Chapter 4782

“Why did Mr. Shi only kill the Ninth Palace Master and not you?”

David asked curiously!

“The Ninth Palace Master talked too much and said that he would beat the master behind you to death, so that made Mr. Shi unhappy and killed the Ninth Palace Master.”

The Tenth Palace Master said truthfully!

David couldn't help laughing when he heard it. It seems that Mr. Shi also has a bit of a temper!

“Are you really submitting, or are you forced by Mr. Shi's pressure?” David asked!

“Sincerely, I am sincere. I hope Mr. Chen can give me a chance to serve!”

The Tenth Palace Master hurriedly expressed his loyalty!

“Aren't you all very arrogant and can't see other races clearly? Is it inconsistent with the spirit of your God Clan for you to submit to me now?”

David asked!

“Hey...” The Tenth Palace Master smiled awkwardly: “What God Clan? It's nothing but self-deception. How can our blood be more noble than other tribes?”

“On the contrary, it is the various rules of the God Clan that restrict their own development. In order to improve their strength, I secretly merged the blood of the beast clan. I can't stand still!”

“If there were no such broken rules, my son Yunli would have been married by now. Why would he end up dying?”

The Tenth Palace Master thought of Yunli and felt very guilty. It was all because of the rules of the God Clan!

“My current strength is not as good as yours. Are you sure you want to follow me?”

David looked at the Tenth Palace Master and asked again!

The Tenth Palace Master said: "I believe that Mr. Chen will definitely be able to become the master of the celestial world in the future. After all, Mr. Chen is a genius, gifted, talented, and making progress every day

. Heaven..." David heard it and immediately waved his hand to interrupt the Tenth Palace Master: "Okay, stop flattering me, just say that you are afraid of death."

"But since you are with me, you are my little brother. I can't let you pay so many resources for nothing. I will give you a gift!"

"What?" The Tenth Palace Master looked expectant!

He didn't know what rare treasures David would give him!

"Come with me..." David waved to the Tenth Palace Master!

The Tenth Hall Master was about to take a step, but immediately shrank back. He didn't dare to step into the territory of the Xiao Dynasty now!

David smiled: "Okay, it's okay, as long as you don't have any bad intentions, you won't be attacked!"

The Tenth Hall Master then entered the territory of the Xiao Dynasty, and then followed David into the imperial city!

David took the Tenth Hall Master directly to where Yun Li lived!

Now that the Tenth Hall Master has become his younger brother, it's time for them to meet!

Yun Li and Shi Lan were practicing in the room, and David called Yun Li out!

"David, how can you disturb others? I didn't disturb you when you were practicing!"

Yun Li was very angry and walked out in his clothes!

But just after walking out of the room, he found that his father was there!

Yun Li was stunned for a moment, and the Tenth Hall Master was also shocked, and then burst into tears of joy!

"Yun Li, my son, I thought you were dead..."

The Tenth Hall Master hugged Yun Li!

Yun Li was somewhat resistant and looked a little flustered. He frowned and looked at David!

He didn't understand why David brought his father here. Yun Li wanted to leave the God Clan and the Ten Palaces, so he thought of faking his death!

After finally deceiving his father, David actually found his father again!

“Brother Yun, your father knows he is wrong. He will never stop you from practicing dual cultivation with Shi Lan in the future, and your father is my younger brother now.”

David said to Yun Li!

“What nonsense are you talking about, who is your younger brother?”

Yun Li was a little unhappy. How could David say that his father was his younger brother!

“Yun Li, you must not be rude to Mr. Chen. I am indeed following Mr. Chen now!”

The Lord of the Ten Palaces quickly scolded Yun Li!
