Chapter 4784

“In this case, how does the Huo family survive in this place?”

David asked curiously!

“Depending on the ladder to heaven, many children of the Huo family will enter the ladder to heaven, and there are many resources in the world of the ladder to heaven.”

“There is also a toll for the monks entering the land of no expectation. If you want to enter and wait for him, you must first enter the land of no expectation. The Huo family uses this to collect resources.”

The Tenth Palace Master said!

“This Huo family is quite good at playing...”

David smiled faintly!

“Mr. Chen, if you also want to enter the ladder to heaven to play, you must be careful of the Huo family. If you kill Huo Ming, the Huo family will never let it go.”

The Tenth Palace Master warned!

“I understand. If the Huo family continues to provoke me, I don't mind making the Huo family disappear from the world of heaven and man!”

David smiled easily!

When the Ten Palace Masters heard this, they also laughed. As for Mr. Shi behind David, let alone one Huo family, even if ten Huo families came, they would be destroyed!

“David, you'd better be careful. The Ten Palaces' hunting order was issued by Huo Qing. If the ladder really appears in the Wuwang Land, the Huo family can issue a hunting order against you.”

“When the chips are raised, those monks who go to the ladder will definitely be tempted and attack you. Not everyone knows that you have a powerful backer!”

Yun Li reminded David not to let David be too careless!

“I understand!” David nodded: “You father and son can have a good chat, I won’t disturb you, I also want to practice, see if I can upgrade my realm before the ladder appears...”
Chen

Ping has collected so many storage bags from the Ten Palace Masters, there are quite a few resources in them!

With so many resources, it shouldn’t be a problem to upgrade a small realm!

.....

Wuwang Land, Huo Family!

Pah pah pah pah.....

Huo Qing was standing in the main hall when Huo Zhenfeng, the head of the Huo family, slapped him in the face!

Huo Qing stood there motionless, his face full of horror!

“You bas***, why don’t you train well in the Ten Palaces and call your eldest brother out for what?”

“Now that your eldest brother is dead, you still have the face to come back?”

Huo Zhenfeng’s face was full of anger!

“Master, this matter is not the second young master’s fault. It’s all the guy named David. He targeted the second young master and destroyed the Ten Palaces. The second young

master asked for help.” Steward Lu said cautiously!

“Shut up, you should be beaten too. Why did you follow the eldest young master out without notifying me?”

Huo Zhenfeng looked at the steward Lu and said angrily!

Steward Lu shuddered: “Master, it was the eldest young master who didn’t let me say it, and we feel that the cultivators in the heavenly world have no one who can hurt us.”

“But who knows, but who knows...”

Steward Lu stuttered, he didn't know, a small Mahayana cultivator, how could there be a master behind him!

"The ladder to heaven is about to appear, and the hidden forces of all parties are ready to move. You idiots dare to run around."

"Don't you know that there are heavens outside the sky and people outside the people?"

Huo Zhenfeng questioned!

"Father, my eldest brother's revenge must be avenged. I don't believe that David will stay in the Xiao Dynasty all his life!"

Huo Qing still wanted to bring people to avenge his eldest brother!

"You stay here honestly. The ladder to heaven will appear soon. You are not allowed to run around. In addition, more people will be sent to the border."

"I believe that there will be many cultivators who will come to the land of no consequence early during this period. Remember to charge more fees at that time."

"Of course, it depends on the person. If the opponent's strength is too high, it is also possible to reduce it to avoid conflicts!"

Huo Zhenfeng explained to Steward Lu!

"I understand, I will arrange it now!" Steward Lu nodded!

"Father, I will feel uneasy if I don't avenge my eldest brother!"

Huo Qing said with gritted teeth!

"You have already issued a hunting order for David. Since no one dares to do it with 100,000 fairy spirit stones, then increase it to 200,000!"

"Remember, money makes the devil push the mill. The ladder to heaven will appear soon, and we can make a fortune again!"

Huo Zhenfeng raised the reward to 200,000 fairy spirit stones to hunt down David!

Chapter 4785

Xiao Dynasty!

David was practicing with great concentration, and countless resources around him were being consumed at a speed visible to the naked eye!

“David, come out, where are you?”

Just when David was practicing, an angry voice came!

“Little sister, didn’t you promise me to talk nicely? Don’t be angry...”

Lin Kefan followed behind Lin Keting and kept persuading her! When

Lin Kefan returned to Sun Moon City, he told her about David sleeping with Hua Yueying!

Lin Keting came over in a rage!

Xuan Bin and others saw the angry Lin Keting and Lin Kefan following behind, and they all smiled slightly. They knew that David’s good days were over!

David can have multiple women, but he also has to bear too many troubles from women!

“Mr. Chen is practicing, no one is allowed to make noise or disturb...”

At this time, Hua Yueying stood up!

When Lin Keting saw Hua Yueying, she immediately got angry and said, “You are the one who followed me to snatch a man? Why don’t you find another man, but David?”

“It’s not me who found him, it’s him who found me...” Hua Yueying said!

If David hadn’t asked Hua Yueying to teach him the world of Ganlin, he wouldn’t have to practice dual cultivation with Hua Yueying!

“You are talking nonsense, it must be you who seduced him, let David come out and explain it clearly!”

Lin Keting didn’t believe it at all, so she wanted to rush in to find David to ask clearly!

“I said, Mr. Chen is practicing, no one is allowed to disturb him!”

Hua Yueying waved her hand, and a formation blocked David’s house!

Lin Keting was angry at the moment, and when she saw Hua Yueying casting a spell, she also attacked Hua Yueying directly!

Seeing this, Hua Yueying followed Lin Keting and started fighting without hesitation!

Two women were fighting, and the others could only watch from the side, and no one dared to step forward!

“Stop fighting, stop fighting...”

Lin Kefan had no choice but to persuade from the side!

The two women fought back and forth, but Lin Keting’s strength was not as good as Hua Yueying’s, and she soon fell behind!

If Hua Yueying hadn’t shown mercy, Lin Keting would have been defeated long ago!

However, Lin Keting was the eldest daughter of Sun Moon City, and her brother Lin Kefan was watching, so Hua Yueying didn’t dare to use heavy hands!

Boom...

Just as the two women were going back and forth, there was a sudden roar!

The sky turned black in an instant, and thick thunder clouds covered the entire Xiao Dynasty!

This scene was like the end of the world!

“Mr. Chen is about to break through...”

Seeing this scene, Xiao Yuanshan hurriedly said!

Seeing this, Hua Yueying and Lin Keting also hurriedly stopped and stared blankly!

They knew that this was the most dangerous time for David, and they must not let David be distracted!

You must know that it is very dangerous when crossing the thunder tribulation!

Rumble...

Ka La La La...

Lightning and thunder, one after another thunder tribulation struck down!

I don't know how long it took, the sky gradually cleared up, and the thunder tribulation cloud also floated away!

The door slowly opened, and David slowly walked out!

At this time, David was already in the third level of the Mahayana realm!

Now the improvement of a small realm has made David a little insensitive!

This thunder tribulation can't hurt David at all!

"Who was yelling when I was practicing just now?"

David's eyes swept over Lin Keting and Hua Yueying!

Facing David, Lin Keting suddenly became shy and didn't dare to yell!

"Mr. Chen, she wanted to see you, and I stopped her because I was afraid of disturbing your practice!"

Hua Yueying said!

"Don't you know that it is most taboo to be disturbed when practicing? Are you trying to make me go crazy and murder my husband?"

David questioned Lin Keting!

"I... I didn't... I wasn't..."

Lin Keting shook her head quickly!

How could she harm David? She was just too angry just now!

"I must punish you today..."

After David finished speaking, he pulled Lin Keting and walked into the house!
