lord of the North Territory, you can...”

“I didn’t say I wanted to recognize him...” Hua Yueying said coldly without waiting for David to finish!

“This...” David hesitated!

“I will be your woman and teach you how to make Ganlin descend to the world. You give me resources and protect my safety. Isn’t this good?”

Hua Yueying asked!

“It’s good, but...” David always felt that this was more like selling his body!

“I’m letting you sleep now. Just because I don’t like you doesn’t mean I’ll never like you. Maybe after we sleep together and get to know each other better, I’ll like you?”

Hua Yueying said with a smile!

“Okay, I promise you...” David said, and directly pressed Hua Yueying under him!

Chapter 4778

Ten Palaces!

The Lord of the Ten Palaces returned to the dilapidated Ten Palaces!

There are only a few people in the Ten Palaces now, and they are all seriously injured!

That old man Qian has not come back yet. I don’t know where he went to fight with the Lord of the North Territory!

Sitting in the palace that has collapsed for the most part, the Lord of the Ten Palaces has mixed feelings!

At this moment, his mind kept echoing the scene of Huo Ming being pierced through in an instant and then having his head chopped off by David!

It was just a piece of luck, but it could instantly kill a master of the Immortal Realm!

Although the Lord of the Ten Palaces had heard of the master behind David a long time ago, he had never seen him, and he was still shocked this time!

“Lord of the Ten Palaces, your Ten Palaces have become like this, and you concealed it. The Lord of God is very angry...”

At this time, accompanied by a tremor in the void, a man in a dark red robe walked out!

The man was wearing heavy makeup, especially his bright red lips, which were very eye-catching!

A man dressed so seductively must have psychological problems!

“Who are you?” The Tenth Palace Master frowned!

The man was so strange and silent, which made the Tenth Palace Master very alert. If this guy came to target the Tenth Palace, there was no way to stop him with the seriously injured people in the Tenth Palace!

The man threw a token directly to the Tenth Palace Master. After seeing the token, the Tenth Palace Master’s face changed immediately and said respectfully: “Meet the Ninth Palace Master...” The

ten palace masters of the temple had never met each other, so it was normal that no one knew each other!

However, one hall is higher than another, and the Ninth Palace is stronger than the Tenth Palace, which is beyond doubt!

The Tenth Palace Master did not expect that the God Lord knew about this matter, and even sent the Ninth Palace Master!

“Do you think that there is a great formation of heaven and earth in the Heaven and Human Realm, and other people from the Temple cannot come to the Heaven and Human Realm, and the God Lord cannot understand the situation of your Ten Palaces?”

The Ninth Palace Master asked!

“I dare not!” The Lord of the Tenth Palace shook his head hurriedly!

“Don’t dare?” The Lord of the Ninth Palace smiled coldly: “You released your son privately, and thought that God didn’t know it, but you didn’t know that the Lord of God knew it a long time ago.”

“Although the great formation of heaven and earth has blocked the heaven and the world of heaven and man, the sound transmission is not affected. The Lord of God knows everything you have done in the Tenth Palace.” The Lord

of the Tenth Palace panicked when he heard it. He thought that he was far away from the emperor and secretly released his son, and no one would know!

“I deserve to die, I dare not conceal it!”

The Lord of the Tenth Palace was so scared that he knelt on the ground!

The rules of the temple are very strict, and he might lose his life!

“If it weren’t for the Huo family’s message, we would have been kept in the dark by you.” Looking at the kneeling Tenth Hall Master, the Ninth Hall Master snorted coldly: “Who on earth dares to go against my temple? Take me to kill him immediately!”

“Ninth Hall Master, there is a strong man behind David. We are afraid that...” The Tenth Hall Master hesitated!

“Humph, what strong man is there in the small world of heaven and man? I came here this time to kill that strong man.”

The Ninth Hall Master snorted coldly and said disdainfully!

“Really strong, the strong man behind David seems to be called Mr. Shi, I am afraid he is stronger than...”

The Tenth Hall Master was still persuading, but the Ninth Hall Master was angry!

“Don’t say it, I entered the ladder three times and broke into the eighth floor. I am only a little bit away from reaching the top of the heaven. Is there anyone stronger than me in this world of heaven and man?”

“And that Mr. Shi, I will beat the shit out of him when I see him, you don’t need to show off to others!”

The Ninth Hall Master said angrily!

This Tenth Hall Master, showing off to others and destroying his own ambition, is too cowardly!

Buzz...

As soon as the Ninth Palace Master finished speaking, the void suddenly twisted, and then a phantom slowly appeared!

Chapter 4779

The shadow flickered, but it could be seen that it was a middle-aged man!

“Who is it, who are you?”

The Tenth Palace Master frowned when he saw the shadow!

“Hmph, just a shadow, you dare to come to our temple to act wild...” The

Ninth Palace Master snorted coldly and was about to attack the shadow!

But just as he raised his palm, he found that the shadow waved his palm, and the world seemed to solidify, and they couldn't move at all!

This time, the Ninth Palace Master and the Tenth Palace Master were dumbfounded!

“I am Mr. Shi, who you just wanted to beat the shit out of...”

The shadow slowly stepped forward, becoming clearer and clearer!

“You...you are not the real body?”

The Ninth Palace Master looked at him in shock. A shadow has such strength, so wouldn't the real body be even more powerful!

Mr. Shi didn't say anything, maybe he was too lazy to pay attention, and he just stretched out his hand, and the Ninth Palace Master was in Mr. Shi's hand!

The body of the Ninth Hall Lord began to ooze blood, his eyes widened, and his whole body trembled!

Plop...

The Ninth Hall Lord's body softened and he knelt down, his eyes full of fear!

And the Tenth Hall Lord's lower body, a stream of warmth flowed out, and he was scared to pee!

A shadow can treat them as ants, so if the real body comes, wouldn't it be even more powerful!

Is this the backer behind David?

The Tenth Hall Lord became more and more scared, and in the end he not only peed, but also pooped!

The stench filled the entire Ten Halls!

“Don’t... don’t kill me, I was wrong...”

The Ninth Hall Lord regretted saying that at this moment!

The Tenth Hall Lord was incontinent and was going crazy!

You have to know that this Ninth Hall Lord has been on the eighth floor of the ladder to heaven, but in front of a shadow, he was completely powerless to fight back! He

is really not as good as an ant!

The Tenth Hall Lord’s Taoism heart was shattered and he collapsed completely!

Noble blood, no face, none of them are important at this moment!

The Tenth Palace Master also collapsed to the ground. He didn’t even have the strength to kneel!

His eyes were full of despair, complete despair!

“One word, one life, why bother...”

Mr. Shi sighed softly: “I don’t know how many years I haven’t heard the words of beating me to shit.”

“You...are you an immortal?”

The Ninth Palace Lord looked at Mr. Shi and thought that Mr. Shi was not from this world of heaven and man, but

must be an immortal from heaven! When the Tenth Palace Lord heard this, his Adam’s apple rolled, and his face was full of disbelief. There was a great formation of heaven and earth in this world of heaven and man, how could an immortal appear?

Even the immortals in the past would be suppressed under this great formation of heaven and earth!

“Immortal?” Mr. Shi looked up at the void: “What is an immortal?”

“fu**...”

The horror in the eyes of the Ninth Palace Lord turned into despair!

The Tenth Palace Lord's brain was horrified, sitting on feces and urine, like a guy who couldn't take care of himself!

"No matter who you are, let's die together..."

The Ninth Palace Lord fell into madness from despair, and the whole person suddenly swelled up!

Countless terrifying auras suddenly gathered between heaven and earth, and the body of the Ninth Palace Lord was like a bomb that could explode at any time!

The Ninth Palace Master was about to self-destruct. Deep despair made him seem to lose his mind!

Seeing this, the Tenth Palace Master wanted to run, but his body was not listening at all!

Mr. Shi looked at the Ninth Palace Master who was about to self-destruct, his eyes full of disdain!

He just lightly tapped with his finger!

The Ninth Palace Master, who was originally swollen and about to self-destruct, quickly began to shrink!

Poof!

In the end, with a sound like a fart, the body of the Ninth Palace Master turned into powder!

There was no trace of the Ninth Palace Master in the entire hall!

It was as if the Ninth Palace Master had never been here!

The Tenth Palace Master collapsed on the ground, looking at everything happening in front of him, he was numb!

He wanted to faint and didn't want to see these!

He practiced with all his strength, thinking that one day he would ascend to become an immortal!

But now, even if he becomes an immortal, he is like an ant in front of someone's phantom!

This blow made the Tenth Palace Master collapse!

I really collapsed...

“Brat, I helped you kill another enemy. It’s all because of this guy’s talkativeness, otherwise I wouldn’t help you!”

Mr. Shi muttered to himself, and then slowly disappeared!

Full Read Online **Chapter 4780** of the novel **A Man Like None Other**

Chapter 4780

After an unknown amount of time, the Tenth Hall Master slowly stood up, and the stench of feces made him nauseous!

After finally coming to his senses, the Tenth Hall Master discovered that the few remaining guys in the Tenth Hall had already been silent!

They were already seriously injured, and they couldn’t bear the pressure just now!

His son who liked to eat lollipops was also among them!

But at this moment, looking at his dead son, the Tenth Hall Master didn’t change his expression at all!

“Storage bag, storage bag...”

The Tenth Hall Master seemed to remember something, and began to search the dead Ten Halls for storage bags!

Even his son’s storage bag was searched!In

a corner not far away, there was another storage bag lying quietly. He could tell at a glance that it belonged to the Ninth Hall Master, because there was the Ninth Hall Master’s logo on it!

Although the Ninth Palace Master was gone, the storage bag did not disappear with him!

The Tenth Palace Master took out all the storage bags, and also took out the storage bag he carried with him and put them together!

“With so many resources, I wonder if I can follow David...”

The Tenth Palace Master said as he looked at the storage bag in front of him!

He now wants to follow David as a younger brother!

With such a backer behind David, even being a king in the Heavenly Realm would be easy!

The Tenth Palace Master was very regretful at this time, why did he provoke David!

I don't know if it's too late to curry favor with David at this time!

.....

Xiao Dynasty!

David followed Hua Yueying to learn the Sweet Rain Coming to the World. This auxiliary formation was actually not difficult for David to learn!

After only one day of learning, David could perform it. Although the power was not very great, it was also considered a talent!

"Mr. Chen, you learn so fast, and you are really talented!"

Hua Yueying said happily!

"If you want to learn, you have to sleep with the master. The master is the best teacher!"

David smiled slightly: "Don't call me Mr. Chen in the future. My woman can just call me by my name!"

"No!" Hua Yueying shook her head: "Although I am your woman, we are just a transaction, and we cannot be considered a true dual cultivation partner. I'd better call you Mr. Chen."

"When I really like you, I will change my words myself..."

"Whatever you want!" David didn't care!

Boom boom boom...

At this moment, in a hidden place in the Xiao Dynasty, dark clouds suddenly rolled, lightning and thunder!

The sky and the earth seemed to merge into one, becoming chaotic!

"Is this someone breaking through?" Hua Yueying said in shock!

“This kind of terrifying thunder tribulation, I’m afraid it’s not a breakthrough for one person...”

David looked at the sky in the distance and said slowly!

I don’t know how long it took, the sky of the Xiao Dynasty gradually cleared up!

Three terrifying auras instantly filled the entire Xiao Dynasty!

“Transformation into a fairyland?” Hua Yueying frowned, and her face became ugly!

“Don’t be afraid, these three guys actually broke through together!”

David comforted Hua Yueying!

Whoosh whoosh whoosh...

Three figures appeared in front of David and them at this time!

These three people are Xuan Bin, Zhou Tang and Cang Yue!

The three of them used the fairy stones given by David to break through to the immortal realm together!

This is also a great wonder in the world of heaven and man. It is unheard of that three people broke through the immortal realm at the same time!

“Mr. Chen, thank you so much. If it weren’t for you, we don’t know when we can break through the immortal realm!”

Xuan Bin’s face was full of excitement and excitement, and he was about to kneel down to David!

David stretched out his hand and said, “You broke through, that’s your ability, don’t thank me...”

“As long as you follow me well, I guarantee that you will have delicious food and endless resources!”

“We swear to follow Mr. Chen!” Xuan Bin and the other two promised!

“Mr. Chen, it’s bad, the Ten Palace Masters are here again...” At this time, Xiao Yuanshan came in a hurry!
