Chapter 4786

“Brother, save me, save me...” Lin Keting was a little panicked. She didn’t know how David would punish her!

“David, my little sister is just a little angry. She didn’t mean to disturb your practice. Please forgive her this time!”

Lin Kefan hurriedly followed David to plead!

But David ignored him and slammed the door shut!

Soon, Lin Keting’s voice came from the room, but the more people listened, the more they felt something was wrong. Lin Keting’s voice didn’t sound like she was being beaten. She seemed very happy!

Hua Yueying’s face turned red all of a sudden. She had just experienced it, so of course she knew what Lin Keting’s shout meant!

At this time, Xuan Bin and others also heard it, and turned away awkwardly!

Lin Kefan didn’t know whether to leave or not...

I don’t know how long it took, but it was already dark anyway!

David’s door opened, Lin Keting leaned on David’s shoulder, and walked out with a smile on her face!

Seeing his little sister’s cute look, Lin Kefan knew that David had completely conquered Lin Keting!

“Brother Chen is really amazing, from dawn to dusk, it’s really enviable!”

At this time, Yun Li walked into David’s yard with envy on his face!

“Brother Yun, you are also very powerful...” David smiled slightly!

“I can’t do it, far from it!” Yun Li smiled, and then said: “The ladder to heaven will appear in Wuwang Land. There are already strange phenomena in Wuwang Land, and a large

number of cultivators have gathered in Wuwang Land. Should we also go to Wuwang Land in advance to familiarize ourselves with it?"

"Sure, even if you don't say it, I want to go and see it too!"

David nodded in agreement when he heard it!

"Okay, we will set off tomorrow, but for your safety, we must go separately."

"After all, Wuwang Land is the territory of the Huo family. With so many of us together, it is easy for the other party to target us."

Yun Li said!

"Okay, I'll go alone tomorrow, you can take the airship there, remember to bring more resources, after all, there are no resources to replenish in the Wuwang Land!"

David still remembered the words of the Tenth Palace Master. There were no resources in the Wuwang Land, not even spiritual energy. If you fight in the Wuwang Land and consume too much, there is no way to replenish it!

You can only go there with a lot of resources by yourself, and consume your own resources to practice!

After the agreement, David contacted Xing Daorong overnight and asked him to send all the fairy stones in the Beast City!

David himself pulled Hua Yueying and returned to the room!

This time, Hua Yueying and Lin Keting were together, which was also David's reconciliation between the two!

Early the next morning!

Xing Daorong sent 100,000 fairy stones, and David asked Ji Yun to take out the airship!

Because Ji Yun's strength was still too low, there was no point in going to the Wuwang Land. After all, if you don't climb the ladder to the sky, there is no objection to going to the Wuwang Land, a place without any resources!

Besides, Ji Yun now has a little sister, and he is in a gentle place all day long, so he doesn't want to run around!

David handed the airship to Xuan Bin to control, so that everyone would not need to consume energy all the way to the Wuwang Land

, and they could also practice on the airship! David himself flew in the air and headed to the Wuwang Land according to the location mentioned by the Ten Palace Masters!

Xuan Bin, Zhou Tang, Cang Yue, Hua Yueying, Yun Li, Shi Lan, the Ten Palace Masters, Lin Kefan, and Lin Keting.

All of these people were in the airship, following David from behind, keeping a certain distance!

Along the way, everyone also met many cultivators going to the Wuwang Land!

Moreover, these cultivators are all powerful, and the worst have the eighth grade of the Mahayana Realm!

David was very surprised. He didn't expect that there were so many masters hidden in this world of heaven and man!

When David and his friends were rushing to the Wuwang Land, two figures in the extreme north of the Northern Territory were also heading towards the direction of the Wuwang Land at a rapid speed!

The two were very fast, with flames burning all over their bodies, and at a glance they looked like two burning meteors!

Chapter 4787

After an unknown amount of time, David came to a silent sea level. This sea was as silent as death, just like the Dead Sea in the East Region!

Looking up, there was a gray area in front of him, as if there was a barrier, and he had reached the end of the Heavenly Realm!

“After passing through here, it should be the Land of No Deeds...”

David took a deep breath, and then flew towards the gray area!

Behind David, Xuan Bin and the others were riding an airship!

But just after David arrived at the gray area, suddenly a mysterious force came to suppress him!

David ignored it, but used his strong body to smash the pressure directly!At

this time, an old man walked out of the gray area.

A peak cultivator in the Mahayana realm!

The old man was dressed in a black robe, and when he saw David's realm, there was a bit of disdain on his face!

“Since when, a third-grade cultivator of the Mahayana realm dares to come here!”

The old man looked at David and said!

David also glanced at the old man twice, and did not intend to pay attention to him, and wanted to go around!

But the old man stretched out his hand and said, “Don't you know the rules?”

“What rules?”

David was stunned!

“To enter this Wuwang land, you need a thousand fairy spirit stones!” said the old man!

David did not speak, but casually threw a thousand fairy spirit stones to the old man! A thousand fairy spirit stones are like drizzle to David!

There is no need to waste time for a thousand fairy spirit stones!

The old man looked at the fairy spirit stones and was slightly stunned. Obviously, he did not expect that David, a third-grade cultivator of the Mahayana realm, could casually take out a thousand fairy spirit stones, and he did not seem to care!

“I met the second-generation brother...” The old man was happy!

“Can I pass?”

David asked!

“It can be passed, but if you enter the Wuwang land, we...”

The old man wanted to say something, but before he could finish, David threw another thousand fairy stones into the old man's hand!

This nouveau riche look made the old man confused!

“Anything else?” David asked!

“Ah.....” The old man couldn’t think of any excuses for a while, but he didn’t want to let go of David, a sucker! It’s

rare to meet a cultivator like David who is low in realm but very rich. This kind of fat sheep will be slaughtered completely when you meet it!

After all, many rich second-generations with low realms will bring masters with them when they go out, and they don’t even look at the gatekeeper like the old man!

Now David is alone, if he doesn’t slaughter him now, when will he?

“Of course, you can enter the land of nobility with this money, but after entering, there are sanitation fees, head fees, tolls, bridge fees...”

The old man counted on his fingers and told David one by one!

“Just tell me how many fairy stones you need!” David was too lazy to listen to him!

“Need...need...” The old man calculated, and finally gritted his teeth: “I need five thousand fairy spirit stones...”

“Give it to you...”

As soon as the old man finished speaking, David threw out five thousand fairy spirit stones.

The old man was dumbfounded, and then he slapped him hard: “Damn, it’s too little...”

Why was he so stupid?

Gritting his teeth, he only dared to ask for five thousand fairy spirit stones!

If he asked for more, it would be obvious that the other party would not give it...

Hey...

The old man regretted it so much!

“Wait a moment, your situation is a bit special, and we need our elders to come in person!”

The old man stopped David and said!

“Are you a member of the Huo family?” David asked!

“Yes.” The old man nodded: “But don’t mention knowing our Huo family, it’s useless. This is our rule. You can’t go through the back door!”

“Don’t worry, I won’t mention it, but I really know the two young masters Huo Ming and Huo Qing from your Huo family!” David smiled slightly!
